Item 2.02. Results of Operations and Financial Condition.

On March 14, 2019, Avid Technology, Inc. (the “Company”) issued a press release announcing its financial results for the fiscal quarter ended December 31, 2018 (the “Press Release”). The full text of the Press Release is furnished as Exhibit 99.1 to this Current Report on Form 8-K.

Item 7.01 Regulation FD Disclosure.

The information contained in Item 2.02 is incorporated by reference herein.

Non-GAAP and Operational Measures. The attached Press Release includes financial measures that are not based on generally accepted accounting principles, or GAAP. These non-GAAP financial measures, which are not based on a comprehensive set of accounting rules or principles, include the following: non-GAAP Net Revenue, non-GAAP Gross Margin, non-GAAP Operating Expense, non-GAAP operating income (loss), Adjusted EBITDA, Adjusted EBITDA Margin, Free Cash Flow, and Adjusted Free Cash Flow.

Non-GAAP Net Revenue is defined as GAAP Revenue plus revenue eliminated through the application of purchase accounting, which requires acquired deferred revenue to be recorded at fair value rather than the amount paid by customers.

Non-GAAP Gross Margin is defined as GAAP gross margin, excluding amortization of intangible assets and stock-based compensation expense.

Non-GAAP Operating Expenses are defined as GAAP operating expense excluding restructuring costs, stock-based compensation, amortization of intangibles as well as other unusual items such as costs related to the restatement, M&A related activity, and efficiency program.

Non-GAAP operating income (loss) is defined as GAAP operating income (loss) excluding restructuring costs, stock-based compensation, amortization of intangibles as well as other unusual items such as costs related to the restatement, M&A related activity, and efficiency program.

Adjusted EBITDA is defined as non-GAAP operating income (loss) excluding depreciation expense.

Adjusted EBITDA Margin is defined as Adjusted EBITDA divided by non-GAAP Net Revenue.

Free Cash Flow is defined as GAAP operating cash flow less capital expenditures.

Adjusted Free Cash Flow is defined as Free Cash Flow excluding payments to the restructuring and other unusual items such as the restatement, M&A activity, and efficiency program.

Reconciliations of these non-GAAP financial measures to their most comparable GAAP measures are contained in the tables accompanying the Press Release. The Press Release furnished herewith also includes forward-looking non-GAAP financial measures, including Adjusted EBITDA and Free Cash Flow. Reconciliations of these forward-looking non-GAAP financial measures are not included in the Press Release furnished herewith due to the high variability and difficulty in making accurate forecasts and projections of some of the excluded information, together with some of the excluded information not being ascertainable or accessible at this time. As a result, the Company is unable to quantify certain amounts that would be required to be included in the most directly comparable GAAP financial measure without unreasonable efforts.

These non-GAAP financial measures reflect how Avid manages its businesses internally. Avid’s non-GAAP measures may vary from how other companies present non-GAAP measures. This non-GAAP information supplements, and is not intended to represent a measure of performance in accordance with, disclosures required by GAAP. Non-GAAP financial measures should be considered in addition to, not as a substitute for or superior to, financial measures determined in accordance with GAAP.

Edgar Filing: AVID TECHNOLOGY, INC. - Form 8-K

The Press Release furnished herewith also includes the operational metrics of Bookings, Cloud-enabled software subscriptions, Recurring Revenue, Annual Contract Value and Revenue Backlog. Definitions of these operational metrics are included in the supplemental financial and operational data sheet available on our investor relations webpage at ir.avid.com.

Bookings is defined as the amount of revenue we expect to earn from an agreement between Avid and a customer for goods and services over the course of the agreement. To count as a booking, we expect there to be persuasive evidence of an agreement between us and our customer and that the collectability of the amounts payable under the arrangement are reasonably assured.

Cloud-enabled software subscriptions as of the end of a quarter represent the number of paid subscription licenses under an active contract as of that date, excluding any licenses that may be receiving service under an active contract but that are not paid for at that time by the customer, whether due to a promotion, cancellation or otherwise. For comparison purposes, subscription numbers for previous quarters have been adjusted from previously published numbers to (i) include multi-year and multi-seat licenses, and (ii) exclude certain terminated subscription licenses. Recurring Revenue is defined as the sum of subscription revenue, maintenance revenue and revenue under our long-term contractual agreements.

Annual Contract Value is defined, as of a given date, as the sum of the following three components: (i) the annual value of all long-term contractual agreements in effect on such date, calculated by dividing the total value of each contract (excluding expected maintenance revenue included in (ii) below and expected subscription revenue included in (iii) below) divided by the total number of years of such contract, (ii) maintenance revenue for the quarter ended on such date, multiplied by four, and (iii) subscription revenue for the quarter ended on such date, multiplied by four.

Revenue Backlog consists of firm orders received and includes both (i) orders where the customer has paid in advance of our performance obligations being fulfilled and (ii) orders for future product deliveries or services that have not yet been invoiced by us.

Limitation on Incorporation by Reference. The information furnished in Items 2.02 and 7.01, including the Press Release furnished herewith as Exhibit 99.1 shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934 (the “Exchange Act”), or otherwise subject to the liabilities of that section, nor shall such information be deemed incorporated by reference in any filing under the Securities Act of 1933 or the Exchange Act, except as expressly set forth by specific reference in such a filing.

Cautionary Note Regarding Forward-Looking Statements. This Form 8-K, and the Press Release furnished herewith as Exhibit 99.1 contain forward-looking statements that involve certain risks and uncertainties that could cause actual results to differ materially from those expressed or implied by these statements. Please refer to the cautionary notes in the Press Release regarding these forward-looking statements.
