Item 8.01. Other Events

On September 30, 2009, RAM Energy Resources, Inc. (the "Company") received a letter from The Nasdaq Stock Market ("Nasdaq") notifying the Company that the Company had regained compliance with Nasdaq's minimum bid price listing requirements for the Company's common stock, which is traded on The Nasdaq Capital Market under the symbol "RAME." On September 15, 2009, the Company received a notice of deficiency from Nasdaq notifying the Company that for the 30 consecutive business days preceding the date of the letter, the bid price of the Company's common stock had closed below the \$1.00 per share minimum bid price required for continued listing on The Nasdaq Capital Market, and that the Company had 180 days to regain compliance by meeting or exceeding the minimum bid price for a period of at least 10 consecutive trading days. In its September 30 letter, Nasdaq stated that because the Company's common stock had closed above the \$1.00 minimum bid price for at least 10 consecutive trading days following the September 15 notice, the Company had regained compliance and the matter is now closed.
