Item 5.02: Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers

(b) Effective December 31, 2004, Alan Lewin has resigned from the Company's Board of Directors. Mr. Lewin served on the Board from September 1997 through December 2004. His service is most appreciated by the remaining Board members and by the shareholders of Itronics.

Edgar Filing: ITRONICS INC - Form 8-K

During his period of service on the Board, Mr. Lewin has been employed by Merry X-Ray in Los Angeles. Mr. Lewin is currently a Vice President and General Manager for Merry X-Ray. In recent months, the scope of his responsibilities, including a difficult travel schedule, have expanded to a point where it is no longer possible for him to devote the time needed to properly perform the duties of a director of Itronics.

Mr. Lewin continues to have a strong belief in the future of the GOLD n GRO products and the value of the "Beneficial Use Photochemical, Silver, and Water Recycling Technology" being commercialized by Itronics as he believes the technology provides an environmentally sound global solution to a global environmental problem.
