Item 2.02. Results of Operations and Financial Condition

On February 28, 2019, The Gap, Inc. (the "Company") issued a press release announcing the Company's earnings for the fourth quarter and fiscal year ended February 2, 2019. A copy of this press release is attached hereto as Exhibit 99.1.

Item 2.05. Costs Associated with Exit or Disposal Activities

On February 28, 2019, the Company announced plans to restructure the specialty fleet and revitalize the Gap brand, including closing about 230 Gap specialty stores during fiscal 2019 and fiscal 2020.

During the two-year period, the Company expects to recognize estimated pre-tax costs between \$250 million and \$300 million related to the plans, the majority of which are expected to be cash expenditures for lease-related costs. The balance of the charges is expected to primarily include employee-related costs and the net impact of write-offs related to long-term assets and liabilities.

The Company believes these actions will drive a healthier specialty fleet and will serve as a more appropriate foundation for brand revitalization. The Company expects that the actions will be substantially completed by the end of the Company's 2020 fiscal year ending January 30, 2021, and are expected to result in annualized pre-tax savings of about \$90 million beginning in fiscal 2021.

This disclosure contains forward-looking statements within the "safe harbor" provisions of the Private Securities Litigation Reform Act of 1995. All statements other than those that are purely historical are forward-looking statements. Forward-looking statements include statements regarding annualized savings and restructuring costs from, and the timing of, these measures. These forward-looking statements involve risks and uncertainties, and there are important factors that could cause the estimated future impact of these annualized savings and restructuring costs to differ materially from the forward-looking statements, including without limitation, the risk that subsequent unanticipated events, including unanticipated costs, may occur in connection with these measures. Additional information regarding factors that could cause results to differ can be found in our Annual Report on Form 10-K for the fiscal year ended February 3, 2018, and our subsequent filings with the U.S. Securities and Exchange Commission, all of which are available on gapinc.com.

Item 7.01. Regulation FD Disclosure.

On February 26, 2019, the Company issued a press release announcing a new \$1 billion share repurchase authorization, and its intent to maintain its annual dividend for 2019. A copy of this press release is attached hereto as Exhibit 99.4.

On February 28, 2019, the Company issued a press release announcing that its Board of Directors has approved a plan to separate the Company into two independent publicly-traded companies: Old Navy and a yet-to-be-named company, which will consist of Gap, Athleta, Banana Republic, Intermix and Hill City. The transaction is subject to certain conditions, including final approval by the Company's Board of Directors, receipt of a tax opinion from counsel, and the filing and effectiveness of a registration statement with the U.S. Securities and Exchange Commission.
