**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**

March 31, 2004

Unaudited

Note 1: Basis of Presentation

Our unaudited condensed financial statements have been prepared in accordance with the instructions to Form 10-QSB and do not include all of the information and disclosures required by accounting principals generally accepted in the United States of America. Therefore, these financial statements should be read in conjunction with the financial statements and related footnotes included in our Annual Report on Form 10-KSB for the most recent year-end. These financial statements reflect all adjustments that are, in the opinion of management, necessary to fairly state the results for the interim periods reported. The results of operations for the three-month period ended March 31, 2004 are not necessarily indicative of the results to be expected for the full year.

The consolidated financial statements include our accounts and the accounts of Cordia Communications Corp. for the years ended December 31, 2003 and for the three months ended March 31, 2004 and 2003. The consolidated financial statements also include the accounts of its discontinued business ISG Group, Inc. ("ISG") and its subsidiaries (Universal Recoveries, Inc. and U.L.A.E., Inc., both wholly-owned) for the period January 1, 2003 through March 3, 2003 (date of disposal). All material intercompany balances and transactions have been eliminated.

Note 2: Investments

Cordia did not have any investments to report at March 31, 2004 and December 31, 2003. Cordia did, however, hold common shares of eLEC Communications Corp. ( eLEC ) during fiscal year 2003 which were sold prior to December 31, 2003. All investments are classified as trading securities and accordingly, stated at fair value, which is based on market quotes. Adjustments to fair value of the equity securities are recorded as an increase or decrease in investment income in the accompanying statement of operations.

The cost of securities sold is based on the specific identification method. The following is a reconciliation of gain on investments from continuing operations during the three-month period ended March 31, 2003.

NOTE 3: Sale of Business Segments

On March 3, 2003, Cordia sold its equity interests in Insurance Subrogation Group, Inc. ( ISG ) to West Lane Group Inc., a company owned by the then current management of ISG for a purchase price of \$750,000. The purchase price was represented by a two-year promissory note, which bore interest at a rate of 6% per annum and was secured by 700,000 shares of Cordia's stock owned by West Lane. Cordia also entered into a licensing and services agreement with ISG whereby ISG purchased an unlimited license to SUBRO AGS software. Upon execution of the licensing and services agreement, ISG paid Cordia \$100,000 and pursuant to the terms of the agreement agreed to make monthly payments of \$6,000 (including interest) for a twenty-five (25) month period in exchange for Cordia's agreement to provide software updates and maintenance as necessary during this period.

The following is a summary of the sale transaction of ISG (unaudited):

Assets sold	\$ (872,726)	
Liabilities sold	1,615,335	
Note received	750,000	
Write-off of inter-company receivables and payables		61,697

-----

Gain on sale, before income taxes	\$1,554,306
-----------------------------------	-------------

=====

As a result of the sale of ISG, employee stock options to purchase 83,000 of the Company's common shares at \$7.50 per share expired.
