PROXY STATEMENT

This proxy statement ("Proxy Statement") and the accompanying proxy card are furnished in connection with the solicitation of proxies by the Board of Directors for use at the Annual Meeting of Shareholders of Downey Financial Corp., a Delaware corporation ("Downey"), to be held at 10:00 a.m., local time, on Wednesday, April 25, 2001, at The Irvine Marriott Hotel, 18000 Von Karman Avenue, Irvine, California 92612, and any adjournments thereof (the "Annual Meeting"). Certain of the information provided in this Proxy Statement relates to Downey Savings and Loan Association, F.A. and any predecessor entity (the "Bank"), a wholly owned subsidiary of Downey. This Proxy Statement and the accompanying form of proxy are being mailed to shareholders on or about March 16, 2001. The mailing address of the principal office of Downey is 3501 Jamboree Road, Newport Beach, California 92660. Downey's telephone number is (949) 854-0300.

RECORD DATE AND VOTING OF SHARES

On March 2, 2001, the record date for determining the shareholders entitled to notice of and to vote at the Annual Meeting, 28,211,048 shares of Downey's common stock ("Common Stock") were outstanding. A majority of the shares entitled to vote will constitute a quorum at the Annual Meeting. The two nominees for director receiving the highest number of affirmative votes at the Annual Meeting will be elected. Abstentions and broker non-votes are counted for purposes of determining a quorum, but are not considered as having voted for purposes of determining the outcome of a vote.

VOTING AND REVOCATION OF PROXIES

All shares represented by a properly executed proxy will be voted in accordance with the directions on such proxy. If no directions are specified, such shares will be voted FOR the election of the Board's nominees for directors presented under Proposal 1; and FOR the ratification of KPMG LLP as auditors for the year 2001 presented under Proposal 2. If for any reason one or more of the nominees should be unable or refuse to serve as a director (an event which the Board of Directors does not anticipate), the persons named in the enclosed proxy, in their discretion, will vote for substitute nominees of the Board of Directors unless otherwise instructed. If any other matters are properly presented to the Annual Meeting for action (including any proposal to adjourn the Annual Meeting), the persons named in such proxy and acting thereunder will vote in accordance with their best judgment on such matters.

Any shareholder may revoke his or her proxy at any time before it is voted by filing with the Corporate Secretary of Downey a written instrument revoking it or by filing a duly executed proxy bearing a later date. The execution of the enclosed proxy will not affect the right of a shareholder to vote in person if such shareholder should decide to attend the Annual Meeting and desires to vote in person.

1

SOLICITATION OF PROXIES

Downey will bear the cost of soliciting proxies. Directors and officers of Downey and directors, officers and employees of the Bank may solicit proxies personally, by mail, telephone, telecopier or other electronic transmission. The Audit Committee of Downey's Board of Directors is responsible for monitoring the integrity of Downey's financial reporting process and systems of internal controls regarding financial reporting, accounting, and legal compliance. In addition, the Audit Committee is responsible for monitoring the independence and performance of Downey's independent auditors, the internal auditing department, and the internal asset review function. The Audit Committee also facilitates communication among the independent auditors, management, the internal auditing department, the internal asset review department, and the Board of Directors. The Audit Committee is currently composed of four directors, none of whom is employed by Downey.

AUDIT PHILOSOPHY

During 2000, the Audit Committee revised its written charter to comply with new rules relating to the functioning of corporate audit committees promulgated by the Securities Exchange Commission ("SEC") and NYSE. The Audit Committee's charter was approved by Downey's Board of Directors and is attached to this proxy statement as Appendix A.

During 2000, the Audit Committee met 5 times. The Audit Committee reviewed and discussed the quarterly and annual audited financial statements for Downey with management. The Audit Committee discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61.

COMMUNICATIONS WITH AUDIT COMMITTEES

The Audit Committee discussed with the independent auditors changes in significant accounting policies in controversial or emerging areas, the process used by management in formulating material accounting estimates and the independent auditor's conclusions regarding the reasonableness of such estimates, adjustments arising from the audit, if any, and any disagreements with management over the application of accounting principles.

The Audit Committee received, reviewed and discussed with the independent auditors, the auditor's written disclosures regarding independence and the letter from the auditor required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees. Based on the review of such disclosures and giving consideration to the non-audit services provided by KPMG LLP during 2000, the Audit Committee has concluded that independence has not been impaired or compromised.

Based on the Audit Committee's review and discussions described above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in Downey's Form 10-K filed with the SEC.

PROPOSAL 2. RATIFY THE APPOINTMENT OF AUDITORS

The accounting firm of KPMG LLP has been appointed as our auditors for the year 2001 and such appointment is being submitted to the shareholders for ratification. In the event the appointment is not ratified by a majority of votes cast, in person or by proxy, it is anticipated that no change in auditors would be made for the current year because of the difficulty and expense of making any change so long after the beginning of the current year, but such vote would be considered in connection with the appointment of auditors for 2002.

KPMG LLP was our auditor for the year ended December 31, 2000, and a representative of such firm is expected to attend the meeting, respond to appropriate questions and if such representative desires, which is not now anticipated, make a statement.

In 1989, the Board of Directors engaged KPMG LLP as Downey's independent auditor and the relationship which has existed has been the customary relationship between an independent accountant and client.

THE BOARD RECOMMENDS THAT SHAREHOLDERS VOTE "FOR" THIS PROPOSAL. PROXIES, UNLESS INDICATED TO THE CONTRARY, WILL BE VOTED "FOR" THIS PROPOSAL.

COMPENSATION COMMITTEE REPORT

The Compensation Committee (the "Compensation Committee") of Downey's Board of Directors establishes the overall compensation policies and programs of Downey and its subsidiaries. In addition, the Compensation Committee recommends the compensation of the President and Chief Executive Officer, which recommendation is subject to the approval by the Board of Directors. The Compensation Committee is composed of four directors, none of whom is employed by Downey.

COMPENSATION PHILOSOPHY

The Compensation Committee's goal is to align compensation programs with the strategic direction of Downey and to attract, motivate and retain the best qualified employees. In carrying out its duties, the Compensation Committee evaluates compensation and benefits programs including both qualified and nonqualified programs, as well as medical, dental and other benefits programs

Edgar Filing: DOWNEY FINANCIAL CORP - Form DEF 14A

affecting all employees. The Compensation Committee evaluates compensation and benefits programs to ensure they are cost effective, competitive and fair.

To ensure that pay policies are competitive, the Compensation Committee periodically compares Downey's pay policies to peer group institutions. The Compensation Committee strives to implement benefits programs which, based upon competitive and cost considerations, deliver the highest level of value consistent with corporate and shareholder interests. Total compensation (including benefits) is established in the context of overall job responsibilities, achieving corporate and individual performance goals and objectives, as well as competitive compensation conditions.

2000 COMPENSATION PROGRAMS

During 2000, the components of the compensation programs included a base salary, a bonus program ("Annual Incentive Plan"), the 1994 Long-Term Incentive Plan, a Deferred Compensation Plan, a Section 125 Cafeteria Plan (i.e., medical, vision, dental and life coverages) and an Employees' Retirement and Savings Plan (401(k) Plan).

14

BASE SALARY

During 2000, the Compensation Committee reviewed base salaries of selected employees, including executive officers. Based on such review and the Compensation Committee's assessment of market conditions and competitive factors, the Compensation Committee recommended adjustments to base salaries for such employees and executive officers. This recommendation was based on salary survey data supplied by third party nationally recognized salary surveys and salary surveys among the Bank's competitors.

ANNUAL INCENTIVE PLAN

During 2000, the Compensation Committee reviewed and Downey's Board of Directors approved an Annual Incentive Plan for Downey. Individual performance objectives were established for all eligible participants in the Annual Incentive Plan based upon their individual responsibilities and Downey's 2000 approved corporate performance target for net income, which aligned each participant's compensation with Downey's approved business plan. During 2000, bonus incentives targeted under the Annual Incentive Plan for the President and Chief Executive Officer and Chief Operating Officer were targeted at 120% and 50% of their base salary, respectively, and the Chief Administrative Officer was targeted at 100% of base salary. Other executive officers and eligible participants of Downey and the Bank were targeted at 10%-100% of their base salary. Pursuant to the Annual Incentive Plan, those targeted amounts may be adjusted based upon individual, department, business and corporate performance goals which provide for a potential bonus payment of up to 168% of an individual's targeted bonus amount. However, to the extent that actual corporate performance was 80% or below the approved corporate performance goal, no bonus amounts were to be paid to participants pursuant to the Annual Incentive Plan.

After obtaining the 2000 year-end results, the Compensation Committee met with the President and Chief Executive Officer and reviewed the individual performance contribution of each participant in the Annual Incentive Plan. During 2000, Downey achieved 112.2% of its corporate performance target. Based upon 2000 corporate and individual participant performance, bonuses paid,

Edgar Filing: DOWNEY FINANCIAL CORP - Form DEF 14A

relative to the targeted amounts for all such participants, represented, on average, 130% of the bonus target.

15

1994 LONG-TERM INCENTIVE PLAN

In 1994, the Bank's Board of Directors approved a Long-Term Incentive Plan (the "LTIP"). The LTIP was submitted to the Bank's shareholders for approval at a special meeting of shareholders held on December 21, 1994. Thereafter, the LTIP was adopted and ratified by Downey and, pursuant thereto, shares of Downey are to be issued upon the exercise of options or payments of other awards for which payment is to be made in stock.

The LTIP was adopted to promote and advance the interests of Downey and its shareholders by providing a means by which selected officers and employees would be given an opportunity to acquire stock in Downey and other incentive-based awards, to assist in attracting and retaining the services of employees holding key positions and to provide incentives for such key employees to exert maximum efforts toward results that are in the best interests of all shareholders. Incentive stock options may be granted under the LTIP only to officers and key employees, including directors if they are employees. Currently, approximately 66 officers and key employees are eligible to receive awards under the LTIP. The LTIP is administered by the Compensation Committee and, during 2000, no stock option grants or other awards were made under the LTIP.

DEFERRED COMPENSATION PROGRAM

During 1995, the Compensation Committee reviewed and Downey's Board of Directors approved implementation of a Deferred Compensation Plan for key management employees and directors. The Deferred Compensation Plan is considered to be an essential element in a comprehensive competitive benefits package designed to attract and retain individuals who contribute to the success of Downey. Participants are eligible to defer compensation on a pre-tax basis, including director fees, and earn a competitive interest rate on the amounts deferred. During 1999, the Board terminated the 1995 Deferred Compensation Plan and a 1999 Deferred Compensation Program was approved for key management employees and directors. Currently, 66 management employees and 7 directors are eligible to participate in the program. During 2000, 23 management employees and one director elected to defer compensation pursuant to the 1999 Deferred Compensation Program.

EMPLOYEES' RETIREMENT AND SAVINGS PLAN

The Bank offers to its employees a 401(k) plan entitled the Downey Savings Employees' Retirement and Savings Plan. Participants are permitted to make contributions on a pre-tax basis, a portion of which is matched by the Bank. In addition, a discretionary contribution may be made on behalf of each eligible participant according to a formula which takes into account the age, years of service and compensation of the participant as well as achievement of an annual corporate performance target but excludes commissioned loan production and Annual Incentive Plan participants. For 2000, total contributions consisted of the Bank's discretionary contribution (\$1,603,035) and the employer match (\$388,365) to the Downey Savings Employees' Retirement and Savings Plan.

EMPLOYEE STOCK PURCHASE PLAN

Downey offers its employees participation in Downey's Employee Stock Purchase Plan. Downey believes that ownership of Downey's stock by employees will foster greater employee interest in Downey's success, growth and development and will be to the mutual benefit of the employee and Downey. The Employee Stock Purchase Plan is designed to provide employees a continued opportunity to purchase Downey stock through systematic payroll deductions. Downey bears all costs of administering the Employee Stock Purchase Plan, including broker's fees, commissions, postage and other costs incurred with stock purchases. If an employee elects to terminate participation in the Employee Stock Purchase Plan, or sells stock acquired through the Employee Stock Purchase Plan, the employee is responsible for the associated costs.

PRESIDENT AND CHIEF EXECUTIVE OFFICER COMPENSATION

During 2000, Daniel D. Rosenthal served as President and Chief Executive Officer of Downey and the Bank. In accordance with the Annual Incentive Plan and achievement of Downey's 2000 corporate performance target, the Compensation Committee recommended and Downey's Board of Directors approved an incentive compensation payment to Mr. Rosenthal of \$492,624, which amount represents 136.8% of the targeted incentive amount.

The Compensation Committee believes that the management team is dedicated to achieving significant improvement in Downey's long-term financial performance. The Compensation Committee further believes that Downey's compensation policies are designed to align closely the financial interests of senior executive management with the interests of Downey's shareholders and, as administered by the Compensation Committee, will enhance management's efforts in these areas.

Brent McQuarrie, Chairman
Michael B. Abrahams

DIRECTOR COMPENSATION

ANNUAL COMPENSATION

Currently, directors who are not employees receive (i) an annual retainer of \$24,000 payable monthly or quarterly, at the director's option, (ii) an attendance fee of \$1,000 for each Board meeting held on a regular Board of Directors meeting day, and (iii) an attendance fee of \$1,000 for each meeting of a Downey or Bank committee or \$500 for each meeting of DSL Service Company's Board of Directors held on a day other than a regular Board of Directors meeting day. Nonemployee directors who review the Thrift Financial Reports and Consolidated Maturity/Rate Reports, required to be filed quarterly with the Office of Thrift Supervision, also receive a \$500 fee per quarter in connection with the review and execution of those regulatory reports. The Chairmen of Downey's Audit and Compensation Committees each receive an additional annual retainer of \$5,000 and \$3,000, respectively. The Chairman of Downey's and the Bank's Boards of Directors is entitled to receive an additional annual retainer of \$2,500, respectively. Downey's and the Bank's Chairman has declined to accept these additional annual retainers. Directors are reimbursed for reasonable out-of-pocket expenses incurred in the performance of their duties. Furthermore, directors are entitled to participate in and receive the medical benefit coverage provided to the Bank's employees, or payment in lieu thereof.

20

DIRECTOR RETIREMENT BENEFITS

A retirement benefit (the "Director Retirement Benefits") will be paid to each non-employee director or his or her designated beneficiary, in equal monthly installments for a period of 60 months beginning the month following his or her retirement. The aggregate Director Retirement Benefits for each director will equal one-third of the number of months of service as a director by such individual (up to a maximum of 15 years of service) multiplied by the average monthly qualified (non-employee) director compensation paid to such individual during the three years preceding cessation of service as a director. Qualified director compensation includes the annual retainer plus all meeting fees for the Boards of Directors and committees of Downey, the Bank and their respective subsidiaries. The right of each director to begin to receive such Director Retirement Benefits is subject to the individual director having (i) ceased serving as a director of Downey and the Bank, and (ii) served as a director for at least three years. If a majority interest of Downey's outstanding stock is transferred or acquired (other than by will or by the laws of descent and distribution), then the entire earned Director Retirement Benefits becomes payable immediately, and the three-year minimum service requirement described above does not apply. If a retired director so requests, Downey, at its option, may make a single lump-sum payment of the Director Retirement Benefits. Any such accelerated payment would be discounted at the interest rate then in effect for the Bank's five-year certificate of deposit.

FOUNDER RETIREMENT AGREEMENT

Edgar Filing: DOWNEY FINANCIAL CORP - Form DEF 14A

On December 21, 1989, the Bank entered into a retirement agreement (the "Founder Retirement Agreement") with Mr. McAlister. Pursuant to the Founder Retirement Agreement, Mr. McAlister's compensation was \$32,167 per month, which payments commenced upon Mr. McAlister's retirement as President of DSL Service Company in 1993. The Founder Retirement Agreement provides for adjustments to compensation payments every three years, such adjustments to be based on the Consumer Price Index, as defined under the Founder Retirement Agreement. Pursuant to these adjustments, Mr. McAlister's compensation was adjusted to \$35,688.27 per month, effective as of July 1, 1999.

During 2000, in consideration and in recognition of Mr. McAlister having completed more than thirty years of service and his continuing involvement with the growth of Downey and the Bank, the Bank agreed to amend the Founder Retirement Agreement pursuant to which Mr. McAlister and the Bank agreed Mr. McAlister would be entitled to receive monthly compensation for so long as Mr. McAlister lives but not less than 120 months from June 28, 2000. During 2000, Mr. McAlister received \$428,259 under the Founder Retirement Agreement. If a majority interest of Downey's Common Stock is transferred or acquired, then such compensation shall continue as scheduled or, at Downey's option, a lump-sum payment equal to the then present value of any remaining compensation shall be paid.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

TRANSACTIONS WITH MANAGEMENT AND CERTAIN BUSINESS RELATIONSHIPS

During 2000, employees of Downey and the Bank provided accounting and related services to Maurice L. McAlister, Chairman of Downey's Board of Directors, certain members of Mr. McAlister's family and certain of his controlled affiliates. The aggregate value of these services was approximately \$68,997. Downey and the Bank have been fully reimbursed for the services provided.

Mr. Smull, a director of Downey and the Bank, has a business relationship that is discussed in the following paragraph.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Bank entered into a commercial lease with Business Properties #27, a California General Partnership ("BP #27"), pursuant to which the Bank leases its Chino branch office. Lester C. Smull, a director of Downey and the Bank, and one of the four members of Downey's Compensation Committee, is the managing general partner of BP #27. The lease, which runs from October 1, 2000 through October 1, 2005, provides that the Bank will pay rent to BP #27 at the rate of \$6,135 per month, with annual rent increases of 3%. The lease provides for two consecutive two-year options to extend, with annual rent increases of 3%. Management believes that the terms of the lease arrangement, including the monthly rent, are at least as favorable to the Bank as prevailing terms that could be obtained from a nonaffiliated person.

INDEBTEDNESS OF MANAGEMENT

The Bank offers loans to directors, officers and employees of Downey, the Bank and their respective subsidiaries. These loans are made in the ordinary course of business and, in the judgment of management, do not involve more than the normal risk of collectability or present other unfavorable features. The loans are made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions involving nonaffiliated persons.

Over a period of approximately 25 years, the Bank has made various loans to Lester C. Smull, a director, in his individual capacity, to the Trust and to a number of California partnerships as to which Mr. Smull is a managing general partner. As of December 31, 2000, the Bank had loans outstanding to Mr. Smull or his related partnerships in an aggregate amount of approximately \$22.8 million. Each of the loans to Mr. Smull or his related partnerships (i) was made in the ordinary course of business, (ii) and on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions involving nonaffiliated persons, and (iii) did not involve more than the normal risk of collectability or present other unfavorable features.
