Item 2.01 Completion of Acquisition or Disposition of Assets

On May 1, 2007, Select Medical Corporation (Select) completed its previously announced acquisition of substantially all of the outpatient rehabilitation division (the Division) of HealthSouth Corporation (HealthSouth) pursuant to the Stock Purchase Agreement dated January 27, 2007 between Select and HealthSouth (the Stock Purchase Agreement), and the Letter Agreement dated May 1, 2007 between Select and HealthSouth (the Letter Agreement). The closing of the sale of certain outpatient rehabilitation clinics has been deferred pending certain state regulatory approvals. Approximately \$24 million of the approximately \$245 million purchase price was withheld pending receipt of these approvals and transfer of the remaining clinics. The purchase price is subject to a post-closing working capital adjustment. The amount of the consideration was derived through arm's length negotiations. Select funded the acquisition through borrowings under its senior credit facility and cash on hand. The closing of the acquisition was effective as of 11:59 p.m. on April 30, 2007.

The above description of Select's acquisition of the Division is not intended to be complete. It is subject to, and qualified in its entirety by reference to, the Stock Purchase Agreement and Letter Agreement, which are attached as Exhibits 2.1 and 2.2 hereto respectively and incorporated by reference.
