Magal Security Systems Ltd. Announces Third Quarter and Nine Months Financial Results

Monday October 30, 7:00 am ET

Net Income More Than Doubled Compared With the Second Quarter of 2006
YAHUD, Israel, October 30 /PRNewswire-FirstCall/ -- Magal Security Systems Ltd. (Nasdaq NM:MAGS; TASE:MAGS) today announced its consolidated financial results for the three and nine-month periods ended September 30, 2006.

Revenues for the third quarter of 2006 reached US\$16.2 million, an increase of 2.5 percent compared with the third quarter of 2005 and an increase of 8.6 percent over the second quarter of 2006.

Gross profit for the third quarter of 2006 reached US\$6.9 million (42.6 percent of revenues), an increase of 15.8 percent over the third quarter of 2005 and an increase of 10.8 percent compared with the second quarter of 2006. Our cost of revenues for the third quarter of 2006 includes a reduction of a previously recorded provision of US\$0.7 million that we made in connection with the cancellation of a turnkey project in Eastern Europe. We reduced the provision based on a result of a recent favourable ruling by the District Court in Haifa, Israel and the opinion of our legal counsel.

Operating and net income in the third quarter of 2006, reached US\$1.2 million and US\$623,000, respectively, compared with an operating and net loss of US\$263,000 and US\$376,000, respectively, for the third quarter of 2005. Diluted earnings per share for the third quarter were US\$0.06, compared with diluted loss per share of US\$0.04 in the same period last year.

Revenues for the first nine months of 2006 reached US\$44.5 million, an increase of 4.2 percent compared with the same period in 2005.

Operating and net income for the nine-month period, reached US\$2.4 million and US\$1 million, respectively, compared with an operating and net loss of US\$972,000 and US\$1.7 million, respectively, for the first nine months of 2005. Diluted earnings per share for the nine-month period were US\$0.10, compared with diluted loss per share of US\$0.17 in the same period of last year.

Our 2005 financial information includes the reversal of revenues and a corresponding increase in expenses as a result of the cancellation of the Eastern European turnkey project subsequent to the 2005 year end.

Commenting on the results, Mr. Izhar Dekel, CEO of Magal, said: "Based on our current backlog, including the previously announced major contract for the Northern border of Israel, and on new orders that we expect to receive during the fourth quarter, management believes that our year-end results will be better than those of last year."

The Company will be hosting its quarterly conference call at 10:00am EST today. Mr. Jacob Even-Ezra, Chairman of the Board, Mr. Izhar Dekel, CEO, and Mrs. Raya Asher, V.P. Finance & CFO, will review and discuss the third quarter 2006 results. They will then be available to answer questions.
