## CGI and Oakland Housing Authority Sign Contract To Serve U.S. Department of Housing and Urban Development

**Cleveland, Ohio - May 18, 2004** - The Oakland Housing Authority (OHA) (Ca.) and CGI Group Inc. (CGI) (TSX: GIB.A; NYSE: GIB), announced today the signing of a five-year business process services outsourcing contract valued at US\$45 million to serve the U.S. Department of Housing and Urban Development (HUD) in Northern California.

Under the contract with OHA, CGI will provide start-up, contract administration and payment services for site-based multi-family housing assistance payments (HAP) throughout Northern California. The award is part of the HUD 2020 reform plan under which HUD contracts with qualified housing authorities throughout the country to administer the HAP contracts.

Our goal in this partnership is to assure that HUD contracts are administered accurately and that the families we serve have safe and decent housing. CGI has demonstrated its track record in public housing administration and its business process services expertise to help us meet our goal, said Jon Gresley, executive director of OHA. CGI also has the contract to serve the state of Ohio.

Joseph Saliba, CGI's president, business process services, said, "We are pleased that our reputation both in public housing administration and business process services has resulted in this partnership. We look forward to delivering quality and value to the Oakland Housing Authority and to HUD."

### About Oakland Housing Authority

Created in 1938, the Oakland Housing Authority, with 3,308 units of public housing and nearly 11,000 units of Section 8, is the third largest housing authority in the State of California. The Authority has a long and successful record of administering leased housing and housing subsidy programs since the inception of Section 23 programs in 1968. The Authority collaborated with other Bay Area public housing authorities (PHAs) to create one of the most mobile and portable Section 8 programs, exchanging thousands of participants with a large number of surrounding and distant jurisdictions, and leading the movement to absorb clients rather than bill other PHAs. The Authority has also pioneered in applying for and successfully operating service enhanced programs for special needs populations. Website: [www.oakha.org](http://www.oakha.org)
