**Information Statement Pursuant to Section 14C of the Securities Exchange Act of 1934**

This Information Statement is being filed by Pacific Ventures with the United States Securities and Exchange Commission (the “SEC”) on February 7, 2019, in connection with the Joint Written Consent dated February 7, 2019 to amend the Registrant’s Certificate of Incorporation to increase the authorized capital stock of the Registrant from 510,000,000 shares of capital stock consisting of 500,000,000 shares of Common Stock and 10,000,000 shares of Preferred Stock to 910,000,000 shares of capital stock consisting of 900,000,000 shares of Common Stock and 10,000,000 shares of Preferred Stock (the “Authorized Share Increase”).

Pacific Ventures was incorporated under the laws of the State of Delaware on October 3, 1986, under the name AOA Corporation. On November 12, 1991, the Company changed its name to American Eagle Group, Inc. On October 22, 2012, the Company changed its name to Pacific Ventures Group, Inc.

The current structure of Pacific Ventures resulted from a share exchange with Snöbar Holdings, Inc. (“Snöbar”), which was treated as a reverse merger for accounting purposes. As the result of the Share Exchange, Snöbar Holdings became Pacific Venture’s wholly owned operating subsidiary and the business of Snöbar Holdings became the Company’s sole business operations, and Snöbar Holdings’ majority owned subsidiary, MAS Global Distributors, Inc., a California corporation (“MGD”), became indirect subsidiary of Pacific Ventures.

Snöbar Holdings was formed under the laws of the State of Delaware on January 7, 2013. Snöbar Holdings is the trustor and sole beneficiary of Snöbar Trust, a California trust (“Trust”), which was formed in June 1, 2013. The current trustee that holds legal title to the Trust is Clark Rutledge, who is the father of Shannon Masjedi, who is the Company’s President, Chief Executive Officer and majority stockholder. The Trust owns 100% of the shares of International Production Impex Corporation, a California corporation (“IPIC”), which was formed on August 2, 2001. IPIC is in the business of selling alcohol-infused ice cream and ice-pops and holds all of the rights to the liquor licenses to sell such products and trade names “SnöBar”. As such, the Trust holds all ownership interest of IPIC and its liquor licenses, permitting IPIC to sell its product to distributors, with all income, expense, gains and losses rolling up to the Trust, of which Snöbar Holdings is the sole beneficiary. Snöbar Holdings also owns 99.9% of the shares of MAS Global Distributors, Inc., a California corporation (“MGD”). MGD is in the business of selling and leasing

freezers and providing marketing services. As a result of the foregoing, Snöbar Holdings is the primary beneficiary of all assets, liabilities and any income received from the business of the Trust and IPIC through the Trust and is the parent company of MGD.

MGD, a majority owned subsidiary of Snöbar Holdings, is the sole marketer for SnöBar ice cream and SnöBar ice pops. MGD handles all the marketing and promotional aspect for the SnöBar product line.

On May 1, 2018, Royalty Foods Partners, LLC, a Florida Limited Liability Corporation and a subsidiary of Pacific Ventures Group, Inc., completed an asset acquisition of San Diego Farmers Outlet, Inc., a California Corporation. San Diego Farmers Outlet provides primarily restaurants customers in southern California's three largest counties with quality food and produce and does business under the name of Farmers Outlet and San Diego Farmers Outlet.

On September 24, 2018, the Company signed an Asset Purchase Agreement ("Agreement") to acquire a Florida-based wholesale distributor for general merchandise (the "Wholesaler"), the closing of which Agreement is subject to final due diligence.

The Wholesaler is a registered wholesale distribution company that is involved in the distribution of food, beverages and general merchandise to retailers, households, hotels, restaurants, mom and pop markets, liquor stores, gas stations and others. Since 1996, the Wholesaler has provided quality merchandise at discounted prices to local customers in and surrounding areas on the East Coast with deliveries made on a daily basis through the Wholesaler's own trucks and outside trucking companies.

The Wholesaler's corporate warehouse and administrative offices are located in Florida and consist of a 50,000 square foot warehouse facility large enough hold its entire inventory under one roof with multiple docks for loading and unloading merchandise.

If and when we complete the acquisition pending final due diligence, of which there can be no assurance, our marketing strategy will include selling our product line to high-end restaurants, resorts, cruise lines and hotels. We plan to sell our product line in grocery stores such as Kroger, Wal-Mart and others, and thereafter to begin a national marketing program to all U.S. retailers. Our sales strategy is based on a top-down marketing plan where products are placed with the largest retailer then trickle down to the smallest seller in each market area.

The Corporate Action will be evidenced by the filing of the Certificate of Amendment with the Secretary of State of the State of Delaware but will not become effective until the Registrant receives approval from FINRA of the Authorized Share Increase (the "Effective Date").

Pursuant to Rule 14c-2(b) promulgated by the SEC under the Securities Exchange Act of 1934 (the "Exchange Act"), the actions approved by the Joint Written Consent and Majority Consenting Stockholders cannot become effective until twenty (20) days from the date of mailing of the Definitive Information Statement to our stockholders.

New Common Stock certificates will not be issued on the Effective Date. The Registrant's Common Stock is subject to quotation on the OTC Pink Market under the symbol PACV.

**ACTION TAKEN BY THE JOINT WRITTEN CONSENT OF THE BOARD OF DIRECTORS AND MAJORITY CONSENTING STOCKHOLDERS OF THE REGISTRANT**

**ACTION I**

**AMENDMENT TO THE CERTIFICATE OF INCORPORATION TO INCREASE THE AUTHORIZED CAPITAL STOCK**

The Registrant's Board and the Majority Consenting Stockholders have adopted and approved the Certificate of Amendment to increase the authorized capital stock from five hundred ten million (510,000,000) shares of capital

stock, consisting of five hundred million (500,000,000) shares of Common Stock and ten million (10,000,000) shares of Preferred Stock to nine hundred and ten million (910,000,000) shares of capital stock consisting of nine hundred million (900,000,000) shares of Common Stock and ten million (10,000,000) shares of Preferred Stock.

The shares of Preferred Stock may be issued in one or more series and the Registrant's is authorized to fix the powers, preferences, rights, qualifications, limitations or restrictions of the Preferred Stock and any series thereof pursuant to Section 151 of the Delaware General Corporation Law ("DGCL"), without further action by the stockholders. Our board of directors can also increase (but not above the total number of authorized shares of the class) or decrease (but not below the number of shares then outstanding) the number of shares of any series of preferred stock, without any further vote or action by our stockholders. Our board of directors may authorize the issuance of preferred stock with voting or conversion rights that could adversely affect the voting power or other rights of the holders of our common stock or other series of preferred stock. The issuance of preferred stock, while providing flexibility in connection with possible financings, acquisitions and other corporate purposes, could, among other things, have the effect of delaying, deferring or preventing a change in our control of our company and might adversely affect the market price of our common stock and the voting and other rights of the holders of our common stock.

Holders of the Registrant's Common Stock do not have preemptive rights to purchase or subscribe for any new shares of upon any future issuances of Common Stock and the authorization and any subsequent issuance of additional shares of Common Stock will reduce the current stockholders' percentage ownership interest in the total outstanding shares of Common Stock. This Amendment will not alter current stockholders' relative rights and limitations.

***Series E Convertible Preferred Stock***

In October 2016, the Company designated 1,000,000 shares of preferred stock as Series E Preferred Stock (the “Series E Preferred Stock”). Under the rights, preferences and privileges of the Series E Preferred Stock, for every share of Series E Preferred Stock held, the holder thereof has the voting rights equal to 10 shares of common stock. The Series E Preferred Stock is not convertible into any class of stock of the Company and has no preferences to dividends or liquidation rights. As of the date of this Information Statement, there were 1,000,000 shares of Series E Preferred Stock issued and outstanding.

Shannon Masjedi, our Chief Executive Officer and principal common stockholder, is the record and beneficial owner of all of the issued and outstanding shares of Series E Preferred Stock having ten (10) votes per share on all matters subject to the vote of the Company’s holders of Common Stock.

***11% Series G Cumulative Redeemable Perpetual Preferred Stock (the “Series G Preferred Stock”)***

In connection with our offering the Series G Preferred Stock, our board of directors has designated 2,000,000 shares of our authorized preferred stock as 11% Series G Preferred Stock, having the rights and privileges described in this prospectus, by adopting and filing the certificate of designations with the State of Delaware. Assuming all of the 400,000 shares of Series G Preferred Stock offered hereunder are issued, we will have available for issuance 1,600,000 authorized but unissued shares of Series G Preferred Stock. Our board of directors may, without the approval of holders of the Series G Preferred Stock or our common stock, designate additional series of authorized preferred stock ranking junior to or on parity with the Series G Preferred Stock or designate additional shares of the Series G Preferred Stock and authorize the issuance of such shares. Designation of preferred stock ranking senior to the Series G Preferred Stock will require approval of the holders of Series G Preferred Stock, as described below in “Voting Rights.”

The Joint Written Consent approving the Certificate of Amendment to the Certificate of Incorporation and the Corporate Action is attached hereto as Exhibit A.

The Certificate of Amendment to the Registrant’s Certificate of Incorporation that reflects the newly-increased shares of Common Stock, without change in the number of authorized shares of Preferred Stock, is attached hereto as Exhibit B. The increase in Authorized Capital Stock will become effective upon the filing of the Certificate of Amendment to the Certificate of Incorporation with the Secretary of State of the State of Delaware, which is expected to occur as soon as is reasonably practicable on or after the twentieth (20th) day following the mailing of this Information Statement to the Registrant’s stockholders.

*Reasons for Increase in Authorized Capital Stock*

In order to facilitate our ability to raise capital in furtherance of our business plan, we may be expected to issue additional shares of Common Stock at the discretion of the Board of Directors, from time to time. After the implementation of the increase in the authorized shares of Common stock from 500,000,000 shares to 900,000,000 shares of Common Stock, the Registrant will have 269,838,107 shares of Common Stock issued and outstanding, 900,000,000 shares of Common Stock authorized and have available 630,161,893 authorized but unissued shares. We contemplate that we will issue shares of Common Stock, from time to time, to raise equity capital from the private sale of our securities as well as issuance in connection with acquisitions that we may undertake in the future. Notwithstanding the foregoing, we have no present plans, nor have we entered into any definitive agreements or understandings, that will require the issuance of any of the newly-authorized shares of Common Stock. While we previously announced a contemplated plan to issue shares of Common Stock in connection with an acquisition of a Florida-based wholesale distributor for general merchandise, this potential acquisition is still in the due diligence stage and we cannot estimate when or if we will close this acquisition.

Our Board of Directors and the Majority Consenting Stockholders have determined that it is in the best interests of the Registrant and all our stockholders to have available additional authorized but unissued shares of Common Stock. As a result of the increase in Authorized Capital Stock, the Registrant will be able to issue Common Stock, from time to time, as may be required for proper business purposes, such as raising additional capital for ongoing operations, establishing strategic relationships with corporate partners, acquiring or investing in complementary businesses or products and/or having shares available for employee stock option plans or for hiring and retaining new and existing employees and consultants.
