Item 8.01. Other Matters

This Form 8-K discloses information with respect to United States Cellular Corporation ("U.S. Cellular"), including updated information relating to prior disclosures by U.S. Cellular's parent, Telephone and Data Systems, Inc. ("TDS").

On February 18, 2005, TDS disclosed that it may possibly take action at some time in the future to offer and issue TDS Special Common Shares in exchange for all of the Common Shares of U.S. Cellular which are not owned by TDS (a "Possible U.S. Cellular Transaction"). In connection therewith, TDS had disclosed that it had engaged Citigroup Global Markets Inc. ("Citigroup") as its financial advisor in connection with a Possible U.S. Cellular Transaction.

Edgar Filing: UNITED STATES CELLULAR CORP - Form 8-K

On March 5, 2007, TDS issued a press release announcing that TDS is terminating its activity relating to a Possible U.S. Cellular Transaction.

The U.S. Cellular board of directors previously established a special committee of U.S. Cellular directors that are not directors or executive officers of TDS to consider a Possible U.S. Cellular Transaction if and when one was announced by TDS. In view of the termination of activities by TDS with respect to a Possible U.S. Cellular Transaction, the U.S. Cellular board of directors has dissolved the special committee.

In addition, on March 6, 2007, the U.S. Cellular board of directors approved a share repurchase program authorizing U.S. Cellular to repurchase up to 500,000 Common Shares of U.S. Cellular from time to time pursuant to open market purchases, block transactions under Rule 10b-18 of the Securities Exchange Act of 1934, as amended ("Exchange Act"), pursuant to Rule 10b5-1 under the Exchange Act, in accelerated share repurchase arrangements, prepaid share repurchases, private transactions or otherwise. This authorization will expire on March 6, 2010. The primary purpose of this share repurchase program is to offset dilution from employee benefit and director compensation plans, and avoid a deconsolidation of U.S. Cellular and TDS for federal income tax purposes that would occur if TDS' ownership of U.S. Cellular fell below 80%.

This would be in addition to U.S. Cellular's existing de minimis share repurchase authorization that permits the repurchase of up to 1% of the unaffiliated Common Shares of U.S. Cellular in any three month period (currently approximately 170,000 shares in each three month period). There is no expiration date for this program.

On March 6, 2007, U.S. Cellular issued a press release discussing the foregoing matters, which is attached hereto as Exhibit 99.1 and incorporated by reference herein.
