Item 2.02 Results of Operations and Financial Condition.

On November 6, 2014, Diodes Incorporated (the “Company”) issued a press release announcing its third quarter 2014 financial results. A copy of the press release is attached as Exhibit 99.1.

As announced in its press release dated October 15, 2014 providing the date, time and live webcast and telephone access information, on November 6, 2014, the Company hosted a conference call to discuss its third quarter 2014 financial results. A recording of the conference call has been posted on its website at [www.diodes.com](http://www.diodes.com). A copy of the script is attached as Exhibit 99.2.

During the conference call on November 6, 2014, Dr. Keh-Shew Lu, President and Chief Executive Officer of the Company, as well as Richard D. White, Chief Financial Officer, Mark King, Senior Vice President of Sales and Marketing, and Laura Mehrl, Director of Investor Relations, made additional comments during a question and answer session. A copy of the transcript is attached as Exhibit 99.3.

In the press release and earnings conference call, the Company utilizes financial measures and terms not calculated in accordance with generally accepted accounting principles in the United States (“GAAP”) in order to provide investors with an alternative method for assessing the Company’s operating results in a manner that enables investors to more thoroughly evaluate its current performance as compared to past performance. The Company also believes these non-GAAP measures provide investors with a more informed baseline for modeling the Company’s future financial performance. Management uses these non-GAAP measures for the same purpose. The Company believes that investors should have access to the same set of tools that management uses in analyzing results. These non-GAAP measures should be considered in addition to results prepared in accordance with GAAP, but should not be considered a substitute for or superior to GAAP results and may differ from similar measures used by other companies. See Exhibit 99.1 for a description of the non-GAAP measures used.

Item 7.01 Regulation FD Disclosure.

The press release in Exhibit 99.1 also provides an update on the Company’s business outlook, that is intended to be within the safe harbor provided by the Private Securities Litigation Reform Act of 1995 (the “Act”) as comprising forward looking statements within the meaning of the Act.

Item 8.01 Other Events.

From time to time, the Company may give corporate presentations to its customers, suppliers and other related interested parties. A copy of the Company’s corporate presentation slides, updated on November 6, 2014, is attached herewith as Exhibit 99.4.
