Item 1.01. Entry into a Material Definitive Agreement.

The information set forth below under Item 3.02 regarding the Registration Rights Agreement is incorporated herein by reference.

Item 3.02. Unregistered Sales of Equity Securities.

On August 20, 2009, The Brink's Company ("Company") made a contribution of \$150 million in cash and shares of the Company's common stock, par value \$1.00 per share (the "Common Stock"), which consisted of \$92.4 million in cash and 2,260,738 shares of Common Stock (such contributed shares, the "Shares"), to The Brink's Company Master Trust (the "Trust") created under The Brink's Company Pension-Retirement Plan (the "Plan") in consideration for a credit against the Company's future funding obligations to the Plan. The Shares were valued for purposes of the contribution at \$25.48 per share, or \$57.6 million in the aggregate. The Shares were contributed to the Trust in a private placement transaction made in reliance upon the exemption from registration provided by Section 4(2) of the Securities Act of 1933, as amended (the "Securities Act"). A copy of the Contribution Agreement related to the private placement of the Shares is furnished herewith as Exhibit 99.1.

On August 20, 2009, the Company issued a press release regarding the contribution of the Shares. A copy of this press release is being furnished herewith as Exhibit 99.2.

On August 20, 2009, the Company also entered into a Registration Rights Agreement (the "Registration Rights Agreement") with Evercore Trust Company, N.A., in its capacity as the investment manager of the Shares. The Registration Rights Agreement provides, among other things, that the Company will prepare and file with the Securities and Exchange Commission, within 45 days of the contribution of the Shares, a shelf registration statement on Form S-3 covering the sale of the Shares by the Trust. The Company must use its commercially reasonable efforts to cause such registration statement to become effective as promptly as reasonably possible after filing and, subject to certain agreed upon suspension periods, to remain continuously effective until the earliest of (a) the date on which all Shares have been sold, (b) the date on which all Shares may be sold by the Trust to the public in accordance with Rule 144 under the Securities Act or any successor rule thereto (as such rule may be amended from time to time, "Rule 144") and when no conditions of Rule 144 are then applicable to the Trust (other than the holding period requirement in paragraph (d) of Rule 144, so long as such holding period requirement is satisfied at such time of determination) and (c) the date that is 90 days after the date on which the number of Shares held by the Trust is less than one percent of the shares of the Common Stock then outstanding.

The foregoing description of the Registration Rights Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Registration Rights Agreement filed as Exhibit 10.1 hereto and incorporated herein by reference.
