PART III

Item 10.

Directors and Executive Officers of the Company

Directors The Certificate of Incorporation and By-laws of the Company provide for the division of the Board of Directors into three classes, each class consisting as nearly as possible of one-third of the whole. The term of office of one class of directors expires each year, with each class of directors elected for a term of three years and until the shareholders elect their qualified successors.

The Company's By-laws provide that the Board of Directors, by resolution from time to time, may fix the number of directors that shall constitute the whole Board of Directors. The By-laws presently provide that the number of directors may consist of not less than 3 nor more than 12. As of the date of this report, the Board of Directors currently has set the number of directors at 12.

The By-laws of the Company further provide that only persons nominated by or at the direction of: (a) the Board of Directors of the Company, or (b) any stockholder of the Company entitled to vote for the election of the directors that complies with certain notice procedures, shall be eligible for election as a director of the Company. Any stockholder desiring to nominate any person as a director of the Company must give

Edgar Filing: LSB INDUSTRIES INC - Form 10-K/A

written notice to the Secretary of the Company at the Company's principal executive office not less than 50 days prior to the date of the meeting of stockholders to elect directors; except, if less than 60 day's notice or prior disclosure of the date of such meeting is given to the stockholders, then written notice by the stockholder must be received by the Secretary of the Company not later than the close of business on the 10th day following the day on which such notice of the date of the meeting was mailed or such public disclosure was made. In addition, if the stockholder proposes to nominate any person, the stockholder's written notice to the Company must provide all information relating to such person that the stockholder desires to nominate that is required to be disclosed in solicitation of proxies pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended.

The terms of the \$3.25 Convertible Exchangeable Class C Preferred Stock, Series 2 ("Series 2 Preferred") provide that whenever dividends on the Series 2 Preferred are in arrears and unpaid in an amount equal to at least six quarterly dividends: (a) the number of members of the Board of Directors of the Company shall be increased by two effective as of the time of election of such directors; (b) the Company shall, upon the written request of the record holder of 10% of the shares of Series 2 Preferred, call a special meeting of the Preferred Stockholders for the purpose of electing such two additional directors; and (c) the Preferred Stockholders have the exclusive right to vote for and elect such two additional directors.

At the request of Jayhawk Capital Management, L.L.C., a special meeting of the holders of the Series 2 Preferred was held on March 11, 2002 for the purpose of electing the two additional directors to the Company's Board of Directors. At this special meeting, the holders of the Company's Series 2 Preferred elected two new members of the Company's Board of Directors, Dr. Allen Ford and Mr. Grant Donovan, as permitted pursuant to the terms of the Series 2 Preferred. The election of Dr. Ford and Mr. Donovan increased the number of directors from 10 to 12.

Mr. Shear paid an additional \$268 to the Company.

Other Plans The Board of Directors has adopted an LSB Industries, Inc., Employee Savings Plan (the "401(k) Plan") for the employees (including executive officers) of the Company and its subsidiaries, excluding certain (but not all) employees covered under union agreements. The 401(k) Plan is an employee contribution plan, and the Company and its subsidiaries make no contributions (with limited matching exceptions at two certain locations) to the 401(k) Plan. The amount that an employee may contribute to the 401(k) Plan equals a certain percentage of the employee's compensation, with the percentage based on the employee's income and certain other criteria as required under Section 401(k) of the Internal Revenue Code. The Company or subsidiary deducts the amounts contributed to the 401(k) Plan from the employee's compensation each pay period, in accordance with the employee's instructions, and pays the amount into the 401(k) Plan for the employee's benefit. The Summary Compensation Table set forth above includes any amount contributed and deferred during the 2002, 2001, and 2000 fiscal years pursuant to the 401(k) Plan by the named executive officers of the Company.

The Company has a death benefit plan for certain key employees which is in the process of being revised. Under the existing plan, the designated beneficiary of an employee covered by the plan will receive a monthly benefit for a period of 10 years if the employee dies while in the employment of the Company or a

Edgar Filing: LSB INDUSTRIES INC - Form 10-K/A

wholly-owned subsidiary of the Company. The agreement with each employee provides, in addition to being subject to other terms and conditions set forth in the agreement, that the Company may terminate the agreement as to any employee at anytime prior to the employee's death. The Company has purchased life insurance on the life of each employee covered under the plan to provide, in large part, a source of funds for the Company's obligations under the plan. The Company also will fund a portion of the benefits by investing the proceeds of such insurance policy received by the Company upon the employee's death. The Company is the owner and sole beneficiary of the insurance policy, with the proceeds payable to the Company upon the death of the employee. The following table sets forth the amounts of annual benefits payable to the designated beneficiary or beneficiaries of the executive officers named in the Summary Compensation Table set forth above under the above-described death benefits plan.

Name of Individual	Amount of Annual Payment
Jack E. Golsen	\$ 175,000
Barry H. Golsen	\$ 30,000
David R. Goss	\$ 35,000
Tony M. Shelby	\$ 35,000

In addition to the above-described plans, during 1991 the Company entered into a non-qualified arrangement with certain key employees of the Company and its subsidiaries to provide compensation to such individuals in the event that they are employed by the Company or a subsidiary of the Company at age 65. This arrangement is also in the process of being revised. Under the plan, the employee will be eligible to receive for the life of such employee, a designated benefit as set forth in the plan. In addition, if prior to attaining the age 65 the employee dies while in the employment of the Company or a subsidiary of the Company, the designated beneficiary of the employee will receive a monthly benefit for a period of 10 years. The agreement with each employee provides, in addition to being subject to other terms and conditions set forth in the agreement, that the Company may terminate the agreement as to any employee at any time prior to the employee's death. The Company has purchased insurance on the life of each employee covered under the plan where the Company is the owner and sole beneficiary of the insurance policy, with the proceeds payable to the Company to provide a source of funds for the Company's obligations under the plan. The Company may also fund a portion of the benefits by investing the proceeds of such insurance policies. Under the terms of the plan, if the employee becomes disabled while in the employment of the Company or a wholly-owned subsidiary of the Company, the employee may request the Company to cash-in any life insurance on the life of such employee purchased to fund the Company's obligations under the plan. Jack E. Golsen does not participate in the plan. The following table sets forth the amounts of annual benefits payable to the executive officers named in the Summary Compensation Table set forth above under such retirement plan.

Name of Individual	Amount of Annual Payment
Barry H. Golsen	\$ 17,480
David R. Goss	\$ 17,403
Tony M. Shelby	\$ 15,605
David M. Shear	\$ 17,822

The two plans set forth above are in the process of being revised into a single program which would provide a combined benefit. The details of the revised program which will replace the death benefit plan and the non-qualified arrangement described above are being finalized. The revised plan may be materially altered prior to such finalization. It provides for a non-qualified arrangement with certain key employees of the Company and its subsidiaries to provide compensation to such individuals in the event that they are employed by the Company or a subsidiary of the Company at age 65 (and participate in the plan for 10 years). Under the plan the employee will be eligible to receive a designated benefit as set forth in the plan for 10 years. In addition, if prior to attaining age 65 the employee dies while in the employment of the Company or a subsidiary of the Company, the designated beneficiary of the employee will receive a monthly benefit for a period of 10 years. The agreement with each employee provides, in addition to being

subject to other terms and conditions set forth in the agreement, that the Company may terminate the agreement as to any employee at any time prior to the employee's death. The Company has purchased insurance on the life of each employee covered under the plan where the Company is the owner and sole beneficiary of the insurance policy, with the proceeds payable to the Company to provide a source of funds for the Company's obligations under the plan. The Company may also fund a portion of the benefits by investing the proceeds of such insurance policies. Under the terms of the plan, if the employee becomes disabled while in the employment of the Company or a wholly-owned

-10-

subsidiary of the Company, the employee may request the Company to cash-in any life insurance on the life of such employee purchased to fund the Company's obligations under the plan. Jack E. Golsen participates only in the death benefit aspect of the plan. The following table sets forth the amounts of annual benefits payable to the beneficiaries of the employee or to the executive officers named in the Summary Compensation Table set forth above under such retirement plan.

Name of Individual	Death Benefit Amount of Annual Payment	Maximum Salary Continuation Amount of Payment (1) (2)
Jack E. Golsen	\$ 120,050	\$ -
Barry H. Golsen	\$ 97,213	\$ 97,213
David R. Goss	\$ 60,363	\$ 60,363
Tony M. Shelby	\$ 72,888	\$ 72,888
David M. Shear	\$ 37,500	\$ 37,500

(1) If employee attains age 65 and completes 10 years participation in the plan.

(2) Employees who reach age 65 prior to 10 years participation in the plan will receive a reduced benefit depending on years of participation.

Compensation of Directors In 2002, the Company compensated six non-employee directors \$1,125 each and two non-employee directors \$800 each for their services as directors on the Company's Board. Certain non-employee directors also served on the Board of Directors of the Company's subsidiary, ClimaChem, Inc. and received additional fees of \$3,375 each for their services. The non-employee directors of the Company also received \$500 for every meeting of the Board of Directors attended during 2002. Mr. Ackerman received an additional \$20,500 for his services on the Audit and Public Relations and Marketing Committees in 2002. During 2002, Mr. Munson was paid \$32,780 for consulting services in connection with developing the Company's European business.

As fully discussed in Item 12 "Security Ownership of Certain Beneficial Owners and Management and Related Stockholder Matters", in 1993 and 1999, the Company adopted the 1993 Non-Employee Director Stock Option Plan and the Outside Directors Stock Purchase Plan, respectively. The Company did not grant options under these plans during 2002, 2001, and 2000.

Employment Contracts and Termination of Employment and Change in Control Arrangements

a) Termination of Employment and Change in Control Agreements The Company has entered into severance agreements with Jack E. Golsen, Barry H. Golsen, Tony M. Shelby, David R. Goss, David M. Shear, and certain other officers of the Company and subsidiaries of the Company.

Each severance agreement provides (among other things) that if, within 24 months after the occurrence of a change in control (as defined) of the

-11-

Edgar Filing: LSB INDUSTRIES INC - Form 10-K/A

Company, the Company terminates the officer's employment other than for cause (as defined), or the officer terminates his employment for good reason (as defined), the Company must pay the officer an amount equal to 2.9 times the officer's base amount (as defined). The phrase "base amount" means the average annual gross compensation paid by the Company to the officer and includable in the officer's gross income during the period consisting of the most recent five year period immediately preceding the change in control. If the officer has been employed by the Company for less than five years, the base amount is calculated with respect to the most recent number of taxable years ending before the change in control that the officer worked for the Company.

The severance agreements provide that a "change in control" means a change in control of the Company of a nature that would require the filing of a Form 8-K with the Securities and Exchange Commission and, in any event, would mean when: (a) any individual, firm, corporation, entity, or group (as defined in Section 13(d)(3) of the Securities Exchange Act of 1934, as amended) becomes the beneficial owner, directly or indirectly, of 30% or more of the combined voting power of the Company's outstanding voting securities having the right to vote for the election of directors, except acquisitions by (i) any person, firm, corporation, entity, or group which, as of the date of the severance agreement, has that ownership, or (ii) Jack E. Golsen, his wife; his children and the spouses of his children; his estate; executor or administrator of any estate, guardian or custodian for Jack E. Golsen, his wife, his children, or the spouses of his children, any corporation, trust, partnership, or other entity of which Jack E. Golsen, his wife, children, or the spouses of his children own at least 80% of the outstanding beneficial voting or equity interests, directly or indirectly, either by any one or more of the above-described persons, entities, or estates; and certain affiliates and associates of any of the above-described persons, entities, or estates; (b) individuals who, as of the date of the severance agreement, constitute the Board of Directors of the Company (the "Incumbent Board") and who cease for any reason to constitute a majority of the Board of Directors except that any person becoming a director subsequent to the date of the severance agreement, whose election or nomination for election is approved by a majority of the Incumbent Board (with certain limited exceptions), will constitute a member of the Incumbent Board; or (c) the sale by the Company of all or substantially all of its assets.

Except for the severance agreement with Jack E. Golsen, the termination of an officer's employment with the Company "for cause" means termination because of: (a) the mental or physical disability from performing the officer's duties for a period of 120 consecutive days or one hundred eighty days (even though not consecutive) within a 360 day period; (b) the conviction of a felony; (c) the embezzlement by the officer of Company assets resulting in substantial personal enrichment of the officer at the expense of the Company; or (d) the willful failure (when not mentally or physically disabled) to follow a direct written order from the Company's Board of Directors within the reasonable scope of the officer's duties performed during the 60 day period prior to the change in control. The definition of "Cause" contained in the severance agreement with Jack E. Golsen means termination because of: (a) the conviction of Mr. Golsen of a felony involving moral turpitude after all appeals have been completed; or (b) if due to Mr. Golsen's serious, willful, gross misconduct or willful, gross neglect of his duties has resulted in material damages to the Company and its subsidiaries, taken as a whole, provided that (i) no action or failure to act by Mr. Golsen will constitute a reason for termination if he believed, in

-12-

good faith, that such action or failure to act was in the Company's or its subsidiaries' best interest, and (ii) failure of Mr. Golsen to perform his duties hereunder due to disability shall not be considered willful, gross misconduct or willful, gross negligence of his duties for any purpose.

The termination of an officer's employment with the Company for "good reason" means termination because of (a) the assignment to the officer of duties inconsistent with the officer's position, authority, duties, or responsibilities during the 60 day period immediately preceding the change in control of the Company or any other action which results in the diminishment of those duties, position, authority, or responsibilities; (b) the relocation of the officer; (c) any purported termination by the Company of the officer's employment with the Company otherwise than as permitted by the severance agreement; or (d) in the event of a change in control of the Company, the failure of the successor or parent company to agree, in form and substance satisfactory to the officer, to assume (as to a successor) or guarantee (as to a parent) the severance agreement as of no change in control had occurred.

Except for the severance agreement with Jack E. Golsen, each severance agreement runs until the earlier of: (a) three years after the date of the severance agreement, or (b) the officer's normal retirement date from the Company; however, beginning on the first anniversary of the severance agreement and on each annual anniversary thereafter, the term of the severance agreement automatically extends for an additional one-year period, unless the Company gives notice otherwise at least 60 days prior to the anniversary date. The severance agreement with Jack E. Golsen is effective for a period of three years from the date of the severance agreement; except that, commencing on the date one year after the date of such severance agreement and on each annual anniversary thereafter, the term of such severance agreement shall be automatically extended so as to terminate three years from such renewal date, unless the Company gives notices otherwise at least one year prior to the renewal date.

(b) Employment Agreement The Company has an employment agreement with Jack E. Golsen, the Chairman of the Board and President of the Company, which requires the Company to employ Mr. Golsen as an executive officer of the Company. The current term of the employment agreement will expire March 21, 2005; however, pursuant to an amendment to the employment agreement approved by the Board of Directors, the term will be automatically renewed for up to three additional three-year periods. The employment agreement may be terminated by either party by written notice at least one year prior to the expiration of the then current term. Under the terms of such employment agreement, Mr. Golsen shall be paid (a) an annual base salary at his 1995 base rate, as adjusted from time to time by the Compensation Committee, but such shall never be adjusted to an amount less than Mr. Golsen's 1995 base salary, (b) an annual bonus in an amount as determined by the Compensation Committee, and (c) receive from the Company certain other fringe benefits.

The employment agreement provides that Mr. Golsen's employment may not be terminated, except (a) upon conviction of a felony involving moral turpitude after all appeals have been exhausted, (b) Mr. Golsen's serious, willful, gross misconduct or willful, gross negligence of duties resulting in material damage to the Company and its subsidiaries, taken as a whole, unless Mr. Golsen believed, in good faith, that such action or failure to act was in the Company's or its subsidiaries' best interest, and (c) Mr. Golsen's death. However, no such termination under (a) or (b) above may occur unless and until the Company has delivered to Mr. Golsen a resolution duly adopted by an

-13-

affirmative vote of three-fourths of the entire membership of the Board of Directors at a meeting called for such purpose after reasonable notice given to Mr. Golsen finding, in good faith, that Mr. Golsen violated (a) or (b) above.

If Mr. Golsen's employment is terminated in breach of the employment agreement, then he shall, in addition to his other rights and remedies, receive and the Company shall pay to Mr. Golsen (a) in a lump sum cash payment, on the date of termination, a sum equal to the amount of Mr. Golsen's annual base salary at the time of such termination and the amount of the last bonus paid to Mr. Golsen prior to such termination times the number of years remaining under the then current term of the employment agreement and (b) provide to Mr. Golsen all of the fringe benefits that the Company was obligated to provide during his employment under the employment agreement for the remainder of the term of the employment agreement.

If there is a change in control (as defined in the severance agreement between Mr. Golsen and the Company) and within 24 months after such change in control Mr. Golsen is terminated, other than for Cause (as defined in the severance agreement), then in such event, the severance agreement between Mr. Golsen and the Company shall be controlling.

In the event Mr. Golsen becomes disabled and is not able to perform his duties under the employment agreement as a result thereof for a period of 12 consecutive months within any two year period, the Company shall pay Mr. Golsen his full salary for the remainder of the term of the employment agreement and thereafter 60% of such salary until Mr. Golsen's death.

Compensation Committee Interlocks and Insider Participation The Company's Executive Salary Review Committee has the authority to set the compensation of all officers of the Company. This Committee generally considers and approves the recommendations of the President. The members of the Executive Salary Review Committee are the following non-employee directors: Robert C. Brown, M.D., and Bernard G. Ille. During 2002, the Executive Salary Review Committee had 3 meetings.

(1) Stockholder Approved Plans. The Company's equity compensation plans which are approved by the Company's stockholders are the following:

- 1986 Incentive Stock Option Plan (the "1986 Plan"). As of December 31, 2002, 10,000 shares are issuable under outstanding options granted under the 1986 Plan and no additional shares are available for future issuance.
- 1993 Stock Option and Incentive Plan (the "1993 Plan"). As of December 31, 2002, 492,000 shares are issuable under outstanding options granted under the 1993 Plan and 355,800 additional shares are available for future issuance.
- 1998 Stock Option Plan (the "1998 Plan"). As of December 31, 2002, 922,600 shares are issuable under outstanding options granted under the 1998 Plan and 50,500 additional shares are available for future issuance.
- Outside Directors Stock Option Plan (the "Outside Directors Plan"), as of December 31, 2002, 105,000 shares are issuable under outstanding options granted under the Outside Directors Plan and 295,000 additional shares are available for future issuance. The Outside Directors Plan authorizes the Company to grant options to purchase common stock to each member of our Board of Directors who is not an officer or employee of the Company or its subsidiaries. These options become fully exercisable after six months and one day from the date of grant and lapse at the end of ten years. The exercise price of options granted under the Outside Directors Plan is equal to the market value of our common stock at the date of grant.
- 1993 Non-Employee Directors Stock Option Plan (the "1993 Directors Plan"). As of December 31, 2002, no shares have been granted under the 1993 Directors Plan and 150,000 shares are available for future issuance. The 1993 Directors Plan authorizes the grant of nonqualified stock options to each member of our Board of Directors who is not an officer or employee of the Company or its subsidiaries. Options granted to

non-employee Directors of the Company become fully exercisable after six months from the date of grant. Pursuant to the terms of the 1993 Directors Plan, each outside director receives an option to acquire 5,000 shares of our common stock on April 30 following

-15-

the end of each year in which the Company realizes net income of \$9.2 million or more for such year. The exercise price for these options is the fair market value of the shares of common stock at the time of grant. Each option granted under this plan expires upon the earlier of the termination as a member of our Board of Directors or the fifth anniversary of the date such option was granted.

The 1986 Plan, 1993 Plan, and 1998 Plan each authorize the Company to grant options to purchase common stock to our employees. All outstanding options granted to employees under these plans have a term of 10 years and become exercisable as to 20% of the underlying shares after one year from date of grant, 40% after two years, 70% after three years, and 100% after four years. The exercise price of outstanding options granted under these plans is equal to the market value of the Company's common stock at the date of grant. However, with respect to participants who own 10% or more of our common stock at the date of grant, the options have a term of five years, and the exercise price is 110% of the market value at the date of grant.

(2) Non-Stockholder Approval Plans. From time to time, our Board of Directors has approved the grants of certain nonqualified stock options as the Board has determined to be in the best interest of the Company to compensate directors, officers, or employees for service to the Company. Unless otherwise indicated below, (a) the price of each such option is equal to the market value of our common stock at the date of grant, (b) the options become exercisable as to 20% of the underlying shares after one year from the date of grant, 40% after two years, 70% after three years, and 100% after four years, and (c) each option expires 10 years from the grant date. The Company's equity compensation plans which have not been approved by the stockholders are the following:

- Effective December 1, 2002, the Company granted nonqualified options to purchase up to an aggregate 112,000 shares of common stock to former employees of two former subsidiaries. These options were part of the employees' severance compensation arising from the sale of the former subsidiaries' assets. Each recipient of a grant received options for the same number of shares and having the same exercise price as under the recipient's vested incentive stock options which expired upon the sale. Each nonqualified option was exercisable as of the date of grant and has a term of 10 years from the original date of grant. Of the 112,000 shares issuable under the options, 4,000 shares have an exercise price of \$9.00 per share and expired March 19, 2003, 34,000 have an exercise price of \$4.188 per share and expire from August 18, 2004 through April 22, 2008, 34,000 have an exercise price of \$2.37 per share and expire November 21, 2011, and 40,000 have an exercise price of \$1.25 and expire July 8, 2009.

- On July 20, 2000, the Company granted nonqualified options to a former employee of the Company to acquire 185,000 shares of common stock in consideration of services to the Company. The following are the exercise prices per share for these options: 5,000 shares at \$5.362; 80,000 shares at \$4.538; 60,000 shares at \$1.375; and 40,000 shares at \$1.25. These options were for the same number of shares and the same exercise prices as under the stock options held by the former employee prior to leaving the Company. These options were fully vested at the date of grant and expire, as to 100,000 shares, nine years from the date of grant and as to the remaining 85,000 shares, seven years from the date of grant.
- On July 8, 1999, in consideration of services to the Company, the Company granted nonqualified stock options to acquire 266,500 shares of common stock at an exercise price of \$1.25 per share to Jack E. - On December 18, 1997, the Company granted to an employee nonqualified stock options to acquire 25,000 shares of common stock at an exercise price of \$4.125 per share. The options became exercisable as to 30% of the underlying shares after two years from the date of grant, 60% after three years, and 100% after four years.

A subsidiary of the Company, Hercules Energy Mfg. Corporation ("Hercules"), leased land and a building in Oklahoma City, Oklahoma from Mac Venture, Ltd. ("Mac Venture"), a limited partnership. GPC (a wholly owned subsidiary of SBL) serves as the general partner of Mac Venture. The limited partners of Mac Venture include GPC and the three children of Jack E. Golsen. See "Security Ownership of Certain Beneficial Owners" and "Security Ownership of Management" above for a discussion of the stock ownership of SBL. The warehouse and shop space leased by Hercules from Mac Venture consists of a total of 30,000 square feet. Hercules leased the property from Mac Venture for \$3,750 per month under a month-to-month triple net lease extension which ended in October 2002.

Northwest Internal Medicine Associates ("Northwest"), a division of Plaza Medical Group, P.C., has an agreement with the Company to perform medical examinations of the management and supervisory personnel of the Company and its subsidiaries. Under such agreement, Northwest is paid \$2,000 a month to perform all such examinations. Dr. Robert C. Brown (a director of the Company) is Vice President and Treasurer of Plaza Medical Group, P.C.

In 1983, LSB Chemical Corp. ("LSB Chemical"), a subsidiary of the Company, acquired all of the outstanding

Edgar Filing: LSB INDUSTRIES INC - Form 10-K/A

stock of El Dorado Chemical Company ("EDC") from its then four stockholders ("Ex-Stockholders"). A substantial portion of the purchase price consisted of an earnout based primarily on the annual after-tax earnings of EDC for a ten-year period. During 1989, two of the Ex-Stockholders received LSB Chemical promissory notes for a portion of their earnout, in lieu of cash, totaling approximately \$896,000, payable \$496,000 in January 1990, and \$400,000 in May, 1994. LSB Chemical agreed to a buyout of the balance of the earnout from the four Ex-Stockholders for an aggregate purchase amount of \$1,231,000. LSB Chemical purchased for cash the earnout from two of the Ex-Stockholders and issued multi-year promissory notes totaling \$676,000 to the other two Ex-Stockholders. Jack E. Golsen guaranteed LSB Chemical's payment obligation under the promissory notes. The unpaid balance of these notes at March 31, 2003, was \$400,000.

At October 15, 2001, Prime Financial Corporation ("Prime"), a subsidiary of the Company, had a note with an outstanding principal balance of \$1,350,000 (the "Prime Note") owed to SBL Corporation ("SBL"), a corporation wholly owned by the spouse and children of Jack E. Golsen, Chairman of the Board and President of the Company. The Prime Note was issued in connection with a loan from SBL to Prime of funds borrowed by SBL from SBL's lender. In order to obtain the loan from SBL, Prime was required to (a) issue to SBL's lender a limited guaranty of the lender's loan to SBL, and (b) pledge to SBL's lender 1,973,461 shares of the Company's common stock owned by Prime as security for the limited guaranty.

On October 18, 2001, the Company, Prime, and SBL entered into an agreement (the "Agreement") whereby the Company issued to SBL 1,000,000 shares of a newly created series of Series D Convertible Preferred Stock in the Company ("Series D Preferred Stock"). In consideration of the issuance of the Series D Preferred stock, SBL (a) reduced the principal amount of the Prime Note by \$1,000,000, (b) caused Prime's limited guaranty to be reduced to an amount

-23-

not to exceed \$350,000, and (c) caused the shares of LSB common stock pledged by Prime to SBL's lender to be reduced by 1,000,000 shares. In February 2003, SBL's lender terminated Prime's limited guaranty and released all shares of LSB common stock pledged by Prime to secure the limited guaranty. At March 31, 2003, \$150,000 remains outstanding under the Prime Note which is payable on demand.

Each share of Series D Preferred Stock issued to SBL has, among other things, .875 votes and the right to vote as a class with the Company's common stock, a liquidation preference of \$1.00 per share, cumulative dividends at the rate of 6% per annum, and is convertible into LSB common stock on the basis of four shares of Preferred Stock into one share of common stock. Dividends on the Series D Preferred Stock issued to SBL will be paid only after accrued and unpaid dividends are paid on the Company's Series 2 Preferred. At March 31, 2003, there was \$7.6 million in accrued but unpaid dividends due on the Series 2 Preferred.

Effective March 25, 2003, the Company completed a private placement to Jayhawk Institutional Partners, L.P. ("Jayhawk Institutional") of 450,000 shares of the Company's common stock and a five year warrant to purchase up to 112,500 share of the Company's common stock at an exercise price of \$3.49 per share, subject to anti-dilution adjustments under certain conditions. The total price paid by Jayhawk to the Company for the shares of common stock and the warrant was \$1,570,500. The average closing price of the Company's common stock over the 30 day period prior to the transaction was \$3.49. Jayhawk has certain registration rights. See "Security Ownership of Certain Beneficial Owners" for a description of the beneficial ownership of our common stock by Kent C. McCarthy and affiliates, including Jayhawk Institutional.
