The board of directors of International Game Technology ("IGT") is soliciting the enclosed proxy for use at our annual meeting of stockholders to be held on Monday, March 3, 2003, at 1:30 p.m., local time, or at any adjournments of the meeting. This proxy statement and the accompanying Notice of Annual Meeting of Stockholders describe the purposes of the annual meeting. The annual meeting will be held at our headquarters at 9295 Prototype Drive, Reno, Nevada. A map with directions to our headquarters is included with this proxy statement on page M-1. These proxy solicitation materials were mailed on or about January 24, 2003 to all shareholders entitled to vote at the annual meeting.

QUESTIONS AND ANSWERS ABOUT THE MEETING

Q: What am I being asked to vote on?

- A:
- (1) The election of nominees to serve on our board of directors; and
 - (2) The ratification of the appointment of Deloitte & Touche LLP as our independent auditors for our fiscal year ending September 27, 2003.

Edgar Filing: INTERNATIONAL GAME TECHNOLOGY - Form DEF 14A

- Q: How does the board recommend I vote on these proposals?
- A: Our board of directors recommends a vote FOR each of the nominees for director and FOR the ratification of Deloitte & Touche LLP as our independent auditors.
- Q: Who is entitled to vote?
- A: The record date for the annual meeting is January 3, 2003. Stockholders of record as of the close of business on that date are entitled to vote at the annual meeting.
- Q: How do I vote?
- A: If you are the record holder of your shares, you may sign and date the enclosed proxy card and return it in the pre-paid envelope, vote via the internet or by telephone following the instructions included below and with your proxy card, or attend and vote at the annual meeting in person.
- Q: What if my shares are held by a broker?
- A: If your shares are held by your broker as your nominee (that is, in "street name"), you will need to obtain a proxy form from the institution that holds your shares and follow the instructions included on that form regarding how to instruct your broker to vote your shares. If you do not give instructions to your broker, your broker can vote your shares with respect to "discretionary" items, but not with respect to "non-discretionary" items. A discretionary item is a proposal that is considered routine under the rules of the New York Stock Exchange, and shares held in street name may be voted by your broker on these items in the absence of voting instructions given by you. On non-discretionary items for which you do not give your broker instructions, the shares will be treated as "broker non-votes." The proposals discussed in this proxy statement are considered routine and therefore may be voted upon by your broker if you do not give instructions for the shares held by your broker.
- Q: How can I vote by telephone or the internet?
- A. If you are the record holder of your shares, you may grant a proxy to vote your shares at the annual meeting by telephone, by calling 1-866-593-3362 and following the simple recorded instructions, twenty-four hours a day, seven days a week, at any time prior to 11:59 p.m. Eastern Time the day before the annual meeting. Alternatively, you may vote via the internet at any time prior to 11:59 p.m. Eastern Time the day before the annual meeting, by going to <http://www.proxyvotenow.com/igt> and following the instructions to create an electronic ballot. If you

Edgar Filing: INTERNATIONAL GAME TECHNOLOGY - Form DEF 14A

vote by telephone or the internet, you will be required to provide the control number contained on your proxy card. If your shares are held in street name, your proxy card may contain instructions from your broker that allow you to vote your shares using the internet or by telephone; please consult with your broker if you have any questions regarding the electronic voting of shares held in street name. The granting of proxies electronically is allowed by Subsection 2(b) of Section 78.355 of the Nevada General Corporation Law.

Q: Can I revoke my proxy later?

A: Yes. You have the right to revoke your proxy at any time before the annual meeting by:

- (1) voting electronically via the internet or by telephone on a subsequent date prior to 11:59 p.m. Eastern Time the day before the annual meeting,
- (2) delivering a signed revocation or a subsequently dated, signed proxy card to the Secretary of IGT before the annual meeting, or
- (3) attending the annual meeting and voting in person.

However, if you have voted electronically or delivered a valid proxy, your mere presence at the annual meeting will not, by itself, revoke that proxy.

Q: How many shares can vote?

A: As of the close of business on the record date of January 3, 2003, 86,710,092 shares of common stock were issued and outstanding. We have no other class of voting securities outstanding. Each share of common stock entitles its holder to one vote.

Q: How is a quorum determined?

A: For the purposes of determining a quorum, shares held by brokers or nominees will be treated as present even if the broker or nominee does not have discretionary power to vote on a particular matter or if instructions were never received from the beneficial owner. Abstentions will be counted as present for quorum purposes.

Q: What is required to approve each proposal?

A: Once a quorum has been established, directors are elected by a plurality of the votes cast by holders of shares entitled to vote at the annual meeting. This means that the individuals who receive the

Edgar Filing: INTERNATIONAL GAME TECHNOLOGY - Form DEF 14A

largest number of votes are selected as directors up to the maximum number of directors to be elected at the meeting.

To approve the ratification of Deloitte & Touche LLP as our independent auditors, holders of a majority of the shares represented at the annual meeting, either in person or by proxy, must vote in favor of the proposal.

If a broker indicates on its proxy that it does not have discretionary authority to vote on a particular matter, we will treat the affected shares as not present and entitled to vote with respect to that matter, even though the same shares may be considered present for quorum purposes and may be entitled to vote on other matters.

Q: What happens if I abstain?

A: We will count proxies marked "abstain" as shares present for the purpose of determining the presence of a quorum, but for purposes of determining the outcome of the proposal, the shares represented by these proxies will not be treated as affirmative votes.

Q: How will my shares be voted if I return a blank proxy card?

A: If you sign and send in your proxy card and do not indicate how you want to vote, we will count your proxy as a vote FOR each of the director nominees named in this proxy statement and FOR the ratification of Deloitte & Touche LLP as our independent auditors. If a broker or nominee who does not have discretion to vote has delivered a proxy but has failed to physically indicate on the proxy card that broker's lack of authority to vote, we will treat the shares as present and count the shares as votes FOR each of the director nominees named in this proxy statement and FOR the ratification of Deloitte & Touche LLP as our independent auditors.

Q: How will voting on any other business be conducted?

A: Although we do not know of any business to be considered at the annual meeting other than the proposal described in this proxy statement, if any other business comes before the annual meeting, your signed proxy card gives authority to the proxyholders, Charles N. Mathewson, G. Thomas Baker and Sara Beth Brown, to vote on those matters at their discretion.

Q: What if a quorum is not present at the meeting?

A: If a quorum is not present at the scheduled time of the annual meeting, we may adjourn the meeting, either with or without the vote of the stockholders. If we propose to have the stockholders vote whether

Edgar Filing: INTERNATIONAL GAME TECHNOLOGY - Form DEF 14A

to adjourn the meeting, the proxyholders will vote all shares for which they have authority in favor of the adjournment. We may also adjourn the meeting if for any reason we believe that additional time should be allowed for the solicitation of proxies. An adjournment will have no effect on the business that may be conducted at the annual meeting.

Q: How much stock do IGT's directors and executive officers own?

A: As of January 3, 2003, our current directors and executive officers collectively had the power to vote 2,602,846 shares, constituting approximately 3.0% of the outstanding shares. These persons have indicated that they currently intend to vote the shares held by them for each of the director nominees named in this proxy statement and in favor of the ratification of Deloitte & Touche LLP and.

Q: Who will bear the costs of this solicitation?

A: We will pay the cost of this solicitation of proxies by mail. Our officers and regular employees may also solicit proxies in person or by telephone without additional compensation. We will make arrangements with brokerage houses, custodians, nominees and other fiduciaries to send proxy materials to their principals, and we will reimburse these persons for related postage and clerical expenses.

The persons named in the enclosed form of proxy intend, if authorized, to vote the proxies FOR the election as directors of each of the nine persons named below as nominees. Each director attended at least 75% of the total number of meetings of the board held while he was a director and of each committee on which he served during the period in which he served as a member of that committee. Our board of directors has four standing committees: the Audit Committee, the Compensation Committee, the Executive Committee, and the Nominating and Corporate Governance Committee.

The Executive Committee, comprised of Messrs. Mathewson and Baker, exercises the powers and authority of our board of directors in the management of IGT's business affairs during the intervals between board meetings. The power and authority of the Executive Committee is subject to the provisions of applicable Nevada law and our charter documents. The Executive Committee does not have any power or authority over any of the matters reserved exclusively for the Compensation Committee, the Audit Committee or the Nominating and Corporate Governance Committee under any federal laws, the rules and regulations of the Securities and Exchange Commission, and the rules of the New York Stock Exchange. The Executive Committee did not hold any meetings during fiscal 2002, but acted by unanimous written consent on two occasions.

The Audit Committee Charter, which sets forth the authority and responsibilities of the Audit Committee, was restated in December 2002. A copy of the restated Audit Committee Charter is attached to this proxy statement as Annex A. The Audit Committee assists our board of directors in overseeing the accounting and financial reporting processes of IGT and audits of our financial statements, including the integrity of our financial statements, compliance with legal and regulatory requirements, our independent public accountants' qualifications and independence, the performance of our internal audit function and independent public accountants, and such other duties as may be directed by our board of directors. In March 2002, our board of directors adopted a Nominating Committee Charter. The Nominating Committee changed its structure and name to the

Edgar Filing: INTERNATIONAL GAME TECHNOLOGY - Form DEF 14A

Nominating and Corporate Governance Committee, and our board adopted a Nominating and Corporate Governance Charter, in September 2002. This Charter was restated by our board in December 2002. The purpose of the Nominating and Corporate Governance Committee, which consists of Messrs. Rentschler, Keating and Miller, is to ensure that qualified candidates are presented to our board for election as directors, to ensure that our board and our organizational documents are structured in a way that best serves our practices and objectives, and to develop and recommend to our board a set of corporate governance principles. The Nominating and Corporate Governance Charter requires that the Nominating and Corporate Governance Committee consist of no fewer than three board members who satisfy the "independence" requirements of the New York Stock Exchange and applicable law. The Nominating and Corporate Governance Committee did not hold any meetings during fiscal 2002, but acted by unanimous written consent on one occasion.

The Nominating and Corporate Governance Committee will consider nominees for our board of directors recommended by stockholders. Notice of proposed stockholder nominations for director must be delivered not less than 120 days prior to any meeting at which directors are to be elected. Nominations must include the full name of the proposed nominee and a brief description of the proposed nominee's business experience for at least the previous five years. Nominations should be delivered to the Nominating and Corporate Governance Committee, c/o Corporate Secretary, International Game Technology, 9295 Prototype Drive, Reno, Nevada 89511-8986.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee Charter, which sets forth the authority and responsibilities of the Compensation Committee, was restated in December 2002. The Compensation Committee's purpose is to discharge the responsibilities of our board of directors relating to compensation of IGT's executives and directors, to produce an annual report on executive compensation for inclusion in our proxy statements, and to take such other actions within the scope of the Compensation Committee Charter as the Compensation Committee deems necessary or appropriate. The Compensation Committee Charter requires that the Compensation Committee consist of three or more board members who satisfy the "independence" requirements of the New York Stock Exchange. The Compensation Committee consists of Messrs. Burt, Miller and Rentschler, each of whom satisfies these requirements. The Compensation Committee held four meetings during fiscal 2002, and acted by unanimous written consent on one other occasion. A copy of the report of the Compensation Committee is contained in this proxy statement.

No member of our Compensation Committee is a former or current officer or employee of IGT or any of our subsidiaries. None of our executive officers serves as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving on our board of directors or on our Compensation Committee.

Compensation of Directors

Non-employee directors receive a \$30,000 annual fee and a fee of \$1,500 for each committee meeting attended. Each non-employee director receives non-qualified stock options to purchase 10,000 shares of common stock upon his initial election to the board of directors at an exercise price equal to the closing price of the common stock on the date of grant. Additionally, every year thereafter, each non-employee director receives non-qualified stock options to purchase 6,000 shares of common stock upon his re-election to the board at an exercise price equal to the closing price of the common stock on the date of grant. During fiscal 2002, each non-employee director except Mr. Barsky received non-qualified stock options to purchase 6,000 shares of our common stock at an

Edgar Filing: INTERNATIONAL GAME TECHNOLOGY - Form DEF 14A

exercise price of \$70.09 per share. Mr. Barsky received non-qualified options to purchase 10,000 shares of common stock at an exercise price of \$67.85 per share upon his appointment to the board in March 2002.

In recognition of Rockwell A. Schnabel's services to IGT, when Mr. Schnabel resigned as a director in October 2001 in order to return to government service, IGT accelerated the vesting of his unvested options. Concurrently, the exercise price of Mr. Schnabel's in-the-money options was increased to the fair market value of IGT common stock on the day of acceleration.

We do not pay to directors who are also our executive officers any fees or additional remuneration for service as members of our board or its committees.

Recommendation of IGT Board of Directors

The favorable vote of a plurality of votes cast for each nominee is required for election of that nominee to the board of directors.

Employment Contracts and Change in Control Arrangements

We entered into a three-year employment agreement with G. Thomas Baker, our President and Chief Executive Officer, effective on December 6, 2000. This agreement provides for an annual base salary of \$650,000 for year one, \$700,000 for year two and \$750,000 for year three. In addition, for each 1% increase in operating profits before incentives over the previous fiscal year, Mr. Baker will receive a management bonus equal to 10% of his base salary, and he will receive 20% of his base salary for any increase in operating profits over the prior year in excess of 10%. The bonus calculation shall not exceed 300% of the base salary. In year one, the bonus was determined based upon the full 2000-2001 fiscal year without proration. The bonus will also be payable based upon various management objectives set by the board of directors in consultation with Mr. Baker. The amounts of the bonuses earned by Mr. Baker in each of year one and year two of the agreement that exceeded 200% of his base salary in those years have been accrued and payment of this amount will be paid in conjunction with the bonus earned in year three, provided that Mr. Baker remains employed by us through the term. We may terminate Mr. Baker for cause (as defined in the agreement). If we terminate Mr. Baker's employment without cause or because he becomes disabled, or if he elects at his discretion to sever his relationship with IGT upon a transfer to a third party of 40% or more of our outstanding stock, he will be entitled to receive a lump sum payment equal to two years' base salary plus any applicable deferred bonus, and any unvested stock options held by him at that time will immediately vest in full. If Mr. Baker dies during the term of the agreement, his estate will be entitled to receive two years' base salary and any deferred bonus. Mr. Baker is also eligible to participate in our profit sharing, cash sharing, and employee stock purchase plans, as well as other employee benefit plans and programs for which he is otherwise eligible under the terms of such plans or programs. Additionally, in his employment agreement Mr. Baker was granted an option to purchase 500,000 shares of our common stock at a price of \$45.00 per share. The stock option vests in three equal installments upon the first, second and third anniversaries of the award, ending on December 5, 2003.

We entered into a three-year employment agreement, effective as of December 30, 2001, with Thomas J. Matthews, our Chief Operating Officer. The agreement continues through October 16, 2004. At the end of the employment agreement term, Mr. Matthew's employment will be at will. The employment agreement provides for an annual base salary of \$450,000. Mr. Matthews is also eligible to receive annual salary increases and to participate in our profit sharing, cash sharing, management bonus and employee stock purchase plans, as well as other employee benefit plans and programs for which he is otherwise eligible under the terms of such plans or programs. The bonus earned by Mr. Matthews through the management bonus program may not exceed 200% of base salary, and to the extent the bonus earned in any year exceeds 165% of Mr. Matthews's base salary in that year, that amount will be accrued and paid two years later, provided that Mr. Matthews remains employed by us at that time. The management bonus is payable based upon the increase in our operating profits before incentives over the previous fiscal year, attainment of our fiscal year enterprise resource planning (ERP) program goals, and various management objectives set by the Chief Executive Officer in consultation with Mr. Matthews. We may terminate Mr. Matthews for cause or upon his disability (in each case, as defined in the agreement). If we terminate Mr. Matthews's employment without cause, or if he elects at his discretion to sever his relationship with IGT upon a transfer to a third party of 40% or more of our outstanding stock, he will be entitled to receive a lump sum payment equal to one year's base salary and any applicable deferred bonus. Any stock options held by him at that time will

Edgar Filing: INTERNATIONAL GAME TECHNOLOGY - Form DEF 14A

immediately vest in full. We will also pay any premiums for Mr. Matthews's

health benefits under the Consolidated Omnibus Budget Reconciliation Act (COBRA), to the extent he is eligible for COBRA benefits, for the shorter of one year or until he secures new employment. If Mr. Matthews dies during the term of this agreement, his estate (or other person as he has directed in writing) will be entitled to receive one year's base salary and any deferred bonus. Additionally, in his employment agreement Mr. Matthews was granted an option to purchase 500,000 shares of our common stock at a price of \$70.00 per share. The award vests in five equal annual installments beginning on the first anniversary of the award.

Maureen T. Mullarkey entered into a five-year employment agreement with us on January 12, 2001, and was appointed as our Senior Vice President and Chief Financial Officer effective March 2, 2001. The agreement provides for an annual base salary of \$250,000. At the end of the five-year term, Ms. Mullarkey's employment will be at will. Ms. Mullarkey is also eligible to receive annual salary increases of at least \$15,000 and is eligible to participate in our profit sharing, cash sharing, management bonus and employee stock purchase plans, as well as other employee benefit plans and programs for which she is otherwise eligible under the terms of such plans or programs. The bonus earned by Ms. Mullarkey through the management bonus program may not exceed 150% of base salary, and to the extent the bonus earned in any year exceeds 100% of Ms. Mullarkey's base salary in that year, that amount will be accrued and paid two years later, provided that she remains employed by us at that time. IGT waived its right to require Ms. Mullarkey to defer the bonuses earned pursuant to her employment agreement in fiscal 2001 and 2002. The management bonus is payable based upon the increase in our operating profits before incentives over the previous fiscal year, attainment of our fiscal year ERP program goals, and various management objectives set by the Chief Executive Officer in consultation with Ms. Mullarkey. In addition to the bonuses under her agreement, Ms. Mullarkey received a bonus of \$50,000 for fiscal 2002, which is payable in two years if Ms. Mullarkey continues to be employed by us at that time. We may terminate Ms. Mullarkey for cause or upon her disability (in each case, as defined in the agreement). If we terminate Ms. Mullarkey's employment without cause, or if she elects at her discretion to sever her relationship with IGT upon a transfer to a third party of 40% or more of our outstanding stock, she will be entitled to receive a lump sum payment equal to one year's base salary and any applicable deferred bonus. Any stock options held by her at that time will immediately vest in full. We will also pay any premiums for Ms. Mullarkey's health benefits under COBRA, to the extent she is eligible for COBRA benefits, for the shorter of one year or until she secures new employment. If Ms. Mullarkey dies during the term of the agreement, her estate (or other person as she has directed in writing) will be entitled to receive one year's base salary and any deferred bonus. Additionally, in her employment agreement Ms. Mullarkey was granted an option to purchase 100,000 shares of our common stock at a price of \$44.75 per share. The option vests in five equal annual installments beginning on the first anniversary of the award.

Our 1993 Stock Option Plan and our 2002 Stock Incentive Plan contain provisions that would be triggered by a change of control of IGT. Unless before a Change in Control Event, as defined in the plans, the Compensation Committee of our board of directors determines that, upon its occurrence, benefits will not be accelerated, then generally upon the Change in Control Event each option will become immediately exercisable, restricted stock will vest, and performance-based awards will become payable.

Compliance with Section 16(a) of the Securities Exchange Act of 1934

Edgar Filing: INTERNATIONAL GAME TECHNOLOGY - Form DEF 14A

Section 16(a) of the Securities Exchange Act of 1934 and regulations of the Securities and Exchange Commission require our executive officers, directors, and persons who beneficially own more than 10% of our common stock, as well as certain affiliates of those persons, to file initial reports of ownership and monthly transaction reports covering any changes in ownership with the SEC and the New York Stock Exchange. SEC regulations require these persons to furnish us with copies of all reports they file pursuant to Section 16(a). Based solely upon a review of the copies of the reports received by us, we believe that, during fiscal 2002, except as described in the next sentence, all filing requirements applicable to executive officers and directors were complied with. In February 2002, Mr. Matthews timely filed a Form 4 with respect to certain transactions he effected during January 2002, but the first three pages of this filing were inadvertently omitted from the copies filed with the SEC; a corrected Form 4 including all pages of the report has since been filed with the SEC.

THE FOLLOWING REPORT OF THE COMPENSATION COMMITTEE AND THE PERFORMANCE GRAPH THAT APPEARS AFTER THE REPORT SHALL NOT BE DEEMED TO BE SOLICITING MATERIAL OR TO BE FILED WITH THE SECURITIES AND EXCHANGE COMMISSION UNDER THE SECURITIES ACT OF 1933 OR THE SECURITIES EXCHANGE ACT OF 1934 OR INCORPORATED BY REFERENCE IN ANY DOCUMENT SO FILED.

BOARD COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the board of directors, consisting entirely of non-employee directors, is responsible for oversight of executive compensation, review of IGT's overall compensation programs, and administration of certain incentive compensation programs.

Compensation Philosophy

Generally, IGT's compensation programs are designed to attract, retain, motivate and appropriately reward individuals who are responsible for IGT's short- and long-term profitability, growth and return to stockholders. The overall compensation philosophy followed by the Committee is to pay competitively while emphasizing qualitative indicators of corporate and individual performance.

Executive Compensation

IGT's management bonus plan is a cash-based incentive program, and for fiscal 2002, was based on IGT's income from operations. Individual cash bonus awards were made to the executive officers because the Committee believes such awards provide appropriate performance incentives. Individual cash bonus awards for executive officers other than the Chief Executive Officer were determined for fiscal 2002 by IGT's Chief Executive Officer, Mr. Baker, based upon his subjective evaluation of each officer's individual performance.

Executive officers also participate in benefit plans available to employees as described under "Employee Incentive Plans."

The Committee also uses stock option awards made under the International Game Technology 2002 Stock Incentive Plan to provide various incentives for key personnel, including executive officers. Stock options are priced at the fair market value of the common stock of IGT on the date of the grant, and typically vest at the rate of 20% per year over five years with

Edgar Filing: INTERNATIONAL GAME TECHNOLOGY - Form DEF 14A

exercisability dependent on continued employment.

Sara Beth Brown, Ward Chilton, Anthony Ciorciari, Maureen T. Mullarkey, Richard Pennington and Randall Kirner all received stock option awards in fiscal 2002. The Committee also periodically approves additional stock option awards for eligible individuals, including executive officers, based upon a subjective evaluation of individual current performance, assumption of significant responsibilities, anticipated future contributions, and/or ability to impact overall corporate and/or business unit financial results.

To the extent readily determinable, and as one of the factors in its consideration of compensation matters, the Compensation Committee also considers the anticipated tax treatment to IGT and to the executives of various payments and benefits, specifically in consideration of Section 162(m) of the Internal Revenue Code. The Committee will not, however, limit executive compensation to that which is deductible.

Chief Executive Compensation

Mr. Baker became Chief Executive Officer of IGT in December 2000. The Committee granted Mr. Baker stock options in December 2000 to acquire 500,000 shares of IGT's common stock, which vest in three equal installments upon the first, second and third anniversaries of the award. During fiscal 2002, Mr. Baker received a base salary of \$690,385 and a management bonus of \$2,100,000 pursuant to the terms of his employment agreement (see "Employment Contracts" above).

PROPOSAL 2 - RATIFICATION OF INDEPENDENT AUDITORS

Deloitte & Touche LLP were our independent auditors for the year ended September 28, 2002 and have reported on our consolidated financial statements included in the annual report which accompanies this proxy statement. Our independent auditors are appointed by our board of directors in consultation with the Audit Committee. The board has reappointed Deloitte & Touche LLP as our independent auditors for the year ending September 27, 2003. In the event that the stockholders do not approve Deloitte & Touche LLP as independent auditors, the selection of independent auditors will be reconsidered by the board. A representative of Deloitte & Touche LLP will be present at the annual meeting, will have an opportunity to make a statement and will be available to respond to appropriate questions.

THE FOLLOWING REPORT OF THE AUDIT COMMITTEE SHALL NOT BE DEEMED TO BE SOLICITING MATERIAL OR TO BE FILED WITH THE SECURITIES AND EXCHANGE COMMISSION UNDER THE SECURITIES ACT OF 1933 OR THE SECURITIES EXCHANGE ACT OF 1934 OR INCORPORATED BY REFERENCE IN ANY DOCUMENT SO FILED.

AUDIT COMMITTEE REPORT

In accordance with its written charter, which was restated by the Board of Directors in December 2002, the Audit Committee assists the board of directors in fulfilling its responsibility for oversight of the quality of IGT's accounting, auditing and financial reporting practices.

The Audit Committee consists of three members, each of whom satisfy the independence, financial literacy and experience requirements of the New York Stock Exchange.

Management is responsible for the financial reporting process, the preparation of consolidated financial statements in accordance with generally accepted accounting principles and the system of internal controls and procedures designed to insure compliance with accounting standards and applicable laws and regulations. IGT's independent auditors are responsible for auditing IGT's financial statements. The Audit Committee's responsibility is to monitor and review these processes and procedures. The members of the Audit Committee are not professionally engaged in the practice of accounting or auditing and are not experts in the fields of accounting or auditing. The Audit Committee relies, without independent verification, on the information provided to it and on the representations made by management and the independent auditors that the financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America.

During fiscal 2002, the Audit Committee had nine meetings. The Audit Committee met and held discussions with management, the internal auditors and the independent auditors, Deloitte & Touche LLP. The meetings were conducted so as to encourage communication among the members of the Audit Committee, management, the internal auditors and the independent auditors. The Audit Committee discussed with Deloitte & Touche LLP matters required to be discussed by Statement on Auditing Standards No. 61, as amended, "Communications with Audit Committees."

The Audit Committee reviewed and discussed the audited consolidated financial statements of IGT as of and for the year ended September 28, 2002 with management, the internal auditors and the independent auditors. The Board of

Edgar Filing: INTERNATIONAL GAME TECHNOLOGY - Form DEF 14A

Directors, including the Audit Committee, received an opinion of Deloitte & Touche LLP as to the conformity of such audited consolidated financial statements with accounting principles generally accepted in the United States of America.

The Audit Committee discussed with IGT's internal auditors and Deloitte & Touche LLP the overall scope and plans for their respective audits. The Audit Committee met regularly with the internal auditors and Deloitte & Touche LLP, with and without management present, to discuss the results of their examinations, the evaluations of IGT's internal controls and the overall quality of IGT's accounting principles.

In addition, the Audit Committee obtained from Deloitte & Touche LLP written documentation describing all relationships between Deloitte & Touche LLP and IGT that might bear on Deloitte & Touche LLP's independence consistent with Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees." The Audit Committee discussed with Deloitte & Touche LLP any relationships that may have an impact on their objectivity and independence and satisfied itself as to Deloitte & Touche LLP's independence. The Audit Committee also considered whether the provision of information technology and similar services and other non-audit services by Deloitte & Touche LLP to IGT is compatible with maintaining Deloitte & Touche LLP's independence. The Audit Committee also reviewed, among other things, the amount of fees paid to Deloitte & Touche LLP for audit and non-audit services.

Based on the above-mentioned review and discussions with management, the internal auditors and Deloitte & Touche LLP, and subject to the limitations on our role and responsibility described above and in the Audit Committee Charter, the Audit Committee recommended to the Board of Directors that IGT's audited consolidated financial statements be included in IGT's Annual Report on Form 10-K for the fiscal year ended September 28, 2002, for filing with the Securities and Exchange Commission. The Audit Committee also recommended the selection of IGT's independent auditors, and based on our recommendation, the Board of Directors has selected Deloitte & Touche LLP as IGT's independent auditors for the fiscal year ending September 27, 2003, subject to stockholder ratification.
