Item 1.01 Entry into Material Definitive Agreements.

On August 21, 2018, Vince, LLC ("Vince"), a wholly-owned subsidiary of Vince Holding Corp. (the "Company"), entered into a new Term Loan Credit facility and Revolving Credit Facility, as described below. All outstanding amounts under Vince's prior senior secured term loan facility with Bank of America, N.A. ("BofA"), as administrative agent, JP Morgan Chase Bank and Merrill Lynch, Pierce, Fenner & Smith Incorporated, as joint lead arrangers, and senior secured revolving credit facility with BofA, as administrative agent, were repaid in full and those credit facilities were terminated.

Revolving Credit Facility

On August 21, 2018, Vince entered into a new \$80 million senior secured revolving credit facility (the "Revolving Credit Facility") pursuant to a Credit Agreement (the "Revolving Facility Credit Agreement") by and among Vince, as the borrower, the guarantors named therein, Citizens Bank, N.A. ("Citizens"), as administrative agent and collateral agent, and the other lenders from time to time party thereto. The Company and Vince Intermediate Holding, LLC are guarantors under the Revolving Credit Facility. The Revolving Credit Facility provides for a revolving line of credit of up to \$80 million, subject to a loan cap, which is the lesser of (i) the Borrowing Base, as defined in the Revolving Facility Credit Agreement and (ii) the aggregate commitments, as well as a letter of credit sublimit of \$25 million. It also provides for an increase in aggregate commitments of up to \$20 million. The Revolving Credit Facility matures on the earlier of August 21, 2023 and the maturity date of the Term Loan Credit Facility (as defined below).

Interest is payable on the loans under the Revolving Credit Facility, at either the LIBOR or the Base Rate, in each case, with applicable margins subject to a pricing grid based on an average daily excess availability calculation. The "Base Rate" means, for any day, a fluctuating rate per annum equal to the highest of (i) the rate of interest in effect for such day as publicly announced from time to time by Citizens as its prime rate; (ii) the Federal Funds Rate for such day, plus 0.5%; and (iii) the LIBOR Rate for a one month interest period as determined on such day, plus 1.00%. During the continuance of a certain specified events of default, at the election of the agent, interest will accrue at a rate of 2.0% in excess of the applicable non-default rate.

The Revolving Credit Facility contains a requirement that, at any point when "Excess Availability" is less than 10.0% of the loan cap and continuing until Excess Availability exceeds the greater of such amounts for 30 consecutive days, Vince must maintain during that time a consolidated Fixed Charge Coverage Ratio (as defined in such agreement) equal to or greater than 1.0 to 1.0.

The Revolving Credit Facility contains representations and warranties, other covenants and events of default that are customary for this type of financing, including limitations on the incurrence of additional indebtedness, liens, burdensome agreements, guarantees, investments, loans, asset sales, mergers, acquisitions, prepayment of other debt, the repurchase of capital stock, transactions with affiliates, and the ability to change the nature of its business or its fiscal year. The Revolving Credit Facility generally permits dividends in the absence of any event of default (including any event of default arising from a contemplated dividend), so long as (i) after giving pro forma effect to the contemplated dividend and for the following six months Excess Availability will be at least the greater of 20.0% of the aggregate lending commitments and \$10 million and (ii) after giving pro forma effect to the contemplated dividend, the "Consolidated Fixed Charge Coverage Ratio" for the 12 months preceding such dividend will be greater than or equal to 1.0 to 1.0 (provided that the Consolidated Fixed Charge Coverage Ratio may be less than 1.0 to 1.0 if, after giving pro forma effect to the contemplated dividend, Excess Availability for the six fiscal months following the dividend is at least the greater of 25.0% of the aggregate lending commitments and \$12.5 million).

All obligations under the Revolving Credit Facility are guaranteed by Vince Intermediate and the Company and any future material domestic restricted subsidiaries of Vince and secured by a lien on substantially all of the assets of the Company, Vince and Vince Intermediate and any future material domestic restricted subsidiaries.

The foregoing is only a summary of the material terms of the Revolving Credit Facility and does not purport to be complete, and is qualified in its entirety by reference to the Revolving Facility Credit Agreement, a copy of which is attached to this Current Report on Form 8-K as Exhibit 10.1 and incorporated by reference herein.

In addition, the Term Loan Credit Facility is subject to a Borrowing Base (as defined in the Term Loan Credit Agreement) which can, under certain conditions result in the imposition of a reserve under the Revolving Credit Facility.

All obligations under the Term Loan Credit Facility are guaranteed by Vince Intermediate and the Company and any future material domestic restricted subsidiaries of Vince and secured by a lien on substantially all of the assets of the Company, Vince and Vince Intermediate and any future material domestic restricted subsidiaries.
