Compensation Program for Non-Employee Directors

On May 29, 2008, the Compensation Committee of the Company's Board of Directors approved a revised compensation program for the non-employee directors. Under the director compensation program, each non-employee director

will be paid an annual cash retainer of \$30,000 payable on a monthly basis. The chairperson of the Audit Committee and Compensation Committee will receive an additional annual cash retainer in the amount of \$12,500 and \$7,500, respectively. All other committee chairpersons and the Lead Director will receive an additional \$5,000 annual cash retainer.

The director compensation program provides that each non-employee director will be paid \$1,500 for each Board meeting attended. Non-employee directors serving as members of Board committees will be paid \$1,000 for each meeting attended. In each case, the non-employee director will be reimbursed for his or her expenses in connection with attendance at each meeting.

The Board of Directors amended the 2005 Directors Equity Incentive Plan effective May 29, 2008. Pursuant to that amendment, a copy of which is attached as Exhibit 10.1 and incorporated by reference, non-employee directors will receive an annual award under the 2005 Directors Equity Incentive Plan in connection with their election to the Board at the annual meeting of stockholders. Beginning with the 2008 annual meeting, the annual award will consist of shares of the Company's common stock with a value of \$40,000 as of the date of grant. Directors who are appointed to the Board outside of the annual meeting of stockholders will receive a pro rated amount of the \$40,000 annual award payable in cash.

The 2005 Directors Equity Incentive Plan also provides that each new non-employee director appointed or elected will receive an automatic award of restricted shares of Common Stock on the effective date of election or appointment equal to \$25,000 divided by the fair market value of the Company's Common Stock on such date. These restricted shares will vest over a four-year period upon the performance of future service as a director, subject to certain exceptions.

Adoption of Annual Cash Bonus and Annual Long-Term Incentive Performance Goals

On May 29, 2008, the Compensation Committee of the Company's Board of Directors established the performance measures for the Company's 2008 annual cash incentive and bonus compensation and the 2008 annual long-term equity incentive awards for the executive officers of the Company.

The performance goals were developed by the Compensation Committee with the assistance of a nationally recognized consulting firm who, among other things, benchmarked compensation practices of companies in the Company's peer group and advised the Compensation Committee on appropriate compensation guidelines.

The amount of the annual cash incentive and bonus compensation that an executive officer may receive is based 65% upon the amount of the Company's funds from operations (FFO) per share compared to "threshold," "target" and "high" FFO goals set by the Compensation Committee and 35% based on individual bonus payment objectives established by the Compensation Committee for each executive officer. The Compensation Committee determined the FFO goals for different levels of cash incentive compensation after an analysis of the Company's internally prepared estimate of FFO for 2008 and the estimates of 2008 FFO prepared by independent securities analysts who follow the Company.

The cash incentive and bonus compensation that the Company's named executive officers are eligible to receive are as follows:

David H. Hoster II..... President and Chief Executive Officer	\$210,000	\$420,000	\$630,000

Brent W. Wood..... Senior Vice President	\$67,350	\$134,700	\$202,050

The actual amount of the annual cash bonuses is subject to change, or elimination entirely, in the Compensation Committee's discretion.

The annual long-term equity incentive awards are contingent on the Company meeting annual performance goals set by the Compensation Committee. The performance goals are based upon the Company's (i) adjusted FFO growth as compared to the average adjusted FFO growth of peer companies (50% of the award), (ii) same store growth as compared to peer companies (25% of the award), and (iii) absolute adjusted FFO growth (25% of the award).

Annual long-term equity incentive awards will be paid in restricted stock that will vest over a five-year period. All awards of restricted stock will be awarded out of and in accordance with the Company's 2004 Equity Incentive Plan, as amended. The restricted stock awards will be based on a specified dollar amount divided by the fair market value of the Company's Common Stock on January 1, 2008. The annual long-term equity incentive awards that the Company's named executive officers are eligible to receive for 2008 are as follows:
