Under the terms of the Agreement, Limoneira has secured the right to plant up to 1,280 acres of lemons over the next five years at the Cadiz Ranch operation in the Cadiz Valley. According to the Agreement, Limoneira will initially plant 320 acres of lemons at the Cadiz Ranch and will also hold options to plant up to 960 additional acres by 2018.

In consideration for the lease arrangement, Limoneira will provide Cadiz an annual rental payment and water supply payment. The rental payment will include a base rent of \$200 per planted acre and a lease payment equal to 20% of net cash flow from the harvested crops grown on Cadiz property. The annual rental payment will not exceed a total of \$1,200/acre.

Cadiz will also provide Limoneira the right to directly assign up to 500 acre-feet of its farming water allowance to the Company’s Cadiz Valley Water Conservation, Recovery and Storage Project at the then prevailing contract price.

Mr. Scott Slater, current CEO, President and member of the Board of Directors of the Company, is also a member of the Board of Directors of Limoneira. He did not participate in consideration of the matter when before either Board.
