Items 1.01

Entry into a Material Definitive Agreement

On December 20, 2018, PotlatchDeltic Corporation, a Delaware corporation (“PotlatchDeltic”) and its subsidiary, Del-Tin Fiber, LLC (“Del-Tin”) entered into an Asset Purchase and Sale Agreement (“Purchase Agreement”) with Roseburg Forest Products (“Roseburg”). On the terms and subject to the conditions set forth in the Purchase Agreement, Roseburg has agreed to purchase Del-Tin’s El Dorado MDF business (“Business”) for a purchase price of approximately \$92 million, consisting of approximately \$63 million in cash and assumption of \$29 million of revenue bonds. The purchase price is subject to adjustment for any change in the working capital of the business from a specified target amount.

The Business includes, among other things, its MDF facility located in El Dorado, Arkansas and certain real, personal and intellectual property related to the Business.

Del-Tin has agreed to certain pre-closing covenants in the Purchase Agreement, including a covenant to conduct the Business in the ordinary course and certain environmental covenants. A portion of the purchase price for the Business will be escrowed pending satisfaction of the environmental covenants. Closing of the sale is subject to customary closing conditions, including, (1) the absence of any material adverse effect on the Business, (2) receipt of required regulatory approvals, including the waiting period required pursuant to the provisions of the Hart-Scott-Rodino Antitrust Improvements Act of 1976; and (3) execution and delivery of certain ancillary transaction agreements. The sale is not subject to a financing condition.

The sale is expected to close in the first quarter of 2019. The Purchase Agreement permits either party to terminate the Purchase Agreement if the sale has not been consummated on or before March 15, 2019.

The Purchase Agreement contains customary representations, warranties, covenants and indemnities related to the sale.

The Purchase Agreement and the above description of the Purchase Agreement have been included to provide investors with information regarding the terms of the Purchase Agreement. It is not intended to provide any other factual information about PotlatchDeltic, Del-Tin, Roseburg or their respective subsidiaries or affiliates. The representations, warranties and covenants contained in the Purchase Agreement were made only for purposes of that agreement and as of specific dates, were solely for the benefit of the parties to the Purchase Agreement and may be subject to limitations agreed upon by the parties in connection with negotiating the terms of the Purchase Agreement, including being qualified by confidential disclosures made by each party to the other for the purposes of allocating contractual risk between them that differ from those applicable to investors. In addition, certain representations and warranties may be subject to a contractual standard of materiality different from those generally applicable to investors and may have been used for the purpose of allocating risk between the parties rather than establishing matters as facts. Information concerning the subject matter of the representations, warranties and covenants may change after the date of the Purchase Agreement, which subsequent information may or may not be fully reflected in public disclosures by PotlatchDeltic. Investors should not rely on the representations, warranties and covenants or any description thereof as characterizations of the actual state of facts or condition of PotlatchDeltic or any of its subsidiaries, affiliates or businesses.

The foregoing description of the Purchase Agreement does not purport to be complete and is subject to and qualified in its entirety by reference to the Purchase Agreement, which is attached as Exhibit 10.1 is incorporated here by reference.

Item 8.01 Other Events

On December 21, 2018 PotlatchDeltic issued a press release announcing the sale of El Dorado MDF to Roseburg. A copy of the press release is filed as Exhibit 99.1 and is incorporated herein by reference.
