This amendment (the "First Amendment to Credit Agreement") provides for an increase in the revolving credit facility from \$150 million to \$200 million and increases the accordion feature, an amount that the revolving credit facility may be increased at the request of the Company, from \$50 million to \$100 million, subject to participating bank approval. Additionally, among other covenants, the First Amendment to Credit Agreement reduced the applicable margin by 25 basis points, increased the total consideration the company may pay for non-US based acquisitions, and extended the term of the Credit Agreement through January 10, 2017. Also under the terms of the First Amendment to Credit Agreement, Wells Fargo Bank, N.A. was designated Documentation Agent. Borrowings of \$83.2 million under the Credit Agreement were refinanced under the First Amendment to Credit Agreement.
