ITEM 8.01. OTHER EVENTS.

In January 2011, the Enforcement Division of the U.S. Securities and Exchange Commission (the “SEC Staff”) informed several financial institutions, including BNY Mellon, that it had commenced an inquiry into certain of their business practices and relationships with sovereign wealth fund clients. BNY Mellon has fully cooperated with the SEC Staff’s investigation. In the third quarter of 2014, the SEC Staff issued Wells notices to certain current and former employees of BNY Mellon, informing them that the SEC Staff has made a preliminary determination to recommend enforcement action against them for alleged violations of the U.S. Foreign Corrupt Practices Act in connection with the provision of a limited number of internships to relatives of sovereign wealth fund officials. BNY Mellon received a similar Wells notice in the fourth quarter of 2014. Although it is not possible to predict the ultimate resolution or financial liability with respect to this matter, BNY Mellon is currently of the opinion that the outcome of

this matter will not have a material effect on BNY Mellon's business, financial condition or results of operations.
