PROXY STATEMENT

FOR ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD MAY 1, 2008

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of The National Security Group, Inc. (the "Company"), to be voted at the Annual Meeting of the stockholders of the Company to be held at 10:00 a.m. (Central Time) on May 1, 2008, at the Conference Center located adjacent to the principal executive offices of the Company, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders ("Annual Meeting"). This Proxy Statement, dated March 31, 2008, is being mailed to holders of the Company common stock on or about March 13, 2008.

At the Annual Meeting, the stockholders of the Company will vote on matters noted in the proxy. If the enclosed proxy is properly signed and returned, your shares will be voted on all matters that properly come before the Annual Meeting for a vote. If instructions are specified in your signed proxy with respect to matters being voted upon, your shares will be voted in accordance with your instructions. If no instructions are so specified, your shares will be voted "FOR" the election of the persons nominated as directors in the proxy statement and "FOR" the ratification of selection of independent auditors. So far as is now known, there is no business to be acted upon at the Annual Meeting other than as set forth above, and it is not anticipated that other matters will be brought before the Annual Meeting. If, however, other appropriate matters are duly brought before the Annual Meeting, the persons appointed as proxy agents will have discretion to vote or act thereon according to their own judgment.

Whether or not you attend the Annual Meeting, your vote is important. Accordingly, you are asked to sign and return the accompanying proxy, regardless of the number of shares you own. Shares can be voted at the Annual Meeting only if the holder is present or represented by proxy. Shares of common stock represented by a properly executed and returned proxy will be treated as present at the Annual Meeting for purposes of determining a quorum without regard to whether the proxy is marked as casting a vote for or against or abstaining with respect to a particular matter. In addition, shares of common stock represented by "broker non-votes" (i.e., shares of common stock held in record name by brokers or nominees as to which (i) instructions have not been received from the beneficial owners or persons entitled to vote, (ii) the broker or nominee does not have discretionary voting power or (iii) the record holder has indicated that it does not have authority to vote such shares on the matter) generally will be treated as present for the purposes of determining a quorum. The affirmative vote of the holders of a majority of the outstanding shares of common stock of the Company present in person or represented by proxy at the Annual Meeting and entitled to vote thereon is required for the election of the nominees to the Board of Directors. With respect to this matter, an abstention will have the same effect as a negative vote, but because shares held by brokers will not be considered entitled to vote on matters as to which brokers would hold authority, a broker non-vote will have no effect on the vote.

The Board of Directors has fixed the close of business on March 13, 2008, as the record date for the determination of stockholders who are entitled to notice of, and to vote at the Annual Meeting and any adjournments thereof. On the record date, the Company had outstanding 2,466,600 shares of common stock, the holders of which are entitled to one vote per share. No shares of any other class of common stock are issued or outstanding.

The Company has retained Registrar and Transfer Company to assist in the distribution of proxy materials and solicitation of votes. The Company bears all costs associated with the distribution and solicitation.

REVOCABILITY OF PROXY

A proxy may be revoked at any time prior to its exercise (i) by filing with the Secretary of the Company either an instrument revoking the proxy or a duly executed proxy bearing a later date or (ii) by attending the Annual Meeting and voting in person. Attendance at the Annual Meeting by itself will not revoke a proxy.

ITEM 1: ELECTION OF DIRECTORS AND MANAGEMENT INFORMATION

The Bylaws of the Company provide that the Board of Directors shall be divided into three classes as nearly equal in number as possible. The term of each director is three years and the terms are staggered to provide for the election of one class of directors each year. A total of five Directors will be elected at the Annual Meeting. Four "Nominees" have been nominated by the Board of Directors for election to serve three-year terms: W.L. Brunson, Jr., Fred Clark, Jr., Mickey L. Murdock, and Paul Wesch. One "Nominee" has been nominated by the Board of Directors for election to serve a one-year term: Winfield Baird. All of the Nominees are currently serving as Directors of the Company.

The persons named in the enclosed proxy intend to vote **"FOR"** the election of the Nominees unless the proxy is marked to indicate that such authorization is expressly withheld. Should any of the Nominees be unable to accept nomination or election (which the Board of Directors does not expect) or should any other vacancy have occurred in the Board, it is the intention of the persons named in the enclosed proxy to vote for the election of the person or persons whom the Board of Directors recommends.

The following tables set forth the names and certain information concerning the Nominees and each other Director who will continue to serve (the "Continuing Directors") as a Director of the Company after the Annual Meeting:

ITEM 2: RATIFICATION OF COMPANY INDEPENDENT AUDITORS

The Audit Committee of the Board of Directors has selected Barfield, Murphy, Shank & Smith, PC as the Company's independent auditors for the calendar year ending December 31, 2008, and has further directed that management submit the selection of independent auditors for ratification by the stockholders at the Annual Meeting. They have audited the Company's financial statements since 2000. Representatives of the firm are expected to be present at the Annual Meeting, will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Stockholder ratification of the selection of Barfield, Murphy, Shank & Smith, PC, as the Company's independent auditors is not required by the Company's Bylaws or otherwise. However, the Board is submitting the selection of Barfield, Murphy, Shank & Smith, PC to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent auditing firm at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

The affirmative vote of a majority of the votes cast at the Annual Meeting at which a quorum representing a majority of all outstanding shares of common stock of the Company is present and voting, either in person or by proxy, is required for approval of this proposal. Abstentions and broker non-votes will each be counted as present for purposes of determining the presence of a quorum but will not have any effect on the outcome of the proposal.

DISCLOSURE OF AUDIT FEES

Aggregate fees for professional services rendered for the Company by Barfield, Murphy, Shank & Smith, PC billed for the years ended December 31, 2007 and 2006, were as follows:

Edgar Filing: NATIONAL SECURITY GROUP INC - Form DEF 14A

Year Ended December 31	2007	%	2006	%
Audit Fees(1)	\$ 136,854	80%	\$ 121,926	87%
Audit-Related Fees(2)	11,835	7%	7,700	6%
Tax Fees(3)	9,626	6%	8,799	6%
All Other Fees(4)	12,796	7%	1,328	1%
Total	\$ 171,111	100%	\$ 139,753	100%

- (1) Audit Fees were for professional services rendered in connection with the review and audit of the Company's annual financial statements for the year ended December 31, 2007 and same period for the prior year as well as for the review of the Company's interim financial statements included in quarterly reports on Form 10-Q during the year ended December 31, 2007 and same period for the prior year.
- (2) Audit-Related Fees were for professional services rendered in connection with employee benefit plan audits.
- (3) Tax Fees were for tax related services and totaled approximately \$8,799. The audit committee does not consider the tax related fees of \$10,563 to impair the auditor's independence.
- (4) All Other Fees were for meetings with management regarding the Company's SOX work in 2007 and for assistance with inquiries during a recent Alabama Department of Insurance routine examination in 2006.

AUDIT COMMITTEE PRE-APPROVAL POLICES AND PROCEDURES

The Audit Committee of the Board of Directors believes its policies and procedures should remain flexible in order to: best react to changing conditions; to ensure to the directors and stockholders that the corporate accounting and reporting practices of the corporation are in accordance with all requirements; and to ensure that the corporate accounting and reporting practices of the corporation are of the highest quality. In carrying out its responsibilities, the audit committee pre-approves audit fees as well as reviews and approves the scope of the proposed audit, audit procedures, and other services to be performed.

COMPENSATION DISCUSSION AND ANALYSIS

EXECUTIVE COMPENSATION

The primary oversight of the Company's executive compensation plan rests with the Compensation Committee of the Board of Directors which is composed entirely of independent directors.

The primary objective of the Compensation Committee in setting compensation levels for executive officers is to provide competitive benefits relative to the size and geographic location of the Company in order to attract and retain talented individuals to fill executive positions. The current compensation plan consists of two elements, base salary and short term cash incentive compensation. Base salaries are set by the Compensation Committee, including any annual increases, and are reviewed by the full Board of Directors. The Compensation Committee considers factors such as industry surveys, particularly focusing those companies of similar size and business focus, individual performance and changes in job duties of named executives in any material adjustments in individual compensation levels.

The Compensation Committee reviews salary levels annually relative to published insurance industry executive compensation surveys, particularly those which provide composite information for the Company's applicable size category, as determined by annual insurance premium revenue, provided by the survey as part of an annual compensation review. Due to other considerations such as geographic location of the Company, base compensation levels for the executive officers of the Company are typically at or below median levels for each of the applicable job classifications provided in the executive compensation surveys.

The objective of the bonus incentive plan provided to executive officers is to reward executives for financial performance on an annual basis and consists of two primary components. The first component is a fixed bonus percentage based on an absolute return on equity. The bonus percentages under this component range from 15% to 35% of base compensation for the CEO and 10% to 30% for other named executive officers. No bonus is paid under this component for a return on equity of less than 8%. The second component consists of a bonus percentage based on performance relative to a peer group of companies with the maximum bonus payable under this component being 50% of base compensation. The maximum bonus payable under both components of the plan is fixed at 70% of base compensation for the CEO and 60% for other named executive officers. The Compensation Committee reserves the right to withhold bonuses for the CEO or any named executive for personal performance during a year, regardless of the Company's overall performance. The Compensation Committee has approved payments under the bonus incentive plan as disclosed in the summary compensation table for each executive officer of the Company for the year 2007. These bonus incentive plan payments total \$277,981 and were paid in the first quarter of 2008.

Edgar Filing: NATIONAL SECURITY GROUP INC - Form DEF 14A

We do not currently offer retirement plans for the exclusive benefit of executive officers and we do not offer a defined benefit retirement pension plan.

We do offer a defined contribution 401(k) plan under which all employees may defer a portion of compensation, subject to IRS limits for 2007 of \$15,000 per year and over age 50 "catch-up" contributions for 2007 of \$5,000 per year. After six months of employment, the Company will match employee deferrals on a dollar for dollar basis up to 5% of compensation. During 2007, the Company match for all executive officers totaled \$40,722.

The Company offers its executive officers and directors a non-qualified deferred compensation (NQDC) plan. Executives have the option of deferring up to 25% of base pay and 100% of bonus into the NQDC plan. Participants in the NQDC plan may select from a group of externally managed investment options, none of which contain equity components tied to Company stock performance. The Company also does not guarantee returns for any component of funds deferred in the NQDC plan. The Compensation Committee may recommend to the Board of Directors, discretionary contributions to the NQDC plan for named executives. However, no such discretionary contributions were made for 2007.

The Company currently does not have a long term incentive compensation plan or any stock based compensation arrangements. These compensation arrangements, while not currently offered, may be considered by the Compensation Committee as a future element of executive compensation. Even though the Company does not currently offer long term incentive compensation or stock based compensation as a component of executive compensation, the Compensation Committee does believe that the long term interests of the executives are tied to the Company as the executive group and immediate family members of certain executives own, through various direct and indirect ownership arrangements, in excess of 25% of the total outstanding common stock of the Company.

- 10 -

We do not offer any perquisites to any of our executive officers with an aggregate value greater than \$10,000.

All forms of executive compensation, with the exception of amounts deferred under NQDC plans, are currently deductible by the Company under Federal Income Tax laws. The Compensation Committee does not believe that the deductibility limitations of Section 162(m) of the Internal Revenue Code of 1986 as amended applies to the Company as no individual of the Company received more than \$1 million in compensation.

The Company currently has no security ownership requirements or guidelines regarding the hedging of economic risk of security ownership for executive officers.

None of the executive officers are currently under written employment agreements or other written agreement providing for severance or change in control benefits.

DIRECTOR COMPENSATION

The Compensation Committee periodically reviews levels of director compensation for non-employee directors of the Company. The goal of the compensation review is to provide a median level of director compensation relative to peer group

companies to attract and retain individuals to provide independent oversight to management and bring diverse business ideas in order to provide input into strategic plans and objectives of the organization.

Non-employee directors are currently paid an annual fee of \$17,000 (\$20,000 for the Chairman), plus \$1,000 per meeting attended, plus travel expense reimbursement. In addition, compensation for committee fees for telephonic meetings and supplemental meetings held in conjunction with regularly scheduled board meetings are paid at the rate of \$250. Compensation for committee meetings requiring physical presence and held in addition to regularly scheduled board meetings are paid at the rate of \$500 plus travel expense reimbursement. Employee directors are excluded from separate compensation as a director.

The Compensation Committee has recommended changes to the Board Compensation package designed to eliminate per meeting fees while increasing the annual retainer for each director. The Compensation Committee believes this new Board compensation package will enhance Director involvement by allowing for more frequent Committee meetings without regard to their cost. The proposed compensation package would:

- Pay non-employee Directors a base annual retainer of \$23,000. Reflecting the additional workload of their oversight duties and Committee assignments, The Chairman of the Board of Directors would be paid an additional \$7,000 per year (\$30,000 in total); Audit Committee members would be paid an additional \$4,000 per year (\$27,000 in total) and its Chairman would be paid an additional \$5,000 per year (\$28,000 in total); Compensation Committee members would be paid an additional \$2,000 per year (\$25,000 in total) and its Chairman would be paid an additional \$3,000 per year (\$26,000 in total). These retainers would be paid in equal quarterly installments.
- Eliminate compensation for attendance at physical or telephonic meetings of the Board of Directors or of any committee.
- Require that a Director attend at least 75% of the total of all Board of Directors meetings and committee meetings for any consecutive twelve-month period. If this attendance standard is not met the Director's retainer for the following twelve-month period would be proportionately reduced.
- Provide full reimbursement for travel expenses associated with Board or Committee meetings or other Company functions.

The proposed compensation package will be voted on by the Board of Directors at the next board meeting.

Directors may annually elect to defer compensation into a non-qualified deferred compensation plan (NQDC). Participants in the NQDC plan may select from a group of externally managed investment options, none of which contain equity components tied to Company stock performance. The Company also does not guarantee returns for any component of funds deferred in the NQDC plan.
