NEW HARTFORD, NY, PAR TECHNOLOGY CORPORATION (NYSE:PTC)

New Hartford, NY--April 27, 2005--PAR Technology Corporation (NYSE:PTC) today

announced results from operations for the first quarter ended March 31, 2005.

PAR reported record first quarter revenues of \$48.8 million, a 29% increase over the \$37.9 million reported in the same period a year ago. Net income for the first quarter of \$1.3 million was reported compared with net income of \$736,000 in the first quarter of 2004, a 77% increase. The Company reported diluted earnings per share of \$0.14 for the first quarter of 2005, an increase of 75% when compared to diluted earnings per share of \$0.08 for the first quarter of last year.

PAR experienced significant revenue growth in both of its businesses. PAR's hospitality technology revenues grew 30% from a year ago along with the Company's Government business raising revenues by 26% over the first quarter of 2004.

John W. Sammon, PAR Chairman and CEO commented, "We are pleased with our results for the first three months of 2005. Our business units continue to execute at a high level and with operational excellence. We believe our growth is indicative of the value our integrated solutions deliver to our customers. The sustained success in our results continues to reflect well on our strategy, which includes increasing the software content of the revenue mix to improve product and service margins. Our innovative products and services have extended our technology leadership in the marketplace by best addressing the current and emerging requirements of our customers."

Sammon concluded, "We exceeded expectations for first quarter performance and posted record revenues for the quarter. This success is attributed to stronger than anticipated market demand for our integrated solutions and the continued improvements in execution Company wide. We remain confident we are well positioned to deliver positive results for the balance of the year."

Statements in this release or by the Company's spokespersons from time to time may contain forward-looking statements. Any statements in this document that do not describe historical facts are forward-looking statements. Forward-looking statements are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Investors are cautioned that all forward-looking statements involve risks and uncertainties, including without limitation, delays in new product introduction, risks in technology development and commercialization, risks in product development and market acceptance of and demand for the Company's products, risks of downturns in economic conditions generally, and in the quick service sector of the hospitality technology market specifically, risks of intellectual property rights associated with competition and competitive pricing pressures, risks associated with foreign sales and high customer concentration, and other risks detailed in the Company's filings with the Securities and Exchange Commission.
