Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Section 302A.521, subd. 2, of the Minnesota Statutes requires the Registrant to indemnify a person made or threatened to be made a party to a proceeding by reason of the former or present official capacity of the person with respect to the Registrant, against judgments, penalties, fines, including, without limitation, excise taxes assessed against the person with respect to an employee benefit plan, settlements, and reasonable expenses, including attorneys' fees and disbursements, incurred by the person in connection with the proceeding with respect to the same acts or omissions if, with respect to the acts or omissions the subject of the proceeding, such person: (1) has not been indemnified by another organization or employee benefit plan for the same judgments, penalties or fines; (2) acted in good faith; (3) received no improper personal benefit, and statutory procedure has been followed in the case of any conflict of interest by a director; (4) in the case of a criminal proceeding, had no reasonable cause to believe the conduct was unlawful; and (5) in the case of acts or omissions occurring in the person's performance in the official capacity of director or, for a person not a director, in the official capacity of officer, board committee member or employee, reasonably believed that the conduct was in the best interests of the Registrant, or, in the case of performance by a director, officer or employee of the Registrant was serving at the request of the Registrant or whose duties involved service as a director, officer, partner, trustee, employee or agent of another organization or employee benefit plan, reasonably believed that the conduct was not opposed to the best interests of the Registrant. In addition, Section 302A.521, subd. 3, of the Minnesota statutes, requires payment by the Registrant, upon written request, of reasonable expenses in advance of final disposition of the proceeding in certain instances upon, among other things, receipt of a written undertaking by the person to repay all amounts so advanced if it is ultimately determined that the person is not entitled to indemnification, unless otherwise limited by the Articles of Incorporation or Bylaws of the Registrant. The Registrant's Bylaws limit the Registrant's indemnification obligations to directors and officers, except as may otherwise be required by law.

A decision as to required indemnification is made, depending on certain circumstances, by a disinterested majority of the Board of Directors present at a meeting at which a disinterested quorum is present, by a designated committee of the Board, by special legal counsel, by the shareholders, or by a court. The Registrant's Fifth Restated Articles of Incorporation provide that a director is not liable to the Registrant or its shareholders for monetary damages resulting from a breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to the Registrant or its shareholders; (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law; (iii) for transactions from which the director derived an improper personal benefit; (iv) under the Minnesota statutory provision making directors personally liable, under a negligence standard, for unlawful payment of dividends or unlawful stock purchases or redemptions; or (v) for any act or omission occurring prior to the date of adoption of such indemnification provision.

The Registrant maintains a directors' and officers' insurance policy (the "Policy") in the aggregate amount of \$10,000,000 which insures the directors and officers of the Registrant against losses arising from certain claims for any Wrongful Act (as defined in the Policy) by the directors or officers in their respective capacities as such, or to the extent that the Registrant has

Edgar Filing: CURATIVE HEALTH SERVICES INC - Form S-8

indemnified such directors or officers, which insures the Registrant against such losses when and to the extent that the Registrant has indemnified such directors or officers for such losses under the Registrant's Articles of Incorporation or Bylaws, by contract or otherwise pursuant to applicable law. The Policy expires on August 1, 2003 unless renewed or earlier terminated. The Policy does not cover losses in connection with claims relating to the purchase, sale, offer or solicitation of an offer to purchase or sell any security or any violation of the Securities Act or the Exchange Act, and excludes certain other losses.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) above do not apply if information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the

Edgar Filing: CURATIVE HEALTH SERVICES INC - Form S-8

Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or other controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized in the City of Hauppauge, State of New York, on July 23, 2003.

As to questions of fact material to our opinions, we have relied upon certificates of officers of the Company and of public officials.
