EXPLANATORY NOTE

Alaska Air Group, Inc. (the “Company”) is filing this Post-Effective Amendment No. 1 to Registration Statement on Form S-8 to deregister certain shares of the Company’s common stock (the “Common Stock”) that were originally registered by the Company pursuant to its Registration Statement on Form S-8 filed with the Securities and Exchange Commission on August 4, 2011 (Commission File No. 333-176051) (the “Prior Registration Statement”), for offer or sale pursuant to the Company’s 2008 Performance Incentive Plan (the “2008 Plan”). The Prior Registration Statement registered 7,600,000 shares of Common Stock (after giving effect to the Company’s two-for-one stock split in March 2012 and its two-for-one stock split in July 2014).

On May 12, 2016 (the “Approval Date”), the Company’s shareholders approved the Company’s 2016 Performance Incentive Plan (the “2016 Plan”). As a result of such approval, no future awards will be made under the 2008 Plan. Pursuant to the terms of the 2016 Plan, 5,756,807 shares of Common Stock that were available for additional award grant purposes under the 2008 Plan, as of the Approval Date and determined immediately prior to the termination of the authority to grant new awards under the 2008 Plan, are available for grant under the 2016 Plan (the “Rollover Shares”). The Rollover Shares are hereby deregistered. The Prior Registration Statement otherwise continues in effect as to the balance of the shares of Common Stock remaining available for offer or sale pursuant thereto.

Contemporaneously with the filing of this Post-Effective Amendment, the Company is filing a new Registration Statement on Form S-8 (the “New Registration Statement”) to register the shares of Common Stock now available for offer or sale pursuant to the 2016 Plan, including the Rollover Shares. In accordance with Instruction E to the General Instructions to Form S-8 and the principles set forth in Interpretation 89 under Section G of the Manual of Publicly Available Telephone Interpretations of the Commission Division of Corporate Finance (July 1997), this Post-Effective Amendment is being filed to (i) deregister the Rollover Shares, effective upon the filing of this Post-Effective Amendment, and (ii) reflect the reallocation and carrying forward of the Rollover Shares, effective upon the deregistration thereof, together with the associated registration fees previously paid in respect of the registration of the Rollover Shares pursuant to the Prior Registration Statement, from the Prior Registration Statement to the New Registration Statement.
