Merger Agreement, each share of the Company's common stock issued and outstanding will be converted into the right to receive one share of Newco common stock, and each share of Regions Financial common stock issued and outstanding will be converted into the right to receive 1.2346 shares of Newco common stock. Pursuant to the terms of the Merger Agreement, the Company will redeem the outstanding shares of its Series E Preferred Stock. The combined enterprise will be known as Regions Financial Corporation from and after the closing. In connection with the Merger Agreement, the Company entered into an amendment to its Rights Agreement. The foregoing description of the Merger Agreement is qualified in its entirety by reference to the full text of such agreement, a copy of which is filed as Exhibit 2.1 hereto and which is incorporated by reference herein.

POSSIBLE SHARE REPURCHASES

The Merger Agreement permits both the Company and Regions Financial to continue to repurchase their own shares in accordance with previously announced repurchase plans. The Company has been authorized by its board of directors to repurchase shares of its common stock from time to time, and currently has remaining authorization from its board of directors to repurchase approximately 24.7 million shares of the Company's common stock. In addition, in connection with settling an accelerated share repurchase program completed in December 2003, the counterparty to that program is expected to purchase approximately 1.5 million shares of Company common stock under the Company's direction. Subject to market conditions, the Company may in the future from time to time bid for or repurchase shares of its common stock, including in connection with other accelerated share repurchase programs.

Regions Financial has advised the Company that Regions Financial's board of directors has authorized the repurchase of up to 12.6 million shares of Regions Financial common stock. As of the date hereof, Regions Financial had repurchased approximately 1.4 million shares of Regions Financial common stock under that authorization. Regions Financial has advised the Company that subject to market conditions, Regions Financial may in the future from time to time bid for or repurchase shares of its common stock. The purchases may be made from time to time in the open market or in privately negotiated transactions, including accelerated share repurchase arrangements, depending on market conditions and other factors.
