**Item 8.01 Other Events**

On December 2, 2008, CIT Group Inc. ( CIT ) announced that it increased the size of its previously announced offer to exchange certain of its outstanding notes (the Notes Offer ) in response to the amount of tenders received during the early delivery period.

CIT is, as of the date hereof, offering to exchange up to \$1,700,000,000 aggregate principal amount of certain of its outstanding notes (the old notes ) in exchange for up to \$550,000,000 in cash and up to \$1,150,000,000 aggregate principal amount of newly-issued 12% Subordinated Notes due 2018 (the new notes ).

The Notes Offer is one of the primary components of CIT's plan to raise approximately \$1,400,000,000 of regulatory capital to support its application to become a bank holding company. Based on preliminary results of the Notes Offer at the early delivery time, which was 5:00 PM EST on Monday, December 1, 2008, approximately \$2,343,000,000 in aggregate principal amount of old notes were tendered in the Notes Offer. CIT expects, as of the date hereof, that if the Notes Offer is completed based on the tenders received at the early delivery time, the Notes Offer will generate more than \$1,000,000,000 of additional regulatory capital. In accordance with the terms of the Notes Offer as set forth in the Confidential Offering Memorandum (the Offering Memorandum ), dated November 17, 2008, and the related letter of transmittal, tendered notes may no longer be withdrawn.

In determining the maximum notes consideration in the Notes Offer, the appropriate figures set forth in the Offering Memorandum will be increased proportionately to the increase in size of the offer described above.

The Notes Offer will expire at 11:59 PM EST on December 15, 2008 (unless earlier terminated or extended by CIT). CIT will deliver the exchange consideration for old notes that are validly tendered and not withdrawn on or prior to the expiration date of the Notes Offer promptly after its acceptance of those old notes for exchange. Holders of old notes who validly tendered their old notes and who did not validly withdraw their tenders prior to the early delivery time will be paid \$50 in principal amount of new notes for each \$1,000 principal amount of old notes tendered promptly following CIT 's acceptance of such old notes for exchange. The aggregate principal amount of new notes to be issued and total amount of cash to be paid in the Notes Offer will be determined following the expiration of the Notes Offer.

The Notes Offer is conditioned upon the satisfaction or waiver of certain conditions including the approval by the Board of Governors of the Federal Reserve System of CIT 's application to become a bank holding company and a financial holding company under the U.S. Bank Holding Company Act of 1956, as amended, and the purchase or commitment to purchase by the U.S. Department of the Treasury CIT perpetual preferred stock pursuant to the Capital Purchase Program created under the Emergency Economic Stabilization Act of 2008.

Except as otherwise described above, the terms and conditions of the Notes Offer are described in the Offering Memorandum and the related letter of transmittal. Holders of old notes are strongly encouraged to read such documents carefully prior to making a decision with respect to the Notes Offer.
