Dear fellow Stockholders,

We are pleased to provide you with the proxy materials for our 2009 Annual Meeting of Stockholders. This year, our meeting will be held on Friday, June 26, 2009 at 10:30 a.m. Pacific Time, at our corporate office located at 157 Technology Drive, Irvine, California, 92618.

2008 was an exceptional year for our Company. We made great progress in our transition from a drug development company to a commercial company by obtaining approval for our first proprietary, oncology product and acquiring a second proprietary oncology product that was already on the market. In a year when a global economic downturn threw many companies off-track, we remained focused on our goals. In 2008, we brought in more than \$62 million from strategic alliances and activities and we did not issue a single share of stock to do so.

In March 2008, we received approval from the FDA of our New Drug Application (NDA) for Fusilev™ (levoleucovorin) for injection. We launched Fusilev in August 2008 and achieved net sales of approximately \$7.7 million for 2008. In December 2008, we acquired a fifty percent interest in RIT Oncology, LLC (RIT), a joint venture established to commercialize and develop Zevalin® ([90Y]-ibritumomab tiuxetan) in the United States. In March 2009, we acquired the remaining 50% ownership in RIT, resulting in RIT becoming our wholly-owned subsidiary.

Sales of these two products have the potential to increase if the FDA approves additional applications we have filed for each. We have received an action date from the FDA of October 8, 2009 for a supplemental NDA for Fusilev for its use in combination with 5-FU-containing regimens in the treatment of colorectal cancer, a much larger indication than our current indication. In addition, the FDA established an action date of July 2, 2009 for a decision regarding the supplemental Biologics License Application for Zevalin for its use as first-line therapy for patients with B-cell follicular NHL which, if approved, will allow for the label to address a substantially larger patient population.

We also entered into an important partnership for one of our late-stage drugs. For apaziquone, in October 2008 we signed an exclusive development and commercialization collaboration agreement with Allergan, Inc. for all countries except for those in Asia. Under the terms of the agreement, Allergan paid us \$41.5 million at closing and will make additional payments of up to \$304 million based on the achievement of certain development, regulatory and commercialization milestones. In the United States, we will co-promote apaziquone with Allergan and share equally profits and expenses. Allergan will also pay us royalties on all of its apaziquone sales outside of the United States. Spectrum will continue to conduct the apaziquone clinical trials pursuant to a joint development plan, with Allergan bearing 65% of these expenses. We continue to recruit sites and enroll patients in these two studies and our goal is to complete enrollment for both Phase 3 clinical trials by year-end 2009.

So it has been a great year, but we have much work to do in 2009 to continue to unleash the potential of our drugs. We need your help at the upcoming annual meeting.

At this meeting, we are asking for votes from our stockholders on three important matters. The first matter is the re-election of our six board of director members. We believe that our director nominees will continue to bring high ethical standards, significant knowledge, experience, contacts and oversight to help us move forward with the commercialization of our marketed drugs and development of our clinical drugs. The second matter is a vote to approve the adoption of the Spectrum Pharmaceuticals, Inc. 2009 Employee Stock Purchase Plan. The third matter is a vote to approve the adoption of the Spectrum Pharmaceuticals, Inc. 2009 Incentive Award Plan. As we continue to grow as a company, it is critical that we incentivize our employees and align their interests with those of our stockholders. These plans will support our growth and give our employees a stake in the future success of the

Company.

Your vote is important, and whether or not you attend the annual meeting, I encourage you to sign and return your proxy card, so that your shares of stock will be represented and your votes cast at the meeting. If you have any

further questions, please contact our Vice President Finance, Mr. Shyam Kumaria, at Spectrum Pharmaceuticals, Inc., 157 Technology Drive, Irvine, CA 92618.

We thank you for your consideration and support, and hope to see you at this year's annual meeting to learn more about our future plans for Spectrum Pharmaceuticals.

Sincerely,

Rajesh C. Shrotriya, M.D.

PROXY STATEMENT

The enclosed Proxy is solicited on behalf of the Board of Directors of Spectrum Pharmaceuticals, Inc. (Spectrum, we, our, us or the Company) for use at our 2009 annual meeting of stockholders to be held Friday, June 26, 2009 at 10:30 a.m., Pacific Time, or at any postponement or adjournment thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting of Stockholders. The annual meeting will be held at our corporate office located at 157 Technology Drive, Irvine, California, 92618. This proxy statement and the accompanying proxy are first being mailed to our stockholders on or about May 18, 2009.

QUESTIONS AND ANSWERS ABOUT THE 2009 ANNUAL MEETING AND VOTING

What is the purpose of the annual meeting?

At our annual meeting, stockholders will act upon the matters outlined in the notice of annual meeting on the cover page of this proxy statement, including the election of six directors, each for a term of one year that expires at the annual meeting in 2010, the approval of the adoption of the Spectrum Pharmaceuticals, Inc. 2009 Employee Stock Purchase Plan, and the approval of the adoption of the Spectrum Pharmaceuticals, Inc. 2009 Incentive Award Plan. In addition, following the annual meeting, management will report on our performance during fiscal 2008 and early 2009.

Who is entitled to vote at the annual meeting?

Only stockholders of record at the close of business on April 27, 2009, the record date for the annual meeting, are entitled to receive notice of and to vote at the annual meeting. If you were a stockholder of record on that date, you are entitled to vote all of the shares that you held on that date at the annual meeting, or any postponements or adjournments of the annual meeting. A list of such stockholders will be available for examination by any stockholder at the annual meeting and, for any purpose germane to the annual meeting, at our principal business office, 157 Technology Drive, Irvine, California, 92618, for a period of ten days prior to the annual meeting.

How many shares of our common stock and preferred stock are outstanding and what are the voting rights of the holders of those shares?

On April 27, 2009, the record date for the annual meeting, 32,546,839 shares of our common stock and 68 shares of our Series E Convertible Voting Preferred Stock (Series E Preferred Stock) were outstanding. Holders of the outstanding shares of our common stock on the record date will be entitled to one vote on each matter for each share of our common stock held as of such date. Our Series E Preferred Stock has voting rights and powers equal to those of our common stock. Holders of our Series E Preferred Stock as of the record date shall be entitled to vote with respect to any matter upon which holders of our common stock have the right to vote, voting together with the holders of our common stock as one class. Each holder of our Series E Preferred Stock shall be entitled to the number of votes equal to the number of shares of our common stock into which such shares of our Series E Preferred Stock could be

converted on the record date at the then current conversion value, as determined pursuant to the Certificate of Designations, Rights and Preferences of the Series E Preferred Stock (the Certificate of

Table of Contents

Designations). At the current conversion value, each share of Series E Preferred Stock is entitled to 2,000 votes on each matter at the annual meeting. Consequently, the holders of our Series E Preferred Stock shall have a total of 136,000 votes on each matter at the annual meeting. Including both the outstanding common stock and the Series E Preferred Stock, voting together as one class, a total of 32,682,839 votes may be cast at the annual meeting.

Who can attend the annual meeting?

All stockholders as of the record date, or their duly appointed proxies, may attend the annual meeting. Registration will begin at 9:30 a.m., and seating will begin immediately thereafter. If you attend, please note that you may be asked to present valid picture identification, such as a driver's license or passport. Please also note that if you hold your shares in street name (that is, through a broker or other nominee), you will need to bring a copy of a brokerage statement reflecting your stock ownership as of the record date and check in at the registration desk at the annual meeting.

What constitutes a quorum?

The presence at the annual meeting of the holders of a majority of the aggregate of the outstanding shares of our common stock and our preferred stock (of which only Series E Preferred Stock is currently outstanding), which will be counted as if converted into common stock, in person or by proxy and entitled to vote, will constitute a quorum, permitting the annual meeting to conduct its business. Proxies marked withheld as to any director nominee and broker non-votes are counted by us for purposes of determining the presence or absence of a quorum at the annual meeting for the transaction of business. Broker non-votes are shares that are not voted by the broker who is the record holder of the shares because the broker is not instructed to vote on such matter by the beneficial owner and the broker does not have discretionary authority to vote on such matter.

How do I vote?

If you complete and properly sign the accompanying proxy card and return it to us, it will be voted as you direct. If you are a registered stockholder (that is, if you hold your stock in certificate form or otherwise directly and not through a broker or other nominee) and attend the annual meeting, you may deliver your completed proxy card in person. We encourage you, however, to submit the enclosed proxy card in advance of the annual meeting. In addition, ballots will be available for registered stockholders to vote in person at the annual meeting. Stockholders who hold their shares in street name may vote in person at the annual meeting only by obtaining a proxy form from the broker or other nominee that holds their shares.

Can I vote by telephone or electronically?

If you are a registered stockholder, you may not vote by telephone or electronically since we do not have that capability. If your shares are held in street name, i.e., by a broker or other nominee, please check the voting instruction card you received from your broker or nominee or contact your broker or nominee to determine whether you will be able to vote by telephone or electronically and what deadlines may apply to your ability to vote your shares by telephone or electronically.

Can I change my vote after I return my proxy card?

Yes. As a registered stockholder, you may change your vote at any time before the proxy is voted at the annual meeting by filing with our Secretary either a written notice of revocation or a duly executed proxy bearing a later date. The powers of the proxy holders will be suspended if you attend the annual meeting in person and request that your proxy be suspended, although attendance at the annual meeting will not by itself revoke a previously granted proxy.

Any written notice revoking a proxy should be sent to our Secretary at our corporate offices at 157 Technology Drive, Irvine, California 92618, and must be received prior to the commencement of the meeting. If your shares are held in street name, please check the voting instruction card you received from your broker or nominee or contact your broker or nominee to determine how to change your vote.

Table of Contents

What is the Board's recommendation?

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote your shares FOR election of the six nominees for director, FOR the approval of the adoption of the Spectrum Pharmaceuticals, Inc. 2009 Employee Stock Purchase Plan, and FOR the approval of the adoption of the Spectrum Pharmaceuticals, Inc. 2009 Incentive Award Plan, all in accordance with the recommendation of our board of directors.

With respect to other business that may properly come before the annual meeting, the proxy holders will vote as recommended by our board of directors or, if no recommendation is given, in their own discretion.

What vote is required to approve the Proposal?

For Proposal No. 1, the director nominees receiving the highest number of affirmative votes cast, in person or by proxy, at the annual meeting, up to the number of directors to be elected at the annual meeting (six directors), will be elected as directors. Accordingly, abstentions will have no effect in determining which directors receive the highest number of votes. The election of directors is a matter on which a broker or other nominee has discretionary voting authority. Accordingly, no broker non-votes will result from this proposal.

For Proposal No. 2 and Proposal No. 3, the affirmative vote of the holders of a majority of the voting power held by holders of shares of common stock and Series E Preferred Stock present in person or represented by proxy at the annual meeting and voting on the matter is necessary for (i) the approval of the adoption of the Spectrum Pharmaceuticals, Inc. 2009 Employee Stock Purchase Plan and (ii) the approval of the adoption of the Spectrum Pharmaceuticals, Inc. 2009 Incentive Award Plan. Abstentions with respect to these proposals will have the same effect as a vote against these proposals and broker non-votes will have no effect upon these proposals.

Stockholders Sharing the Same Last Name and Address

The SEC rules permit banks, brokers and other nominee record holders to participate in a practice known as householding, which means that only one copy of the proxy statement and annual report will be sent to multiple stockholders who share the same address. Householding is designed to reduce printing and postage costs and, therefore, results in cost savings for Spectrum. If you receive a householded mailing this year and would like to have additional copies of our proxy statement and/or annual report mailed to you, or if you would like to opt out of this practice for future mailings, please contact your bank, broker or other nominee record holder, or submit your request to our Secretary, c/o Spectrum Pharmaceuticals, Inc., 157 Technology Drive, Irvine, CA 92618, by telephone at (949) 788-6700. Upon receipt of any such request, we agree to promptly deliver a copy of our proxy statement and/or annual report to you. In addition, if you are currently a stockholder sharing an address with another stockholder and wish to receive only one copy of future proxy materials for your household, please contact us using the contact information set forth above.

- (1) This column reports the dollar amount of cash compensation paid in 2008 for board and committee service. Each non-employee director received annual retainers, each retainer being payable on a semi-annual basis, as follows: \$20,000 director retainer, \$20,000 retainer in lieu of meeting fees of the board and committees of the board, and \$5,000 each to the lead director and the chairs of the Audit and Compensation Committees. Our directors are also reimbursed for certain out-of-pocket expenses incurred in connection with attendance at board meetings. Directors who are also our employees receive no compensation for service as directors.
- (2) The amounts reflect the dollar amount recognized for financial statement reporting purposes for the fiscal year ended December 31, 2008 in accordance with Statement of Financial Accounting Standards No. 123(R), Share-Based Payment (SFAS 123(R)), disregarding adjustments for forfeiture assumptions relating to service-based vesting conditions, of awards granted pursuant to our equity incentive plans, from awards granted in prior years. On March 25, 2008, we granted to each non-employee director an option to purchase up to 30,000 shares of our common stock at \$2.55 per share; 50% of the shares vested on the date of grant and the remaining shares vested in equally monthly increments over twelve months from the date of grant. The compensation expense recognized in accordance with SFAS 123(R) represents an amortization of the estimated fair value of grants as of the grant dates (over periods from 2005 to 2008 over the vesting periods of the grants), using the Black-Scholes option-pricing model for option awards. PROPOSAL 2

**TO APPROVE THE ADOPTION OF THE SPECTRUM PHARMACEUTICALS, INC.
2009 EMPLOYEE STOCK PURCHASE PLAN**

The stockholders are being asked to approve the adoption of the Spectrum Pharmaceuticals, Inc. 2009 Employee Stock Purchase Plan (the "2009 ESPP"). The purpose of the 2009 ESPP is to provide employees with the opportunity to purchase our common stock through accumulated payroll deductions. We believe the 2009 ESPP will help us to retain the services of our employees, to secure and retain the services of new employees, and to provide incentives for such persons to exert maximum efforts for our success. We presently have a 2001 Employee Stock Purchase Plan (the "2001 ESPP"), but have not issued any shares in several years under the 2001 ESPP and intend to terminate the 2001 ESPP upon our stockholders' approval of the 2009 ESPP. Our board of directors approved the 2009 ESPP on March 23, 2009, subject to stockholder approval.

A summary of the 2009 ESPP appears below. This summary is qualified in its entirety by the text of the 2009 ESPP, which is included as Appendix A to this proxy statement.

The 2009 ESPP is intended to qualify under Section 423 of the Internal Revenue Code of 1986, as amended (the "Code").

Plan Administration

Administration of the 2009 ESPP has been delegated by our board of directors to the Compensation Committee. The Compensation Committee will have the discretionary authority to administer and interpret the 2009 ESPP, including the authority to (i) determine when and how rights to purchase common stock are granted and the terms and conditions of each offering, (ii) designate from time to time which of our designated subsidiaries are eligible to participate in the 2009 ESPP, (iii) construe and interpret the 2009 ESPP and the rights offered under the 2009 ESPP, (iv) establish, amend and revoke rules and regulations for the administration of the 2009 ESPP, (v) amend the 2009 ESPP as explained below, and (vi) exercise such other powers and perform such other acts deemed necessary to carry out the intent of the 2009 ESPP. Our board of directors may, in its sole discretion, revest itself of the power possessed by the Compensation Committee with respect to the administration of the 2009 ESPP at any time.

Shares Available Under the 2009 ESPP

The maximum number of shares of our common stock which will be authorized for sale under the 2009 ESPP and shall increase every January 1 by an amount equal to the lesser of (i) 1,000,000 shares or (ii) an amount determined by the Board of Directors shall initially be 5,000,000 shares and shall increase every January 1 by an amount equal to the lesser of (i) 1,000,000 shares or (ii) an amount determined by the Board of Directors. The shares of our common stock to be sold to eligible employees under the 2009 ESPP will be either purchased in broker's transactions in accordance with the requirements of federal securities laws or issued directly by us, and can include shares that are authorized but unissued or reacquired shares reserved for issuance under the 2009 ESPP.

Eligible Employees

Employees eligible to participate in the 2009 ESPP generally include our employees and employees of our subsidiaries designated from time to time by the Compensation Committee as participating subsidiaries in the 2009 ESPP. The Compensation Committee may exclude from participation those persons allowed to be excluded pursuant

to Code Section 423, provided that such exclusions shall apply to all employees who meet the exclusion criteria. An employee who owns (or is deemed to own through attribution) 5% or more of the combined voting power or value of all of our classes of stock or of one of our subsidiaries is not allowed to participate in the 2009 ESPP. Finally, the Compensation Committee may provide that certain employees who are highly compensated employees within the meaning of Section 423(b)(4)(D) of the Code are not eligible to participate in the 2009 ESPP. Currently, approximately 110 employees are eligible to participate in the 2009 ESPP.

Table of Contents

Offering

Under the 2009 ESPP, participants are offered the option to purchase shares of our common stock at a discount during an offering period. Each offering period under the 2009 ESPP will be for a period of time determined by the Compensation Committee, which shall initially be no more than 6 months. The first day of an offering period is referred to as the offering date. The date on which shares of our common stock are purchased on behalf of a participant during an offering period are referred to as purchase dates. Purchase dates will occur on the last day of the offering period. The purchase price for our common stock under the 2009 ESPP will be the lower of 85% of the fair market value of our common stock on the offering date or 85% of the fair market value of the common stock on the purchase date.

The initial offering period under the 2009 ESPP is expected to commence on July 1, 2009 (i.e., the offering date under the initial offering period) and end on December 31, 2009, (i.e., the purchase date under the initial offering period). Subsequent offering periods are expected to commence upon the conclusion of the prior offering period and last 6 months.

Unless a participant has previously canceled his or her participation in the 2009 ESPP, the participant will be deemed to have exercised his or her option in full as of each purchase date. Upon exercise, the participant will purchase the number of shares of common stock that his or her accumulated payroll deductions will buy at the purchase price.

Participation

Eligible employees can enroll under the 2009 ESPP by completing a participation agreement within the time specified by the Administrator. An amount designated by the participant will be deducted on each payday during an offering period. Any amounts that are insufficient to purchase whole shares of common stock on the last purchase date in an offering period will be carried over to the next offering period unless the participant decides to have the amount distributed to him. Such amount will be distributed to him or her in cash without interest.

In no case may a participant subscribe for more than \$25,000 in common stock during any calendar year. If the aggregate subscriptions exceed the number of authorized shares of common stock available for purchase under the 2009 ESPP, they will be reduced on a pro rata basis. In addition, the maximum number of shares any participant can acquire in a single offering period is 50,000 shares.

A participant may cancel his or her payroll deduction authorization at any time prior to the end of the offering period. Upon cancellation, the balance of the participant's account may either be held to purchase shares at the next purchase date or will be refunded to him or her in cash without interest. The Compensation Committee may provide that a participant can increase or decrease his or her payroll deduction authorization during an offering period. Additionally, if a participant ceases to be an eligible employee during an offering period, the balance of the participant's account will be refunded to him or her in cash without interest.

Adjustments Upon Changes in Capitalization, Dissolution, Liquidation, Merger or Asset Sale

The number of shares of common stock available for purchase under the 2009 ESPP, as well as the purchase price and the number of shares covered by each outstanding right under the 2009 ESPP shall be proportionately adjusted for adjustments made in the number of outstanding shares of common stock or an exchange of the shares of common stock resulting from a stock split, stock dividend, or certain other adjustments to common stock.

In the event of: (1) our dissolution or liquidation, (2) a merger or consolidation in which we are not the surviving corporation; (3) a reverse merger in which we are the surviving corporation but the shares of common stock

outstanding immediately preceding the merger are converted by virtue of the merger into other property, whether in the form of securities, cash or otherwise; or (4) the acquisition by any person, entity or group of the

Table of Contents

beneficial ownership of our securities representing at least 50% of the combined voting power entitled to vote in the election of directors, then, as determined by the Compensation Committee in its sole discretion (i) any surviving or acquiring corporation may assume outstanding rights or substitute similar rights for those under the 2009 ESPP, (ii) such rights may continue in full force and effect, or (iii) participants' accumulated payroll deductions may be used to purchase common stock immediately prior to the transaction described above and the participants' rights under the ongoing offering period may be terminated.

Amendment and Termination

The Compensation Committee may at any time, and from time to time, amend, suspend or terminate the 2009 ESPP. However, the Compensation Committee may not amend the 2009 ESPP to either increase the number of shares that may be purchased under the 2009 ESPP or to change the designation or class of employees eligible to participate in the 2009 ESPP without obtaining stockholder approval within 12 months before or after such action if such approval is required by applicable laws, codes, or regulations.

Federal Income Tax Consequences

The following is a brief summary of certain federal income tax consequences of participation in the 2009 ESPP. The summary should not be relied upon as being a complete statement of all possible federal income tax consequences. Federal tax laws are complex and subject to change. Participation in the 2009 ESPP may also have consequences under state and local tax laws which vary from the federal tax consequences described below. For such reasons, we recommend that each employee consult his or her personal tax advisor to determine the specific tax consequences applicable to him or her.

Generally, no federal income tax consequences will arise at the time an employee purchases common stock under the 2009 ESPP. If an employee disposes of common stock purchased under the 2009 ESPP less than one year after the common stock is purchased or within two years of the offering date, the employee will be deemed to have received compensation taxable as ordinary income for the taxable year in which the disposition occurs in the amount of the difference between the fair market value of the common stock at the time of purchase and the amount paid by the employee for the common stock. The amount of such ordinary income recognized by the employee will be added to the employee's basis in the common stock for purposes of determining capital gain or loss upon the disposition of the common stock by the employee.

If an employee does not dispose of the common stock purchased under the 2009 ESPP until at least one year after the common stock is purchased and at least two years after the offering date, the employee will be deemed to have received compensation taxable as ordinary income for the taxable year in which the disposition occurs in an amount equal to the lesser of (a) the excess of the fair market value of the common stock on the date of disposition over the purchase price paid by the employee, or (b) the excess of the fair market value of the common stock on the offering date over the purchase price paid by the employee. The amount of such ordinary income recognized by the employee will be added to the employee's basis in the common stock for purposes of determining capital gain or loss upon the disposition of the common stock by the employee. If an employee dies before disposing of the common stock purchased under the 2009 ESPP, he or she will be deemed to have received compensation taxable as ordinary income in the taxable year closing with the employee's death in an amount equal to the lesser of clauses (a) or (b) as set forth in the first sentence of this paragraph. The employee will not realize any capital gain or loss at death.

We generally will not be entitled to a deduction with respect to the common stock purchased by an employee under the 2009 ESPP, unless the employee disposes of the common stock less than one year after the common stock is transferred to the employee or less than two years after the offering date.

New Plan Benefits

No directors who are not also employees will receive any benefit under the 2009 ESPP. The benefits that will be received under the 2009 ESPP by our current executive officers and by all eligible employees are not currently determinable, and are not determinable if the 2009 ESPP had been in effect during our last completed fiscal year.

Vote Required

Stockholders are requested in this Proposal 2 to approve the 2009 ESPP. If the stockholders fail to approve this Proposal 2, we may not be able to attract and retain qualified employees. The affirmative vote of the holders of a majority of the voting power represented by the shares present in person or represented by proxy and voting at the annual meeting will be required to approve the 2009 ESPP. Abstentions will be counted toward the tabulation of votes cast on this proposal and will have the same effect as votes against. Broker non-votes are counted towards a quorum, but are not counted for any purpose in determining whether this matter has been approved.

PROPOSAL 3

**TO APPROVE THE ADOPTION OF THE SPECTRUM PHARMACEUTICALS, INC.
2009 INCENTIVE AWARD PLAN**

Our currently existing equity incentive plan, the 2003 Amended and Restated Incentive Award Plan (the 2003 Plan), will expire pursuant to its terms on July 30, 2013. Our board of directors decided that it was preferable to implement a new plan and discontinue grants under the 2003 Plan. Therefore, our board of directors approved on March 23, 2009, subject to stockholder approval, the 2009 Incentive Award Plan (the 2009 Plan). Should our stockholders approve the adoption of the 2009 Plan, the amount of shares that may be awarded pursuant to the 2003 Plan will be reduced to an amount lower than the maximum amount that can be currently awarded. This amount will be set by our board of directors upon stockholder approval of the 2009 Plan. The purpose of the 2009 Plan is to promote our success and enhance our value by aligning the interests of the members of our board, employees, and consultants with those of our stockholders and by providing such individuals with an incentive for performance to generate returns to our stockholders. The 2009 Plan is further intended to provide us with the flexibility to motivate, attract, and retain the services of members of the board, employees, and consultants upon whose judgment, interest, and special effort the successful conduct of our operation is largely dependent.

The principal features of the 2009 Plan are summarized below, but the summary is qualified in its entirety by reference to the 2009 Plan itself, a copy of which is attached hereto as Appendix B.

Description of the 2009 Plan

The 2009 Plan is an omnibus stock plan consisting of a variety of equity vehicles to provide flexibility in implementing equity awards, including incentive stock options, non-qualified stock options, restricted stock grants, stock appreciation rights, and restricted stock units. Participants in the 2009 Plan may be granted any one of the equity awards or any combination thereof, as determined by our board of directors.

Shares Reserved for Issuance. As of April 27, 2009, there were approximately 2,400,000 shares of common stock available for issuance under the 2003 Plan. Upon the approval of the 2009 Plan by our stockholders, it is the board's intention to terminate the 2003 Plan and issue no further awards under it. 2003 Plan will be terminated and **no** further awards will be issued under the 2003 Plan. As of April 27, 2009, there were 32,546,839 shares of our common stock outstanding.

The termination of the 2003 Plan will not impact any awards outstanding under the 2003 Plan or awards outstanding under our Third Amended and Restated 1997 Stock Incentive Plan; such awards will continue to be subject to their respective terms and the award agreements representing such awards.

Limits on Awards. The initial number of shares of our common stock that are available for issuance under the 2009 Plan is 10,000,000. On January 1, 2010, and also occurring on each following January 1st, the number of shares of our common stock available for issuance under the 2009 Plan shall increase by the greater of (i) 2,500,000 and (ii) a number of shares such that the total number of shares of our common stock available for issuance under the 2009 Plan shall equal 30% of the then number of shares of our common stock issued and outstanding. Of such aggregate limit, the maximum number of shares of common stock that may be issued as incentive stock options will be 10,000,000, subject to an annual 2,500,000 increase each January 1st, beginning on January 1, 2010. The maximum number of shares of common stock that may be subject to stock options, stock appreciation rights, restricted stock, and restricted stock units, in the aggregate, granted to any one Participant during any calendar year shall be 5,000,000. Shares of

common stock issued and sold under the 2009 Plan may be either authorized but unissued shares of common stock or shares of common stock held in our treasury.

Administration. Administration of the 2009 Plan has been delegated by our board of directors to the Compensation Committee. The term Administrator, as used in this proxy statement, refers to the Compensation Committee.

The Administrator shall have such powers and authority as may be necessary or appropriate to carry out the functions of the Administrator as described in the 2009 Plan. Subject to the express limitations of the 2009 Plan, the Administrator shall have authority in its discretion to determine the persons to whom, and the time or times at which, awards may be granted, the number of shares, units or other rights subject to each award, the exercise, base or

Table of Contents

purchase price of an award (if any), the time or times at which an award will become vested, exercisable or payable, the performance goals and other conditions of an award, the duration of the award and all other terms of the award. The Administrator may prescribe, amend and rescind rules and regulations relating to the 2009 Plan. All interpretations, determinations and actions by the Administrator shall be final, conclusive and binding upon all parties. Additionally, the Administrator may delegate to one or more of our officers the ability to grant and determine terms and conditions of awards under the 2009 Plan to certain employees and consultants, and the Administrator may delegate to any of our appropriate officers or employees responsibility for performing certain ministerial functions under the 2009 Plan.

Eligibility. Any person who is an employee of or a consultant to Spectrum or any affiliate thereof, any person to whom an offer of employment with Spectrum has been extended, as determined by the Administrator, or any person who is a non-employee director is eligible to be designated by the Administrator to receive awards and become a participant under the 2009 Plan (a Participant or the Participants). Currently, approximately 110 employees are eligible to participate in the 2009 plan.

Types of Awards under 2009 Plan

The 2009 Plan includes the following equity compensation awards: incentive stock options, non-qualified stock options, restricted stock grants, stock appreciation rights, and restricted stock units, all of which are described below.

Stock Options. Stock options granted under the 2009 Plan may be either incentive stock options or non-qualified stock options, subject to the provisions of Section 422 of the Code.

The exercise price per share of a stock option shall be determined by the Administrator, however, for an option to qualify as an incentive stock option, the exercise price per share shall not be less than the fair market value of our common stock on the date the option is granted. The Administrator shall determine the vesting of a stock option and the period during which a vested stock option may be exercised, provided that the maximum term of a stock option shall be ten years from the date the option is granted.

Stock Appreciation Rights. Stock appreciation rights may be granted on a basis that allows for the exercise of the right by the Participant or that provides for the automatic payment of the right upon a specified date or event. Stock appreciation rights shall be exercisable or payable at such time or times and upon conditions as may be approved by the Administrator, provided that the Administrator may accelerate the exercisability or payment of a stock appreciation right at any time.

A stock appreciation right may be subject to such vesting and exercisability requirements as specified by the Administrator in an award agreement. Such vesting and exercisability requirements may be based on the continued service of the Participant with us or our affiliates for a specified time period (or periods) or on the attainment of specified performance goals established by the Administrator in its discretion. A stock appreciation right will be exercisable or payable at such time or times as determined by the Administrator, provided that the maximum term of a stock appreciation right shall be ten years from the date the right is granted.

A stock appreciation right will entitle the holder, upon exercise or other payment of the stock appreciation right, as applicable, to receive an amount determined by multiplying: (i) the excess of the fair market value of a share of our common stock on the date of exercise or payment of the stock appreciation right over the base price of such stock appreciation right, by (ii) the number of shares as to which such stock appreciation right is exercised or paid. Upon such exercise or settlement, the Company shall issue to the Participant the number of shares of common stock determined by dividing the amount determined under the preceding sentence by the fair market value of the Company's common stock on the date of exercise or settlement, subject to applicable tax withholding requirements and

to the conditions set forth in the 2009 Plan and the applicable stock appreciation rights award agreement.

Restricted Stock Awards. Restricted stock awards are granted subject to restrictions on transfer and vesting requirements as determined by the Administrator. The restrictions imposed on shares granted under a restricted stock award shall lapse in accordance with the vesting requirements specified by the Administrator in the award agreement, provided that the Administrator may accelerate the vesting of a restricted stock award at any time. Such vesting requirements may be based on the continued service of the Participant with us or our affiliates for a specified

time period (or periods) or on the attainment of specified performance goals established by the Administrator in its discretion. If the vesting requirements of a restricted stock award shall not be satisfied, the award shall be forfeited and the shares of common stock subject to the award shall be returned to us.

Subject to the provisions of the 2009 Plan and the applicable award agreement, the Participant shall have all rights of a stockholder with respect to the shares granted to the Participant under a restricted stock award, including the right to vote the shares and receive all dividends and other distributions paid or made with respect thereto. The Administrator may provide in an award agreement for the payment of dividends and distributions to the Participant at such times as paid to stockholders generally or at the times of vesting or other payment of the restricted stock award.

Restricted Stock Unit Awards. The value of each stock unit under a restricted stock unit award is equal to the fair market value of a share of our common stock on the applicable date or time period of determination, as specified by the Administrator. A restricted stock unit award shall be subject to such restrictions and conditions as the Administrator shall determine.

On the date the award is granted, the Administrator shall in its discretion determine the vesting requirements with respect to a stock unit award, which shall be set forth in the award agreement, provided that the Administrator may accelerate the vesting of a stock unit award at any time. Vesting requirements may be based on the continued service of the Participant with us or our affiliates for a specified time period (or periods) or on the attainment of specified performance goals established by the Administrator in its discretion.

A stock unit award shall become payable to a Participant at the time or times determined by the Administrator and set forth in the award agreement, which may be upon or following the vesting of the award.

The Participant shall not have any rights as a stockholder with respect to the shares subject to a stock unit award until such time as shares of common stock are delivered to the Participant pursuant to the terms of the award agreement.

Certain Features of Awards Under 2009 Plan

Transferability of Awards. All incentive stock options are nontransferable except upon the Participant's death by will or the laws of descent or distribution. In the case of awards other than incentive stock options, the award agreement or the Administrator may provide, in its discretion, for the transfer of all or part of the award to a Participant's family member (as defined for purposes of the Form S-8 registration statement under the Securities Act of 1933).

Adjustments to Awards Upon Certain Changes in Capitalization. The Administrator may make adjustments to the aggregate number and kind of shares subject to the 2009 Plan, and the number and kind of shares and the exercise price per share subject to outstanding awards, as applicable, if, by reason of a recapitalization, stock split, combination of shares, reclassification, stock dividend or other change in our capital structure, we increase or decrease the number of outstanding shares of our common stock; or we convert or exchange shares of our common stock into a different number or kind of our shares or other securities.

Repricing of Awards. The Administrator may, with the prior approval of a majority of the board's independent directors (as defined for purposes of the Nasdaq listed company rules) and without the approval of our stockholders, cause the cancellation, substitution or amendment of an Option Agreement or Stock Appreciation Right that would have the effect of reducing the exercise price of such an Option or Stock Appreciation Right previously granted under the 2009 Plan, or otherwise approve any modification to such an Option that would be treated as a repricing under the then applicable rules, regulations or listing requirements adopted by the Nasdaq Stock Market.

Occurrence of Corporate Transaction. Awards under the 2009 Plan are subject to special provisions upon the occurrence of a change in control (as defined in the 2009 Plan) transaction with respect to the Company.

Under the 2009 Plan, unless an award agreement provides for a different result, vesting of all outstanding options and stock appreciation rights will accelerate automatically, effective as of the date immediately prior to the change in control unless the options and stock appreciation rights are assumed by the acquiring or successor entity (or parent thereof) or new options or new stock appreciation rights under a new incentive program, or the New Incentives, are issued in exchange therefore. If vesting of outstanding options will accelerate pursuant to the

Table of Contents

foregoing sentence, the Committee may provide, in connection with the change in control transaction, for the purchase or exchange of each option for an amount of cash or other property having a value equal to the difference between: (x) the value of the cash or other property that the Participant would have received pursuant to the change in control transaction in exchange for the shares issuable upon exercise of the option had the option been exercised immediately prior to the change in control, and (y) the exercise price of the option.

Vesting of outstanding options and stock appreciation rights will not accelerate if and to the extent that: (i) the options and stock appreciation rights are assumed by the acquiring or successor entity (or parent thereof) or new options and stock appreciation rights of comparable value are to be issued in exchange therefore pursuant to the terms of the change in control transaction or (ii) the options and stock appreciation rights are replaced by the acquiring or successor entity (or parent thereof) with New Incentives containing such terms and provisions as the Committee considers equitable. If outstanding options or stock appreciation rights are assumed, or if New Incentives of comparable value are issued in exchange therefore, appropriate adjustments will be made to the number and class of securities to be issued, and the exercise price and base price, as applicable.

If any option or stock appreciation right is assumed by an acquiring or successor entity (or parent thereof) or a New Incentive is issued in exchange therefore pursuant to the terms of a change in control transaction, the vesting of the option, stock appreciation right or New Incentive will accelerate if and at such time as the Participant's service as an employee, director, officer, consultant or other service provider to the acquiring or successor entity (or a parent or subsidiary thereof) is Terminated Without Cause (as defined in the 2009 Plan) within 12 months following the change in control. Outstanding options or stock appreciation rights will terminate and cease to be exercisable upon consummation of a change in control except to the extent that such options or stock appreciation rights are assumed by the successor entity (or parent thereof) pursuant to the terms of the change in control transaction. If outstanding options or stock appreciation rights will not be assumed by the acquiring or successor entity (or parent thereof), the Committee shall cause written notice of a proposed change in control transaction to be given to Participants not less than 15 days prior to the anticipated effective date of the proposed transaction.

All repurchase rights will automatically terminate prior to the consummation of the change in control, and any shares of restricted stock or restricted stock units subject to such terminated repurchase rights, or restricted stock units, whether or not subject to such terminated repurchase rights, will immediately vest in full, except to the extent that acquiring or successor entity (or parent thereof) provides for the continuance or assumption of restricted stock award agreements or the substitution or new agreements of comparable value covering shares of a successor corporation. If, upon a change in control, the acquiring or successor entity (or parent thereof) assumes such restricted stock award agreement or substitutes new agreements or comparable value covering shares of a successor corporation, then any repurchase rights provided for in such restricted stock award agreement will terminate, and the shares of common stock subject to the terminated repurchase right or any substituted shares will immediately vest in full, if a Participant's service as an employee, director, officer, consultant or other service provider to the acquiring or successor entity (or parent or subsidiary thereof) is terminated without cause within 12 months following the consummation of the change in control.

Section 162(m) Awards. Awards of options and stock appreciation rights granted under the 2009 Plan will automatically qualify for the performance-based compensation exception under Code Section 162(m) pursuant to their expected terms. Awards of restricted stock and restricted stock units may qualify under Section 162(m) if the terms of the awards state, in terms of an objective formula or standard, the method of computing the amount of compensation payable under the award and preclude discretion to increase the amount of compensation payable under the terms of the award.

Term of 2009 Plan

The 2009 Plan shall terminate on March 23, 2019, which is the tenth anniversary of the date of its adoption by our board of directors. Our board of directors may, in its discretion and at any earlier date, terminate the 2009 Plan. Notwithstanding the foregoing, no termination of the 2009 Plan shall adversely affect any award theretofore granted without the consent of the Participant or the permitted transferee of the award.

New Plan Benefits

Future awards to our executive officers and employees are discretionary. Therefore, at this time the benefits that may be received by our executive officers and other employees if our stockholders approve the 2009 Plan cannot be determined. Because the value of stock issuable to our non-employee directors under the 2009 Plan will depend on the fair market value of our common stock at future dates, it is not possible to determine exactly the benefits that might be received by our non-employee directors under the 2009 Plan.

Summary of Federal Income Tax Consequences of the 2009 Plan

The following is a brief summary of certain federal income tax consequences of participation in the 2009 Plan. The summary should not be relied upon as being a complete statement of all possible federal income tax consequences. Federal tax laws are complex and subject to change. Participation in the 2009 Plan may also have consequences under state and local tax laws which vary from the federal tax consequences described below. For such reasons, we recommend that each Participant consult his or her personal tax advisor to determine the specific tax consequences applicable to him or her.

Incentive Stock Options. No taxable income will be recognized by a Participant under the 2009 Plan upon either the grant or the exercise of an incentive stock option. Instead, a taxable event will occur upon the sale or other disposition of the shares acquired upon exercise of an incentive stock option, and the tax treatment of the gain or loss realized will depend upon how long the shares were held before their sale or disposition. If a sale or other disposition of the shares received upon the exercise of an incentive stock option occurs more than (i) one year after the date of exercise of the option and (ii) two years after the date of grant of the option, the Participant will recognize long-term capital gain or loss at the time of sale equal to the full amount of the difference between the proceeds realized and the exercise price paid. However, a sale, exchange, gift or other transfer of legal title of such stock (other than certain transfers upon the Participant's death) before the expiration of either of the one-year or two-year periods described above will constitute a disqualifying disposition. A disqualifying disposition involving a sale or exchange will result in ordinary income to the Participant in an amount equal to the lesser of (i) the fair market value of the stock on the date of exercise minus the exercise price or (ii) the amount realized on disposition minus the exercise price. If the amount realized in a disqualifying disposition exceeds the fair market value of the stock on the date of exercise, the gain realized in excess of the amount taxed as ordinary income as indicated above will be taxed as capital gain. A disqualifying disposition as a result of a gift will result in ordinary income to the Participant in an amount equal to the difference between the exercise price and the fair market value of the stock on the date of exercise. Any loss realized upon a disqualifying disposition will be treated as a capital loss. Capital gains and losses resulting from disqualifying dispositions will be treated as long-term or short-term depending upon whether the shares were held for more or less than the applicable statutory holding period (which currently is more than one year for long-term capital gains). The Company will be entitled to a tax deduction in an amount equal to the ordinary income recognized by the Participant as a result of a disposition of the shares received upon exercise of an incentive stock option, provided that certain reporting requirements are satisfied.

The exercise of an incentive stock option may result in an adjustment for purposes of the alternative minimum tax. Alternative minimum tax is imposed on an individual's income only if the amount of the alternative minimum tax exceeds the individual's regular tax for the year. For purposes of computing alternative minimum tax, the excess of the fair market value on the date of exercise of the shares received upon the exercise of an incentive stock option over the exercise price paid is included in alternative minimum taxable income in the year the option is exercised. A Participant who is subject to alternative minimum tax in the year of exercise of an incentive stock option may claim as a credit against the Participant's regular tax liability in future years the amount of alternative minimum tax paid which is attributable to the exercise of the incentive stock option. This credit is available in the first year following the year of exercise in which the Participant has regular tax liability.

Under the 2009 Plan, the Committee may permit a Participant to pay the exercise price of an incentive option by delivering shares of common stock of the Company already owned by the Participant, valued at their fair market value on the date of exercise. Generally, if the exercise price of an incentive option is paid with already-owned shares or by a combination of cash and already-owned shares, there will be no current taxable gain or loss recognized by the Participant on the already-owned shares exchanged. A special rule applies, however, if the shares

Table of Contents

exchanged were previously acquired through the exercise of an incentive option and the applicable holding period requirements for favorable tax treatment of such shares have not been met at the time of the exchange. In such event, the exchange will be treated as a disqualifying disposition of such shares and will result in the recognition of income to the Participant, in accordance with the rules described above for disqualifying dispositions. If this special rule does not apply, then the new shares received by the Participant upon the exercise of the option equal in number to the old shares exchanged will have the same tax basis and holding period for capital gain purposes as the Participant's basis and holding period in the old shares. The balance of the shares received by the Participant upon exercise of the option will have a tax basis equal to any cash paid by the Participant, and if no cash was paid, the tax basis of such shares will be zero. The holding period of the additional shares for capital gain purposes will commence on the date of exercise. The holding period for purposes of the one-year and two-year periods described above will commence on the date of exercise as to all of the shares received upon the exercise of an incentive option. If any of the shares subject to the basis allocation rules described above are subsequently transferred in a disqualifying disposition, the shares with the lowest tax basis will be treated as being transferred first.

Non-Qualified Stock Options. Generally, no taxable income will be recognized by a Participant upon the grant of a non-qualified stock option. Upon exercise, however, the Participant will recognize ordinary income in the amount by which the fair market value of the shares purchased, on the date of exercise, exceeds the exercise price paid for such shares. The income recognized by a Participant who is an employee of the Company is subject to income tax withholding by the Company out of the Participant's current compensation. If such compensation is insufficient to pay the taxes due, the Participant will be required to make a direct payment to us for the balance of the tax withholding obligation. We will be entitled to a tax deduction equal to the amount of ordinary income recognized by the Participant, provided that certain reporting requirements are satisfied. If the exercise price of a non-qualified stock option is paid by the Participant in cash, the tax basis of the shares acquired will be equal to the cash paid plus the amount of income recognized by the Participant as a result of such exercise. Generally, if the exercise price is paid by delivering shares of our common stock already owned by the Participant or by a combination of cash and already-owned shares, there will be no current taxable gain or loss recognized by the Participant on the already-owned shares exchanged; provided, however, the Participant will nevertheless recognize ordinary income to the extent that the fair market value of the shares purchased on the date of exercise exceeds the price paid, as described above. The new shares received by the Participant, up to the number of the old shares exchanged, will have the same tax basis and holding period as the Participant's basis and holding period in the old shares. The balance of the new shares received will have an aggregate tax basis equal to any cash paid by the Participant plus the amount of income recognized by the Participant as a result of such exercise, and will have a holding period commencing with the date of exercise. Upon the sale or disposition of shares acquired pursuant to the exercise of a non-qualified stock option, the difference between the proceeds realized and the Participant's basis in the shares will be a capital gain or loss and will be treated as long-term capital gain or loss if the shares have been held for more than the applicable statutory holding period (which is currently more than one year for long-term capital gains).

Restricted Stock. If no election is made under Section 83(b) of the Code in connection with the receipt of restricted stock and repurchase rights are retained by the Company, a taxable event will occur on each date the Participant's ownership rights vest (e.g., when our repurchase rights expire) as to the number of shares that vest on that date, and the holding period for capital gain purposes will not commence until the date the shares vest. The Participant will recognize ordinary income on each date shares vest in an amount equal to the excess of the fair market value of such shares on that date over the amount paid for such shares. Any income recognized by a Participant who is an employee will be subject to income tax withholding by us out of the Participant's current compensation. If such compensation is insufficient to cover the amount to be withheld, the Participant will be required to make a direct payment to us for the balance of the tax withholding obligation. We will be entitled to a tax deduction in an amount equal to the ordinary income recognized by the Participant, provided that certain reporting requirements are satisfied. The Participant's basis in the shares will be equal to the purchase price, if any, increased by the amount of ordinary income recognized. If instead an election under Section 83(b) of the Code is made within 30 days after the date of transfer, or if no

repurchase rights are retained by us, then the Participant will recognize ordinary income on the date of purchase in an amount equal to the excess of the fair market value of such shares on the date of purchase over the purchase price paid for such shares. The Participant's basis in such shares will be equal to the purchase price, if any, increased by the amount of ordinary income recognized.

Table of Contents

Restricted Stock Units. Restricted stock units represent a promise to deliver shares to the Participant at a future date as to the number of restricted stock units that vest on such date. Since the grant of restricted stock units does not involve the transfer of property, the Participant is not subject to tax on the date of grant. Instead, the Participant generally recognizes income upon the actual or constructive receipt of the shares underlying the restricted stock units. The Participant will recognize ordinary income on each date shares are actually or constructively received in an amount equal to the excess of the fair market value of such shares on that date over the amount paid for such shares. Any income recognized by a Participant who is an employee will be subject to income tax withholding by us out of the Participant's current compensation. If such compensation is insufficient to cover the amount to be withheld, the Participant will be required to make a direct payment to us for the balance of the tax withholding obligation. We will be entitled to a tax deduction in an amount equal to the ordinary income recognized by the Participant. The Participant's basis in the shares received will be equal to the purchase price, if any, increased by the amount of ordinary income recognized.

If a Participant is provided the right to defer the receipt of shares beyond the date that the restricted stock units vest, then such award must satisfy the requirements of Section 409A of the Code to avoid adverse tax consequences to the Participant, which include the current inclusion of deferred amounts in income and interest and a surtax on any amount included in income.

Stock Appreciation Rights. Generally, a Participant who receives a stock appreciation right payable in shares of the Company's common stock will not recognize taxable income upon receipt of the right where the base value of the right is not less than the fair market value of the Company's common stock on the date of grant and the amount payable to the Participant upon exercise or settlement of the right cannot be greater than the excess of the fair market value of the Company's common stock on the date of exercise or settlement of the right over the base value of the right. However, the Participant will recognize taxable income at the time the stock appreciation right is exercised or settled, in an amount equal to the fair market value of the shares to which the participant is entitled upon such exercise or settlement. We will generally be entitled to a tax deduction in an amount equal to the ordinary income recognized by the Participant. The Participant's basis in the shares will be equal to the amount of ordinary income recognized upon the receipt of such shares.

Tax Withholding. Participants are responsible for payment of any taxes or similar charges required by law to be withheld from an award or an amount paid in satisfaction of an award, which will be paid by the Participant on or prior to the payment or other event that results in taxable income in respect of an award. The award agreement will specify the method or methods by which the withholding obligation will be satisfied with respect to the particular type of award.

Deferred Compensation. Any deferrals made under the 2009 Plan, including awards granted under the plan that are considered to be deferred compensation, must satisfy the requirements of Section 409A of the Code to avoid adverse tax consequences to Participants, which include the current inclusion of deferred amounts in income and interest and a surtax on any amount included in income. The Section 409A requirements include limitations on election timing, acceleration of payments, and distributions. Section 409A applies to certain stock appreciation rights, stock unit awards, discounted stock options, and other awards that provide the Participant with an opportunity to defer recognition of income until a taxable year that is after the taxable year in which the Participant first held a legally binding right to receive such income. We intend to structure any awards under the 2009 Plan to meet the applicable tax law requirements under Section 409A of the Code in order to avoid its adverse tax consequences.

Vote Required

The affirmative vote of the holders of a majority of the voting power represented by the shares present in person or represented by proxy and voting at the annual meeting will be required to approve the 2009 Plan. Abstentions will be

counted toward the tabulation of votes cast on this proposal and will have the same effect as votes against. Broker non-votes are counted towards a quorum, but are not counted for any purpose in determining whether this matter has been approved.

The Compensation Committee's responsibilities include, but are not limited to: reviewing and evaluating our compensation arrangements for executive officers, reviewing our compensation philosophy, determining the compensation of our chief executive officer (CEO) and other executive officers, and reviewing and approving bonus compensation, including equity incentive awards. The Compensation Committee has granted limited authority to Dr. Shrotriya to make equity awards to employees and consultants. The Compensation Committee determines the compensation of our CEO independently, and the compensation of other executive officers in consultation with the CEO. During the past four years, the Compensation Committee has, from time to time, consulted with outside legal counsel to the Compensation Committee, and independent compensation consulting firms, and has received compensation data of companies at a similar stage of development as our Company from such outside counsel and consultants. The Compensation Committee is made up of individuals with many years of experience in both academia as well as the pharmaceutical industry. All of the members have had years of experience in evaluating the performance of and providing compensation recommendations at corporations and in academia.

Placement Committee. The Placement Committee is currently comprised of Dr. Shrotriya (Chair) and Messrs. Cybulski and Fulmer. The Placement Committee has currently the delegated authority to act on behalf of the board for approving and evaluating all issuances of our securities, including the authority to set the terms of each security being issued, including, without limitation, common stock, warrants, preferred stock or other securities convertible into common stock. The Nominating and Corporate Governance Committee met 1 time and acted 1 time by Unanimous Written Consent in 2008.

In selecting and making recommendations to the board for director nominees, the Nominating and Corporate Governance Committee may consider suggestions from many sources, including our stockholders. Any such director nominations, together with appropriate biographical information and qualifications, should be submitted by the stockholder(s) to the Chairman of the Nominating and Corporate Governance Committee of our board of directors, c/o Spectrum Pharmaceuticals, Inc., 157 Technology Drive, Irvine, CA 92618. Director nominees submitted by stockholders are subject to the same review process as director nominees submitted from other sources such as other board members or senior management.

Table of Contents

The Nominating and Corporate Governance Committee will consider a number of factors when reviewing potential nominees for the board. The factors which are considered by the Nominating and Corporate Governance Committee include the following: the candidate's ability and willingness to commit adequate time to board and committee matters; the fit of the candidate's skills and personality with those of other directors and potential directors in building a board that is effective, collegial and responsive to our needs; the candidate's personal and professional integrity, ethics and values; the candidate's experience in corporate management, such as serving as an officer or former officer of a publicly held company; the candidate's experience in our industry and with relevant social policy concerns; the candidate's experience as a board member of another publicly held company; whether the candidate would be independent under applicable standards; whether the candidate has practical and mature business judgment; and the candidate's academic expertise in an area of our operations.

In identifying, evaluating and selecting future potential director nominees for election at each annual meeting of stockholders and nominees for directors to be elected by the board to fill vacancies and newly created directorships, the Nominating and Corporate Governance Committee engages in a selection process. In identifying potential nominees, the Nominating and Corporate Governance Committee will consider as potential director nominees candidates recommended by various sources, including any member of the board, any of our stockholders or senior management. In appropriate circumstances, the Nominating and Corporate Governance Committee may also hire a search firm to help locate qualified candidates. Once potential nominees are identified, they are initially reviewed by the chairman of the Nominating and Corporate Governance Committee, or in the chairman's absence, any other member of the Nominating and Corporate Governance Committee delegated to initially review director candidates. The reviewing member of the Nominating and Corporate Governance Committee will make an initial determination in his or her own independent business judgment as to the qualifications and fit of such director candidates based on the criteria set forth above. If the reviewing member determines that it is appropriate to proceed, the Chief Executive Officer and at least one member of the Nominating and Corporate Governance Committee will interview the prospective director candidate(s). The full Nominating and Corporate Governance Committee may interview the candidates as well. The Nominating and Corporate Governance Committee will provide informal progress updates to the board and will meet to consider and recommend final director candidates to the entire board of directors. Our board of directors determines which candidates are nominated or elected to fill a vacancy.

Product Acquisition Committee. The Product Acquisition Committee is currently comprised of Drs. Shrotriya (Chair), Vida and Krassner, and Messrs. Cybulski, Fulmer and Maida. The Product Acquisition Committee is responsible for evaluating our product acquisition opportunities. The Product Acquisition Committee did not meet during 2008.

In addition, the Audit Committee has received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communication with the audit committee concerning independence, and it has discussed with the independent registered public accounting firm their independence from the Company.

Based on the reviews and discussions described above, the Audit Committee has recommended to our board of directors the inclusion of the audited financial statements in Spectrum's Annual Report on Form 10-K for the fiscal year ended December 31, 2008, for filing with the Securities and Exchange Commission.

assumptions relating to service-based vesting conditions of awards granted pursuant to our equity incentive plans, and include amounts from awards granted in prior years. The compensation expense recognized in accordance with SFAS 123(R) represents an amortization of the estimated fair value of grants as of the grant dates (over periods from 2005 to 2008 over the vesting periods of the grants), using the Black-Scholes option pricing model for option awards. For additional information, refer to note 12 of our financial statements in the Form 10-K for the year ended December 31, 2008, as filed with the SEC on March 31, 2009.

No individual component of this amount exceeds \$25,000.

Executive Employment Agreements, Termination of Employment and Change-in-Control Arrangements

On June 20, 2008, we entered into an employment agreement with our President and Chief Executive Officer, Dr. Shrotriya, which became effective as of January 2, 2008 and replaced the previous employment agreement. The employment agreement expires on January 2, 2011, unless terminated earlier and automatically renews for a one-year term unless either party gives written notice of such party's intent not to renew the agreement at least 90 days prior to the commencement of the next year. The employment agreement requires Dr. Shrotriya to devote his full working time and effort to the business and affairs of us during the term of the agreement. The employment agreement provides for a minimum annual base salary with annual increases, periodic bonuses and option grants as determined by the Compensation Committee of our board of directors.

Compensation and Benefits

Dr. Shrotriya shall receive an annual base salary of \$600,000, as adjusted annually based upon the performance of Dr. Shrotriya and us, as determined by the Compensation Committee of our board of directors.

Dr. Shrotriya shall also be paid an annual performance bonus in cash and/or equity based awards, no later than January 31 of the year following, in an amount to be determined by the Compensation Committee according to Dr. Shrotriya's achievement of annual performance objectives mutually agreed upon by Dr. Shrotriya and our board of directors.

Under the Agreement, Dr. Shrotriya is entitled to receive additional employment benefits, including the right to participate in any incentive plans and to receive life, medical, dental, paid vacation, estate planning services, a leased vehicle and reimbursements for automobile related expenses, and other benefits.

Termination

Dr. Shrotriya's employment may be terminated due to non-renewal of the Agreement by us, by mutual agreement of the parties, by us for cause (as that term is defined in the Agreement) or without cause, on grounds of disability or death of Dr. Shrotriya, by Dr. Shrotriya for no reason or for good reason (as those terms are defined in the

Agreement), or by Dr. Shrotriya's non-renewal of the Agreement.

If (i) the Agreement is not renewed by us, (ii) Dr. Shrotriya is terminated without cause, or (iii) Dr. Shrotriya resigns for good reason, then Dr. Shrotriya's guaranteed severance payments include the right to receive (a) a lump sum payment equivalent to the aggregate of two years' cash compensation; (b) Company-paid continued coverage for Dr. Shrotriya and his eligible dependents under our existing health and benefit plans for two years; and

Table of Contents

(c) immediate vesting of all options, restricted stock and other equity based awards granted to Dr. Shrotriya. Dr. Shrotriya shall have three years to exercise all vested equity based awards. Since options issued to Dr. Shrotriya pursuant to our Amended and Restated 1997 Stock Incentive Plan can only be exercised for ninety days after termination, a replacement option shall be granted to Dr. Shrotriya at termination to allow for three years of exercisability.

In the event Dr. Shrotriya voluntarily resigns for good reason, or is terminated by us without cause, we will pay or reimburse Dr. Shrotriya for reasonable relocation expenses up to a certain amount.

If Dr. Shrotriya's employment is terminated without cause prior to the end of a calendar year, then our board of directors shall determine the amount of any bonus that would have been paid to Dr. Shrotriya had his employment continued through the end of the calendar year and we shall pay Dr. Shrotriya the pro rata amount of the bonus.

If the Agreement is terminated due to death or disability of Dr. Shrotriya, a lump sum equal to three months of base salary, at the time of his termination, shall be paid to Dr. Shrotriya, his legal representative or estate, as applicable. All equity based awards, such as options and restricted stock, shall immediately vest and shall remain exercisable in accordance with the terms of the respective Company equity plan and individual agreement(s) governing such options and as otherwise set forth in the Agreement.

If Dr. Shrotriya voluntarily resigns his employment for no reason, any stock options or other equity based awards (except for restricted stock) shall immediately become fully vested upon the effective date of Dr. Shrotriya's resignation, and he shall have three years to exercise all such vested equity based awards. Dr. Shrotriya shall receive the same benefits for any unexpired options issued pursuant to our Amended and Restated 1997 Stock Incentive Plan as if he had been terminated without cause by us.

If during the term of the Agreement, Dr. Shrotriya resigns for good reason (as defined in the Agreement) other than pursuant to the circumstances of a change in control and the board has not cured the condition(s) that constitute good reason, then Dr. Shrotriya shall receive all of the severance benefits he would receive if he had been terminated without cause by us. Upon a change of control of us, if (i) Dr. Shrotriya's employment is terminated (other than by Dr. Shrotriya) without cause within twelve months thereafter; or (ii) Dr. Shrotriya is adversely affected in certain terms outlined in the Agreement, and Dr. Shrotriya, within twelve months after an event constituting a change of control, elects to resign his employment with us, then in either case, Dr. Shrotriya shall be provided with company-paid senior executive outplacement and shall receive the same severance benefits as he would receive if he was terminated by us without cause. However, instead of two years' cash compensation, Dr. Shrotriya shall receive three years cash compensation. In addition, upon a change of control, we shall pay Dr. Shrotriya a one-time payment of \$600,000.

If the Agreement is terminated due to mutual agreement, Dr. Shrotriya's non-renewal of the Agreement, or by us for cause, he shall not be entitled to any severance.

Other

If any payment or distribution by us to or for the benefit of Dr. Shrotriya is subject to the excise tax imposed by Section 4999 of the Code or any interest or penalties are incurred by the Dr. Shrotriya with respect to such excise tax, then Dr. Shrotriya shall be entitled to receive an additional payment in an amount such that after payment by Dr. Shrotriya of all taxes (including any interest and penalties imposed with respect thereto) and excise tax imposed upon such payment, Dr. Shrotriya retains an amount of the payment equal to the excise tax imposed upon the payment.

If we determine that any payments to Dr. Shrotriya under the Agreement fail to satisfy the distribution requirement of Section 409A(a)(2)(A) of the Code, the payment schedule of that benefit shall be revised to the extent necessary so that the benefit is not subject to the provisions of Section 409A(a)(1) of the Code. We may attach conditions to or adjust the amounts so paid to preserve, as closely as possible, the economic consequences that would have applied in the absence of this adjustment; provided, however, that no such condition or adjustment shall result in the payments being subject to Section 409A(a)(1) of the Code.

Table of Contents**Equity Compensation Plan Information**

The following table summarizes all equity compensation plans including those approved by security holders and those not approved by security holders, as of December 31, 2008.

Plan Category	Number of Securities to be Issued Upon Exercise of Outstanding Options, Warrants or Rights	Weighted-average Exercise Price of Warrants and Rights	Number of Securities Remaining Available for Future Issuance Under Equity Compensation Plans (excluding securities reflected in column (a))
Equity compensation plans approved by security holders(1)	7,115,772	\$ 4.80	1,130,964
Equity compensation plans not approved by security holders(2)	475,000	\$ 5.90	
Employee Stock Purchase Plan approved by security holders	N/A	N/A	9,444
Total	7,590,772	\$ 4.86	1,140,408

(1) We have two stock incentive plans: the 1997 Stock Incentive Plan (1997 Plan) and the 2003 Amended and Restated Incentive Award Plan (2003 Plan), (collectively, the Plans). We are not granting any more options pursuant to the 1997 Plan. The 2003 Plan authorizes the grant, in conjunction with all of our other Plans, of incentive awards, including stock options, for the purchase of up to a total of 30% of our issued and outstanding stock at the time of grant. Thus, the authorized and available shares may fluctuate over time.

(2) The number represents 475,000 shares of common stock issuable upon exercise of warrants issued to our non-employees under plans approved by our board of directors that we believe are not required to be approved by our stockholders pursuant to the rules of the NASDAQ Stock Market. We issued these warrants in circumstances that enable us to adequately compensate, without the payment in cash, for outside consultant services, primarily placement agents who assist us in raising funds for our operations, in order to conserve our cash for operating activities. The number of securities remaining available for future issuance under these types of equity compensation plans is zero; however, our board of directors may approve additional issuance of warrants under circumstances that it decides are appropriate. These warrants are typically exercisable for five years and have equitable anti-dilution rights for stock splits, stock dividends, reclassifications, compulsory share exchanges, distributions of indebtedness, assets, rights, warrants or subscriptions, merger, consolidation, sale of assets, tender offer or other exchanges of the entire class of common stock.

The above table does not include warrants issued to investors in connection with financing transactions. As of December 31, 2008, there were outstanding investor warrants to purchase up to an aggregate of 4,969,555 shares of

our common stock, with a weighted average exercise price of \$7.41 per share.

Further details regarding warrants issued by us are included in footnote 11 to our audited consolidated financial statements included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2008.

If shares of Common Stock issued pursuant to awards under the Plan are repurchased by the Company at no less than their original purchase price, such shares of Common Stock shall become available for future grant under the Plan (unless the Plan has terminated).

(c) Notwithstanding the provisions of this Section 4.1, no shares of Common Stock may again be optioned, granted or awarded if such action would cause an Incentive Stock Option to fail to qualify as an Incentive Stock Option under Code Section 422.

4.2 **Changes in Capital Structure.** In the event that the outstanding shares of Common Stock are hereafter increased or decreased or changed into or exchanged for a different number or kind of shares or other securities of the Company by reason of a recapitalization, stock split, reverse stock split, reclassification, stock dividend, or other change in the capital structure of the Company, then appropriate adjustments shall be made by the Administrator to the aggregate number and kind of shares subject to this Plan, the number and kind of shares and the price per share subject to outstanding Option Agreements, Stock Appreciation Rights Agreements and Restricted Stock Award Agreements and the limits on the number of shares under Sections 3.3 and 4.2 all in order to preserve, as nearly as practical, but not to increase, the benefits to Participants.

4.3 **Limitation of the Issuance of Incentive Options.** A total number of shares of Common Stock that may be issued as Incentive Stock Options is equal to 10,000,000 shares of Common Stock and shall increase each January 1st beginning on January 1, 2010 by 2,500,000 shares per year.

ARTICLE 5.

5.2 Option Agreements. Each Option granted pursuant to this Plan shall be evidenced by an Option Agreement which shall specify the number of shares subject thereto, vesting provisions relating to such Option, the Exercise Price per share, when such Option may be exercised, and whether the Option is an Incentive Option or Nonqualified Option. As soon as is practical following the grant of an Option, an Option Agreement shall be duly executed and delivered by or on behalf of the Company to the Optionee to whom such Option was granted. Each Option Agreement shall be in such form and contain such additional terms and conditions, not inconsistent with the provisions of this Plan, as the Administrator shall, from time to time, deem desirable.

5.3 Exercise Price. The Exercise Price per share of Common Stock covered by each Option shall be determined by the Administrator, subject to the following: (a) the Exercise Price of an Incentive Option shall not be less than 100% of Fair Market Value on the date the Incentive Option is granted, and (b) if the person to whom an Incentive Option is granted is a 10% Stockholder on the date of grant, the Exercise Price shall not be less than 110% of Fair Market Value on the date the Incentive Option is granted. However, an Incentive Stock Option may be granted with an exercise price lower than that set forth in the preceding sentence if such Incentive Stock Option is granted pursuant to an assumption or substitution for another option in a manner satisfying the provisions of Section 424 of the Code.

5.4 Payment of Exercise Price. Payment of the Exercise Price shall be made upon exercise of an Option and may be made, in the discretion of the Administrator, subject to any legal restrictions, by: (a) cash; (b) check; (c) the surrender of shares of Common Stock owned by the Optionee, which surrendered shares shall be valued at Fair Market Value as of the date of such exercise; (d) a Net Exercise, which provides that, without the payment of cash, the Optionee receives that number of shares of Common Stock otherwise issuable upon exercise of the Option less that number of shares having an aggregate trading price on the trading day of exercise equal to the sum of the aggregate Exercise Price that would have been paid by the Optionee to acquire such shares and the combined income tax withholding and employment taxes payable by the Optionee, (e) the surrender and cancellation of then vested options, which shall mean the simultaneous Net Exercise of this Option, as described in (d) of this Section 5.4, and the surrender of the shares acquired thereby for the purpose of exercising any additional vested Options that the Optionee holds in accordance with the method described in (c) of this Section 5.4, to purchase shares of common stock, owned by the Optionee, which surrendered and cancelled options shall be valued at the Common Stock's Fair Market Value as of the date of such exercise minus the exercise price of such option; (f) the cancellation of indebtedness of the Company to the Optionee; (g) the waiver of compensation due or accrued to the Optionee for services rendered; (h) provided that a public market for the Common Stock exists, a same day sale commitment from the Optionee and an FINRA Dealer whereby the Optionee irrevocably elects to exercise the Option and to sell a portion of the shares so purchased to pay for the Exercise Price and whereby the FINRA Dealer irrevocably commits upon receipt of such shares to forward the Exercise Price directly to the Company; (i) provided that a public market for the Common Stock exists, a margin commitment from the Optionee and an FINRA Dealer whereby the Optionee irrevocably elects to exercise the Option and to pledge the shares so purchased to the FINRA Dealer in a margin account as security for a loan from the FINRA Dealer in the amount of the Exercise Price, and whereby the FINRA Dealer irrevocably commits upon receipt of such shares to forward the Exercise Price directly to the Company; or (j) any combination of the foregoing methods of payment or any other consideration or method of payment as shall be permitted by applicable law.

5.5 Term and Termination of Options. Except for issuances of Incentive Options to 10% Stockholders, the term and provisions for termination of each Option shall be as fixed by the Administrator, but no Option may be exercisable more than ten (10) years after the date it is granted. With respect to the issuance of Incentive Options to 10% Stockholders, the term and provisions for termination of each such Incentive Option shall not exceed five (5) years after the date it is granted.

5.6 Vesting and Exercise of Options. Each Option shall vest and become exercisable in one or more installments at such time or times and subject to such conditions, including without limitation the achievement of specified performance goals or objectives established with respect to one or more Performance Criteria, as shall be determined

by the Administrator.

5.7 **Annual Limit on Incentive Options**. To the extent required for incentive stock option treatment under Section 422 of the Code, to the extent that the aggregate Fair Market Value (determined as of the time of

grant) of the Common Stock with respect to which Incentive Options granted under this Plan and any other plan of the Company or any Affiliated Company become exercisable for the first time by an Optionee during any calendar year is in excess of the limit provided in Section 422(d) of the code. Such excess should not be treated as Incentive Stock Options.

5.8 **Nontransferability of Options.** Except as otherwise provided in this Section 5.8, or as specifically provided in the Option Agreement or as authorized by the Administrator, Options shall not be assignable or transferable except by will, the laws of descent and distribution or pursuant to a DRO entered by a court in settlement of marital property rights, and during the life of the Optionee, Options shall be exercisable only by the Optionee. At the discretion of the Committee and in accordance with rules it establishes from time to time, Optionees may be permitted to transfer some or all of their Nonqualified Options to one or more family members, which is not a prohibited transfer for value, provided that (i) the Optionee (or such Optionee's estate or representative) shall remain obligated to satisfy all income or other tax withholding obligations associated with the exercise of such Nonqualified Option; (ii) the Optionee shall notify the Company in writing that such transfer has occurred and disclose to the Company the name and address of the family member or family members and their relationship to the Optionee, and (iii) such transfer shall be effected pursuant to transfer documents in a form approved by the Committee. For purposes of the foregoing, the terms family members and prohibited transfer for value have the meaning ascribed to them in the General Instructions to form S-8 (or any successor form) promulgated under the Securities Act of 1933, as amended.

5.9 **Rights as a Stockholder.** An Optionee or permitted transferee of an Option shall have no rights or privileges as a stockholder with respect to any shares covered by an Option until such Option has been duly exercised and certificates representing shares purchased upon such exercise have been issued to such person.

5.10 **Repricing of Options.** The Administrator may cause the cancellation, substitution, exchange or amendment of an Option Agreement that would have the effect of reducing the exercise price of such an Option previously granted under the Plan, or otherwise approve any modification to such an Option that would be treated as a repricing under the then applicable rules, regulations or listing requirements adopted by the Nasdaq Stock Market without approval by the Company's stockholders.

5.11 **Compliance with Code Section 409A.** Notwithstanding anything in this Article 5 to the contrary, all Option Agreements are intended to satisfy the requirements of Code Section 409A, or an applicable exemption therefrom, as determined by the Committee.

ARTICLE 6.
RESTRICTED STOCK

6.1 **Issuance of Restricted Stock.** The Administrator shall have the right to issue pursuant to this Plan, at a Purchase Price determined by the Administrator, if any, shares of Common Stock subject to such terms, restrictions and conditions as the Administrator may determine at the time of grant. Such conditions may include, but are not limited to, continued employment or the achievement of specified performance goals or objectives established by the Committee with respect to one or more Performance Criteria, which require the Committee to certify in writing whether and the extent to which such performance goals were achieved before such restrictions are considered to have lapsed.

6.2 **Restricted Stock Agreements.** A Participant shall have no rights with respect to the shares of Restricted Stock covered by a Restricted Stock Award Agreement until the Participant has paid the full Purchase Price, if any, to the Company in the manner set forth in Section 6.3(b) hereof and has executed and delivered to the Company the applicable Restricted Stock Award Agreement. Each Restricted Stock Award Agreement shall be in such form, and shall set forth the Purchase Price, if any, and such other terms, conditions and restrictions of the Restricted Stock

Award Agreement, not inconsistent with the provisions of this Plan, as the Administrator shall, from time to time, deem desirable. Each such Restricted Stock Award Agreement may be different from each other Restricted Stock Award Agreement.

(b) **Payment.** Payment of the Purchase Price, if any, may be made, in the discretion of the Administrator, subject to any legal restrictions, by: (a) cash; (b) check; (c) the surrender of shares of Common Stock owned by the Participant, which surrendered shares shall be valued at Fair Market Value as of the date of such acceptance; (d) the cancellation of indebtedness of the Company to the Participant; (e) the waiver of compensation due or accrued to the Participant for services rendered; or (f) any combination of the foregoing methods of payment or any other consideration or method of payment as shall be permitted by applicable law.

6.4 Vesting of Restricted Stock. Each Restricted Stock Award shall vest and become exercisable in one or more installments at such time or times and subject to such condition, including without limitation the achievement of specified performance goals or objectives established with respect to one or more Performance Criteria, as shall be determined by the Administrator.

6.5 Rights as a Stockholder. Upon complying with the provisions of Section 6.2 hereof, a Participant shall have the rights of a stockholder with respect to the Restricted Stock acquired pursuant to a Restricted Stock Award Agreement, including voting and dividend rights, subject to the terms, restrictions and conditions as are set forth in such Restricted Stock Award Agreement. Unless the Administrator shall determine otherwise, certificates evidencing shares of Restricted Stock shall remain in the possession of the Company until such shares have vested in accordance with the terms of the Restricted Stock Award Agreement.

6.6 Restrictions. Until vested, shares of Restricted Stock may not be sold, pledged or otherwise encumbered or disposed of and shall not be assignable or transferable except by will, the laws of descent and distribution or pursuant to a DRO entered by a court in settlement of marital property rights, except as specifically provided in the Restricted Stock Award Agreement or as authorized by the Administrator. In the event of termination of a Participant's employment, service as a director of the Company or Service Provider status for any reason whatsoever (including death or Disability), the Restricted Stock Award Agreement may provide, in the discretion of the Administrator, that the Company may, at the discretion of the Administrator, exercise a Repurchase Right to repurchase at the original Purchase Price the shares of Restricted Stock that have not vested as of the date of termination.

However, if, with respect to such unvested Restricted Stock the Participant paid a Purchase Price, the Administrator shall have the right, exercisable at the discretion of the Administrator, to exercise a Repurchase Right to cancel such unvested Restricted Stock upon payment to the Participant of the original Purchase Price. The Participant shall forfeit such unvested Restricted Stock upon the Administrator's exercise of such right. However, if, with respect to such unvested Restricted Stock the Participant paid a Purchase Price, the Administrator shall have the right, exercisable at the discretion of the Administrator, to exercise a Repurchase Right to cancel such unvested Restricted Stock upon payment to the Participant of the original Purchase Price. The Participant shall forfeit such unvested Restricted Stock upon the Administrator's exercise of such right.

6.7 Compliance with Code Section 409A. Notwithstanding anything in this Article 6 to the contrary, all Restricted Stock Award Agreements are intended to satisfy the requirements of Code Section 409A, or an applicable exemption therefrom, as determined by the Committee.

ARTICLE 7.

7.2 **Restricted Stock Unit Agreements.** A Participant shall have no rights with respect to the Restricted Stock Units covered by a Restricted Stock Unit Award Agreement until the Participant has executed and delivered to the Company the applicable Restricted Stock Unit Award Agreement. Each Restricted Stock Unit Award Agreement shall be in such form, and shall set forth the Purchase Price, if any, and such other terms, conditions and restrictions of the Restricted Stock Unit Award Agreement, not inconsistent with the provisions of this Plan, as the Administrator shall, from time to time, deem desirable. Each such Restricted Stock Unit Award Agreement may be different from each other Restricted Stock Unit Award Agreement.

8.5 **Vesting of Stock Appreciation Rights.** Each Stock Appreciation Right shall vest and become exercisable in one or more installments at such time or times and subject to such conditions, including without limitation the achievement of specified performance goals or objectives established with respect to one or more Performance Criteria, as shall be determined by the Administrator. A Stock Appreciation Right will be exercisable or payable at such time or times as determined by the Committee, provided that the maximum term of a Stock Appreciation Right shall be ten (10) years from the Date of Grant.

8.6 **Exercise or Settlement of Stock Appreciation Rights.** A Stock Appreciation Right will entitle the holder, upon exercise or other settlement of the Stock Appreciation Right, as applicable, to receive an amount determined by multiplying: (i) the excess of the Fair Market Value of a share of Common Stock on the date of exercise or settlement of the Stock Appreciation Right over the Base Value of such Stock Appreciation Right, by (ii) the number of shares as to which such Stock Appreciation Right is exercised or settled. Upon such exercise or settlement, the Company shall issue to the holder of the Stock Appreciation Right a number of shares of Common Stock determined by dividing the amount determined under the preceding sentence by the Fair Market Value of such shares on the date of exercise or settlement, subject to applicable tax withholding requirements and to such conditions, as are set forth in this Plan and the applicable Stock Appreciation Rights Award Agreement.

8.7 **Repricing of Stock Appreciation Right Awards.** The Administrator may cause the cancellation, substitution, exchange or amendment of a Stock Appreciation Right Award that would have the effect of reducing the base price of such a Stock Appreciation Right previously granted under the Plan, or otherwise approve any modification to such a Stock Appreciation Right Award that would be treated as a repricing under the then applicable rules, regulations or listing requirements adopted by the Nasdaq Stock Market, without approval by the Company's stockholders.

8.8 **Nontransferability of Stock Appreciation Rights.** Except as otherwise provided in this Section 8.8, or as specifically provided in the Stock Appreciation Rights Agreement or as authorized by the Administrator, Stock Appreciation Rights shall not be assignable or transferable except by will, the laws of descent and distribution or pursuant to a DRO entered by a court in settlement of marital property rights, and during the life of the holder of Stock Appreciation Rights, Stock Appreciation Rights shall be exercisable only by such holder. 9.3 **Limitation on Liability.** No employee of the Company or member of the Board or Committee shall be subject to any liability with respect to duties under the Plan unless the person acts fraudulently or in bad faith. To the extent permitted by law, the Company shall indemnify each member of the Board or Committee, and any employee of the Company with duties under the Plan, who was or is a party, or is threatened to be made a party, to any threatened, pending or completed proceeding, whether civil, criminal, administrative or investigative, by reason of such person's conduct in the performance of duties under the Plan.

ARTICLE 10.
CHANGE IN CONTROL

10.1 **Options and Stock Appreciation Rights.** In order to preserve a Participant's rights with respect to any outstanding Options and Stock Appreciation Rights in the event of a Change in Control of the Company:

(a) Vesting of all outstanding Options and Stock Appreciation Rights shall accelerate automatically effective as of immediately prior to the consummation of the Change in Control unless the Options and Stock Appreciation Rights

are to be assumed by the acquiring or successor entity (or parent thereof) or new options or new stock appreciation rights under a new stock incentive program (New Incentives) are to be issued in exchange therefor, as provided in subsection (b) below.

B-12

Table of Contents

(b) Vesting of outstanding Options and Stock Appreciation Right Agreements shall not accelerate if and to the extent that: (i) the Options and Stock Appreciation Rights (including the unvested portion thereof) are to be assumed by the acquiring or successor entity (or parent thereof) or new options and stock appreciation rights of comparable value are to be issued in exchange therefor pursuant to the terms of the Change in Control transaction, or (ii) the Options and Stock Appreciation Rights (including the unvested portions thereof) are to be replaced by the acquiring or successor entity (or parent thereof) with New Incentives containing such terms and provisions as the Administrator in its discretion may consider equitable. If outstanding Options or Stock Appreciation Rights are assumed, or if New Incentives of comparable value are issued in exchange therefor, then each such Option and Stock Appreciation Right or new stock option or new stock appreciation right shall be appropriately adjusted, concurrently with the Change in Control, to apply to the number and class of securities or other property that the Optionee or Stock Appreciation Rights Holder would have received pursuant to the Change in Control transaction in exchange for the shares issuable upon exercise of the Option or Stock Appreciation Right had the Option or Stock Appreciation Right been exercised immediately prior to the Change in Control, and appropriate adjustment also shall be made to the Exercise Price such that the aggregate Exercise Price of each such Option or new option and the aggregate Base Value of each such Stock Appreciation Right or new stock appreciation right shall remain the same as nearly as practicable.

(c) If any Option or Stock Appreciation Right is assumed by an acquiring or successor entity (or parent thereof) or a New Incentive is issued in exchange therefor pursuant to the terms of a Change in Control transaction, the vesting of the Option, the Stock Appreciation Right or the New Incentive shall accelerate if and at such time as the Optionee's or Stock Appreciation Rights Holder's service as an employee, director, officer, consultant or other service provider to the acquiring or successor entity (or a parent or subsidiary thereof) is terminated for any reason whatsoever (including death or disability) within twelve (12) months following consummation of a Change in Control.

(d) If vesting of outstanding Options will accelerate pursuant to subsection (a) above, the Administrator in its discretion may provide, in connection with the Change in Control transaction, for the purchase or exchange of each Option for an amount of cash or other property having a value equal to the difference (or spread) between: (x) the value of the cash or other property that the Optionee would have received pursuant to the Change in Control transaction in exchange for the shares issuable upon exercise of the Option had the Option been exercised immediately prior to the Change in Control, and (y) the Exercise Price of the Option.

(e) The Administrator shall have the discretion to provide in each Option Agreement and Stock Appreciation Rights Agreement other terms and conditions that relate to (i) vesting of such Option or Stock Appreciation Right in the event of a Change in Control, and (ii) assumption of such Options and Stock Appreciation Rights or issuance of comparable securities or New Incentives in the event of a Change in Control. The aforementioned terms and conditions may vary in each Option Agreement and Stock Appreciation Agreement, and may be different from and have precedence over the provisions set forth in Sections 10.1(a)-10.1(d) above.

(f) Outstanding Options and Stock Appreciation Rights shall terminate and cease to be exercisable upon consummation of a Change in Control except to the extent that the Options or Stock Appreciation Rights are assumed by the successor entity (or parent thereof) pursuant to the terms of the Change in Control transaction.

(g) If outstanding Options or Stock Appreciation Rights will not be assumed by the acquiring or successor entity (or parent thereof), the Administrator shall cause written notice of a proposed Change in Control transaction to be given to Optionees and Stock Appreciation Rights Holders not less than fifteen (15) days prior to the anticipated effective date of the proposed transaction.

10.2 **Restricted Stock Awards**. In order to preserve a Participant's rights with respect to any outstanding Restricted Stock Awards in the event of a Change in Control of the Company:

(a) All Repurchase Rights shall automatically terminate immediately prior to the consummation of such Change in Control and any shares of Restricted Stock or Restricted Stock Units subject to such terminated Repurchase Rights, or Restricted Stock Units, whether or not subject to such terminated Repurchase Rights shall immediately vest in full, except to the extent that in connection with such Change in Control, the

acquiring or successor entity (or parent thereof) provides for the continuance or assumption of Restricted Stock Award Agreements or the substitution of new agreements of comparable value covering shares of a successor corporation, with appropriate adjustments as to the number and kind of shares and purchase price.

(b) If, upon a Change in Control, the acquiring or successor entity (or parent thereof) assumes such Restricted Stock Award Agreement or substitutes new agreements of comparable value covering shares of a successor corporation (with appropriate adjustments as to the number and kind of shares and purchase price), then any Repurchase Right provided for in such Restricted Stock Award Agreement shall terminate, and the shares of Common Stock subject to the terminated Repurchase Right or any substituted shares shall immediately vest in full, if the Participant's service as an employee, director, officer, consultant or other service provider to the acquiring or successor entity (or a parent or subsidiary thereof) is terminated for any reason whatsoever (including death or disability) within twelve (12) months following consummation of a Change in Control.

(c) The Administrator shall have the discretion to provide in each Restricted Stock Award Agreement other terms and conditions that relate to (i) vesting of such Restricted Stock Award in the event of a Change in Control, and (ii) issuance of comparable securities or New Incentives in the event of a Change in Control. The aforementioned terms and conditions may vary in each Restricted Stock Award Agreement, and may be different from and have precedence over the provisions set forth in 10.2(a) – 10.2(b) above.

ARTICLE 11.
AMENDMENT AND TERMINATION OF THE PLAN

11.1 **Amendments.** The Board may from time to time alter, amend, suspend or terminate the Plan in such respects as the Board may deem advisable. No such alteration, amendment, suspension or termination shall be made which shall substantially affect or impair the rights of any Participant under an outstanding Option Agreement or Restricted Stock Award Agreement without such Participant's consent. The Board may alter or amend the Plan to comply with requirements under the Code relating to Incentive Options or other types of options which give Optionees more favorable tax treatment than that applicable to Options granted under this Plan as of the date of its adoption. Upon any such alteration or amendment, any outstanding Option granted hereunder may, if the Administrator so determines and if permitted by applicable law, be subject to the more favorable tax treatment afforded to an Optionee pursuant to such terms and conditions.

11.2 **Plan Termination.** Unless the Plan shall theretofore have been terminated, the Plan shall terminate on the tenth (10th) anniversary of the Effective Date and no Options or Restricted Stock Awards may be granted under the Plan thereafter, but Option Agreements and Restricted Stock Award Agreements then outstanding shall continue in effect in accordance with their respective terms.

ARTICLE 12.
TAX WITHHOLDING

12.1 **Withholding.** The Company shall have the power to withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy any applicable Federal, state, and local tax withholding requirements with respect to any Options exercised or, with respect to the issuance of Restricted Stock, the date that the shares are issued, if the Purchaser makes the election set forth in Code Section 83(b), or, if the Purchaser does not make such election, then, then with respect to the Restricted Stock Award, as of the date that the applicable restrictions set forth in the Restricted Stock Award Agreement and the Plan lapse. To the extent permissible under applicable tax, securities and other laws, the Administrator may, in its sole discretion and upon such terms and conditions as it may deem appropriate, permit a Participant to satisfy his or her obligation to pay any such tax, in whole or in part, by (a) directing the Company to apply shares of Common Stock to which the Participant is entitled as a result of the

exercise of an Option or as a result of the purchase of or lapse of restrictions on Restricted Stock Awards or (b) delivering to the Company shares of Common Stock owned by the Participant. The shares of Common Stock so applied or delivered in satisfaction of the Participant's tax withholding obligation shall be valued at their Fair Market Value as of the date of measurement of the amount of income subject to withholding.
