the Ag Peers; and iii) the relative growth of the fair market value of issuer's common stock as compared to that of (x) the Russell 2000 Index and

- (Continued from Footnote 3) (y) the median fair market value of the common stock of the comparator companies identified in issuer's 2015 Proxy Statement (the "TSR" measure). In determining the number of performance shares earned, the EBIT measure was to be weighted 50 percent, the net sales measure was to be weighted 30 percent and the TSR was to be weighted 20 percent. The size of the payout was further subject to increase or decrease based upon the percent goal achieved and could vary from zero to 200 percent of the target award. In this case, during the performance period, issuer's EBIT and net sales were in excess of 125 percent of the median growth of the Ag Peers and, accordingly, reporting person earned 200 percent of the payout for those categories (weighted at 80 percent of the total performance target), while the TSR goals at or above the median of both the Russell 2000 Index and that of the proxy peers, thereby yielding a 125% payout for those categories taken together.
- (4) (Continued from Footnote 3) (y) the median fair market value of the common stock of the comparator companies identified in issuer's 2015 Proxy Statement (the "TSR" measure). In determining the number of performance shares earned, the EBIT measure was to be weighted 50 percent, the net sales measure was to be weighted 30 percent and the TSR was to be weighted 20 percent. The size of the payout was further subject to increase or decrease based upon the percent goal achieved and could vary from zero to 200 percent of the target award. In this case, during the performance period, issuer's EBIT and net sales were in excess of 125 percent of the median growth of the Ag Peers and, accordingly, reporting person earned 200 percent of the payout for those categories (weighted at 80 percent of the total performance target), while the TSR goals at or above the median of both the Russell 2000 Index and that of the proxy peers, thereby yielding a 125% payout for those categories taken together.
- (5) (Continued from Footnote 4) On balance, then, reporting person earned 185% of the 13,618 target shares or 25,194 shares from the performance share award.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.
