Edgar Filing: SSP SOLUTIONS INC - Form NT 10-Q

If the subject report could not be filed without unreasonable effort or expense and the registrant seeks relief pursuant to Rule 12b-25(b), the following should be completed. (Check box if appropriate)

- (a) The reasons described in reasonable detail in Part III of this form could not be eliminated without unreasonable effort or expense;

(b) The subject annual report, semi-annual report, transition report on Form 10-K, Form 20-F, 11-K or Form N-SAR, or portion thereof, will be filed on or before the 15th calendar day following the prescribed due date; or the subject quarterly report or transition report on Form 10-Q, or portion thereof will be filed on or before the fifth calendar day following the prescribed due date;

and (c) The accountant's statement or other exhibit required by Rule 12b-25(c) has been attached if applicable.

PART III NARRATIVE

State below in reasonable detail the reasons why Forms 10-K, 20-F, 11-K, 10-Q, N-SAR, or the transition report or portion thereof, could not be filed within the prescribed time period.

Due to poor operating results over the last year, the Registrant is in the midst of major personnel reductions throughout the organization. Some of the reductions have occurred and are occurring in the accounting department and the Registrant is in the process of re-allocating workloads. Additionally, the Registrant closed a financing on April 16, 2002 and recently filed a preliminary proxy statement for distribution to shareholders. These activities required significant time from the Registrant's personnel and senior management. Therefore, the Registrant was not able to complete its financial statements in a timely manner without incurring unreasonable effort or expense.

PART IV OTHER INFORMATION

- (1) Name and telephone number of person to contact in regard to this notification:

Thomas Schiff

(949)

851-1085

(Area Code)

(Telephone Number)

- (2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If the answer is no, identify report(s).

☒ Yes ☐ No

- (3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?

☒ Yes ☐ No

If so: attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

As a result of the merger that occurred in the third quarter of 2001, the current period results are expected to differ significantly from the corresponding period in 2001. For the reasons set forth in Part III above, the Registrant only recently provided the draft financial statements to its independent accountants for review as required by SAS No. 71. Actual results are pending and subject to change after review by the Registrant's independent accounting firm and therefore are currently not available, and estimates at this time could be misleading.
