PROXY STATEMENT
2016 ANNUAL MEETING OF STOCKHOLDERS
[, 2016]

INFORMATION CONCERNING SOLICITATION AND VOTING

General

We are soliciting proxies for use at our annual meeting of stockholders, to be held [, 2016] at 10:00 a.m., local time, or at any adjournment of the annual meeting, for the purposes listed in this proxy statement and in the accompanying notice of annual meeting of stockholders. We are holding the annual meeting at our offices, located at 5835 Peachtree Corners East, Suite D, Norcross, Georgia 30092. Our office telephone number is (770) 242-8723.

We are first sending this proxy statement and the accompanying form of proxy to our stockholders on or about [, 2016].

Record Date and Voting Securities

Holders of record of our common stock at the close of business on [, 2016], which is referred to as the record date, are entitled to notice of and to vote at the annual meeting. Each holder of common stock is entitled to one vote for each share of common stock held as of the record date. As of the record date, we had [] shares of our common stock issued and outstanding and held of record by [] registered stockholders.

Revocability of Proxies

You may revoke your proxy given pursuant to this solicitation at any time before its use by delivering to our corporate secretary a written notice of revocation or a duly executed proxy bearing a later date, or by attending the annual meeting and voting in person.

Solicitation

We will pay the cost of soliciting proxies. In addition, we may reimburse brokerage firms and other persons representing beneficial owners of shares for their reasonable expenses in forwarding solicitation material to those beneficial owners. Our officers, directors and employees may also solicit proxies, without additional compensation, personally or by telephone or facsimile.

Quorum; Abstentions and Broker Non-Votes

The inspector of elections will tabulate the votes cast by proxy or in person at the annual meeting. Our stock transfer agent may serve as inspector, or may assist the inspector. The inspector will also determine whether or not a quorum is present. Delaware law provides that a quorum consists of a majority of shares that are entitled to vote and present or represented by proxy at the meeting.

The inspector will treat shares that are voted "WITHHOLD" or "ABSTAIN," or proxies required to be treated as "non-votes," as being present and entitled to vote for purposes of determining the presence of a quorum, but not as votes for a particular matter. A "non-vote" occurs if a broker indicates on the enclosed proxy or its substitute that it does not have discretionary authority as to some shares to vote on a particular matter. Therefore, "non-votes" or shares voted "WITHHOLD" or "ABSTAIN" will not be considered as present for purposes of determining the number of votes required for a proposal to be approved.

Proxies that are properly executed and returned will be voted at the annual meeting in accordance with the instructions on the proxy. Any properly executed proxy on which there are no instructions indicated about a specified proposal will be voted as follows:

- FOR the election of each of the three persons named in this proxy statement as the nominees for election to our board of directors;
- FOR the amendment to our certificate of incorporation to effect a 1-for-400 reverse stock split of all issued and outstanding shares of our common stock, to be effected as soon as practicable following such approval;
- FOR the non-binding, advisory approval of the compensation of our named executive officers, as disclosed in this proxy statement pursuant to the compensation disclosure rules of the Securities and Exchange Commission (the “say-on-pay” vote); and
- FOR the ratification of UHY LLP as our independent registered public accounting firm for the 2016 fiscal year.

We do not expect any business other than that listed in this proxy statement to come before the annual meeting. Should any other matter requiring a vote of stockholders properly arise, the persons named in the proxy will vote the shares they represent at their discretion.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors and executive officers and persons who beneficially own more than 10% of a registered class of our equity securities to file reports of ownership and reports of changes in ownership with the Securities and Exchange Commission, or SEC. These persons are required, by regulations of the SEC, to furnish us with copies of all Section 16(a) forms they file.

Based solely on our review of the copies of these forms received by us, we believe that, with respect to fiscal year 2015, our officers, directors and 10% stockholders were in compliance with all applicable filing requirements, other than James E. Imhoff, who inadvertently failed to file three Form 4s in 2015, to report (1) the acquisition of shares of Series C preferred stock, (2) the exchange of his shares of Series B preferred stock for additional shares of Series C preferred stock, (3) the acquisition of shares of common stock and Series C1 preferred stock in exchange for his shares of Series C preferred stock.

SHARE OWNERSHIP OF DIRECTORS, OFFICERS AND CERTAIN BENEFICIAL OWNERS

The following table lists information regarding the beneficial ownership of our equity securities as of the record date by (1) each person whom we know to beneficially own more than 5% of the outstanding shares of our common stock (a "5% stockholder"), (2) each director, (3) each officer named in the summary compensation table below, and (4) all directors and executive officers as a group. Unless otherwise indicated, the address of each officer and director is 5835 Peachtree Corners East, Suite D, Norcross, Georgia 30092.

PROPOSAL NO. 1:

ELECTION OF DIRECTORS

Our board of directors currently consists of five members. On May 5, 2016 and May 9, 2016 respectively, Jonathan Niloff and Linda Rosenstock formally announced their decisions not to stand for reelection to the board at the annual meeting. Dr. Niloff was appointed to the board in 2010 and Dr. Rosenstock was appointed in 2012. Both of their decisions to resign were for personal reasons and were not a result of any disagreement with us on any matter relating to our operations, policies or practices. In connection with the decisions of Drs. Niloff and Rosenstock to not stand for reelection, the board has determined to amend the bylaws, effective as of the annual meeting, so that the board of directors will have three to ten members, the exact amount to be determined from time to time by resolution of the board, and to resolve that the board be set at three members as of the annual meeting.

Accordingly, stockholders will elect a board of three directors at the annual meeting. Unless otherwise instructed, the proxy holders will vote the proxies received by them for each of the three nominees named below, all of whom are presently our directors. If any nominee is unable or declines to serve as a director at the time of the annual meeting, the proxy holders will vote for any nominee who is designated by the present board of directors to fill the vacancy. We do not expect that any nominee will be unable or will decline to serve as a director. The term of office of each person elected as a director, will continue until the next annual meeting or until that person's successor has been elected.

The nominees for director are as follows:

Name	Age	Position with Guided Therapeutics
Gene S. Cartwright, Ph.D.	62	Chief Executive Officer, Acting Chief Financial Officer, President, and Director
Michael C. James	57	Chairman and Director
John E. Imhoff, M.D.	67	Director

Directors Nominated for Election to Serve until the 2017 Annual Meeting

Gene S. Cartwright, Ph.D. joined us in January 2014 as the President, Chief Executive Officer and Acting Chief Financial Officer. He was elected as a director on January 31, 2014. His most recent position was with Omnyx, LLC, a Joint Venture between GE Healthcare and the University of Pittsburgh Medical Center, where, as CEO for over four years he founded and managed the successful development of products for the field of Digital Pathology. Prior to his work with Omnyx, LLC, he was President of Molecular Diagnostics for GE Healthcare. Prior to GE, Dr. Cartwright was Divisional Vice President/General Manager for Abbott Diagnostics' Molecular Diagnostics business. In his 24 year career at Abbott, he also served as Divisional Vice President for U.S. Marketing for five years. He received a Masters of Management degree from Northwestern's Kellogg School of Management and also holds a Ph.D. in chemistry from Stanford University and an AB from Dartmouth College.

Dr. Cartwright brings over 30 years of experience working in the IVD diagnostics industry. He has great experience in the diagnostics market both in the development and introduction of new diagnostics technologies, as well as extensive successful commercial experience with global businesses. With his background and experience, Dr. Cartwright, as President and Chief Executive Officer, as well as Acting Chief Financial Officer, works with and advises the board as to how we can successfully market and build LuViva international sales.

Michael C. James has served as a member of our board of directors since March 2007 and as Chairman of the Board since October 15, 2013. Mr. James is also the Managing Partner of Kuekenhof Capital Management, LLC, a private

investment management company, Chief Executive Officer and the Chief Financial Officer of Inergetics, Inc., a nutraceutical supplements company and also the Chief Financial Officer of Terra Tech Corporation, which is a hydroponic and agricultural company. He also holds the position of Managing Director of Kuekenhof Equity Fund, L.P. and Kuekenhof Partners, L.P. Mr. James currently sits on the board of directors of Inergetics; Inc. Mr. James was Chief Executive Officer of Nestor, Inc. from January 2009 to September 2009 and served on their board of directors from July 2006 to June 2009. He was employed by Moore Capital Management, Inc., a private investment management company from 1995 to 1999 and held position of Partner. He was employed by Buffalo Partners, L.P., a private investment management company from 1991 to 1994 and held the position of Chief Financial and Administrative Officer. He began his career in 1980 as a staff accountant with Eisner LLP. Mr. James received a B.S. degree in Accounting from Farleigh Dickinson University in 1980.

Mr. James has experience both in the areas of company finance and accounting, which is invaluable to us during financial audits and offerings. Mr. James has extensive experience in the management of both small and large companies and his entrepreneurial background is relevant as we develop as a company.

John E. Imhoff, M.D. has served as a member of our board of directors since April 2006. Dr. Imhoff is an ophthalmic surgeon who specializes in cataract and refractive surgery. He is one of our principal stockholders and invests in many other private and public companies. He has a B.S. in Industrial Engineering from Oklahoma State University, an M.D. from the University of Oklahoma and completed his ophthalmic residency at the Dean A. McGee Eye Institute. He has worked as an ophthalmic surgeon and owner of Southeast Eye Center since 1983.

Dr. Imhoff has experience in clinical trials and in other technical aspects of a medical device company. His background in industrial engineering is especially helpful to us, especially as Dr. Imhoff can combine this knowledge with clinical applications. His experience in the investment community is invaluable to a public company often undertaking capital raising efforts.

Vote Required

The three nominees receiving the highest number of affirmative votes of the votes cast will be elected as directors. Abstentions and broker non-votes will not be counted.

Recommendation

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" EACH OF THE NOMINEES LISTED ABOVE.

PROPOSAL NO. 2:

APPROVAL OF AN AMENDMENT TO OUR CERTIFICATE OF INCORPORATION TO EFFECT A 1-FOR-400 REVERSE STOCK SPLIT OF ALL ISSUED AND OUTSTANDING SHARES OF OUR COMMON STOCK, TO BE EFFECTED AS SOON AS PRACTICABLE FOLLOWING SUCH APPROVAL

Proposed Amendment

The board has adopted, and is recommending to the stockholders for approval, an amendment to our certificate of incorporation to effect a 1-for-400 reverse stock split of all issued and outstanding shares of our common stock, to be effected as soon as practicable following such approval (the “Stock Split Amendment”). The board may elect not to implement a reverse stock split, in its discretion, even if the proposal is approved by our stockholders.

If the Stock Split Amendment is approved by the required vote of stockholders, paragraph one of Article IV of our certificate of incorporation would be supplemented by adding the following:

Upon the effectiveness of the Certificate of Amendment to the Restated Certificate of Incorporation containing this sentence, each 400 shares of Common Stock issued and outstanding as of the date and time immediately preceding [the effective date of the certificate of amendment] (the “Split Effective Date”), shall be automatically changed and reclassified, as of the Split Effective Date and without further action, into one fully paid and non-assessable share of Common Stock. There shall be no fractional shares issued. A holder of record of Common Stock on the Split Effective Date who would otherwise be entitled to a fraction of a share of Common Stock shall, in lieu of such fractional share, be entitled to receive one whole share of Common Stock by virtue of rounding up such fractional share to the next highest whole share.

The proposed amendment, if adopted by the required vote of stockholders and if the board subsequently determines to effect a reverse stock split, will become effective upon its acceptance by the Delaware Secretary of State.

Background and Reasons for the Stock Split Amendment

On February 24, 2016, we implemented a 1:100 reverse stock split of all of our issued and outstanding common stock. As a result of the reverse stock split, every 100 shares of issued and outstanding common stock was converted into 1 share of common stock. The board believed at the time, and continues to believe, that a reverse stock split would enhance the acceptability and marketability of our common stock to the financial community and the investing public and may mitigate any reluctance on the part of certain brokers and investors to trade in our common stock. In addition, the board believes a reverse stock split would increase the potential for our common stock to be listed on a national exchange, potentially increasing the liquidity of our common stock, although there can be no assurance that a reverse stock split will be sufficient to satisfy applicable listing requirements for any national exchange. Many institutional investors have policies prohibiting them from holding stocks in their own portfolios which trade at prices below certain levels. These policies reduce the number of potential investors in our common stock at its current market price. In addition, analysts at many leading brokerage firms are reluctant to recommend stocks to their clients, or monitor the activity of stocks, that trade at a price per share below certain levels. A variety of brokerage house policies and practices also tend to discourage individual brokers within those firms from dealing in stocks that trade at a price per share below certain levels. Some of those policies and practices pertain to the payment of brokers’ commissions and to time-consuming procedures that function to make the handling of such stocks unattractive to brokers from an economic standpoint. Additionally, because brokers’ commissions on such stocks generally represent a higher percentage of the stock price than commissions on higher-priced stocks, the current share price of our common stock can result in an individual stockholder paying transaction costs that represent a higher percentage of total share value

than would be the case if our share price were higher. This factor may also limit the willingness of institutions to purchase our common stock.

After reviewing the effects of the February reverse stock split, the board believes that a further reverse stock split is necessary to achieve the objectives described above and, accordingly, is recommending that our stockholders approve the Stock Split Amendment.

Pursuant to the terms of our outstanding Series C preferred stock, the conversion price of each outstanding share will be subject to potential downward adjustment as a result of a reverse stock split. On the 15th trading day after a reverse stock split, the conversion price will be adjusted to equal the lesser of (1) the conversion price then in effect and (2) 80% of the then-current market price of our common stock. If the conversion price is so lowered, the outstanding shares of our Series C preferred stock will subsequently be convertible into a disproportionate amount of shares of common stock relative to current common stockholders. As of the record date, a total of three non-affiliates beneficially owned the 2,324.00 shares of Series C preferred stock, which were convertible into 130,388,313 shares of common stock (based on a conversion price of \$0.017824 per share).

Vote Required

Under Delaware law, the approval of a majority of the outstanding stock entitled to vote thereon is required to amend a certificate of incorporation to effect a stock split. On May 26, 2016, our largest stockholder, John Imhoff, who is also on our board of directors, agreed to vote his shares of common stock in favor of the reverse stock split. As of the record date, Dr. Imhoff held [] shares, or [%], of the outstanding common stock.

Recommendation

The board of directors unanimously recommends that the stockholders vote “FOR” Proposal 2.

PROPOSAL NO. 3

ADVISORY VOTE ON EXECUTIVE COMPENSATION

In 2010, Congress enacted the Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd-Frank Act”) that, among other things, imposes a number of new corporate governance requirements on publicly held companies. The proxy rules of the Exchange Act were revised pursuant to the Dodd-Frank Act to provide stockholders with the right to vote to approve, on a non-binding, advisory basis, the compensation of our named executive officers, as disclosed pursuant to the compensation and disclosure rules of the Securities and Exchange Commission. The advisory stockholder vote is commonly referred to as the “say-on-pay” vote.

The purpose of our compensation philosophy, policies and practices is to attract and retain experienced, highly qualified executives critical to our long-term success and enhancement of stockholder value. The board believes our compensation policies and procedures achieve these objectives. Please read the “Corporate Governance – Executive Compensation” section of this proxy statement for additional details about our executive compensation, including information about the fiscal year 2015 compensation of our named executive officers.

This proposal gives you, as a stockholder, the opportunity to express your views on the compensation of our named executive officers. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement. Accordingly, we are asking stockholder to approve the following resolution:

“RESOLVED, that the compensation paid to the Company’s named executive officers, as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission, is hereby APPROVED.”

Because your vote is advisory, it will not be binding on our board and may not be construed as overruling any decision by the board, nor to create or imply any additional fiduciary duty of the board. However, the board will review the voting results, and may, in its sole discretion, take into account the outcome of the vote when considering future executive compensation arrangements.

Our board and our compensation committee believe that our commitment to responsible compensation practices justifies a vote by stockholders for the resolution approving the compensation of our executives, as disclosed in this proxy statement.

Vote Required

The votes that stockholders cast for the proposal must exceed the number of votes cast against the proposal to pass. Abstentions and broker non-votes will not be counted in determining whether the proposal has received the requisite number of votes for approval.

Recommendation

THE BOARD RECOMMENDS YOU VOTE FOR THE APPROVAL OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS, AS DISCLOSED IN THIS PROXY STATEMENT PURSUANT TO THE COMPENSATION DISCLOSURE RULES OF THE SECURITIES AND EXCHANGE COMMISSION.

CORPORATE GOVERNANCE

Board Meetings and Committees

Our board of directors held fourteen meetings in 2015. No director attended fewer than 75% of the meetings of the board of directors or the committees on which he or she served during 2015. We encourage our directors to attend the annual meeting of stockholders. In 2015, all of our directors attended our annual meeting. All of the members of the board of directors, with the exception of our Chief Executive Officer, serve on the audit, compensation and nomination committees. Although we are not subject to the listing standards of any national securities exchange or inter-dealer quotation system, based on the definition of independence in the NASDAQ listing standards, Dr. Imhoff, Mr. James, Dr. Niloff and Dr. Rosenstock are independent directors. The board works with its members and management to identify new board members, and will consider nominees recommended by stockholders. Any recommendation should be addressed in writing to the Board of Directors, c/o Corporate Secretary, 5835 Peachtree Corners East, Suite D, Norcross, Georgia 30092.

The audit committee selects and engages the independent registered public accounting firm to audit our annual financial statements and pre-approves all allowable audit services and any special assignments given to the accountants. The audit committee also determines the planned scope of the annual audit, any changes in accounting principles, the effectiveness and efficiency of our internal accounting staff and the independence of our external auditors. The audit committee met fourteen times in 2015. The audit committee currently consists of Dr. Imhoff, Mr. James and Drs. Niloff, and Rosenstock. Each member of the audit committee is independent in accordance with the NASDAQ listing standards for audit committee independence and applicable SEC regulations. None of the members of the audit committee has participated in the preparation of our financial statements at any time during the past three years. The board has also determined that Mr. James and Drs. Niloff, Imhoff, and Rosenstock meet the criteria specified under applicable SEC regulations for an “audit committee financial expert” and that the committee members are financially sophisticated.

The board of directors, in consultation with our Chief Executive Officer, sets the compensation for our officers, reviews management organization and development, reviews significant employee benefit programs and establishes and administers executive compensation programs. The compensation committee currently consists of Dr. Imhoff, Mr. James, Drs. Niloff and Rosenstock, each of whom is independent under NASDAQ listing standards. The compensation committee met fourteen times in 2015.

The board of directors, in consultation with our Chief Executive Officer, reviews and recommends individuals to be nominated as directors. Our board has historically evaluated all candidates based upon, among other factors, a candidate’s financial literacy, knowledge of our industry or other background relevant to our needs, status as a stakeholder, independence, and willingness, ability and availability for service. Other than the foregoing, there have been no stated minimum criteria for director nominees, although our board has considered such other factors as it has deemed to be in the best interests of us and our stockholders. The board has considered diversity as it has deemed appropriate in this context (without having a formal diversity policy), given current needs and the current needs of the board to maintain a balance of knowledge, experience and capability. When considering diversity, the board has considered diversity as one factor, of no greater or lesser importance than other factors and has considered diversity in a broad context of race, gender, age, business experience, skills, international experience, education, other board experience and other relevant factors.

The audit committee and the compensation committee have each adopted charters, which are available on our web site, at www.guidedinc.com/Investors.htm. The nomination committee currently operates without a charter.

Board Leadership Structure and Role in Risk Oversight

Dr. Cartwright, our President and Chief Executive Officer, also serves as a director; our board is led by the Chairman, Mr. James, one of our independent directors. Our board, as a whole, has responsibility for risk oversight, with reviews of certain areas being conducted by the relevant board committees that report on their deliberations to the full board, as further described below. In addition, our management regularly communicates with the board to discuss important risks for their review and oversight, including regulatory risk and risks stemming from periodic litigation or other legal matters in which we are involved. Given the small size of the board, the board feels that this structure for risk oversight is appropriate (except for those risks that require risk oversight by independent directors only).

The board of directors is specifically charged with discussing risk management (primarily financial and internal control risk), and receives regular reports from management, independent auditors, internal audit and outside legal counsel on risks related to, among others, our financial controls and reporting. The board of directors reviews risks related to compensation and makes recommendations to the board with respect to whether our compensation policies are properly aligned to discourage inappropriate risk-taking, and is regularly advised by management and, as deemed appropriate, outside legal counsel.

Communication with Directors

Executive Compensation

The purpose of our compensation philosophy, policies and practices is to attract and retain experienced, highly qualified executives critical to our long-term success and enhancement of stockholder value. We rely on a combination of base salary and customary benefits along with long-term equity incentive compensation to achieve these objectives. In establishing compensation packages for our executive officers, the compensation committee believes that we provide our executive officers with the opportunity to earn a competitive annual base salary, and that options grants reward our executive officers for meaningful performance that contributes to enhanced long-term stockholder value and our general long-term financial health, and helps to align the interests of our executive officers with those of our stockholders.

Change of Control Arrangements

We have a compensatory arrangement with our named executive officers that would be triggered upon a change of control of Guided Therapeutics, as described below. Under the stock option agreements with each of our named executive officers, upon a change of control, all options held by the officer will vest immediately. The board committee that administers the stock option plan may provide, by giving at least 30 days prior written notice, that all options will terminate if not exercised in connection with or before the change of control or, if provision is made for assumption of the options, permit the optionee to elect to accept the assumed options. Additionally, after a change of control, if the optionee's employment is terminated due to a reduction of responsibility, required relocation or other similar action, the executive officer will be entitled to receive, as specified in the agreement for each executive officer, three month's severance, which may be paid either as a lump sum or as a salary continuation, at our option. Generally, a change of control occurs upon an acquisition by any person or group in excess of 50% of our voting securities, a replacement of more than one-half of the members of our board of directors that is not approved by a majority of the

members who were on the board before the transaction, the merger of Guided Therapeutics with or into another entity unless the holders of our securities before the transaction continue to hold a majority of our securities after the transaction, or the consolidation or sale of all or substantially all of our assets.
