The Company has entered into a Restricted Stock Award Agreement (the "RSA Agreement") with each of the executive officers listed above. Each RSA awarded to such executive officers of the Company has an effective grant date of November 8, 2004, and is subject to annual vesting in equal installments over a three-year period and will vest one-third on September 30, 2005, one-third on September 29, 2006 and one-third on September 28, 2007, subject to accelerated vesting or forfeiture under certain events described in the RSA Agreement.

A copy of the 2002 USIP was filed as Exhibit 10.68 to the Company's Report on Form 10-Q for the quarterly period ended December 31, 2002. A copy of the form of the RSA Agreement and Notice of Restricted Stock Award ("Notice of Award") under the 2002 USIP is filed herewith as Exhibit 10.74. Each of the foregoing is incorporated herein by reference.

The following is a summary of the principal terms of the RSA Agreement and Notice of Award, which are qualified in their entirety by reference to Exhibit 10.74:

RESTRICTED STOCK AWARD. The Company issues to participants, including the executive officers (the "Participant") shares of Stock as set forth in the Notice of Award, subject to the rights of and limitations on Participant as owner as set forth in the RSA Agreement. All shares of Stock issued are deemed to be issued to Participant as fully paid and non assessable shares, and Participant has all rights of a shareholder, including the right to vote, to receive dividends (including stock dividends), to participate in stock splits or other recapitalizations, and to exchange such shares in a merger, consolidation or other reorganization.

TRANSFER RESTRICTION. No Stock issued to Participant may be sold, transferred by gift, pledged, hypothecated, or otherwise transferred or disposed of by Participant prior to the date on which it becomes vested. Participant is not precluded from exchanging the Stock awarded pursuant to a cash or stock tender offer, merger, reorganization or consolidation. Any securities (including stock dividends and stock splits) received with respect to shares of Stock which are not yet vested are subject to the RSA Agreement in the same manner and become fully vested at the same time as the Stock with respect to which such additional securities were issued.

VESTING. Participant's interest in the Stock awarded becomes vested and nonforfeitable in accordance with the Vesting Schedule in the Notice of Award so long as Participant maintains continuous status as an employee of the Company or a Subsidiary. If Participant ceases to maintain continuous status as an employee of the Company or any of its subsidiaries for any reason other than death or

disability, all shares of Stock to the extent not yet vested on the date Participant ceases to be a full-time employee are forfeited by Participant.

If Participant dies or in the event of termination of Participant's continuous status as an employee as a result of disability while a full-time employee of the Company or any of its subsidiaries, Participant's interest in all shares of Stock awarded become fully vested and nonforfeitable as of the date of death or termination of employment on account of such disability. Unless changed by the Board, "disability" means that the Participant ceases to be an employee on account of permanent and total disability as a result of which the Participant shall be eligible for payments under the Company's long term disability policy.

On November 8, 2004, the Compensation Committee also approved a stock option grant to purchase 1,506 shares of Stock under the 2002 USIP to Donna S. Ikeda, Vice President, Human Resources - International. Ms. Ikeda is an executive officer of the Company.

The Company has entered into a Stock Option Agreement (the "Option Agreement") with Ms. Ikeda. Each option granted to Ms. Ikeda has an effective grant date of November 8, 2004, and is subject to annual vesting in equal installments over a three-year period and will vest one-third on September 30, 2005, one-third on September 29, 2006 and one-third on September 28, 2007, subject to accelerated vesting or forfeiture under certain events described in the Option Agreement. The option may be exercised only until September 30, 2009, the expiration date. The exercise price of the shares is \$55.81 per share.

A copy of the form of the Stock Option Agreement and Notice of Grant are filed herewith as Exhibit 10.75. Each of the foregoing is incorporated herein by reference.

The following is a summary of the principal terms of the Option Agreement and Notice of Stock Option Grant, which are qualified in their entirety by reference to Exhibit 10.75:
