## Edgar Filing: COMSTOCK RESOURCES INC - Form 8-K

## Item 1.01. Entry into a Material Definitive Agreement

On November 26, 2007, Comstock Oil and Gas, LP, an indirect wholly-owned subsidiary of Comstock Resources, Inc. ("Comstock"), entered into a purchase and sale agreement with SWEPI LP, an affiliate of Shell Oil Company ("Shell") to acquire from Shell certain oil and gas properties and related assets for \$170.0 million in cash (subject to adjustment). The transaction will be effective October 1, 2007 and is expected to close in December 2007. Comstock will acquire producing properties in South Texas which include 70 (43.3 net) producing wells. Comstock estimates that the properties being acquired have net proved reserves of approximately 57.8 billion cubic feet of natural gas ("Bcf"). All of the reserves acquired are in the developed category. In addition to the proved reserves, Comstock estimates that the properties being acquired could yield an additional 90 Bcf of resources potential from future exploitation. The Purchase and Sale Agreement relating to this transaction is attached hereto as Exhibit 2.1.

#### Item 9.01. Financial Statements, Pro Forma Financial Information and Exhibits
