The commitment to fund under the Facility is expected to terminate on November 13, 2006, and the outstanding principal balance of the Notes is expected to be repaid or refinanced in full on or prior to November 13, 2006. Copies of the Indenture and the Indenture Supplement are attached hereto as [Exhibit 10.1](#) and [Exhibit 10.2](#), respectively, and are incorporated by reference herein.

Certain of the purchasers of the Notes, the Trustee and the Collateral Agent, and their respective affiliates, have performed and may in the future perform, various commercial banking, investment banking and other financial advisory services for us and our subsidiaries for which they have received, and will receive, customary fees and expenses.
