FOR IMMEDIATE RELEASE:

TRUSTCO ANNOUNCES RECORD THIRD QUARTER
AND YEAR TO DATE RESULTS

Glenville, New York - October 21, 2003

TrustCo Bank Corp NY (TrustCo, NASDAQ: TRST) today announced record earnings results for the third quarter and year to date 2003. Net income for the third quarter 2003 was \$14.3 million or \$0.189 diluted earnings per share, compared to \$13.3 million or \$0.179 diluted earnings per share for the third quarter of 2002. The third quarter results represent increases of 7.5% and 5.6% in net income and diluted earnings per share, respectively, for 2003 compared to 2002.

Net income for the nine months ended September 30, 2003 was \$40.9 million or \$0.543 diluted earnings per share, compared to \$38.2 million or \$0.514 diluted earnings per share, for the nine month period ended September 30, 2002. The year to date results reflect increases of 7.0% and 5.6% in net income and diluted

Edgar Filing: TRUSTCO BANK CORP N Y - Form 8-K

earnings per share, respectively, for the nine months of 2003 compared to the similar period of 2002.

Making the announcement was Robert T. Cushing and Robert J. McCormick, President and Chief Executive Officers of TrustCo Bank Corp NY and Trustco Bank, respectively. They noted, "During 2003 and particularly in the third quarter, we have taken aggressive actions to insure that TrustCo has sufficient liquidity available to take advantage of future interest rate increases which we believe are inevitable. Compared to this time last year, our deposits have increased by approximately \$115 million, which reflects the continued attractiveness of our simple product line coupled with superior customer service and our expanded branch network. Though there continues to be reductions in the loan portfolio, this reflects our decision to retain loans in our portfolio rather than chase new loan originations at historical lows in interest rates and sell them into the secondary markets."

6

"We are excited to report the opening of three additional Trustco offices, Colonial Drive and Dean Road in Orlando, Florida, and Congress Street in Saratoga Springs, New York. This brings our total branch network to 67 offices with two openings planned in Westchester County, New York in the fourth quarter of 2003. As we have previously indicated, we plan to open a series of additional offices in downstate New York and the Orlando, Florida areas. This should provide TrustCo with continued growth opportunities into the future," they said.

TrustCo Bank Corp NY is a \$2.7 billion bank holding company and through its subsidiary, Trustco Bank, operates 67 offices in New York, Vermont, and Florida. In addition, the bank operates a full service Trust Department that has \$938 million of assets under management. The common shares of TrustCo are traded on the Nasdaq National Market tier of the Nasdaq Stock Market under the symbol TRST.

Except for the historical information contained herein, the matters discussed in this news release and other information contained in TrustCo's Securities and Exchange Commission filings may express "forward-looking statements." Those "forward-looking statements" may involve risk and uncertainties, including statements containing future events or performance and assumptions and other statements of historical facts.

TrustCo wishes to caution readers not to place undue reliance on any forward-looking statements, which speak only as of the date made. Readers are advised that various risk factors, including, but not limited to: (1) credit risk, (2) interest rate risk, (3) competition, (4) changes in the regulatory environment, and (5) changes in general business and economic trends, could cause the actual results or circumstances for future periods to differ materially from those anticipated or projected in the forward-looking statements.

Coverage ratio (4)	13.8 X	12.6 X

(1) Average equity excludes the effect of the market value adjustment for securities available for sale.

(2) Calculated as noninterest expense (excluding ORE income/expense, amortization of intangibles and any unique charges) divided by taxable equivalent net interest income plus noninterest income (excluding net securities transactions).

(3) Capital ratios exclude the effect of the market value adjustment for securities available for sale.

(4) Calculated as allowance for loan losses divided by total nonperforming loans.

TE = Taxable equivalent.
