The Common Stock which is the subject of this Statement is held of record held by S.R. One, Limited (“S.R. One”), an indirect, wholly-owned subsidiary of GlaxoSmithKline plc.

During the last five years prior to the date hereof, neither GlaxoSmithKline plc nor, to the best knowledge of GlaxoSmithKline plc, any of the other persons with respect to whom information is given in response to this Item 2 has been convicted in a criminal proceeding or been a party to a civil proceeding ending in a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws, or finding any violation with respect to such laws.

Item 3. Source or Amount of Funds or Other Consideration.

S.R. One acquired from the Issuer 143,773 shares of Common Stock on February 10, 2014 pursuant to the Issuer’s initial public offering (the “IPO”). The total consideration paid by S.R. One for these shares was \$1,725,276, and such consideration was obtained from the working capital of S.R. One. S.R. One also acquired 1,527,894 shares of Common Stock on February 10, 2014 upon the conversion of (i) 9,230,769 shares of Series A Preferred Stock of the Issuer (the “Series A Preferred”) into 775,694 shares of Common Stock, (ii) 4,099,231 shares of Series B Preferred Stock of the Issuer (the “Series B Preferred”) into 344,473 shares of Common Stock, and (iii) 4,851,958 shares of Series C Preferred Stock of the Issuer (the “Series C Preferred” and, together with the Series A Preferred and the Series B Preferred, the “Preferred Stock”) into 407,727 shares of Common Stock, at the closing of the IPO. The conversion ratio was one share of Common Stock for every 11.9 shares of Preferred Stock.

Item 4. Purpose of Transaction.

A. Board Member

In February 2009, S.R. One appointed Simeon J. George, M.D., Vice President of S.R. One, to the board of directors of the Issuer pursuant to an investor rights agreement which terminated upon closing of the IPO. At the request of the Issuer, Dr. George currently remains on the Issuer’s board of directors. As of the IPO, S.R. One does not have the right to appoint or remove a director.

B. Registration Rights Agreement

On October 21, 2013, the Issuer, S.R. One and certain other investors entered into the Fourth Amended and Restated Registration Rights Agreement (the “Registration Rights Agreement”), a copy of which is attached as Exhibit 1 hereto. The registration rights granted to S.R. One pursuant to the Registration Rights Agreement include the following:

Demand Registration Rights. Following the date that is 180 days after the closing of the IPO, the holders of at least a majority of the Registrable Shares (as defined in the Registration Rights Agreement) may require the Issuer to file a registration statement under the Securities Act of 1933, as amended (the “Securities Act”), at the Issuer’s expense with respect to the resale of their Registrable Shares so long as the aggregate value of the securities to be sold under the registration statement is reasonably anticipated to be at least \$5,000,000, and the Issuer is required to use its best efforts to effect such registration.

Piggyback Registration Rights. If the Issuer proposes to register any of its Common Stock under the Securities Act for its own account or the account of any other holder, the holders of Registrable Shares are entitled to notice of such registration and to request that the Issuer include the Registrable Shares for resale on such registration statement, subject to the right of any underwriter to limit the number of shares included in such registration.

Cusip No. 372427 10 4 13D Page 4 of 8

Form S-3 Registration Rights. After the expiration of the 180-day period following the closing of the IPO, one or more holders of Registrable Shares will have the right to demand that the Issuer file a registration statement on Form S-3 so long as the aggregate value of the securities to be sold under the registration statement is reasonably anticipated to be at least \$3,000,000, subject to certain exceptions.

C. Lockup Agreement

S.R. One and certain other investors each entered into a lock up agreement (the “Lock Up Agreement”), a copy of which is attached as Exhibit 2 hereto, with Citigroup Global Markets Inc. and Cowen and Company, LLC (both in their capacity as representatives of the underwriters for the IPO) (the “Representatives”).

Pursuant to the Lockup Agreement, S.R. One has agreed that for a period of 180 days following the date of the underwriting agreement, it will not, without the prior written consent of the Representatives, offer, sell, contract to sell, pledge, or otherwise dispose of (or enter into a transaction which is designed to, or may reasonably be expected to result in the disposition of), directly or indirectly, including the filing of a registration statement with the Securities and Exchange Commission in respect of, or establish or increase a put equivalent position or liquidate or decrease a call equivalent position with respect to, any shares of capital stock of the Issuer or any securities convertible into, or exercisable or exchangeable for such capital stock, subject to specified exceptions, which include but are not limited to transactions relating to shares of Common Stock acquired by S.R. One in the IPO or in open market transactions subsequent to the closing of the IPO.

- i. a class of equity securities of the Issuer becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Act; or
- j. any action similar to any of those enumerated above.

S.R. One expects to review from time to time its investment in the Issuer and may, depending on the Issuer’s business, assets, operations, financial condition, prospects and other factors, as well as (and subject to) the terms of the contracts described in Item 6 of this Schedule: (i) purchase additional shares of Common Stock, options or other securities of the Issuer in the open market, in privately negotiated transactions or otherwise; (ii) sell all or a portion of the shares of Common Stock, options or other securities now beneficially owned or hereafter acquired by it; (iii) propose one or more directors for the Issuer’s board of directors; (iv) engage in discussions, negotiations or enter into other transactions with a view to obtaining direct or indirect control of the Issuer; (v) acquire assets of the Issuer and its subsidiaries; and (vi) engage in such other proposals as S.R. One may deem appropriate under the circumstances, including plans or proposals which may relate to, or could result in, any of the matters referred to in clauses (a)

through (j), above.

Also, consistent with its investment intent, S.R. One may engage in communications with, without limitation, one or more shareholders of the Issuer, one or more officers of the Issuer and/or one or more members of the board of directors of the Issuer regarding the Issuer, including but not limited to its operations, governance and control.
