Edgar Filing: DIAL THRU INTERNATIONAL CORP - Form PRE 14A

annual report to stockholders for the year ended October 31, 2003 will first be sent to our stockholders on or about October 13, 2004.

Voting and Revocation of Proxies

All properly completed proxies received prior to the Annual Meeting and not revoked will be voted in accordance with your instructions. IF NO SUCH INSTRUCTIONS ARE MADE, THEN PROXIES WILL BE VOTED AS FOLLOWS:

- * FOR THE ELECTION OF THE FIVE NOMINEES FOR DIRECTOR;
- * FOR AMENDING THE COMPANY'S CERTIFICATE OF INCORPORATION TO INCREASE THE AMOUNT OF AUTHORIZED COMMON STOCK; AND
- * FOR THE RATIFICATION OF THE APPOINTMENT OF KBA GROUP LLP TO SERVE AS OUR INDEPENDENT AUDITORS FOR THE 2004 FISCAL YEAR.

If any other matters come before the Annual Meeting, the persons named as proxies will vote upon such matters according to their best judgment.

We encourage the personal attendance of our stockholders at the Annual Meeting. The execution of the accompanying proxy will not affect a stockholder's right to attend the Annual Meeting and to vote in person.

Proxies may be revoked if you:

- * Deliver a signed, written revocation letter, dated any time before the proxy is voted, to Mr. Allen Sciarillo, Secretary, Dial Thru International Corporation, at our principal executive offices, 17383 Sunset Boulevard, Suite 350, Los Angeles, California 90272; or
- * Sign and deliver a proxy, dated later than any previously delivered proxy to the above address; or
- * Attend the meeting and vote in person. Attending the Annual Meeting alone will not revoke your proxy. A revocation letter or a later-dated proxy will not be effective until received by us at or prior to the Annual Meeting.

Securities Entitled to be Voted at the Annual Meeting

Only stockholders of record at the close of business on October 7, 2004 will be entitled to notice of and to vote at the Annual Meeting. On September 16, 2004 we had issued and outstanding 16,272,129 shares of our common stock, \$.001 par value per share. Each share of Common Stock is entitled to one vote on each matter presented to the stockholders.

How Proxies are Solicited

In addition to the solicitation of proxies by use of the mail, we may also use certain officers, directors and regular employees who may solicit the return of proxies by personal interview, mail, telephone, facsimile and/or through the Internet. These persons will not be additionally compensated, but will be reimbursed for out-of-pocket expenses. We will also request brokerage houses and other custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of shares. We will reimburse such persons and the transfer agent for their reasonable out-of-pocket expenses in forwarding such materials. We will bear all costs of the solicitation.

Quorum and Voting Requirements

Edgar Filing: DIAL THRU INTERNATIONAL CORP - Form PRE 14A

The presence, in person or by proxy, of the holders of a majority of the issued and outstanding shares of Common Stock is necessary to constitute a quorum at the Annual Meeting.

Abstentions and broker non-votes are counted for the purposes of determining the presence or absence of a quorum for the transaction of business. Abstentions are counted in the tabulations of votes cast on proposals presented to the stockholders, while broker non-votes are not counted as among the shares entitled to vote with respect to such matters, and thus have the effect of reducing the number of affirmative votes required to approve a proposal and the number of negative votes or abstentions required to block such approval. A broker non-vote is a proxy submitted by a broker that does not indicate a vote for some or all of the proposals because the broker does not have discretionary voting authority and has not received instructions from its client as to how to vote on a particular proposal.

Assuming the presence of a quorum, the affirmative vote of a plurality of the shares of Common Stock represented in person or by proxy at the Annual Meeting, is required to elect our directors. Stockholders may not cumulate their votes in the election of directors. With respect to the approval of the Amendment to the Certificate of Incorporation, the affirmative vote of the majority of shares outstanding is required. All other matters submitted for a vote at the Annual Meeting will be decided by the affirmative vote of a majority of the shares present in person or represented by proxy at the Annual Meeting, except as otherwise provided by law or in our Certificate of Incorporation or Bylaws.

PROPOSAL ONE: ELECTION OF DIRECTORS

Five directors are to be elected at the Annual Meeting, to serve until our next annual meeting of stockholders and until their respective successors are elected and qualified, or until their earlier resignation or removal. All of the nominees listed below currently serve as our directors and were elected to our Board of Directors at our 2003 Annual Meeting of Stockholders. Unless authority to vote for one or more nominees is withheld, the enclosed proxy will be voted FOR the election of all of the nominees listed below. Although the Board of Directors does not contemplate that any of the nominees will be unable to serve, if such a situation arises prior to the Annual Meeting, the persons named in the enclosed proxy will vote for the election of such other person(s) as may be nominated by the Board of Directors.

The following table sets forth certain information regarding each nominee for election as a director and our executive officers.

Meetings of the Board of Directors

The Board of Directors held one meeting during the fiscal year ended October

Edgar Filing: DIAL THRU INTERNATIONAL CORP - Form PRE 14A

31, 2003. The Board of Directors has two standing committees: an Audit Committee and a Compensation Committee. There is no standing nominating committee. Each of the directors attended the meeting of the Board of Directors and all meetings of any committee on which such director served.

Committees of the Board of Directors

Audit Committee

The Audit Committee is comprised of two non-employee directors, Robert M. Fidler and Lawrence Vierra. Nick DeMare served on the Audit Committee through September 19, 2004. The Audit Committee makes recommendations to the Board of Directors or management concerning the engagement of our independent public accountants and matters relating to our financial statements, our accounting principles and our system of internal accounting controls. The Audit Committee also reports its recommendations to the Board of Directors as to the approval of our financial statements. The Audit Committee held two meetings during the fiscal year ended October 31, 2003.

Compensation Committee

The Compensation Committee is comprised of two non-employee directors, Robert M. Fidler and Lawrence Vierra. Nick DeMare served on the Compensation Committee through September 19, 2004. The Compensation Committee is responsible for considering and making recommendations to the Board of Directors regarding executive compensation and is also responsible for administration of our stock option and executive incentive compensation plans. The Compensation Committee held no meetings during the fiscal year ended October 31, 2003.

Nominating Committee

We do not have a standing nominating committee. Due to our company's size and the resulting efficiency of a Board of Directors that is also limited in size, as well as a lack of turnover in our Board of Directors, our Board of Directors has determined that it is not necessary or appropriate at this time to establish a separate Nominating Committee. Potential candidates are discussed by the entire Board of Directors, and director nominees are selected by a majority of the independent directors meeting in executive session. All of the nominees recommended for election to the Board of Directors at the Annual Meeting are directors standing for re-election.

Compensation of Directors

Each of our directors who is not one of our executive officers receives a fee of \$1,500 for each Board meeting attended. Directors are not compensated for attending committee meetings. Our directors also participate in our Company's equity incentive plan and are annually awarded non-qualified stock options for an aggregate of 5,000 shares of our Common Stock for services rendered to our Company as a director.

Vote Required

Directors are elected by a plurality of the votes of the Shares present at the Annual Meeting in person or represented by proxy and entitled to vote on the election of directors.

THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR ALL OF THE NOMINEES.

PROPOSAL TWO: AMENDMENT TO THE CERTIFICATE OF INCORPORATION

Edgar Filing: DIAL THRU INTERNATIONAL CORP - Form PRE 14A

On September 9, 2004, subject to stockholder approval, the Board of Directors authorized an amendment to the Company's Certificate of Incorporation to increase the number of authorized shares of Common Stock from forty-four million one hundred sixty-nine thousand one hundred (44,169,100) shares to eighty-four million one hundred sixty-nine thousand one hundred (84,169,100). If approved by the stockholders, the first paragraph of the Sixth Article of the Company's Certificate of Incorporation would be amended to provide as follows:

The aggregate number of shares of all classes of stock which the corporation shall have authority to issue is ninety-four million one hundred sixty-nine thousand one hundred (94,169,100) shares consisting of (A) eighty-four million one hundred sixty-nine thousand one hundred (84,169,100) shares of common stock, par value \$0.001 per share (the "Common Stock"), and (B) ten million (10,000,000) shares of preferred stock, par value \$0.0001 per share (the "Preferred Stock").

The Company is currently authorized to issue 44,169,100 shares of Common Stock. As of September 16, 2004, 16,272,129 shares of Common Stock were issued and outstanding, 7,269,891 shares were reserved for issuance upon exercise of outstanding stock options, warrants and for options that may be granted in the future under the 2002 Equity Incentive Plan, and 49,245,836 shares were required to be reserved for convertible notes. As the conversion of these notes into shares is based upon the fair value of the shares at the date of conversion, the necessary reserve was calculated using the fair value at September 16, 2004.

The terms of the additional shares of common stock will be identical to those of the currently outstanding shares of common stock. However, because holders of common stock have no preemptive rights to purchase or subscribe for any unissued stock of the Company, the issuance of additional shares of common stock will reduce the current stockholders' percentage ownership interest in the total outstanding shares of common stock. This amendment will not alter the current number of issued shares. The relative rights and limitations of the shares of common stock would remain unchanged under this proposal.

The Board of Directors believes that it is advisable and in the best interest of the Company and its stockholders to have available authorized but unissued shares of common stock in an amount adequate to provide for the current and future financing needs of the Company. The additional shares will be available for issuance from time to time by the Company in the discretion of the Board of Directors, normally without further stockholder action (except as may be required for a particular transaction by applicable law or requirements of regulatory agencies), for any proper corporate purpose including, among other things, future acquisitions of property or securities of other corporations, stock dividends, stock splits, convertible debt financing and equity financings. Other than for current reserve needs, the Company has no present plans, understandings or agreements for the issuance or use of the proposed additional shares of common stock, however, the Board of Directors believes that if an increase in the authorized number of shares of common stock were to be postponed until a specific need arose, the delay and expense incident to obtaining the approval of the Company's stockholders at that time could significantly impair the Company's ability to meet financing requirements or other objectives.

One of the effects of the proposed amendment might be to enable the Board to render it more difficult to, or discourage an attempt to, obtain control of the Company by means of a merger, tender offer, proxy contest or otherwise, and thereby protect the continuity of present management. The Board would, unless prohibited by applicable law, have additional shares of common stock

Edgar Filing: DIAL THRU INTERNATIONAL CORP - Form PRE 14A

available to effect transactions (such as private placements) in which the number of the Company's outstanding shares would be increased and would thereby dilute the interest of any party attempting to gain control of the Company. However, the amendment may encourage persons seeking to acquire the Company to negotiate directly with the Board enabling the Board to consider the proposed transaction in a manner that best serves the stockholders' interests.

Vote Required

The affirmative vote of stockholders having a majority of the outstanding Common Stock entitled to vote at the Annual Meeting is required to approve the amendment of the Certificate of Incorporation of the Company. If Proposal Two is approved by the stockholders, it will become effective on the date the amendment is filed with the Delaware Secretary of State.

THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR APPROVAL OF THE AMENDMENT OF THE CERTIFICATE OF INCORPORATION.

PROPOSAL THREE: RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

Our Audit Committee has appointed the firm KBA Group LLP as our independent auditors for the fiscal year ending October 31, 2004. That appointment has also been confirmed and ratified by our Board of Directors and the Board of Directors recommends that the stockholders ratify the appointment of KBA Group LLP as our Company's independent auditors. Although our Bylaws do not require the ratification of the selection of KBA Group LLP by stockholders, as a matter of good corporate practice, our Board is submitting the selection of KBA Group LLP for stockholder approval. However, even if the stockholders ratify the selection, our Board of Directors, in its discretion, may still direct the appointment of other independent auditors at any time during the year if our Board believes that such change would be in the best interests of our Company and our stockholders.

Changes in Certifying Accountants

On August 2, 2002, we received a letter from the SEC notifying us that our independent auditors, Arthur Andersen LLP, in connection with the winding-down of its business, had notified the SEC that it would be unable to perform future audit services for us effective immediately. We did not receive a copy of this notification directly from Arthur Andersen LLP.

The audit report of Arthur Andersen LLP on our consolidated financial statements as of and for the year ended October 31, 2001, the fiscal year audited by Arthur Andersen LLP, did not contain any adverse opinion or disclaimer of opinion, nor was it qualified or modified as to uncertainty, audit scope or accounting principles, other than a modification as to the uncertainty of our ability to continue as a going concern. In connection with the audit for the most recent fiscal year and through August 7, 2002, there were no disagreements with Arthur Andersen LLP on any matter of accounting principle or practice, financial statement disclosure, or auditing scope or procedure, which disagreements if not resolved to the satisfaction of Arthur Andersen LLP would have caused them to make reference to them in their report on the financial statements for those periods. During the fiscal year ended October 31, 2001 and through August 7, 2002, there were no reportable events (as defined in Item 304(a)(1)(v) of Regulation S-K.

On August 23, 2002, we reengaged King Griffin & Adamson P.C. as our independent public accountants. Our Audit Committee participated in and approved the decision to reengage King Griffin & Adamson P.C. During the

Edgar Filing: DIAL THRU INTERNATIONAL CORP - Form PRE 14A

fiscal year ended October 31, 2001 and through August 23, 2002, we did not consult with King Griffin & Adamson P.C. regarding the following:

- * the application of accounting principles to a specified transaction, either completed or proposed;
- * the type of audit opinion that might be rendered on our financial statements, and in no case was a written report provided to us nor was oral advice provided that we concluded was an important factor in reaching a decision as to an accounting, auditing or financial reporting issue; or
- * any matter that was either the subject of a disagreement, as that term is defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions to Item 304 of Regulation S-K, or a reportable event, as that term is defined in Item 304(a)(1)(v) of Regulation S-K.

On March 6, 2003, King Griffin & Adamson P.C. resigned to allow its successor entity KBA Group LLP to be engaged as our independent public accountants.

The report issued by King Griffin & Adamson P.C. on our financial statements for the fiscal year ended October 31, 2002 did not contain an adverse opinion nor a disclaimer of opinion, and was not qualified or modified as to audit scope or accounting principles. The report issued by King Griffin & Adamson P.C. on our financial statements for the fiscal year ended October 31, 2002 was modified to include an explanatory paragraph describing conditions that raised substantial doubt about our ability to continue as a going concern.

In connection with its audit for the most recent fiscal year and through March 5, 2003, there were no disagreements with King Griffin & Adamson P.C. on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of King Griffin & Adamson P.C., would have caused King Griffin & Adamson P.C. to make reference thereto in their report on the financial statements for such year or such interim periods.

In its letter dated March 10, 2003 to the SEC, King Griffin & Adamson P.C. stated that it agreed with the statements in the preceding three paragraphs. This letter was filed as Exhibit 16 to our Current Report on Form 8-K, filed with the SEC on March 10, 2003.

Our Audit Committee approved the engagement of KBA Group LLP and we engaged KBA Group LLP as our new independent public accountants as of March 6, 2003. As KBA Group LLP is a successor entity to King Griffin & Adamson P.C., the section addressing consultation of the newly engaged independent public accountants is not applicable.

Audit and Non Audit Fees

Audit Fees

The aggregate fees billed by KBA Group LLP for professional services rendered for the audit of the Company's annual financial statements and review of the interim financial statements included in the Company's Forms 10-Q, including services related thereto, were \$94,626 and \$114,166 for the fiscal years ended October 31, 2003 and 2002, respectively. Arthur Andersen LLP, our former independent public accountants, billed us an aggregate \$8,900 as audit fees during the fiscal year ended October 31, 2002.

Edgar Filing: DIAL THRU INTERNATIONAL CORP - Form PRE 14A

Audit-Related Fees

There were no audit-related fees billed by KBA Group LLP during the fiscal years ended October 31, 2003 and 2002.

Tax Fees

The aggregate fees billed by KBA Group LLP for professional services rendered for tax compliance, tax advice and tax planning were \$28,985 and \$14,557 for the fiscal years ended October 31, 2003 and 2002, respectively. The services comprising the fees reported as "Tax Fees" included tax return preparation, review of registration statements, consultation regarding various tax issues and support provided to management in connection with income and other tax audits. Arthur Andersen LLP, our former independent public accountants, billed us an aggregate \$7,000 as tax fees during the fiscal year ended October 31, 2002.

All Other Fees

There were no fees billed by KBA Group LLP for products and services other than those described above for the fiscal years ended October 31, 2003 and 2002.

Policy on Audit Committee Pre-Approval of Audit and Non-Audit Services of Independent Auditor

The Audit Committee's policy will be to pre-approve all audit and allowable non-audit services provided by the independent auditors. These services may include audit services, audit-related services, tax services and other services. The Audit Committee may delegate the authority to grant pre-approval of auditing or allowable non-audit services to one or more members of the Audit Committee. Each pre-approval decision pursuant to this delegation will be presented to the full Audit Committee at its next scheduled meeting for ratification.

Vote Required

The ratification of the appointment of KBA Group LLP as our independent auditors for the fiscal year ending October 31, 2004 requires the affirmative vote of the holders of a majority of the shares of our Common Stock present at the Annual Meeting in person or by proxy and entitled to vote.

THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR RATIFICATION OF THE SELECTION OF KBA GROUP LLP AS OUR INDEPENDENT AUDITORS FOR 2004.

Compliance with Section 16(a) of the Securities Exchange Act of 1934

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors and executive officers and persons who own more than 10% of our Common Stock to file with the Securities and Exchange Commission initial reports of ownership and reports of changes in ownership of our Common Stock and other equity securities. Officers, directors and greater than 10% stockholders are required by SEC regulations to furnish us with copies of all Section 16(a) reports that they file. To our knowledge, based solely on the review of the copies of such reports filed during the fiscal year ended October 31, 2003, all Section 16(a) filing requirements applicable to our officers, directors and greater than 10% beneficial owners were met.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In October 2001, we executed 10% convertible notes with three of our executive officers and directors, who each provided financing to our Company in the aggregate principal amount of \$1,945,958. The Notes were issued as follows: (i) a Note in the principal amount of \$1,745,957 to John Jenkins, our Chief Executive Officer; (ii) a Note in the principal amount of \$100,000 to Allen Sciarillo, our Executive Vice President and Chief Financial Officer; and (iii) a Note in the principal amount of \$100,000 to Larry Vierra, our Director. With an original maturity date of October 24, 2003, these Notes were amended to mature on February 24, 2004, and are now currently due on demand. Each Note is secured by certain of our assets. Each Note was originally convertible at six-month intervals only, but was subsequently amended in November 2002 to provide for conversion into shares of our Common Stock at the option of the holder at any time. The conversion price is equal to the closing bid price of our Common Stock on the last trading day immediately preceding the conversion. We also issued to the

holders of the Notes warrants to acquire an aggregate of 1,945,958 shares of Common Stock at an exercise price of \$0.75 per share, which warrants expire on October 24, 2006.

In January and July 2002, the Notes issued to Mr. Jenkins were amended to include additional advances in the aggregate principal amount of \$402,433. COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee is responsible for implementing, overseeing and administering the Company's overall compensation policy. The basic objectives of that policy are to (a) provide compensation levels that are fair and competitive with peer companies, (b) align pay with performance, and (c) where appropriate, provide incentives which link executive and stockholder interests and long-term corporate objectives through the use of equity-based incentives. Overall, the compensation program is designed to attract, retain and motivate high quality and experienced employees at all levels. The principal elements of executive officer compensation are base pay, bonus and stock options, together with health benefits. The various aspects of the compensation program, as applied to the Company's Named Executive Officers, are outlined below.

Executive officer compensation is, in large part, determined by the individual officer's ability to achieve his or her performance objectives. Each of the Company's Named Executive Officers participates in the development of an annual business strategy from which individual objectives

Edgar Filing: DIAL THRU INTERNATIONAL CORP - Form PRE 14A

are established and performance goals are measured periodically. Initially, the objectives are proposed by the particular officer involved. Those objectives are then determined by the Chief Executive Officer or, in the case of Mr. Jenkins's objectives, by the Board of Directors.

The Compensation Committee did not meet in fiscal 2003. The compensation of our executive officers during the 2003 fiscal year did not change from the previous fiscal year and was continued under compensation arrangements already in place.

Base Pay

Initially, base pay was established at levels that were considered to be sufficient to attract experienced personnel but which would not exhaust available resources. As the Company grows, the compensation focus continues to emphasize other areas of compensation. Executive officers understand that their principal opportunities for substantial compensation lie not in enhanced base salary, but rather through appreciation in the value of previously granted stock options. Thus, base pay has not represented the most critical element of executive officer compensation.

Mr. Jenkins, the Company's President and Chief Operating Officer through September 2001, was promoted to the position of CEO in October 2001. Mr. Jenkins' base pay for fiscal 2001, 2002 and 2003 was established at an amount considered below market in comparison to executive compensation levels for companies of similar size and maturity. The Compensation Committee established, and Mr. Jenkins accepted, below market compensation at the beginning of fiscal 2001, based on a variety of factors, including the performance of the Company, the ability of the Company to obtain funding to support its operational cash flow requirements, and a desire to save the Company the expense of compensation at market levels. The Compensation Committee set Mr. Jenkins' salary at \$100,000 per annum for fiscal 2001 and \$150,000 for fiscal years 2002 and 2003.

Bonus

The Compensation Committee has determined that a cash incentive plan will be implemented when the Company is able to achieve positive operating results.

Stock Options

The Compensation Committee believes that a stock option plan provides capital accumulation opportunities to participants in a manner that fosters the alignment of the participants' interests and risks with the interests and risks of public stockholders. The Compensation Committee further believes that stock options can function to assure the continuing retention and loyalty of employees. Options that have been granted to the Named Executive Officers typically carry three-year vesting schedules. If these officers leave the Company's employ before their options are fully vested, they will lose a portion of the benefits that they might otherwise receive if they remain in the Company's employ for the entire vesting period. Stock option grants have been based upon amounts deemed necessary to attract qualified employees and amounts deemed necessary to retain such employees and to equitably reward high performance employees for their contributions to our development. For most of the Company's executive officers, stock options generally constitute the most substantial portion of the Company's compensation program.

The Compensation Committee believes that an appropriate compensation program can help in fostering competitive operations if the program reflects a suitable balance between providing appropriate awards to key employees while at the same time effectively controlling compensation costs, principally by

Edgar Filing: DIAL THRU INTERNATIONAL CORP - Form PRE 14A

establishing cash compensation at competitive levels and emphasizing supplemental compensation that correlates the performance of individuals, the Company and its Common Stock.
