PROXY STATEMENT

Annual Meeting of Shareholders
November 8, 2005

INTRODUCTION

This Proxy Statement, along with the Company's Annual Report to Shareholders, is being sent to shareholders on or about September 29, 2005, in connection with the solicitation of proxies by the Board of Directors of Meredith Corporation (the "Company"). The proxies are to be used in voting at the Annual Meeting of holders of common stock and class B common stock of the Company to be held at the Company's principal executive offices, 1716 Locust Street, Des Moines, Iowa 50309-3023, on Tuesday, November 8, 2005, at 10:00 A.M., local time, and at any adjournment thereof.

You can vote either *in person* at the Annual Meeting or *by proxy* without attending the meeting. We urge you to vote by proxy even if you plan to attend the meeting so we will know as soon as possible that enough votes will be present for us to hold the meeting. If you attend the Annual Meeting in person, you may vote at the meeting and your earlier proxy will not be counted.

YOU MAY VOTE BY SIGNING AND COMPLETING THE ENCLOSED PROXY CARD(S) AND RETURNING IT (THEM) IN THE ENCLOSED ENVELOPE.

Instead of submitting your vote by mail using the enclosed proxy card, you may be able to vote on the Internet or by telephone. Please note that there are separate Internet and telephone voting arrangements depending on whether you hold your shares:

- as the registered shareholder, also known as the shareholder or holder of record (that is, if you own shares directly in your own name and they are either kept at our transfer agent or are in your possession); or
- as the beneficial owner, also known as holding the shares in street name (that is, if your shares are held for you by your bank, broker, or other holder of record).

If you are the registered shareholder, you may vote by telephone or via the Internet by following the instructions on your proxy card.

If you are a beneficial owner, please refer to the information forwarded by your bank, broker, or other holder of record to see which options are available to you. Most brokers and banks offer voting by telephone and via the Internet, as well as by mail.

If you vote via the Internet, you may incur costs such as usage charges from Internet access providers and telephone companies. You will be responsible for these costs.

All proxies, if properly voted and received in time for voting, will be voted in accordance with the directions of the shareholders. If no instructions are specified in a proxy, the proxy will be voted by the proxy holders FOR the election as directors of the nominees hereinafter named; AGAINST the shareholder proposal; and, in their discretion, upon such matters not presently known or determined that may properly come before the meeting.

YOUR VOTE IS IMPORTANT REGARDLESS OF THE NUMBER OF SHARES YOU OWN.

The giving of a proxy does not preclude the right to vote in person or by means of a subsequent proxy, should the person giving the proxy so desire. Any proxy may be revoked by giving notice to the Company in writing prior to the meeting or in open meeting, but such revocation shall not affect any vote previously taken.

1

The expense of soliciting proxies for the Annual Meeting, including the cost of preparing, assembling, and mailing the notice, proxy, and Proxy Statement and the reasonable costs of brokers, nominees, and fiduciaries in supplying proxies to beneficial owners, will be paid by the Company. The solicitation will be made by use of the mail, through brokers and banking institutions, and by directors, officers, or regular employees of the Company. In addition to solicitation by use of the mail, certain directors, officers, or regular employees of the Company may solicit proxies by telephone, telegraph, Internet, telecopy, or personal contact.

SHARES ENTITLED TO VOTE

Each holder of record of common stock at the close of business on September 9, 2005, is entitled to one vote per share so held on all matters to come before the meeting. At the close of business on September 9, 2005, there were outstanding and entitled to vote at the Annual Meeting, 39,701,158 shares of common stock of the Company. Each holder of record of class B common stock at the close of business on September 9, 2005, is entitled to ten votes per share so held on all matters to come before the meeting. At the close of business on September 9, 2005, there were outstanding and entitled to vote at the Annual Meeting, 9,585,933 shares of class B common stock of the Company, for a total of 135,560,488 votes.

The presence, in person or by proxy, of the holders of a majority of shares entitled to vote at the Annual Meeting constitutes a quorum. Shares will be considered part of the quorum if the shareholder has returned a signed and dated proxy card, has registered his or her vote by electronic means, or is present at the Annual Meeting. Abstentions and broker non-votes are counted as shares present at the meeting for purposes of determining if a quorum exists. A broker non-vote occurs when a broker submits a proxy that does not indicate a vote as to a proposal because he or she does not have voting authority and has not received voting instructions from the shareholder.

Agenda Items

(1) Election of Directors. Directors are elected by a plurality of the votes cast by the shares entitled to vote in the election at a meeting at which a quorum is present. This means that the nominees receiving the highest number of votes cast for the number of positions to be filled are elected. Abstentions and broker non-votes have no effect on

determinations of plurality, except to the extent that they affect the total votes received by any particular candidate. A properly executed proxy marked withheld with respect to the election of one or more directors will not be voted for the director or directors indicated, although it will be counted for purposes of determining whether a quorum is present.

(2) Shareholder Proposal. The affirmative vote of a majority of the voting power represented at the Annual Meeting and entitled to vote is required to approve the shareholder proposal.

(3) Other Matters. Unless otherwise required by law, the affirmative vote of a majority of the voting power represented at the Annual Meeting and entitled to vote is required for other matters that may properly come before the meeting.

For matters requiring majority approval, abstentions have the effect of negative votes, meaning that abstentions will be counted in the denominator, but not the numerator, in determining whether a matter has received sufficient votes to be approved. Broker non-votes are not treated as shares entitled to vote on matters requiring majority approval and are excluded from the calculation.

If an individual has signed a proxy card but failed to indicate a vote for, against, or withhold authority, such proxy will be voted FOR the election as directors of the nominees therein named; AGAINST the shareholder proposal; and, in their discretion, upon such matters not presently known or determined that may properly come before the meeting.

2

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

Under regulations of the Securities and Exchange Commission (the SEC), persons who have power to vote or to dispose of shares of the Company, either alone or jointly with others, are deemed to be beneficial owners of such shares. Because the voting or dispositive power of certain stock listed in the following table is shared, in some cases the same securities are listed opposite more than one name in the table. The total number of the Company's shares as listed in the table (excluding stock options that are presently exercisable or will become exercisable prior to September 30, 2005), after elimination of such duplication is 17,489,276 shares of common stock (approximately 44% of the outstanding common stock) and 8,638,428 shares of class B common stock (approximately 90% of the outstanding class B common stock).

Set forth below is information as of July 31, 2005, concerning security ownership by each person who is known to management to be the beneficial owner of more than 5% of any class of the Company's voting securities, and security ownership by management.

CORPORATE GOVERNANCE

Our Company was founded upon service to our customers and we are committed to building value for our shareholders. Our products and services continue to distinguish themselves on the basis of quality, customer service, and value that can be trusted. Consistent with these principles, Meredith Corporation strives to uphold the highest standards of ethical conduct, to be a leader in corporate governance, to report results with accuracy and transparency, and to maintain full compliance with the laws, rules, and regulations that govern Meredith's businesses.

Corporate Governance Guidelines. The Board of Directors has adopted the Company's Corporate Governance Guidelines, charters for each of the Board committees, Code of Business Conduct and Ethics, and Code of Ethics for Chief Executive Officer and Senior Financial Officers. These documents are posted on the Corporate Governance section of the Meredith Corporation web site, www.meredith.com, and are available upon request to the Secretary of the Company.

Because certain members of the Meredith family, acting as a group, control more than 50% of the voting power of Meredith Corporation, the Company qualifies as a controlled company for purposes of the New York Stock Exchange (NYSE) listing standards. As such, and in order to permit Ms. Frazier to continue to serve on the Compensation Committee and Nominating/Governance Committee, the Company has elected the exemption available to controlled companies with respect to compliance with the NYSE requirement that all members of such committees be independent. Ms. Frazier may, under the current NYSE listing standards, again be considered independent on September 24, 2006, which is three years following the date Ms. Frazier resigned as an employee of the Company. All other members of these committees are independent.

The Board of Directors currently consists of 12 members, nine of whom are independent for purposes of the NYSE listing standards. The Board of Directors has determined that each of the following directors has no material relationship with the Company (either directly or as a partner, shareholder, or officer of an organization that has a relationship with the Company) and, accordingly, is independent: Dr. Mary Sue Coleman, and Messrs. Herbert M. Baum, Frederick B. Henry, Joel W. Johnson, Robert E. Lee, David J. Londoner, Philip A. Marineau, Charles D. Peebler, Jr., and Nicholas L. Reding.

Director nominees are selected by the Nominating/Governance Committee in accordance with the policies and principles of its charter and the Corporate Governance Guidelines. The Guidelines also provide that non-management directors meet in executive session at least quarterly. Mr. Robert E. Lee, as Chairman of the Nominating/Governance Committee, presides at these executive sessions. Shareholders who wish to communicate with the Board should address their communication to: Board of Directors, Meredith Corporation, c/o Office of the General Counsel, 1716 Locust Street, Des Moines, Iowa 50309-3023. Mail addressed in this manner will be forwarded to Mr. Lee. Shareholders may also deliver such communication by phone at 1-888-567-8100, or by e-mail at code.ethics@meredith.com.

The Guidelines require the Board to have a Nominating/Governance Committee, an Audit Committee, and a Compensation Committee. Each committee has its own charter setting forth the qualifications for membership on the committee and the purposes, goals, and responsibilities of the committee. Each of these committees has the power to hire independent legal, financial, or other advisors as it deems necessary, without consulting or obtaining the approval of any officer of the Company in advance.

The Board has also adopted a Code of Business Conduct and Ethics, which outlines the principles, policies, and laws that govern the activities of Meredith Corporation and which serves as a tool for professional conduct in the workplace. The Code of Business Conduct and Ethics applies to directors as well as employees.

BOARD COMMITTEES, MEETINGS, AND COMPENSATION

Committees of the Board

Nominating/Governance Committee. The members of this committee are Messrs. Lee (Chairman), Baum, Henry, and Marineau, Ms. Frazier, and Dr. Coleman, all of whom are non-employee directors and all of whom, except Ms. Frazier, for purposes of the NYSE listing standards, are independent. The committee's purpose is to: (1) assist the Board by identifying individuals qualified to become Board members and recommend to the Board the director

nominees for the next Annual Meeting of Shareholders; (2) recommend to the Board the Corporate Governance Guidelines applicable to the Company; (3) lead the Board in its annual review of the Board's performance; and (4) recommend to the Board director nominees for each committee.

The committee will consider shareholder recommendations for directors which comply with the requirements set forth under the section entitled "SHAREHOLDER PROPOSALS" which appears later in this document. Nominees for directorship are considered in accordance with the policies and principles in the Nominating/Governance Committee Charter. The committee is responsible for reviewing with the Board the requisite skills and characteristics of board nominees. It assesses nominees' qualifications for independence, as well as other considerations including skills, experience, diversity, and age in the context of the needs of the Board. Our priority is to seek the most qualified and experienced candidate possible.

Audit Committee. The members of this committee are Messrs. Marineau (Chairman), Johnson, Londoner, and Peebler, and Dr. Coleman. The committee is composed entirely of non-employee directors, each of whom meets the independence requirements of the NYSE listing standards, as well as the Sarbanes-Oxley Act of 2002. Pursuant to the Company's Audit Committee Charter, each member of the committee, in addition to meeting the independence requirement, must be financially literate as contemplated under the NYSE rules. Furthermore, the Board of Directors has determined that Messrs. Marineau, Johnson, Londoner, and Peebler each meet the requirements to be named audit committee financial experts as the term has been defined by the SEC rules implementing Section 407 of the Sarbanes-Oxley Act of 2002. The Audit Committee Charter currently in effect is attached to this Proxy Statement as Exhibit A.

The committee assists the Board of Directors in fulfilling its oversight responsibilities as they relate to the Company's accounting policies and internal controls, financial reporting practices, and legal and regulatory compliance. It is directly responsible for the appointment, compensation, and oversight of the Company's independent auditor, also referred to as registered public accounting firm and has the sole authority to appoint or replace the independent auditor. In addition, the committee maintains, through regularly scheduled meetings, open lines of communication between the Board of Directors and the Company's financial management, internal auditors, and independent registered public accounting firm.

Compensation Committee. The members of this committee are Messrs. Baum (Chairman), Henry, Lee, and Reding, and Ms. Frazier, all of whom are non-employee directors and all of whom, except Ms. Frazier, for purposes of the NYSE listing standards, are independent. The committee has overall responsibility for evaluation and approval of director and officer plans, policies, and programs. The committee reviews and approves corporate officers' salaries; approves, prior to adoption, any officer, director, or management incentive, bonus, or stock plans or agreements; and administers such plans as required.

Finance Committee. The members of this committee are Messrs. Reding (Chairman), Johnson, Londoner, and Peebler, and Ms. Frazier. The committee advises the Board with respect to corporate financial policies and procedures, dividend policy, specific corporate financing and capital plans, and annual operating and capital budgets. It also provides financial advice and counsel to management, appoints depositories of corporate funds and specifies conditions of deposit and withdrawal, and approves corporate investment portfolios and capital expenditure requests by management within the limits established by the Board. In addition, the committee reviews pension plan performance and approves plan amendments.

Meetings of the Board

During fiscal 2005 the Board had four regularly scheduled meetings, as did the Audit, Compensation, Finance, and Nominating/Governance Committees. In addition to regularly scheduled meetings, the

Board had two special meetings; the Audit Committee had four special meetings; the Finance Committee had two special meetings; and the Nominating/Governance Committee had one special meeting. All directors attended more than 75% of meetings of the full Board and the respective committees on which they served during fiscal 2005, with the exception of Mr. Peebler, who attended 70% of such meetings.

Compensation of the Board

Employee directors receive no compensation for Board service. Non-employee directors receive a \$40,000 annual retainer and committee chairpersons receive an additional \$10,000 annual retainer for their service. Under the Meredith Corporation Stock Plan for Non-Employee Directors, non-employee directors have the opportunity to receive either all or 50% of the annual retainer (including the chairperson retainer) in either restricted stock or stock equivalent units having a value equal to 105% of the amount of the annual retainer converted. Each new non-employee director receives 1,200 shares of restricted stock upon election to the Board. The restricted stock vests on the fifth anniversary of the date of the grant. During fiscal 2005, eight of ten non-employee directors elected to receive all or 50% of their retainer in restricted stock or stock equivalent units.

As a further encouragement of directors' ownership of the Company's stock, each non-employee director receives an option to purchase 6,000 shares of Company common stock on the day following the Annual Meeting of Shareholders at an exercise price equal to the average of the high and low market prices on the date of the grant. The options become exercisable one-third per year over a three-year period beginning on the first anniversary of the grant date. The options expire on the tenth anniversary of the grant date.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Under the terms of a lease agreement regarding a King Air aircraft owned by Mrs. Katherine C. Meredith, the Company has contracted to rent the aircraft at an hourly rate and to provide storage, crew, and other services to Mrs. Meredith at negotiated rates. Under the terms of the agreement, during the fiscal year ended June 30, 2005, the charges assessed to the Company for its use of the King Air were approximately \$124,000 and the charges assessed to Mrs. Meredith for services provided by the Company for the aircraft were approximately \$76,000.

Members of the Meredith family are substantial shareholders of the Company. For information with respect to the stock ownership of the Meredith family, see the Security Ownership of Certain Beneficial Owners and Management table. Ms. D. Mell Meredith Frazier is a member of the Board of Directors of the Company. See Directors Continuing as Class III Directors Terms to Expire in 2007.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act requires that certain of the Company's officers and directors and persons who own more than 10% of the Company's outstanding stock file reports of ownership and changes in ownership with the SEC and the NYSE. To the Company's knowledge, based solely upon a review of copies of forms submitted to the Company during and with respect to the most recent fiscal year and on written representations from the Company's directors and officers, one Section 16(a) filing was late during the fiscal year ended June 30, 2005. One transaction made by Mr. John H. Griffin, Jr. which required a Form 4 was not reported within the required time

period. The filing was made as soon as the oversight was discovered.

RETIREMENT PROGRAMS AND EMPLOYMENT AGREEMENTS

The Company maintains separate qualified defined benefit plans for its union and nonunion employees, as well as two nonqualified supplemental pension plans covering certain nonunion employees. Defined benefit plans and the supplemental pension plans are actuarial plans and the amount of the contribution with respect to a specific person cannot readily be separately calculated by the regular actuaries for the plans. The Company makes annual contributions to the qualified plans to the extent permitted by the funding rules of the Internal Revenue Service.

12

As of January 1, 2005, the latest date for which information is available, 347 employees participated in the bargaining unit defined benefit plan and 2,686 nonunion employees participated in the nonunion defined benefit plans. Assuming retirement at age 65, estimated annual retirement benefits under the nonunion qualified plan in effect for the 2005 plan year would be as follows:

For calendar year 2005, covered compensation for purposes of the supplemental pension plans including bonuses was \$4,229,616 for Mr. Kerr; \$1,434,423 for Mr. Lacy; \$1,169,615 for Mr. Griffin; \$1,124,042 for Mr. Zieser; and \$1,074,424 for Mr. Radia. The compensation includes deferrals under the Deferred Compensation Plan, which are included as compensation under the Replacement and Supplemental Plans.

The Company has entered into employment agreements with certain executive officers. Those agreements are summarized below.

The Company entered into an agreement with Mr. Kerr effective February 1, 2001, that provides for his employment through June 30, 2006, with automatic renewal for subsequent one-year terms beginning July 1, 2006, unless either party gives written notice six months or more prior to the expiration of the current term of its decision not to renew. Mr. Kerr receives an annual base salary and an incentive bonus determined under the terms of the Company's Management Incentive Plan (or successor thereto). In addition to participating in the Meredith Employees Retirement Income Plan, the Meredith Savings and Investment Plan, and the Company's supplemental retirement plans, the Company has established a Minimum Supplemental Retirement Benefit Program (MSRBP) for the benefit of Mr. Kerr, which provides for a minimum retirement benefit equal to the benefits Mr. Kerr would have received under the retirement plans of a previous employer offset by benefits accrued under the Company's pension plans and also provides for a death benefit related to the value of the accrued benefit under the MSRBP. The agreement also provides for certain payments in the event that Mr. Kerr's employment is terminated during the term of the agreement. In the event of termination without cause, Mr. Kerr would receive his base salary plus target bonus for a minimum of 12 months after the termination date.

On May 11, 2004, the Company entered into a Consultancy Agreement and Amendment to Employment Agreement with Mr. Kerr that will provide the Company the benefit of Mr. Kerr's services

as a consultant for a period of three years following his retirement at an annual rate of not less than \$300,000, plus the continuation of the perquisites, including health insurance coverage for himself and his spouse, at the same levels he had while serving as the Chief Executive Officer. The agreement also provides that Mr. Kerr will be nominated and, if elected, will serve as a director until the Annual Meeting of Shareholders in November 2009.

The Company entered into an employment agreement with Mr. Griffin effective June 30, 2003, which provided for a base salary of \$500,000 for fiscal 2004. Under the agreement, Mr. Griffin's annual base salary and incentive bonus for subsequent years will be determined under applicable management performance programs administered by the Compensation Committee. In addition, Mr. Griffin is entitled to an annual payment of \$75,000 in connection with his continuing employment with the Company. The agreement also provides for certain payments in the event that Mr. Griffin's employment is terminated during the term of the agreement. In the event of termination without cause, Mr. Griffin would receive his base salary for a period of 12 months, which under certain conditions may be extended to 18 months, following such termination.

Mr. Kerr and the other executive officers of the Company have all entered into severance agreements with the Company. These agreements provide for the payment to the executive of an amount equal to three times the average annual base salary and incentive compensation paid to the executive during the three fiscal years immediately prior to termination because of a change of control of the Company as defined in detail in the agreements. All agreements with the executive officers with respect to grants of nonqualified stock options under the Meredith Corporation 2004 Stock Incentive Plan (the "2004 Plan") or predecessor plans provide for the vesting of options in the event of a change of control in accordance with the terms of the plans.

Mr. Lacy entered into an amendment to his severance agreement on May 11, 2004, that provides that in the event he is not promoted to Chief Executive Officer of the Company by June 30, 2006 (the "Determination Date"), and thereafter voluntarily terminates his employment, the Company shall pay him the amount equal to his annual base salary and his target bonus and all equity awards previously granted to him shall immediately vest and run to term; provided that the Company can give written notice to extend the Determination Date by a period of up to an additional two years.

All of the foregoing agreements are included as exhibits to the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2005.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Compensation Committee reviews and approves the compensation of the Company's officers. The committee administers various stock and other compensation-related plans provided for the benefit of the Company's officers, directors, and other key managers, with the purpose of encouraging the participants to achieve the Company's performance goals by aligning the interests of the participants with the interests of the Company's shareholders. There are no Compensation Committee interlocks and no member of management sits on the committee. The committee has provided the following report on executive compensation for inclusion in this Proxy Statement:

Compensation Philosophy

The Company's executive compensation philosophy has the following objectives:

- (1) To provide compensation opportunities competitive with those available at comparable firms in the specific industries in which the Company conducts its businesses and the national marketplace;
- (2) To provide the opportunity to earn beyond competitive levels if superior operating performance and shareholder returns are achieved;
- (3) To design incentives that balance the need to meet or exceed annual operating plans with the need for long-term business growth and to provide superior shareholder returns;
- (4) To provide clear, controllable, and measurable objectives for the executives to meet; and

- (5) To attract, retain, and motivate top caliber executives in each market segment in which the Company competes.

Pay for performance, which is directly linked to both short-term and long-term compensation, is the foundation of the compensation program for the Company's Chief Executive Officer and other executive officers.

Section 162(m) of the Internal Revenue Code limits the deductibility of certain items of compensation paid to the Chief Executive Officer and to each of the named executive officers to \$1,000,000 annually (Covered Employees). The committee believes that it is in the best interests of the Company to receive maximum tax deductibility for compensation paid to the Chief Executive Officer and the other executive officers under Section 162(m). The committee has adopted or approved appropriate changes to the Company's long-term and short-term incentive programs to provide for the deductibility of compensation received under the plans, but reserves the right to provide for compensation to the Chief Executive Officer and other executive officers that may not be deductible, if determined to be in the best interests of the Company and its shareholders.

Chief Executive Officer and Executive Officer Compensation Program Elements

Periodic media and general industry competitive market reviews of executive compensation are conducted with the assistance of outside compensation consultants. The Company's compensation program strives to be competitive in relation to the market data available. The committee strives to establish Chief Executive Officer and other executive officer base salaries within the mid-range of the market survey data. Short-term and long-term incentive targets are set in the same manner. Compensation beyond the mid-range may be awarded from time to time based upon individual performance.

Base Salary. Salaries for the Chief Executive Officer and executive officer group are based on the marketplace value of each job and on individual contributions and performance. The performance of the Chief Executive Officer and each executive officer is reviewed annually by the committee. Salary increases are based primarily on the annual merit reviews. The rates of increase are tied to both individual performance and general executive compensation trends.

Mr. Kerr's annual base salary was \$990,000 for fiscal 2005. Mr. Kerr's salary is within the mid-range of salaries for comparable positions as reported in the market survey data.

Short-Term Incentive Program. The Company's Management Incentive Plan provides the Chief Executive Officer and other executive officers with an annual incentive to attain established financial and overall performance targets. For fiscal 2005, 100% of the incentive awards to the Chief Executive Officer and 85% of all other executive officers serving at the beginning of the fiscal year were based on specific financial targets relating to earnings and cash flow, with the balance relating to predetermined qualitative organizational objectives.

The goals for each participant are reviewed and revised annually in connection with the approval of the budget for the upcoming fiscal year. For fiscal 2005, the incentive payments for goal achievement for the Chief Executive Officer were set at 100% of base salary for achieving target and up to 250% of base salary for achieving performance above target. The incentive payments for the other executive officers ranged from 50 to 75% for achieving target and

up to a range of 125 to 187.5% for achieving performance above target. The committee, at each of its quarterly meetings, reviewed the progress of the Chief Executive Officer and other executive officers toward meeting the quantitative goals established for the fiscal year.

For fiscal 2005, the Company exceeded the target financial performance goals established by the committee at the beginning of the year for Mr. Kerr to receive his incentive award. Mr. Kerr received an incentive award of \$2,600,000, which included a discretionary award of \$125,000. The award was determined by the fact that the Company significantly exceeded budgeted earnings and cash flow.

For fiscal 2005, the named executive officers received incentive awards in the amounts set forth in the Summary Compensation Table above. For such officers (other than operating group presidents), the awards were based on the Company surpassing financial targets for earnings per share and cash flow and in recognition of the achievement of other quantitative and qualitative goals. For the operating group presidents, the awards were based on the relevant groups achieving or surpassing their respective

15

financial targets for earnings and cash flow, the Company surpassing financial targets for earnings per share, and in recognition of the achievement of qualitative goals.

Long-Term Incentive Program. In fiscal 2005, the committee utilized the grant of nonqualified stock options, under the 2004 Plan, to the executive officers in the implementation of its long-term incentive program. These nonqualified stock options become exercisable on the third anniversary of the grant date and will expire on the tenth anniversary of the date of grant. All options granted become exercisable in the event of the grantee's termination of employment due to death, disability, retirement, or a change of control as defined in the 2004 Plan. Unless the grantee's employment with the Company is terminated for reasons other than death, disability, or retirement, the grantee may exercise all exercisable stock options until the date of expiration. In accordance with the 2004 Plan, all options granted during fiscal 2005 carry an exercise price at the fair market value on the date of grant.

Performance-Based Restricted Stock Units. In an effort to reduce the use of stock options and restricted stock, the committee has initiated a program involving the grant of performance-based restricted stock units. In fiscal 2006, the committee granted restricted stock units to key executives with performance goals based on the growth of the Company's earnings per share for the three-fiscal-year period beginning July 1, 2005, and ending June 30, 2008. Upon completion of the three-year performance period, the number of restricted stock units earned will be paid out in the form of common stock on a one-for-one basis.

The Meredith Executive Stock Ownership Program. A stock ownership program has been designed by the committee utilizing the 2004 Plan. The purpose of the program is to encourage increased Company stock holdings by executives. Target levels of individual stock holdings are established for the participants in the program at one and one-half to two times each participant's base pay. Each participant is awarded restricted stock equal to 20% of his or her personal acquisitions of Company stock up to the established target since the last day of the prior year. The incremental stock holdings must be maintained for a specified period of time in order for the restrictions to lapse. The committee believes this program provides further incentives to the participants to focus on long-term Company performance and shareholder value. Because Mr. Kerr has met his target ownership, he did not receive any shares of restricted stock under this program during fiscal 2005. The other named executive officers received an aggregate total

of 1,222 shares of restricted stock under this program during fiscal 2005.

Other Compensation

The Chief Executive Officer and other executive officers are eligible to participate in the Company benefit plans described elsewhere in this Proxy Statement under the terms of those plans and without consideration of achievement of performance standards.

Peer Group Selection and Comparative Analysis

The Company does not believe that the published indices accurately reflect the mix of businesses in which the Company competes. Therefore, the Company has, in good faith, selected a Peer Group of ten media and television broadcast companies for the purpose of preparing the shareholder performance graph set forth under Comparison of Shareholder Return. Recognizing that there are no other companies that have the exact combination of businesses as the Company, the companies selected for the Peer Group have multimedia businesses primarily with publishing and/or television broadcasting in common with the Company.

Many of the companies selected for the Peer Group are larger and/or engaged in businesses other than the Company's core businesses. Consequently, for the purposes of compensation comparisons, the Company and the committee have chosen to use broader media and general industry survey information that includes information on members of the Peer Group. The committee has attempted to maintain the total compensation for the Chief Executive Officer and other executive officers at a level close to the mid-range of the surveyed groups.

16

Conclusion

The committee believes that the Company's executive compensation programs effectively tie executive pay to the performance of the Company and to shareholder value.

AUDIT COMMITTEE REPORT

The responsibilities of the Audit Committee, which are set forth in the Audit Committee Charter adopted by the Board of Directors, include providing oversight of the Company's financial reporting process through periodic meetings with the Company's independent auditor (hereinafter, registered public accounting firm), internal auditors, and management to review accounting, auditing, internal controls, and financial reporting matters. The management of the Company is responsible for the preparation and integrity of the financial reporting information and related systems of internal controls. The Audit Committee, in carrying out its role, relies on the Company's senior management, including senior financial management, and its independent registered public accounting firm.

We have reviewed and discussed with senior management the Company's audited financial statements included in the 2005 Annual Report to Shareholders. Management has confirmed to us that such financial statements (i) have been prepared with integrity and objectivity and are the responsibility of management, and (ii) have been prepared in conformity with accounting principles generally accepted in the United States.

We have discussed with KPMG LLP, our independent registered public accounting firm, the matters required to be discussed by SAS 61 (Communications with Audit Committee). SAS 61 requires our independent registered public accounting firm to provide us with additional information regarding the scope and results of its audit of the Company's financial statements, including with respect to (i) their responsibility under generally accepted auditing standards, (ii) significant accounting policies, (iii) management judgments and estimates, (iv) any significant audit adjustments, (v) any disagreements with management, and (vi) any difficulties encountered in performing the audit.

We have received from KPMG LLP a letter providing the disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) with respect to any relationships between KPMG LLP and the Company that, in its professional judgment, may reasonably be thought to bear upon independence. KPMG LLP has discussed its independence with us, and has confirmed in such letter that, in its professional judgment, it is independent of the Company within the meaning of the federal securities laws.

Based upon the review and discussions described above with respect to the Company's audited financial statements included in the Company's 2005 Annual Report to Shareholders, we have recommended to the Board of Directors that such financial statements be included in the Company's Annual Report on Form 10-K for filing with the SEC.

As specified in the Audit Committee Charter, it is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and in accordance with accounting principles generally accepted in the United States. That is the responsibility of management and the Company's independent registered public accounting firm. In giving our recommendation to the Board of Directors, we have relied on (i) management's representation that such financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States, and (ii) the report of the Company's independent registered public accounting firm with respect to such financial statements.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has reappointed KPMG LLP (KPMG) as the Company's independent registered public accounting firm to audit the financial statements of the Company for the fiscal year ending June 30, 2006. Selection of the independent auditor is made solely by the Audit Committee of the Board of Directors. The Company's independent registered public accounting firm for the fiscal year ended June 30, 2005, was KPMG.

Representatives of KPMG are expected to be present at the Annual Meeting, will be given the opportunity to make a statement if they desire to do so, and will be available to respond to appropriate questions.

Independent Registered Public Accounting Firm's Fees

The following table sets forth information regarding fees for professional services rendered by KPMG with respect to fiscal 2005 and 2004.

	2005	2004
Audit Fees (1)	\$ 870,000	\$ 439,000
Audit-Related Fees (2)	106,423	70,300
Tax Fees (3)	75,868	209,183
All Other Fees (4)	1,500	1,350
Total Fees	\$ 1,053,791	\$ 719,833

- (1) Represents fees for the audit of the Company's annual financial statements for the fiscal years ended June 30, 2005, and June 30, 2004 (including an audit of the Company's internal controls over financial reporting for the year ended June 30, 2005), the review of the Company's quarterly financial statements during such fiscal years.
- (2) Consists of the fees for audits of financial statements of certain employee benefit plans and assistance in the interpretation and implementation of accounting standards and regulations.
- (3) Consists of fees for tax services provided to the Company, including principally the review of tax returns and interpretive advice concerning tax laws, as well as tax services provided on behalf of officers.
- (4) Consists of fees for access to KPMG's Internet Accounting Research web site in fiscal 2005 and 2004.

The Audit Committee has advised the Company that it has determined that the non-audit services rendered by KPMG during the Company's most recent fiscal year are compatible with maintaining the independence of such registered public accounting firm.

At its May 14, 2003, meeting, the Audit Committee adopted policies and procedures for the approval and preapproval of the audit, audit-related, tax, and all other services performed by the independent registered public accounting firm in order to assure that the provision of such services does not impair the registered public accounting firm's independence. Unless a type of service to be provided by the independent registered public accounting firm has received general preapproval, it will require specific preapproval by the Audit Committee. Any proposed services exceeding preapproved cost levels will require specific preapproval by the Audit Committee. The Audit Committee will revise the list of general preapproved services from time to time, based upon subsequent determinations. The Audit Committee does not delegate its responsibilities to preapprove services performed by the independent registered public accounting firm to management. The Audit Committee preapproved all audit, audit-related, and permitted non-audit services by KPMG in fiscal 2005.

COMPARISON OF SHAREHOLDER RETURN

The following graph compares the performance of the Company's common stock during the period July 1, 2000, to June 30, 2005, with the S&P 500 Index and with a Peer Group of ten companies engaged in multimedia businesses primarily with publishing and/or television broadcasting in common with the Company.

SHAREHOLDER PROPOSAL

Meredith Corporation sets forth below a shareholder proposal and supporting statement. Pursuant to Rule 14a-8(1)(2) of the Securities Exchange Act of 1934, the Board of Directors and Meredith Corporation are not responsible for this proponent's proposal or supporting statement with respect to its accuracy or otherwise. The Board's recommendation against the proposal immediately follows the proposal. The proposal may be voted on at the annual meeting only if properly presented by the shareholder proponent or the proponent's qualified representative. Pursuant to Rule 14a-8(1)(1) of the Securities Exchange Act of 1934, the Company will provide the name, address, and number of Company securities held by the proponent promptly upon receipt of a written or oral request.

Shareholder Proposal

RESOLVED; That the shareholders of Meredith Corporation (Meredith or the Company) ask the board of directors to retain an investment banker to develop a plan for a recapitalization to result in one vote per share for all outstanding stock of the Company.

Supporting Statement. Meredith has two classes of stock, with publicly traded shares accounting for approximately 30 percent of the voting power and Class B shares (which have ten votes per share) accounting for the other 70 percent. Virtually all Class B shares are held by members of Meredith's founding family.

More than 90 percent of the nation's 1500 largest companies have just one class of shares with each share having one vote. Various companies with dual classes have been sharply criticized for giving preferential treatment to holders of the voting (or super-voting) shares, as with the Times Mirror's \$2.8 billion spin-off in the late 1990s that gave one group of shareholders cash dividends while the other got shares in a highly speculative cable venture. Marriott attempted around the same time to create a preferred class of stock, but the proposal was defeated by its shareholders.

In recent years, shareholders have approved management proposals to eliminate dual-class stock structures at 11 companies, according to the Investor Responsibility Research Center.

Recent research efforts suggest that voting control by a company's insiders can lead to management entrenchment that can have a negative impact on firm investment (Gompers, Ishii and Metrick, *Incentives vs. Control: An Analysis of U.S. Dual-class Companies* (Jan. 2004)).

In our view, the concentration of voting control in a few hands may reduce incentives to adopt corporate governance practices that broadly protect shareholder interests. Meredith's shareholders elect directors to staggered three-year terms rather than electing all directors annually to one-year terms. Also, the Board of Directors Compensation Committee and Nominating/Governance Committee are not composed 100% of independent directors, as is normally required under New York Stock Exchange (NYSE) listing standards. Instead, the Company has invoked an exemption in the NYSE standards for controlled companies (those where a majority of the voting power is held by a small group). That exemption permits those Committees to include a former employee who is a member of the Meredith family.

Although Meredith has enjoyed strong performance over the past decade, the Company is a large-cap corporation that is part of the S&P 500 index and is therefore widely held by investors. Accordingly, we believe that it is important for public investors to have more of a say on governance and policy issues affecting the Company. We therefore believe that it is important for Meredith to acknowledge its position as a large-cap, widely-held corporation by retaining an investment banking firm to make appropriate recommendations about methods to move towards the creation of one class of stock available to all investors.

We urge you to vote FOR this proposal.

Recommendation of the Board of Directors. THE BOARD OF DIRECTORS RECOMMENDS A VOTE AGAINST THIS PROPOSAL. The Board of Directors believes this proposal is NOT in the best interests of the shareholders and opposes this proposal for the following reasons:

The Company's founding family (who are the majority holders of the class B stock) has over a 100-year history of significant involvement in the affairs of Meredith Corporation. The directors and management believe that through its actions over the past century the Meredith family has proven that the long-term success of the Company for the benefit of all shareholders has been, and continues to be, the primary purpose of its involvement.

Nine of the twelve members of the Company's Board of Directors are independent. All directors act in the best interests of all shareholders, in accordance with their fiduciary duties under Iowa law and the Company's Restated

Articles of Incorporation. Moreover, the Company is operated under sound corporate governance principles (see the Nominating/Governance Committee's section on p. 9 and the Corporate Governance Guidelines available at <http://www.meredith.com/CorpGov/govprin.html>). Any related party transactions and relationships are disclosed in the Proxy Statement in accordance with SEC regulations.

While shareholders should be interested in the extent to which the Company is in line with general principles of corporate governance, they should also give due consideration and weight to the facts and actual experience of the Company in its relationship with its founding family. The Meredith family's involvement with the Company has greatly benefited all shareholders, and the long history of Meredith

20

family involvement in and with Meredith Corporation has been one of its greatest strengths. Consequently, the Board of Directors believes the proposal is not in the best interests of the Company or shareholders.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE AGAINST SHAREHOLDER PROPOSAL ITEM 2. Proxies solicited by the Board of Directors will be voted against shareholder proposal item 2 unless shareholders specify a contrary vote.

The affirmative vote of a majority of the voting power represented at the Annual Meeting and entitled to vote is required to approve a shareholder proposal.

If any plan for a recapitalization to result in one vote per share for all outstanding stock of the Company were to be proposed, under Iowa law and the Company's Restated Articles of Incorporation, such a plan could not be effected without the separate approval of the holders of the class B common stock.

SUBMITTING SHAREHOLDER PROPOSALS

Any shareholder wishing to include a proposal in the Company's Proxy Statement and form of proxy for the 2006 Annual Meeting of Shareholders must submit the proposal so that it is received by the Company no later than June 1, 2006. Pursuant to the Company's Bylaws, any shareholder wishing to bring a proposal before the 2006 Annual Meeting of Shareholders (but whose proposal will not be included in the Company's Proxy Statement) must deliver written notice of such proposal in accordance with the requirements of the Bylaws to the Secretary of the Company at the address specified above not earlier than the close of business on the 120th day, nor later than the close of business on the 90th day, prior to the first anniversary of the preceding year's Annual Meeting. If the date of the 2006 Annual Meeting is advanced by more than 30 days or postponed by more than 60 days from the first anniversary of the 2005 Annual Meeting, different deadlines will apply.

Pursuant to the Company's Bylaws, any shareholder wishing to propose a nominee for the Board of Directors must deliver written notice of such proposed nominee to the Secretary of the Company at the address specified above

not earlier than the close of business on the 120th day, nor later than the close of business on the 90th day, prior to the first anniversary of the preceding year's Annual Meeting. For 2006, written notice of such proposed nominee must be received not earlier than the close of business on July 11, 2006, and not later than the close of business on August 10, 2006, and otherwise comply with the requirements of the Bylaws. If the date of the 2006 Annual Meeting is advanced by more than 30 days or postponed by more than 60 days from the first anniversary of the 2005 Annual Meeting, different deadlines will apply.

FURTHER BUSINESS

Except as described in this Proxy Statement, management knows of no other business intended to be presented at the meeting, but, if any other business properly comes before the meeting, the persons named in the enclosed form of proxy will vote all proxies in accordance with their best judgment, using the discretionary authority granted in the proxies.

MEREDITH CORPORATION AUDIT COMMITTEE CHARTER

Purpose

The Audit Committee is appointed by the Board to assist the Board in monitoring (1) the integrity of the financial statements of the Company, (2) the independent auditor's qualifications and independence, (3) the performance of the Company's internal audit function and independent auditors, and (4) the compliance by the Company with legal and regulatory requirements.
