Item 7.01 Regulation FD Disclosure

Edgar Filing: NORFOLK SOUTHERN CORP - Form 8-K

On October 20, 2004, the Registrant issued a Press Release, attached hereto as an Exhibit 99. The press release, which reports third quarter results, includes a non-GAAP financial measure, as defined by SEC Regulation G, which is reconciled within the release. Specifically, the release excludes a non-cash gain relating to the Conrail corporate reorganization from third quarter net income. This measure should be considered in addition to, not as a substitute for, net income reported in accordance with U.S. Generally Accepted Accounting Principles. Management believes that net income excluding this item may be more indicative of operating results for comparison to prior periods and to other companies, and it intends to use this non-GAAP financial measure for comparison purposes at its analysts' meeting scheduled today and in future comparisons to the third quarter of 2004.
