PROXY STATEMENT

Wild Oats Markets, Inc.

3375 Mitchell Lane

Boulder, CO 80301

INFORMATION CONCERNING SOLICITATION AND VOTING

This proxy statement contains information about the Annual Meeting of **Wild Oats Markets, Inc.** to be held on May 17, 2005 at 2:00 p.m. local time, or at any adjournment or postponement thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting. The Annual Meeting will be held at the Hotel Boulderado, 2115 13th Street, Boulder, Colorado. The Company intends to mail this proxy statement and accompanying proxy card on or about April 3, 2005, to all stockholders entitled to vote at the Annual Meeting.

WHO CAN VOTE AT THE MEETING?

Only holders of record of common stock at the close of business on March 18, 2005, will be entitled to notice of, and to vote at the Annual Meeting. At the close of business on March 18, 2005, we had outstanding and entitled to vote 28,560,778 shares of common stock. Each holder of record of common stock on such date has one vote for each share held on all matters to be voted upon at the Annual Meeting.

To hold the meeting, we must have a "quorum," or majority of the aggregate voting power of the common stock as of March 18, 2005, present in person or by proxy. As of March 18, 2005, 28,560,778 shares of common stock were outstanding. A quorum will be established if 14,280,389 shares are represented by person or proxy at the meeting. All votes are counted by the inspector of election appointed for the meeting, who will separately count affirmative and negative votes, abstentions and broker non-votes. Abstentions are counted as negative votes for purposes of the vote count. Broker non-votes are counted towards a quorum, but are not counted for any purpose in determining whether a matter has been approved.

HOW DO I VOTE?

There are four different ways that those who are stockholders as of close of business on March 18, 2005, can cast their vote this year. You may cast your vote by:

1. Telephone, using the toll-free number listed on each proxy card (if you are a stockholder of record) or vote instruction card (if your shares are held by a bank or broker). Telephonic votes may be cast through 12:00 p.m. (noon) Eastern Time on May 16, 2005;
2. The Internet, at the address provided on each proxy or vote instruction card. Internet votes may be cast through 12:00 p.m. (noon) Eastern Time on May 16, 2005;
3. Marking, signing, dating and mailing each proxy or vote instruction card and returning it in the envelope provided. If you return your signed proxy or vote instruction card but do not mark the boxes showing how you wish to vote, your shares will be voted FOR the proposals; or
4. Attending the annual meeting (if your shares are registered directly in your name on Wild Oats books and not held through a broker, bank or other nominee). Please note, however, that if a broker, bank or other nominee is the record holder of your shares (i.e. the shares are held in "street name") and you wish to vote at the meeting, you must obtain from the record holder a proxy issued in your name.

If you are the registered stockholder (that is, if you hold your stock in your name), you can vote by telephone or electronically through the Internet by following the instructions provided on the proxy card.

If your shares are held in street name (that is, in the name of your broker), you will receive instructions with your materials that you must follow in order to have your shares voted. Please review your proxy or vote instruction card to determine whether you will be able to vote by telephone or electronically.

You can revoke a previously given proxy at any time before it is voted. You may revoke your proxy by filing a written notice of revocation of proxy with the Corporate Secretary of Wild Oats at our executive offices at 3375 Mitchell Lane, Boulder, Colorado 80301. You can also revoke your proxy by casting a vote by mail, telephone or via the Internet received at a later date than the original proxy. Attending the Annual Meeting and voting in person may also revoke the proxy, but attendance at the meeting will not, by itself, revoke a proxy. The latest-dated, properly completed proxy that you submit whether by mail, telephone or Internet will count as your vote.

WHO PAYS FOR THE PROXIES?

We will bear the entire cost of solicitation of proxies including preparation, assembly, printing and mailing of this proxy statement, the proxy and any additional information furnished to stockholders. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding in their names shares of Wild Oats Markets, Inc. common stock beneficially owned by others to forward to such beneficial owners. We may reimburse persons representing beneficial owners of common stock for their costs of forwarding solicitation materials to such beneficial owners. Original solicitation of proxies by mail may be supplemented by telephone, telegram or personal solicitation by directors, officers or other regular employees of the Company. No additional compensation will be paid to directors, officers or other regular employees for such services.

HOW DOES A PROPOSAL GET ON THE BALLOT?

We intend to hold our 2006 Annual Meeting on or around May 1, 2006. Any stockholder desiring to present a proposal for inclusion in the Company's Proxy Statement for the 2006 Annual Meeting of Stockholders of the Company must present the proposal to the Company not later than November 9, 2005. Only those proposals that comply with the requirements of Rule 14a-8 under the Exchange Act will be included in the Company's Proxy Statement for the 2006 Annual Meeting. Shareholder recommendations for nominees for election to the Board of Directors must be received by the Corporate Secretary not less than 210 days prior to the anniversary date of the Company's most recent annual meeting of shareholders. See "*Board Committees and Meetings - The Nominating Committee*" for a more detailed description of this procedure.

HOW CAN A SHAREHOLDER COMMUNICATE WITH THE BOARD?

Shareholders may contact any member (or all members) of the Board, any Board committee or any chair of any such committee by mail or electronically. To communicate with the Board of Directors, any individual directors or any group or committee of directors, correspondence should be addressed to the Board of Directors or any such individual directors or group or committee of directors by either name or title. All such correspondence should be sent "c/o Corporate Secretary" at 3375 Mitchell Lane, Boulder, Colorado 80301. To communicate with any of our directors electronically, shareholders should go to our Company Web site at www.wildoats.com. Click on "Investor Relations/Contact the Board," and you will open an on-line form that may be used for writing an electronic message to the Board, any individual directors, or any group or committee of directors. Please follow the instructions on our Web site in order to send your message.

All communications received as described above will be opened by the office of our General Counsel for the sole purpose of determining whether the contents represent a message to our directors, or a message that would be better addressed by one of our staff members. Any inquiries that relate to advertising, promoting a product or service, or patently offensive material will not be forwarded. Communications regarding daily operations of Wild Oats Markets will be forwarded to the appropriate Company employee. All other communications will be forwarded to the addressee promptly. In the case of communications to the Board or any group or committee of directors, the General Counsel's office will make sufficient copies of the contents to send to each director who is a member of the group or committee to which the envelope or e-mail is addressed.

The Company requires attendance by our Chairman of the Board at all Annual Meetings of Shareholders. The Company does not require, but strongly urges attendance by members of the Board of Directors at our Annual Meeting. All Directors attending our Annual Meeting of Shareholders will be available to answer relevant shareholder questions.

PROPOSAL 1 - ELECTION OF DIRECTORS

Our Board of Directors (the "Board") represents the interest of all stockholders in perpetuating our business for the most favorable results, and for ensuring that the Company operates in accordance with its mission and values and its Code of Business Ethics. This is an active responsibility. The Board has the responsibility to ensure that management is executing its responsibilities, and to regularly monitor the effectiveness of management policies and decisions, including the execution of strategies.

Our Amended and Restated Certificate of Incorporation and Bylaws provide that the Board shall be divided into three classes, each class consisting, as nearly as possible, of one-third of the total number of directors, with each class having a three-year term. Persons elected by a majority of the remaining directors may fill vacancies on the Board. A director appointed by the Board to fill a vacancy (including a vacancy created by an increase in the size of the Board) serves for the remainder of the full term of the class of directors in which the vacancy occurred and until such director's successor is elected and qualified. In January 2004, the Board acted to decrease the number of seats on the Board from nine seats to eight seats. In December 2004, the Board acted to increase the number of seats on the Board from eight seats to nine seats. Effective December 20, 2004, the Board appointed Robert G. Miller to fill the newly created seat, with his term expiring at our annual meeting in May 2006. Mr. Miller was approved to act as the non-executive Chairman of the Board, and will serve as a member of the Audit Committee of our Board of Directors.

In February 2005, Ann-Marie Austin Stephens resigned from the Board, and the Board acted to decrease the number of seats on the Board from nine to eight seats. The Board of Directors is presently composed of eight members. There is one director whose term of office expires in 2005. The nominee for election is currently a director of the Company. If elected at the Annual Meeting, the nominee would serve until the 2008 Annual Meeting and until the nominee's successor is elected and has qualified, or until such director's earlier death, resignation or removal.

Directors are elected by a plurality of the votes in person or represented by proxy and entitled to vote at the meeting. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the nominee named below. In the event that a nominee is unavailable for election as a result of an unexpected occurrence, shares represented by executed proxies will be voted for the election of a substitute nominee as we may propose. The person nominated for election has agreed to serve if elected, and we have no reason to believe that the nominee will be unable to serve. Set forth below is biographical information for the person nominated for re-election in May 2005, and for each person whose term of office as a director will continue after the Annual Meeting.

The current directors of the Company, including the nominee for election, and certain information about them as of March 8, 2005, are set forth below:

Annual Meeting for fiscal 2004.

THE AUDIT COMMITTEE

The Audit Committee consists of David Gallitano, Robert Miller and John Shields. Mr. Miller joined the Audit Committee in December 2004. Mr. Gallitano serves as Chairman of the Audit Committee. Mr. Gallitano and the other members of the Audit committee are independent, as defined by Rule 4200(a)(15) of the National Association of Securities Dealers. The Board of Directors has determined that David Gallitano qualifies as an "audit committee financial expert" as the term is used in Item 401(h)(2) of Regulation S-K. See *Nominees for Election for a Three-Year Term Expiring at the 2008 Annual Meeting* for a biography of Mr. Gallitano. The Board of Directors adopted an amended and restated Audit Committee Charter in fiscal 2003, and modified such Charter in 2004 to conform the language thereof to certain regulations of the Nasdaq National Marketplace Rules.

The Audit Committee is responsible for overseeing the Company's financial reporting process on behalf of the Board. Management of the Company has the primary responsibility for the Company's financial reporting process, principles and internal controls as well as oversight of the preparation of its financial statements. The Audit Committee reviews accounting policies and reports, appoints the Company's independent public accountants and meets with such accountants to discuss audit results and issues related to audit services. The Company's independent auditors are responsible for performing an audit of the Company's consolidated financial statements and expressing an opinion as to the conformity of such financial statements with accounting principles generally accepted in the United States. During fiscal 2004, the Audit Committee met with the Company's independent accountants, Ernst & Young LLP, on four occasions outside the presence of the Company's management and staff to discuss the Company's accounting procedures and policies. In fiscal 2004, the Audit Committee held eight meetings.

THE COMPENSATION COMMITTEE

The Compensation Committee consists of David Chamberlain, David Gallitano and Dr. Stacey Bell. Mr. Chamberlain serves as the Committee's Chairman. The Committee is responsible for setting the policies that govern executive compensation, bonuses (if any) and stock ownership programs. The Committee annually evaluates the performance and compensation of the Chief Executive Officer (the "CEO") and the other executive officers of the Company, based upon a variety of factors, including the achievement of corporate goals, individual performance and comparisons with other independent grocers and retail companies. See *Executive Compensation - Report of The Compensation Committee*. In fiscal 2004, the Compensation Committee held six meetings.

THE REAL ESTATE COMMITTEE

The Real Estate Committee consists of Brian Devine, John Shields and Mark Retzloff, with Mr. Devine serving as its Chairman. The Real Estate Committee reviews proposed locations for the Company's stores, discusses site criteria and approves the execution of leases for new and relocation sites. In fiscal 2004, the Real Estate Committee held four meetings.

THE NOMINATING COMMITTEE

The Nominating Committee was created in January 2004 and consists of John Shields, David Chamberlain and Brian Devine. The Nominating Committee identifies and recommends to the Board individuals qualified to serve as directors of the Company and on committees of the Board, and advises the Board with respect to the composition of the Board and its committees. The Nominating Committee implements the Board's Policies and Procedures for Corporate Governance, and conducts annual evaluations by Board members of overall Board performance and effectiveness. The Board of Directors has determined that each member of the Committee is independent as defined in NASD Rule 4200(A)(15), and qualified to serve on the Committee pursuant to the requirements of The Nasdaq Stock Market, Inc. ("NASDAQ"). The Nominating Committee's Charter is posted on the Company's Web site at www.wildoats.com. In fiscal 2004, the Nominating Committee held five meetings.

There have been no material changes to the procedures by which security holders may recommend nominees since the last disclosure of such procedures in the definitive Proxy Statement for our Annual Meeting held on May 6, 2004. The Nominating Committee will give consideration to any director candidates recommended by shareholders or groups of shareholders holding 5% or more of the outstanding voting stock of the Company. The Nominating Committee will also review nominations submitted by shareholders holding less than 5%, but is under no obligation to formally consider such nominations. In considering candidates submitted by shareholders, the Nominating Committee will take into consideration the needs of the Board and the qualifications of the candidate. To have a candidate considered by the Nominating Committee, a shareholder must submit the recommendation in writing and must include the following information:

- The name of the shareholder or group of shareholders making the recommendation, and evidence of the person's or group's ownership of Company stock, including the number of shares owned and the length of time of ownership;
- The name of the candidate;
- The candidate's resume or a listing of his or her qualifications to be a director of the Company; and
- The candidate's consent to be named as a director if selected by the Nominating Committee, nominated by the Board and approved by the shareholders.

The shareholder recommendation and information described above must be sent by U.S. mail, postage prepaid, to the Board c/o Corporate Secretary, at 3375 Mitchell Lane, Boulder, Colorado 80301 and must be received by the Corporate Secretary not less than 210 days prior to the anniversary date of the Company's most recent annual meeting of shareholders.

The Nominating Committee believes that the minimum qualifications for serving as a director of the Company are that a nominee demonstrate, by significant accomplishment in his or her field, an ability to make a meaningful contribution to the Board's oversight of the business and affairs of the Company and have an impeccable record and reputation for honest and ethical conduct in both his or her professional and personal activities. In addition, the Nominating Committee examines a candidate's specific experiences and skills in relation to the needs of the Board and the Company and the skills and experiences of current Board members, time availability in light of other commitments, potential conflicts of interest and independence from management and the Company. The Nominating Committee also seeks to have the Board represent a diversity of backgrounds, experience, gender and race, with an emphasis on retail experience.

The Nominating Committee identifies potential nominees by asking current directors and executive officers to notify the Committee if they become aware of persons, meeting the criteria described above, who may be available to serve on the Board. The Nominating Committee also, from time to time, may engage firms that specialize in identifying director candidates. As described above, the Committee will also consider candidates recommended by shareholders.

Once a person has been identified by the Nominating Committee as a potential candidate, the Committee may collect and review publicly available information regarding the person to assess whether the person should be considered further. If the Nominating Committee determines that the candidate warrants further consideration, the Chairman or another member of the Committee contacts the person. Generally, if the person expresses a willingness to be considered and to serve on the Board, the Nominating Committee requests information from the candidate, reviews the person's accomplishments and qualifications, including in light of any other candidates that the Committee might be considering, and conducts one or more interviews with the candidate. In certain instances, Committee members may contact one or more references provided by the candidate or may contact other members of the business community or other persons that may have greater first-hand knowledge of the candidate's accomplishments. The Committee's evaluation process does not vary based on whether or not a candidate is recommended by a shareholder. Current members of the Board will also be asked to interview a candidate for the Board and to provide input on whether such candidate is suitable for the position.

**REPORT OF THE AUDIT COMMITTEE
OF THE BOARD OF DIRECTORS**

The Audit Committee has discussed with Ernst & Young LLP the matters required to be discussed by Statement on Auditing Standards, No. 61, *Communication with Audit Committees*, as amended by the Auditing Standards Board of the American Institute of Certified Public Accountants. This statement requires that the Audit Committee and the independent accountants discuss issues including the auditors' responsibility, the Company's significant accounting policies, the estimates made by the Company and the bases therefore, significant audit adjustments, disagreements with management over accounting principles, and any significant difficulties encountered in performing the audit. The Audit Committee has received and reviewed the written disclosures and the letter from the independent accountants required by the Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, as amended, and has discussed independence of the Company's public accountants with Ernst & Young LLP and confirmed such independence. Based on the Audit Committee's review of the audited financial statements and the Audit Committee's discussions with management about the audited financial statements, the Audit Committee recommended to the Board of Directors that the audited financial statements for the fiscal year ended January 1, 2005 be included in the Company's Annual Report filed on Form 10-K.

On January 30, 2004, PricewaterhouseCoopers LLP declined to stand for reelection as the independent accountants of Wild Oats Markets, Inc. The reports of PricewaterhouseCoopers LLP on the financial statements for fiscal years ended December 28, 2002 and December 27, 2003 contained no adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principle. In connection with its audits for the fiscal years ended December 28, 2002 and December 27, 2003, there have been no disagreements with PricewaterhouseCoopers LLP on any matter of accounting principles or practices, financial statement disclosure, or audit scope or procedure, which disagreements if not resolved to the satisfaction of PricewaterhouseCoopers LLP would have caused them to make reference thereto in their report on the financial statements for such years. During the fiscal years ended December 28, 2002 and December 27, 2003, there have been no reportable events (as defined in Regulation S-K Item 304(a)(1)(v)).

(1) Audit Fees consist of fees for professional services rendered for the audit of our annual consolidated financial statements and review of the interim consolidated financial statements included in quarterly reports on Form 10-Q, and with regard to Ernst & Young, are agreed amounts for such fiscal 2004 events, regardless of when paid. In 2004, this category included fees relating to issuance of convertible debentures, registration statement filings on Forms S-8 and S-3 and fees for professional services rendered by Ernst and Young for the audits of (i) management's assessment of the effectiveness of internal control over financial reporting and (ii) the effectiveness of internal control over financial reporting.

(2) Audit-Related Fees consist of fees for assurance and related services that are reasonably related to the performance of the audit or review of our consolidated financial statements and are not reported in "Audit Fees." In 2004 and 2003, this category included fees for the audit of past administrative practices in the Company's 401(k) plan and store sales audit services as required by certain store leases.

Pre-approval Policies and Procedures. The Charter of the Audit Committee requires that the Audit Committee evaluate the independence of the Company's independent auditors and review and pre-approve all non-audit services to be rendered by our outside auditors. The Audit Committee requires that management and the outside accountants bring to its attention all such proposed non-audit services. The Audit Committee pre-approved all non-audit services. The Audit Committee has considered whether the provision of these services is compatible with the maintenance of the independence of Ernst & Young LLP and PricewaterhouseCoopers LLP, and has determined that providing these services has not undermined their independence.

PROPOSAL 2 - RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS

The Audit Committee, on behalf of the Board of Directors, has selected Ernst & Young LLP as the Company's independent auditors for the fiscal year ending December 31, 2005, and has further directed that we submit the selection of independent auditors for ratification by the stockholders at the Annual Meeting. Approval of the selection of independent auditors is not required by our bylaws or otherwise. However, the Board is submitting the selection of Ernst & Young LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee and the Board will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee and the Board in their discretion may direct the appointment of different independent auditors at any time during the year if they determine that such a change would be in the best interests of the Company and its stockholders.

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting will be required to ratify the selection of Ernst & Young LLP.

MANAGEMENT INDEBTEDNESS

In March 2001, as part of his employment arrangement with the Company, Perry Odak, the Company's Chief Executive Officer, President, and a member of the Board of Directors, purchased 1,332,649 shares of common stock for \$6.969 per share for an aggregate purchase price of \$9.28 million. Payment of \$0.01 per share was made on the

purchase date, the balance being paid by delivery of a full recourse, five-year promissory note from Mr. Odak to the Company, which has been reflected on our balance sheet in stockholder's equity as "note receivable, related party".

TRANSACTIONS WITH MANAGEMENT

The Company filed a shelf registration statement covering resales of debentures and the common stock issuable upon conversion thereof that is currently in the review phase with the Securities and Exchange Commission. The Board of Directors has expressed its intent to include Mr. Odak's shares of the Company's common stock, described above in *Management Indebtedness*, by future amendment to the shelf registration statement. The Stock Purchase Agreement between the Company and Mr. Odak does not provide for such piggyback registration of Mr. Odak's shares as a matter of right under these circumstances, but does provide that the Board can be relieved of its obligation to register such shares for any reason by providing notice of such determination to Mr. Odak. Mr. Odak has informed the Board that his request to register his shares with the shelf registration statement is a matter of convenience, and not evidence of present intent to sell such shares.

Mark A. Retzloff is a current member of the Company's Board of Directors, and sits on its Real Estate Committee. Mr. Retzloff is Chief Organic Officer of Aurora Organic Dairy, which derives 8% of its total revenues from sales of organic milk to the Company under the Company's private label brand. Mr. Retzloff also sits on the board of Rapunzel Pure Organics, which sells products to the Company. A majority of these purchases are made primarily through our primary distributor, United Natural Foods, Inc. and therefore are indirect in nature. These costs are all for inventory and the related costs of goods sold.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors and executive officers, and persons who own more than ten percent of a registered class of the Company's equity securities, to file with the Securities and Exchange Commission (the "SEC") initial reports of ownership and reports of changes in ownership of common stock and other equity securities of the Company. Officers, directors and greater than ten percent stockholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file. In fiscal 2004, the Company timely filed all reports required under Section 16(a) of the Act.

COMPENSATION OF DIRECTORS AND EXECUTIVE OFFICERS

COMPENSATION OF DIRECTORS

Through April 2004, each director on the Company's Board of Directors received \$3,000 per meeting attended by such director, and \$750 for participation in telephonic meetings and committee meetings, which fees may be paid, at the election of the director, in nonqualified stock options. John A. Shields, Chairman of the Board, received \$5,000 per month as additional compensation for his participation as Chairman of the Board through May 2004. All directors elected to accept options to purchase the Company's common stock in lieu of the cash payment. Options in lieu of cash payments are granted at 85% of the current market value on the day of the grant, and the shares are fully vested on the grant date. Reimbursement of reasonable out-of-pocket expenses incurred in connection with attendance at each regular or special meeting of the Board of Directors is available to each non-employee director.

New non-employee members to the Board receive an option grant for 20,000 shares at an exercise price equal to the closing price of the Company's common stock on NASDAQ on the date of joining the Board as compensation for joining the Board, vesting quarterly over one year.

In March 2004, the Board approved a new compensation arrangement for non-employee board members' annual grants and compensation for meeting attendance. Under the new arrangement, commencing in May 2004, each non-employee board member will receive an award of 4,000 restricted stock units ("RSUs"), granted under the existing terms of the Wild Oats Markets, Inc. 1996 Equity Incentive Plan, as an annual grant for service on the Board. RSUs are exchanged for an equal number of shares of unrestricted common stock of the Company that the director will own outright. The RSU exchange for common stock occurs on a date that is after the director's service on the Board ends, such date having been previously selected by the director prior to the first RSU grant. Board members will receive \$3,000 for attendance at each board meeting (whether in person or by telephone), and \$2,000 for each committee meeting (whether in person or by telephone). The Chairman of the Board receives an annual fee of \$30,000. The Audit Committee Chairman receives an annual fee of \$10,000. Each director may elect, on an annual basis, to receive meeting compensation and, if applicable, any chairman fees, in cash or in RSUs exchangeable in the future for that number of shares of the Company unrestricted common stock equal to 115% of the cash compensation to which the director was entitled, divided by the closing price of the Company stock on the date of meeting. RSUs issued in lieu of cash compensation vest immediately, while those issued as an annual grant vest over a one-year period. The Company will record compensation expense on each date upon which an RSU is granted equal to the fair market value of stock underlying the RSU on the date granted.

Pursuant to the Employment Agreement and amendments thereto, Mr. Odak receives a base salary of \$500,000 per annum. Mr. Odak will have the right to receive a supplemental bonus if the fair market value of the Company's stock, as measured by the closing price on NASDAQ for the preceding 120 consecutive trading days, shall equal at least \$30 per share or a change of control occurs and the fair market value of the stock is at least \$20 per share. The amount of this supplemental bonus will be \$9.2 million plus an amount equal to interest computed at a rate of 7.5% per annum on a full recourse, five-year promissory note from Mr. Odak to the Company, which has been reflected on our balance sheet in stockholder's equity as "note receivable, related party". In 2004, the Compensation Committee of the Board of Directors recommended to the Company's Board, which approved in concept, a modification to Mr. Odak's employment agreement to provide for the payment of the existing \$9.2 million supplemental bonus in the event of Mr. Odak's death or disability while employed by the Company. Subsequently, the Compensation Committee recommended, and the Board approved in concept a modification to the employment agreement to provide for a payment of a bonus of approximately \$1.6 million: (i) in the event Mr. Odak terminates his employment for Good Reason, as defined in his employment agreement; (ii) in the event Mr. Odak is terminated without Cause, as defined in the agreement; or (iii) in the event his employment agreement is not renewed at the end of its initial term in 2006. The Company has acquired an insurance policy for the benefit of the Company to cover Mr. Odak's death or disability in the approximate amount of the supplemental bonus.

The Employment Agreement provides for the automatic issuance of options to acquire such additional number of shares of common stock sufficient to maintain Mr. Odak's five percent (5%) position in the Company's outstanding common stock in the event of a capital raising transaction involving the Company's issuance of additional shares of

common stock, and the satisfaction of certain other conditions ("Capital-Raising Option Issuance Conditions"). In August 2002, the Board approved an amendment to the Employment Agreement, pursuant to which up to 70,000 of the stock options Mr. Odak would otherwise receive by satisfaction of the Capital-Raising Option Issuance Conditions could be granted to other employees of the Company designated by Mr. Odak. All Capital-Raising Option Issuance Conditions were satisfied by the September 2002 capital-raising transaction for 4.45 million shares of the Company's stock and, as a result, options for 164,211 shares were granted to Mr. Odak and 70,000 additional options were granted to executives designated by Mr. Odak. Contemporaneously with the option grants described in the preceding sentence, the Company issued an additional 70,000 options to Mr. Odak (the "Mirror Options"), provided that the Mirror Options are only exercisable as the options granted to the designated executives terminate (as opposed to expire) without exercise. All of the options issued due to the satisfaction of the Capital-Raising Option Issuance Conditions have a 10-year term, a four-year vesting period, and an exercise price equal to the closing price of the Company's stock on the date the capital-raising transaction was concluded. In 2003, 11,666 Mirror Options awarded to Mr. Odak in 2002 became eligible for exercise by Mr. Odak as a result of the resignation of one option recipient.

The Employment Agreement may be terminated at any time by the Company for cause, as defined. If terminated for cause, the Company shall have no further obligation or liability to Mr. Odak, other than payment of the base amount earned and unpaid at the date of termination and payments or reimbursement of business expenses accrued prior to the date of termination. The Company also may terminate the Employment Agreement other than for cause, including a change in control, as defined by the Employment Agreement, in which event the Company has the continuing obligation to pay Mr. Odak his base salary for 36 months following termination. Additionally, the Company will continue to contribute, for the period during which the base salary is continued, the cost of Mr. Odak's participation (including his family) in the Company's group medical and hospitalization insurance plans and group life insurance plan, provided that if Mr. Odak is not entitled to such coverage, the Company will reimburse Mr. Odak for the cost of obtaining such coverage.

In event of Mr. Odak's death, the Company will pay to his designated beneficiary or, if no beneficiary has been designated by Mr. Odak, to his estate, any earned and unpaid base salary and reimbursement of business expenses accrued prior to the date of death. In the event that Mr. Odak becomes disabled to the extent that he is unable to perform substantially all of his duties and responsibilities for 90 days, the Company may terminate him upon 30 days written notice. Mr. Odak may terminate his employment with the Company for good reason, as defined. A termination by Mr. Odak for Good Reason and in the absence of circumstances that would entitle the Company to terminate Mr. Odak for cause will be treated as a termination by the Company other than for cause and Mr. Odak will retain the same benefits provided for thereunder.

EXECUTIVE SEVERANCE AGREEMENTS

The Company has entered into severance agreements (the "Severance Agreements") with each of the Company's six executive officers and with Gary Rawlings, Vice President of Marketing. See *Employment Agreements - Perry D. Odak* for disclosure of the severance provisions of Mr. Odak's employment agreement. The Severance Agreements provide for certain payments in the event the individual's employment with the Company is terminated by the Company other than for "cause" (as defined in such agreements) or by the individual for "good reason" (as defined in such agreements), in each case within 24 months following a "change in control" (as defined in such agreements) of the Company.

The principle benefits under the Severance Agreements consist of (i) a lump sum severance payment equal to two times (one time in Mr. Rawlings' agreement) the individual's salary and bonus, (ii) a lump sum payment in lieu of Company contributions that would have been made on the individual's behalf to the Company's savings plan had the individual's employment continued for two additional years (one additional year in Mr. Rawlings' agreement), (iii) accelerated vesting of all options, (iv) continuation of life, disability, accident and health insurance benefits for a period of two years (one year for Mr. Rawlings) following such termination of employment, and (v) a payment equal to the amount necessary to reimburse the individual for the full effect of any excise tax levied on "excise parachute payments". In the event that the conditions triggering the benefits under the Severance Agreement are satisfied, the individual is subject to certain restrictive covenants relating to non-competition and solicitation of employees, customers or suppliers of the Company for two years following a termination of employment.

EQUITY COMPENSATION PLAN INFORMATION

Securities Authorized for Issuance Under Equity Compensation Plans.

The Company has six equity compensation plans, one of which, the Wild Oats Markets, Inc. 1996 Equity Incentive Plan (the "1996 Plan"), was adopted with the approval of security holders. Under the 1996 Plan, the Company may, from time to time, issue non-qualified stock options and incentive stock options, exercisable for shares of the Common Stock, stock bonuses and rights to purchase restricted Common Stock, to employees and members of the Board of Directors. As of January 1, 2005, 4,650,220 shares of common stock were reserved for issuance under the 1996 Plan, and 524,921 shares were available for grant.

Equity Compensation Plans Adopted Without the Approval of Security Holders.

We currently have five equity compensation plans created pursuant to exemptions from the requirement for security holder approval. A sixth individual equity compensation plan was terminated as a result of the executive's resignation. In October 2001, the Company created the 2001 Non-Officer/Non-Director Stock Option Plan (the "2001 Plan"), under which grants of nonqualified stock options could be made to employees of the Company. Neither executive nor officers are eligible to receive grants of options under the terms of the 2001 Non-Officer/Non-Director Stock Option Plan. The Board determines the vesting schedule and exercise price of options under the 2001 Plan. Under the 2001 Plan, the exercise price of nonqualified stock options cannot be less than 85% of fair market value of the common stock on the grant date. The options expire ten years after grant if not terminated earlier pursuant to the terms of the 2001 Plan. As of January 1, 2005, 486,000 shares of common stock were reserved for issuance under the 2001 Plan, and options for 83,952 shares were available for grant.

In 2001 and 2003, the Company created individual equity incentive plans for the purposes of inducing certain executives to accept employment with the Company. Prior to creation of the individual equity incentive plans, all officer option grants came from the 1996 Plan. In 2001, the Company created individual equity incentive plans as an inducement to accept employment with the Company for three members of the executive team: Bruce Bowman, current Senior Vice President of Business Development; Stephen Kaczynski, Senior Vice President, Sales and Merchandising; and Edward Dunlap, Chief Financial Officer and current Senior Vice President, Operations. In 2003, the Company created two individual equity incentive plans for employment inducement for two members of the executive management team: David Clark, Senior Vice President, Operations and General Manager, Wild Oats Stores, and Gary Rawlings, Vice President of Marketing. Mr. Clark has since left the Company and his plan was terminated. The individual equity incentive plans provide for the grant of nonqualified stock options to the named individual at not less than 85% of the fair market value of the stock on the date of grant. The options expire ten years after grant if not terminated earlier pursuant to the terms of the plans. The options are priced in an amount equal to the sale price at the close of business on the day of the grant as reported by NASDAQ National Market. All individual equity incentive plans but one provide for vesting over four years, with one quarter of the plan options vesting at the conclusion of one year, and 6.25% of the plan options vesting at the conclusion of each quarter thereafter. The Bruce Bowman Equity Incentive Plan provides for equal monthly vesting over a four-year period. The number of shares reserved for issuance are as follows: Bruce Bowman Equity Incentive Plan, 180,000 shares; Stephen Kaczynski Equity Incentive Plan, 50,000 shares; Edward Dunlap Equity Incentive Plan, 120,000 shares; and Gary Rawlings Equity Incentive Plan, 40,000 shares. All options available for grant under the individual plans have been granted.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS

The Compensation Committee (the "Committee") is currently comprised of three non-employee directors: David Chamberlain, David Gallitano and Stacey Bell. The Committee is responsible for setting the policies that govern executive compensation, bonuses (if any) and stock ownership programs. The Committee annually evaluates the performance and compensation of the Chief Executive Officer (the "CEO") and the other executive officers of the Company, based upon a variety of factors, including the achievement of corporate goals, individual performance and comparisons with other independent grocers and retail companies.

The policies of the Company with respect to compensation of executive officers, including the CEO, are to provide compensation sufficient to attract, motivate and retain executives of outstanding ability and potential and to establish an appropriate relationship between executive compensation and the creation of stockholder value. To meet these goals, in the past the Committee adopted a mix among the compensation elements of salary, bonus and stock options, with a bias toward stock options, to emphasize the link between executive incentives and the creation of stockholder value as measured by the equity markets. In 2001, the Committee shifted the weight of compensation established for newly hired and retained executives to base salaries at the mid point for salaries of comparable executives. In general for fiscal 2004, the salaries, bonuses and stock option awards of executive officers were linked to the Company's achievement of corporate performance criteria with respect to public company matters and Company growth, as well as individual performance goals. The Board awarded no cash bonuses to executive officers for 2004 performance. In 2005, the Board made merit grants of 60,000 stock options to executive officers for 2004 performance.

BASE SALARY

The base salaries for all but one of the executive officers of the Company were established at or above the mid-point of the range for similarly sized companies, based on sales revenues, included in the compensation surveys considered by the Committee. The surveys used to review base salaries include industry surveys prepared by retail trade organizations in the grocery industry, salary data publishing services, regional compensation surveys for Colorado, where the Company's headquarters are located and its executives perform their duties, and surveys of compensation levels disclosed in comparable companies' proxy disclosures on management compensation. In establishing such salaries, the Committee also considers each officer's level of industry experience, individual achievement and overall contribution to the achievement of corporate objectives or, for newly hired executives, the overall importance of such executives' positions to the achievement of short- and long-term goals of the Company.

BONUSES

The Company has established formal bonus programs for employees at store level and at the Company's corporate offices. Executives are eligible to participate in the Company's corporate office bonus program. Under that program, bonuses, up to certain percentages of base salary based upon the job level of the employee, are payable if the Company hits certain financial targets established by the Board of Directors and an additional portion of bonus is awardable upon the achievement by the employee of specific individual performance goals. No bonuses were paid to executives or other corporate office employees in 2004 under this plan.

STOCK OPTION GRANTS

The 1996 Plan was established to provide all employees of the Company with an opportunity to share, along with stockholders of the Company, in the long-term performance of the Company. Periodic grants of stock options are generally made to executive, managerial-level and other eligible employees. The Compensation Committee reviews and approves management recommendations regarding stock option grants on a quarterly basis. The Committee continues to view the award of stock options as a valuable tool for long-term retention of executives and alignment of executives with shareholder interests. In awarding stock options, the Board considers individual performance and overall contribution to the Company and also considers the number of unvested stock options held by the executive in comparison to other executives and the total number of stock options available to be awarded under the Plan. The Committee also considers the stock option practices of comparable companies. In 2004, an aggregate number of 345,125 stock options were granted to employees.

DEFERRED COMPENSATION PLAN

The Company maintains a nonqualified Deferred Compensation Plan for executive officers and senior-level employees. Eligible employees may contribute a portion of base salary or bonuses to the plan annually. The DCP provides for additional matching contributions by the Company in an amount determined by the Company prior to the end of each plan year. The plan was implemented to provide executives and senior-level employees with the opportunity to make contributions to a retirement plan where the limitations imposed by the Internal Revenue Code ("Code") Section 401(m), governing the maximum contribution that may be made to a retirement plan such as a 401(k) plan based upon the average contribution made, would not apply. The Deferred Compensation Plan is not deemed to be a defined benefit plan, and the funds contributed by executives and senior-level employees are considered to be general funds of the Company and are not segregated. On December 31, 2004, in response to the American Jobs Creation Act of 2004 (the "Act"), which mandated modifications to Treasury regulations applicable to deferred compensation, the Company froze the then-existing DCP participants' accounts, and created new participants accounts, effective January 1, 2005. The Company anticipates implementing a new DCP in compliance with the new rules promulgated under the Act once such rules are issued.

CEO COMPENSATION

Perry Odak joined the Company as its Chief Executive Officer and President in March 2001. Mr. Odak's compensation is set at \$500,000 per year pursuant to the terms of his employment contract, as described above. Mr. Odak's annual

base salary may be increased at the Committee's discretion based on an annual review. There has been no change in Mr. Odak's salary since the commencement of his employment in 2001. Mr. Odak also is entitled to certain additional incentive compensation for each fiscal year during the term of his employment agreement, based on his meeting performance criteria established by the Board of Directors. The amount of additional incentive compensation is to be determined by a review of Mr. Odak's achievement of certain performance goals in accordance with a bonus or short-term incentive compensation program established by the Board for Mr. Odak or all senior executives.

Mr. Odak's initial salary level set forth in the Employment Agreement was the result of negotiations between Mr. Odak and the Committee, which were approved by the Board, taking into consideration the Company's need for an experienced and proven executive who could reverse the Company's declining results of operations, as well as Mr. Odak's experience, past salary levels and applicable expertise to the challenges being faced by the Company. The Committee also considered formal salary surveys for the chief executive officers and recommendations of executive recruiters hired by the Company to assist in identifying and placing a qualified and experienced CEO. The Committee considered the relationship of the Company's past financial and operating performance and the challenges it faced to Mr. Odak's compensation and found his compensation to be appropriate, and did not award a bonus to Mr. Odak in 2004.

SECTION 162(M) OF THE INTERNAL REVENUE CODE

Section 162(m) of the Code limits the Company to a deduction for Federal income tax purposes of no more than \$1 million of compensation paid to certain Named Executive Officers in a taxable year. Compensation above \$1 million may be deducted if it is "performance-based compensation" within the meaning of the Code. Options granted pursuant to the Company's Equity Incentive Plan are intended to satisfy the requirements for the "performance-based compensation" exemption. As a result and at the present time, the Board does not believe that the compensation paid to any Named Executive Officer in a taxable year that is subject to the deduction limit will exceed \$1 million. The Board has not yet established a policy for determining whether forms of incentive compensation, other than stock options, awarded to its Named Executive Officers will be designed to qualify as "performance-based compensation." The Board will continue to evaluate the effects of the statute and to comply with Code section 162(m) in the future to the extent consistent with the best interests of the Company.

PERFORMANCE CHART

The following graph sets forth the stock price performance of the Company's common stock for the period beginning December 31, 1999 and ending December 31, 2004 as contrasted with the NASDAQ Stock Market-US Index and two indices: the S&P 500 and the S&P Food Retail Index. The graph assumes \$100 was invested at the beginning of the period and any dividends paid during the period were reinvested.

The Company believes that the NASDAQ (US) Index provides a more representative major market index than the S&P 500, and intends to use the NASDAQ (US) Index for major market index comparison in the future. The Company disclosed its intent last year to discontinue use of the Russell 2000 Index and commence use of the S&P Food Retail Index, which the Company believes to be more representative for industry stock performance comparison purposes.
