Equity Compensation Plans

The information set forth in this Amendment under "Item 12. Security Ownership of Certain Beneficial Owners and Management and Related Stockholder Matters—Equity Compensation Plan Information" is incorporated herein by reference.

Dividends

We have not paid any dividends since our inception in July 2013. In general, under the terms of our credit facility, we are not permitted to pay dividends if there is a default or a breach of a loan covenant. Further, under the 2015 Debt Facility Amendment, we are temporarily restricted from paying dividends and repurchasing shares of our common stock until the earlier of (i) when we complete a common stock offering with net proceeds of at least \$50.0 million and (ii) May 31, 2019.

In the future, we will evaluate the potential level and timing of dividends as soon as profits and capital expenditure requirements allow. In addition, since we are a holding company with no material assets other than the shares of our subsidiaries through which we conduct our operations, our ability to pay dividends will depend on our subsidiaries' distributing to us their earnings and cash flows. The timing and amount of any dividend payments will always be subject to the discretion of our board of directors and will depend on, among other things, earnings, potential future capital expenditure commitments, market prospects, current capital expenditure programs, investment opportunities, the provisions of Marshall Islands law affecting the payment of distributions to shareholders, and the terms and restrictions of our existing and future credit facilities. Marshall Islands law generally prohibits the payment of

dividends other than from operating surplus or while a company is insolvent or would be rendered insolvent upon the payment of such dividend.

Coleman and Kalborg and Ms. Tan, with Mr. Kalborg serving as its chairperson. The Audit Committee meets a minimum of four times a year, and periodically meets with the Company's management, internal auditors and independent external auditors separately from the Board.

Under the Audit Committee charter, the Audit Committee assists the Board in overseeing the quality of the Company's financial statements and its financial reporting practices. To that end, the Audit Committee has direct responsibility for the appointment, replacement, compensation, retention, termination and oversight of the work of the independent registered public accounting firm engaged to prepare an audit report, to perform other audits and to perform review or attest services for us. The Audit Committee confers directly with the Company's independent registered public accounting firm. The Audit Committee also assesses the outside auditors' qualifications and independence. The Audit Committee is responsible for the pre-approval of all audit and non-audit services performed by our independent registered public accounting firm. The Audit Committee acts on behalf of the Board in reviewing the scope of the audit of the Company's financial statements and results thereof. Our Chief Financial Officer has direct access to the Audit Committee. The Audit Committee also oversees the operation of our internal controls covering the integrity of our financial statements and reports, compliance with laws, regulations and corporate policies, and the qualifications, performance and independence of our independent registered public accounting firm. Based on this oversight, the Audit Committee advises the Board on the adequacy of the Company's internal controls, accounting systems, financial reporting practices and the maintenance of the Company's books and records. The Audit Committee is also responsible for determining whether any waiver of our Code of Ethics will be permitted and for reviewing and determining whether to approve any related party transactions required to be disclosed pursuant to Item 404(a) of Regulation S-K. Annually, the Audit Committee recommends that the Board request shareholder ratification of the appointment of the independent registered public accounting firm. The responsibilities and activities of the Audit Committee are further described in the Audit Committee charter.

Our Board of Directors has determined that the Audit Committee consists entirely of directors who meet the independence requirements of the NYSE listing standards and Rule 10A-3 of the Exchange Act. Narrative Disclosure to the Summary Compensation Table

Pursuant to management agreements entered into by each of our then vessel owning subsidiaries on July 26, 2013, as amended, with Dorian (Hellas) S.A. ("DHSA"), the technical, crew and commercial management as well as insurance and accounting services of our vessels was outsourced to DHSA. In addition, under these management agreements, strategic and financial services had also been outsourced to DHSA. DHSA had entered into agreements with each of Eagle Ocean and Highbury Shipping Services Limited ("HSSL"), to provide certain of these services on behalf of our then vessel owning companies. Mr. John C. Hadjipateras, our Chairman, President and Chief Executive Officer, owns 100% of Eagle Ocean, and our Vice President of Chartering, Insurance and Legal, Nigel Grey Turner, owns 100% of HSSL. As of July 1, 2014, vessel management services and the associated agreements for our fleet were transferred from DHSA and are now provided through our wholly owned subsidiaries Dorian LPG (USA) LLC, Dorian LPG (UK) Ltd. and Dorian LPG Management Corp. Eagle Ocean continues to incur related travel costs for certain transitioned employees as well as office-related costs, for which we reimbursed Eagle Ocean \$0.1 million, \$0.4 million and \$0.8 million for the years ended March 31, 2018, 2017, and 2016, respectively. Such expenses are reimbursed based on their actual cost.

None of our members of senior management, including Mr. Hadjipateras, Mr. Lycouris and Mr. Young, are subject to an employment agreement with us or our subsidiaries.

Director Compensation

We pay each non-executive director annual compensation of \$100,000 (50% in cash and 50% as an equity award in a form determined by our Compensation Committee), paid quarterly in arrears. The chairman of the Compensation Committee, the Audit Committee and the Nominating and Corporate Governance Committee each receive additional annual cash compensation of \$15,000. Further, any director serving on a committee of the Board, other than a chairman of a committee, receives additional annual cash compensation of \$10,000 per committee.

Each director is also reimbursed for out-of-pocket expenses in connection with attending meetings of the board of directors or committees. Each director will be fully indemnified by us for actions associated with being a director to the extent permitted under Marshall Islands law. Further, none of the members of our board of directors will receive any benefits upon termination of their directorship positions. Our directors are eligible to receive awards under an equity incentive plan that we adopted prior to the completion of our initial public offering and which is described below under "—2014 Equity Incentive Plan." Our Compensation Committee reviews director compensation annually and makes recommendations to the Board with respect to compensation and benefits provided to the members of the Board. Our Corporate Governance Guidelines provide that director compensation should be fair and equitable to enable the Company to attract qualified members to serve on its Board.

The following table provides certain information concerning the compensation earned by each of our non-employee directors serving on our Board for the year ended March 31, 2018, for services rendered in all capacities:

2014 Executive Severance and Change in Control Severance Plan

Except as set forth under "2014 Equity Incentive Plan" above and as provided under our Executive Severance and Change in Control Severance Plan (the "Severance and CIC Plan"), none of our members of senior management, including Mr. Hadjipateras, Mr. Lycouris and Mr. Young, will receive any benefits as a result of change in control. We adopted our Severance and CIC Plan in June 2014, under which we expect that certain executive officers of the Company and our subsidiaries and affiliates, may be eligible to receive severance benefits in connection with termination by the Company without Cause (as defined below) or termination by such officer for Good Reason (as defined below). Mr. Hadjipateras, Mr. Lycouris and Mr. Young are participants to the Severance and CIC Plan. A dismissed officer may be eligible for additional severance benefits when dismissed during the period within two years following a change in control of the Company, or in certain cases, during the six-month period prior to a "Change in Control" (as generally defined under the Equity Incentive Plan with the addition of any transaction the board determines to be a Change in Control).

In the event of termination without Cause or for Good Reason, officers subject to the Severance and CIC Plan will be eligible to receive a lump-sum payment equal to two times the sum of such officer's base salary plus bonus, a pro rata annual bonus for the year of termination, a cash payment equal to 18 months of COBRA continuation coverage and one year's outplacement services (not to exceed \$10,000). Should such termination take place within two years following a Change in Control of the Company, or in certain cases, during the six-month period prior to a Change in Control (the "CIC Termination Period"), all outstanding equity awards of a terminated officer subject to the Severance and CIC Plan shall vest and the lump-sum payment to the officer will be increased to 2.99 times the sum of the officer's base salary plus bonus. The participant will receive payments and pay the excise tax or the payments will be reduced so that no excise tax applies, whatever puts the participant in a better after-tax position. For purposes of the Severance and CIC Plan, "Cause" is generally defined to mean: (i) the willful and continued failure to substantially perform his or her duties, (ii) the willful engaging in illegal conduct or gross misconduct which is demonstrably and materially injurious to the Company or its affiliates, (iii) engaging in conduct or misconduct that materially harms the reputation or financial position of the Company, (iv) the participant (x) obstructs or impedes, (y) endeavors to influence, obstruct or impede or (z) fails to materially cooperate with, an investigation, (v) the participant withholds, removes, conceals, destroys, alters or by other means falsifies any material which is requested in connection with an investigation, (vi) conviction of, or the entering of a plea of nolo contendere to, a felony or (vii) being found liable in any SEC or other civil or criminal securities law action. For purposes of the Severance and CIC Plan, "Good Reason" generally means (A) with respect to the Chief Executive Officer, Chief Financial Officer and Chief Operating Officer, a material diminution in the nature and scope of the participant's duties, responsibilities or status, (B) a material diminution in current annual base salary or annual performance bonus target opportunities; or (C) an involuntary relocation to a location more than 25 miles from a participant's principal place of business, provided that, during the

CIC Termination Period, "Good Reason" shall mean (A) (1) any material change in the duties, responsibilities or status (including reporting responsibilities); provided, however, that good reason shall not be deemed to occur upon a change in duties, responsibilities (other than reporting responsibilities) or status that is solely and directly a result of the Company no longer being a publicly traded entity or (2) a material and adverse change in titles or offices (including, if applicable, membership on the board); (B) a more than 10% reduction in the participant's rate of annual base salary or annual performance bonus or equity incentive compensation target opportunities (including any material and adverse change in the formula for such targets) as in effect immediately prior to such change in control; (C) the failure to continue in effect any employee benefit plan, compensation plan, welfare benefit plan or fringe benefit plan in which the participant is participating immediately prior to such change in control or the taking of any action by the Company, in each case which would materially adversely affect the participant, unless the participant is permitted to participate in other plans providing the participant with materially equivalent benefits in the aggregate; (D) the failure of the Company to obtain the assumption of the Company's obligations under the plan from any successor; (E) an involuntary relocation of the principal place of business to a location more than 25 miles from the principal place of business immediately prior to such change in control; or (F) a material breach by the Company of the terms of an employment agreement.

Compensation matters involving any related persons are reviewed and approved by our Compensation Committee. Our Chief Financial Officer, in consultation with our outside counsel, is primarily responsible for the development and implementation of processes and controls to obtain information from the directors and executive officers with respect to related person transactions and for determining, based on the relevant facts and circumstances, whether a related person has a direct or indirect material interest in the transaction. Under our policy, transactions that (i) involve directors, director nominees, executive officers, significant shareholders or other "related persons" in which the Company is or will be a participant and (ii) are of the type that must be disclosed under the Commission's rules must be referred by the Chief Financial Officer, after consultation with our outside counsel, to our Audit Committee for the purpose of determining whether such transactions are in the best interests of the Company. Under our policy, it is the responsibility of the individual directors, director nominees, executive officers and holders of five percent or more of the Company's common stock to promptly report to our Chief Financial Officer all proposed or existing transactions in which the Company and they, or any related person of theirs, are parties or participants. The Chief Financial Officer (or the Chief Executive Officer, in the event the transaction in question involves the Chief Financial Officer or a related person of the Chief Financial Officer) is then required to furnish to the chairperson of the Audit Committee reports relating to any transaction that, in the Chief Financial Officer's judgment with advice of outside counsel, may require reporting pursuant to the Commission's rules or may otherwise be the type of transaction that should be brought to the attention of the Audit Committee. The Audit Committee considers material facts and circumstances concerning the transaction in question, consults with counsel and other advisors as it deems advisable and makes a determination or recommendation to the Board of Directors and appropriate officers of the Company with respect to the transaction in question. In its review, the Audit Committee considers the nature of the related person's interest in the transaction, the material terms of the transaction, the relative importance of the transaction to the related person, the relative importance of the transaction to the Company and any other matters deemed important or relevant. Upon receipt of the Audit Committee's recommendation, the Board of Directors or officers, excluding in all such instances the related party, take such action as deemed appropriate and necessary in light of their respective responsibilities under applicable laws and regulations.

Director Independence

The Board of Directors has determined that, as of the date hereof, each of the following members of our Board of Directors is an "independent director" as defined under the applicable NYSE standards, Commission rules and the Company's Corporate Governance Guidelines: Messrs. Thomas J. Coleman, Ted Kalborg, Øivind Lorentzen and Malcolm McAvity, and Ms. Christina Tan. Therefore, our Board of Directors has satisfied its objective as set forth in the Company's Corporate Governance Guidelines as well as NYSE listing standards, requiring that at least a majority of the Board consist of independent directors. As required under the NYSE listing standards, in making its determinations, our Board of Directors has considered whether any director has a direct or indirect material relationship with us that could compromise his or her ability to exercise independent judgment in carrying out his or her responsibilities. In addition, our Board of Directors considered a series of certain specific transactions, relationships and arrangements expressly enumerated in the NYSE independence definition. Specifically, a member of our Board of Directors may be considered independent if such member:

has not been employed by the Company within the last three years (other than as interim Chairman of the Board of Directors or interim Chief Executive Officer);

does not have an immediate family member who is, or has been, employed by the Company as an executive officer within the last three years;

has not received, and does not have an immediate family member who has received, more than \$120,000 in direct compensation from the Company during any twelve-month period within the last three years, other than for services as a member of the Board of Directors or compensation for prior service (including pension or other forms of deferred compensation for prior service, provided such compensation is not contingent in any way on continued service); provided that, compensation received by a director for former service as an interim Chairman or Chief Executive Officer or other executive officer need not be considered in determining independence under this test; provided further that, compensation received by an immediate family member for service as an employee of the Company (other than an executive officer) need not be considered in determining independence under this test;

(A) is not a current partner or employee of a firm that is the Company's internal or external auditor; (B) does not have an immediate family member who is a current partner of a firm that is the Company's internal or external auditor; (C) does not have an immediate family member who is a current employee of a firm that is the Company's internal or external auditor and personally works on the Company's audit; and (D) is not, and has not been within the last three years, and does not have an immediate family member who is, or has been within the last three years, a partner or employee of a firm that is the Company's internal or external auditor and personally worked on Company's audit within such time;

is not, and has not been within the last three years, and does not have an immediate family member who is, or has been within the last three years, employed as an executive officer of a public company where any of the Company's present executive officers at the same time serves or served as a member of such public company's compensation committee; and

is not, and has not been within the last three years, an employee of a significant customer or supplier of the Company, including any company that has made payments to, or received payments from, the Company for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million, or 2% of such other company's consolidated gross revenues, and does not have an immediate family member who is, or has been within the last three years, an executive officer of such a significant customer or supplier; provided that contributions to not-for-profit organizations shall not be considered payments for purposes of this test.

After careful review of the categorical tests enumerated under the NYSE independence definition, the individual circumstances of each director with regard to each director's business and personal activities and relationships as they may relate to us and our management, the Board has concluded that each of the aforementioned directors has no relationship with the Company that would interfere with such director's exercise of independent judgment in carrying out his responsibilities as a director of the Company.

As part of this responsibility, our Audit Committee pre-approves the audit and non-audit services performed by our independent auditors in order to assure that they do not impair the auditor's independence from the Company.
