Each share of preferred stock outstanding on the record date entitles the holder thereof to one vote for each director being elected by the preferred stock (with no cumulative voting permitted) and to one vote on each other matter submitted for a vote of holders of preferred stock.

This proxy statement is first being mailed on or about April 3, 2006. The Fund will bear the cost of the annual meeting and this proxy solicitation.

1. ELECTION OF DIRECTORS

The board of directors of the Fund is responsible for the overall management and operations of the Fund. Directors are divided into three classes and are elected to serve staggered three-year terms. At the meeting, holders of common stock are entitled to elect two directors and holders of preferred stock are entitled to elect one director, in each case to serve until the annual meeting of shareholders in 2009 or until their respective successors are elected and qualified. A plurality of votes cast at the meeting by the common stock as to the directors representing the common stock is necessary to elect such directors. A plurality of votes cast at the meeting by the preferred stock as to the director representing the preferred stock is necessary to elect such director. Abstentions and broker non-votes are counted for purposes of determining whether a quorum is present at the meeting, but will not affect the determination of whether a director candidate has received a plurality of votes cast.

The persons named in the enclosed proxy intend to vote in favor of the election of the persons named below (unless otherwise instructed). Each of the nominees has consented to serve as a director of the Fund, if elected. In case any of the nominees should become unavailable for election for any unforeseen reason, the persons designated in the proxy will have the right to vote for a substitute.

2. APPROVAL OF AMENDMENT AND RESTATEMENT OF THE FUND'S CHARTER TO AMEND CERTAIN PROVISIONS GOVERNING SERIES A, B, C, D AND E OF THE FUND'S REMARKETED PREFERRED STOCK

The board of directors has determined that it is advisable to amend and restate the Fund's charter in order to amend certain provisions of the articles supplementary that define the terms of Series A, B, C, D and E of the Fund's remarketed preferred stock (the "RP Articles Supplementary") and delete the

Edgar Filing: DNP SELECT INCOME FUND INC - Form DEF 14A

articles supplementary that define the terms of Series I of the Fund's remarketed preferred stock (the "Series I Articles Supplementary").

7

REASONS FOR THE PROPOSED AMENDMENT AND RESTATEMENT OF THE FUND'S CHARTER

Under the Fund's charter, authority is expressly granted to the board of directors to authorize the issuance of one or more series of preferred stock and to fix the preferences, conversion or other rights, voting powers, restrictions, limitations as to dividends, qualifications, and terms and conditions of redemptions, of such series. When the board of directors of a Maryland corporation exercises its authority to issue one or more series of preferred stock, the board is required to file articles supplementary with the State of Maryland, setting forth the preferences and other rights, voting powers, restrictions, limitations as to dividends, qualifications and terms and conditions of redemption of such series. Those articles supplementary thereafter constitute part of the corporation's charter.

On November 16, 1988, the Fund filed the RP Articles Supplementary with the State of Maryland, classifying 5,000 shares of the Fund's preferred stock to constitute Series A, B, C, D and E of Remarketed Preferred Stock of the Fund (the "RP"). The Fund issued the RP in order to use the proceeds to increase the assets of the Fund available for investment with the goal of increasing the net investment income available for distribution to the holders of the Fund's common stock, consistent with the Fund's income-oriented objectives. The Fund is generally able to take advantage of favorable interest rate spreads between the dividend rates that it pays on the RP and the interest rates that it receives on investments purchased with the proceeds of the RP.

Also on November 16, 1988, the Fund filed the Series I Articles Supplementary with the State of Maryland, classifying 5,000 shares of the Fund's preferred stock to constitute Series I of Remarketed Preferred Stock of the Fund (the "Series I Stock"). The Series I Stock was designed to be available for issuance by the Fund in exchange for the RP, if the board of directors determined that the Series I Stock would be accorded certain favorable tax treatment. Based on discussions with the IRS, the Fund determined that the Series I Stock would not be granted the desired tax treatment and, accordingly, the RP remained outstanding and no Series I Stock was ever issued.

The RP Articles Supplementary have been amended several times since they were originally filed, most recently in connection with an increase in the maximum dividend rates applicable to the RP in 2003. During the past year, moreover, the preparation of articles supplementary for several series of Auction Preferred Stock that the Fund is planning to issue has highlighted the fact that since 1988, when the RP Articles Supplementary were filed and the RP was issued, industry practice with respect to the terms of remarketed and auction preferred securities has changed considerably, with the result that a number of the provisions in the RP Articles Supplementary are no longer representative of current market practice.

At a meeting of the board of directors held on February 24, 2006, the Fund's management recommended certain changes to the RP Articles Supplementary designed to make them more similar to the provisions governing remarketed and auction preferred securities issued in recent years, and particularly to the provisions included in the articles supplementary for the planned new series of the Fund's auction preferred stock. Prior to and during the meeting, the board of directors requested such information as it deemed necessary to determine whether the changes recommended by management are in the best interest of the Fund and its shareholders. Based upon its review and evaluation of the materials it received and in consideration of all factors it deemed relevant, the board of

Edgar Filing: DNP SELECT INCOME FUND INC - Form DEF 14A

directors concluded that the proposed changes to the RP Articles Supplementary are in the best interest of the Fund and its shareholders.

The board of directors considered the fact that due to the detailed nature of the recommended changes to the RP Articles Supplementary, a technical, line-by-line enumeration of each change could be difficult for

8

shareholders to understand and evaluate. The board of directors therefore concluded that it would be more informative for shareholders to be able to review and vote upon the complete text of the RP Articles Supplementary with all of the proposed changes incorporated. This is referred to under Maryland law as an "amendment and restatement." Because the RP Articles Supplementary became part of the Fund's charter upon their filing, an amendment and restatement of the RP Articles Supplementary can only be accomplished as part of an amendment and restatement of the Fund's entire charter. Accordingly, on March 20, 2006, the board of directors unanimously adopted a resolution setting forth Articles of Amendment and Restatement of the Fund's charter, declaring such amendment and restatement to be advisable, directing that such amendment and restatement be submitted for consideration at the annual meeting of the Fund's shareholders and recommending that all shareholders vote for the approval of such amendment and restatement.

The complete text of the Articles of Amendment and Restatement is set forth as Exhibit A to this proxy statement. The Articles of Amendment and Restatement include the Fund's articles of incorporation, as they have been amended to date, and will not effect any material changes to the Fund's charter, other than to delete certain historical provisions that are no longer current. The Articles of Amendment and Restatement omit the Series I Articles Supplementary, as they are no longer needed for the reasons described above. Finally, the Articles of Amendment and Restatement include the provisions of the RP Articles Supplementary as a new "Article Fourteenth" of the Fund's charter, with the following changes recommended by the Fund's management and board of directors.

ELIMINATION OF THE MASTER PURCHASER'S LETTER

The RP Articles Supplementary provide that each purchaser of shares of RP, in a remarketing or otherwise, is required to sign and deliver a master purchaser's letter, containing an acknowledgment by the purchaser of the details of the remarketing procedures. This requirement is reflective of a time when remarketed preferred securities were novel products and broker-dealers desired assurances that investors understood the remarketing procedures. However, as the market for auction and remarketed securities has developed, auction and remarketing procedures have ceased to be considered a novelty for which broker-dealers desire specific assurances from investors. The remarketing agent for the RP has recently informed the Fund that it is no longer either desirable or practical to require a master purchaser's letter and has requested the Fund's cooperation in eliminating the master purchaser's letter requirement. Currently, few of the investment products that are typically viewed as alternatives to the RP require the collection of any kind of investor purchaser letter. Since the RP still requires the collection of a master purchaser's letter, this creates a risk of diminishing investors' interest in the RP due to the additional administrative burden of executing and delivering the master purchaser's letter. In order to prevent the RP from being at a competitive disadvantage relative to similar investment products, the Articles of Amendment and Restatement will eliminate the master purchaser's letter requirement.

BASIC MAINTENANCE REPORTS AND ANNUAL ACCOUNTANT'S CONFIRMATION

Edgar Filing: DNP SELECT INCOME FUND INC - Form DEF 14A

At all times that the RP has been outstanding, the RP has enjoyed the highest ratings from Moody's Investors Service, Inc. ("Moody's") and Standard & Poor's Ratings Services ("S&P"). As a condition of maintaining these ratings, the RP Articles Supplementary require the Fund to prepare basic maintenance reports on the fifteenth day and the last day of each month. In addition, the terms of the Fund's commercial paper ("CP") program require the Fund to prepare basic maintenance reports on the last business day of each week, so long as any CP notes are outstanding. The basic maintenance reports calculate the discounted value of the Fund's assets, using discount factors supplied by Moody's and S&P, and verify that the discounted value of the Fund's assets meets the basic maintenance tests specified by Moody's and S&P. The RP Articles Supplementary also require the Fund's

9

independent accountants, on a quarterly basis, to review the Fund's basic maintenance report and issue a written confirmation of its accuracy. However, as the market for auction and remarketed securities has developed, the quarterly accountant's confirmation requirement has generally been replaced in the marketplace by an annual accountant's confirmation requirement. In order to align the terms of the RP both with the articles supplementary for the new series of the Fund's auction preferred stock and with current market practice, the Articles of Amendment and Restatement will replace the requirement of a quarterly accountant's confirmation with an annual accountant's confirmation. Requiring only an annual accountant's confirmation will also result in a cost savings for the Fund. In addition, the Articles of Amendment and Restatement will change the required schedule for preparing the basic maintenance reports from the fifteenth and last day of each month to the last business day of each week. This will align the basic maintenance reporting schedule for the RP with the reporting schedule for the CP and will preserve the Fund's eligibility to continue using favorable discount factors to calculate the discounted value of its assets, even if the CP ceases to be outstanding.

FLEXIBILITY TO ADOPT MODIFICATIONS TO RATING AGENCY REQUIREMENTS

A large portion of the RP Articles Supplementary currently consists of a detailed enumeration of the various categories of investments held by the Fund, the discount factors that Moody's and S&P have assigned to each type of asset, the basic maintenance tests that each rating agency requires the discounted value of the Fund's assets to meet and specific restrictions that each rating agency has imposed on the Fund's investment practices. Over time, the rating agencies have modified their guidelines with respect to the foregoing provisions and they are expected to continue to make such modifications in the future. However, since the RP Articles Supplementary are part of the Fund's charter, they can only be amended by a shareholder vote. The cost of seeking shareholder approval for changes to the RP Articles Supplementary whenever the rating agencies modify their guidelines must be borne by the Fund, and ultimately the shareholders. To avoid the costs entailed by amending the Fund's charter whenever the rating agencies modify their guidelines, the articles supplementary for the Fund's new series of auction preferred stock take a new approach, which is permitted by Maryland law: rather than making the provisions that are dependent on rating agency guidelines part of the articles supplementary, such provisions are set forth in separate documents, entitled "Moody's Guidelines" or "Standard & Poor's Guidelines," as applicable. The "Moody's Guidelines" and "Standard & Poor's Guidelines" may be amended from time to time by the Fund's board of directors, with the concurrence of the applicable rating agency. In order to enable the Fund to benefit from this approach with respect to both the RP and the new series of auction preferred stock, the Articles of Amendment and Restatement will remove all of the rating agency-specific provisions from the Fund's charter and will instead refer to the provisions contained in the separate documents entitled "Moody's Guidelines" and "Standard & Poor's

Edgar Filing: DNP SELECT INCOME FUND INC - Form DEF 14A

Guidelines." In addition to saving costs for the Fund, this will also ensure that the same rating agency-specific provisions apply to both the RP and the new series of auction preferred stock. The "Moody's Guidelines" and "Standard & Poor's Guidelines" are included as exhibits to the Fund's Registration Statement on Form N-2 for the auction preferred stock (Registration No. 333-130590), which is available electronically at the SEC's Internet web site, <http://www.sec.gov>.

ELIMINATION OF CERTIFICATE OF MINIMUM LIQUIDITY

The RP Articles Supplementary currently require the Fund to deliver a certificate of minimum liquidity on the fifteenth day and the last day of each month, demonstrating that the Fund has liquid assets at least equal to the amount of cumulative dividends payable on the RP at the next dividend payment date. The Fund believes that this requirement is reflective of a time when remarketed preferred securities were novel products, and that as the market for auction and remarketed securities has developed, the requirement to prepare a certificate of

10

minimum liquidity twice monthly is no longer representative of the marketplace. The articles supplementary for the new series of the Fund's auction preferred stock do not include such a requirement. In connection with the elimination of the certificate of minimum liquidity requirement, it is important to note that the Fund is not permitted to pay any dividend or other distribution with respect to its common stock unless full cumulative dividends on shares of its preferred stock have been declared and paid or have been declared and sufficient funds for the payment thereof deposited with the paying agent for the preferred stock. In light of this priority enjoyed by the Fund's preferred stock, the Fund's management does not believe that a certificate of minimum liquidity should continue to be required. Accordingly, the Articles of Amendment and Restatement will eliminate the requirement that the Fund deliver a certificate of minimum liquidity on the fifteenth day and the last day of each month.

ADJUSTMENT OF LANGUAGE TO INCLUDE OTHER PREFERRED STOCK OF THE FUND

The original RP Articles Supplementary expressly provide that no vote of the holders of RP is required to authorize the creation and issuance of other series of preferred stock ranking on a parity with or junior to the RP, unless such issuance would cause the Fund not to satisfy the 1940 Act RP Asset Coverage or the RP Basic Maintenance Amount (each as defined in the RP Articles Supplementary). The new series of the Fund's auction preferred stock will rank on a parity with the RP with respect to payment of dividends and the distribution of assets upon liquidation and, giving effect to the issuance of the auction preferred stock, the Fund will continue to satisfy the 1940 Act RP Asset Coverage and the RP Basic Maintenance Amount. Therefore, no vote of the holders of RP is required to authorize the creation and issuance of the auction preferred stock. However, in light of the issuance of the auction preferred stock, the Fund believes that references in the RP Articles Supplementary to "Other RP" (currently defined to include only future issuances of remarketed preferred stock) should be expanded to include all future issuances of any type of preferred stock, not just remarketed preferred stock. In particular, the Fund believes it is appropriate for all of the Fund's outstanding preferred stock, including both the RP and the auction preferred stock, to be used in the calculation of the Fund's basic maintenance coverage ratios. Accordingly, the Articles of Amendment and Restatement will replace references to "Other RP" with more inclusive references to "Other Preferred Stock."

OTHER CHANGES

The Articles of Amendment and Restatement also reflect a number of minor

Edgar Filing: DNP SELECT INCOME FUND INC - Form DEF 14A

changes to the RP Articles Supplementary. The name of the Fund, which has changed since the RP Articles Supplementary were filed in 1988, will be updated. References to S&P will be updated to reflect the fact that S&P is now a division of The McGraw-Hill Companies, Inc. References to the paying agent for the RP will be updated to refer to The Bank of New York, which currently acts in that capacity. References to the designation of substitute rating agencies that would provide ratings of the RP in the event that Moody's or S&P ever cease to rate the RP will be updated to provide for the Fund's board of directors to adopt a "Guidelines" document embodying the guidelines of any substitute rating agency that is so designated. Finally, provisions relating to the potential exchange of the RP for Series I Stock of the Fund will be deleted, as such provisions are no longer applicable.

PROVISIONS OF THE RP THAT WILL NOT BE ALTERED BY THE ARTICLES OF AMENDMENT AND RESTATEMENT

It is important to note that the following provisions of the RP Articles Supplementary will not be altered by the Articles of Amendment and Restatement:

- o priority of the RP over the Fund's common stock,
- o dividend rights of holders of the RP,

11

- o rights of holders of the RP to receive distributions of the Fund's assets in liquidation, o provisions governing redemption of the RP,
- o the right of the holders of the RP to elect two directors of the Fund (and a majority of directors of the Fund during certain periods when dividends on the RP are in arrears),
- o the right of the holders of the RP to vote together with the holders of the Fund's common stock on all other matters submitted to a vote of shareholders of the Fund, and
- o the right of the holders of the RP to vote as a separate class on matters specifically affecting them and on fundamental changes in investment policy

VOTE REQUIRED TO APPROVE THE ARTICLES OF AMENDMENT AND RESTATEMENT

The Articles of Amendment and Restatement will require the approval of (i) the holders of a majority of the Fund's outstanding shares of common stock and preferred stock, voting as a single class, and (ii) the holders of two-thirds of the Fund's outstanding shares of preferred stock, voting separately as a class. Abstentions and broker non-votes are counted for purposes of determining whether a quorum is present at the meeting, and will also have the effect of a vote "against" the Articles of Amendment and Restatement.

WHEN THE ARTICLES OF AMENDMENT AND RESTATEMENT WOULD BECOME EFFECTIVE

If approved by the Fund's shareholders, the Articles of Amendment and Restatement would become effective as of the date when they are filed with the State Department of Assessments and Taxation of the State of Maryland or as of such other date as set forth in the Articles of Amendment and Restatement, not to exceed 30 days after the Articles of Amendment and Restatement are filed with the Department. It is expected that the Articles of Amendment and Restatement, if approved by the shareholders, would be filed as soon as practicable following the date of the annual meeting. The exact timing of the filing, however, would be determined by the Fund, and the Fund reserves the right to delay the filing

Edgar Filing: DNP SELECT INCOME FUND INC - Form DEF 14A

for up to six months following shareholder approval. In addition, the Fund reserves the right, notwithstanding shareholder approval and without further action by the shareholders, to elect not to proceed with the charter amendments if, at any time prior to the effective time, the board of directors, in its sole discretion, determines that the amendments are no longer in the best interests of the Fund or its shareholders.

If, as permitted by the Fund's charter and Maryland law, the board of directors authorizes one or more additional series of preferred stock and articles supplementary are filed with respect to such series with the State of Maryland and become effective after the record date for this meeting but before the filing and effectiveness of the Articles of Amendment and Restatement, then the terms of such additional series of stock will be incorporated into a new "Article Fifteenth" of the Articles of Amendment and Restatement so that upon filing they will include all provisions of the Fund's charter as then in effect.

RECOMMENDATION OF THE BOARD OF DIRECTORS

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE PROPOSAL TO AMEND AND RESTATE THE FUND'S CHARTER AS SET FORTH IN THE ARTICLES OF AMENDMENT AND RESTATEMENT ATTACHED AS EXHIBIT A TO THIS PROXY STATEMENT.

OTHER BUSINESS

Management is not aware of any other matters that will come before the meeting. If any other business should come before the meeting, however, your proxy, if signed and returned, will give discretionary authority to the persons designated in it to vote according to their best judgment.

OTHER INFORMATION

THE ADVISER AND PHOENIX INVESTMENT PARTNERS. Duff & Phelps Investment Management Co. serves as the Fund's investment adviser under an investment advisory agreement (the "Advisory Agreement") dated May 1, 1998. The Adviser is a wholly-owned subsidiary of Phoenix Investment Partners, which is an indirect, wholly-owned subsidiary of The Phoenix Companies, Inc. The address of the Adviser is 55 East Monroe Street, Chicago, Illinois 60603.

The Adviser (together with its predecessor) has been in the investment advisory business for more than 70 years and as of December 31, 2005, had approximately \$6.1 billion in client accounts under discretionary management, excluding the Fund.

Under the terms of the Advisory Agreement, the Adviser furnishes continuing investment supervision to the Fund and is responsible for the management of the Fund's portfolio, subject to the overall control of the board of directors of the Fund. Currently, the Adviser has ten professionals (i.e., research analysts and portfolio managers), along with support staff, assigned to the operation of the Fund. Eight of the ten professionals have the CFA (Chartered Financial Analyst) designation and one is a CPA (Certified Public Accountant). The Adviser furnishes, at its own expense, office space, equipment and personnel to the Fund in connection with the performance of its investment management responsibilities, and pays all other expenses incurred by it in connection with managing the assets of the Fund not payable by the Fund's administrator pursuant to the administration agreement. The Advisory Agreement also includes the conditions under which the Fund may use any name derived from or similar to "Duff & Phelps." For its services the Adviser receives from the Fund a quarterly management fee, payable out of the Fund's assets, at an annual rate of 0.60 of 1% of the average weekly net assets of the Fund up to \$1.5

Edgar Filing: DNP SELECT INCOME FUND INC - Form DEF 14A

billion and 0.50 of 1% of average weekly net assets in excess of \$1.5 billion. For purposes of calculating the management fee, the Fund's net assets are defined as the sum of (i) the aggregate net asset value of the Fund's common stock, (ii) the aggregate liquidation preference of the Fund's preferred stock and (iii) the aggregate proceeds of commercial paper issued by the Fund. The management fee paid by the Fund to the Adviser for 2005 was \$14,771,365.

Except for the expenses borne by the Adviser and the Administrator (as described below) pursuant to their respective agreements with the Fund, the Fund pays all expenses incurred in its operations, including, among other things, expenses for legal, accounting and auditing services, taxes, interest, costs of printing and distributing shareholder reports, proxy materials, prospectuses and stock certificates, charges of custodians, registrars, transfer agents, dividend disbursing agents, dividend reinvestment plan agents and remarketing agents, Securities and Exchange Commission fees, fees and expenses of non-interested directors, insurance, brokerage costs, litigation and other extraordinary or non-recurring expenses.

The Fund is also a party to a service agreement dated May 1, 1998 (the "Service Agreement") with the Adviser and Phoenix Investment Partners. Under the terms of the Service Agreement, Phoenix Investment Partners

13

makes available to the Adviser the services of its employees and various facilities to enable the Adviser to perform certain of its obligations to the Fund. However, the obligation of performance under the Advisory Agreement is solely that of the Adviser, for which Phoenix Investment Partners assumes no responsibility, except as described in the preceding sentence. The Adviser reimburses Phoenix Investment Partners for any costs, direct or indirect, that are fairly attributable to the services performed and the facilities provided by Phoenix Investment Partners under the Service Agreement. The Fund does not pay any fees pursuant to the Service Agreement.

The Advisory Agreement and the Service Agreement both provide that the Adviser shall not be liable to the Fund or its shareholders for any loss suffered as a consequence of any act or omission of the Adviser or Phoenix Investment Partners, as the case may be, in connection with the respective agreements except by reason of its willful misfeasance, bad faith or gross negligence in the performance of its duties or by reason of reckless disregard of its obligations under the Advisory Agreement.

At the annual meeting held on April 29, 1998, the Fund's shareholders approved the Advisory Agreement for a two-year term beginning on May 1, 1998 and ending on April 30, 2000. At a meeting held on October 17, 1997, the Board of Directors of the Fund, including all of the directors who were not interested persons of the Fund or Phoenix Investment Partners in attendance at the meeting voting separately as a class, approved the Service Agreement for a two-year term beginning on May 1, 1998 and ending on April 30, 2000, contingent on the above-referenced approval of the Advisory Agreement by the shareholders of the Fund. Unless earlier terminated as described below, the Advisory Agreement and the Service Agreement may be continued from year to year, if approved annually (i) by a majority of the directors of the Fund who are not interested persons of the Fund or the Adviser, in the case of the Advisory Agreement, or Phoenix Investment Partners, in the case of the Service Agreement, and (ii) by either the board of directors of the Fund or the holders of a majority of the outstanding shares of the Fund as defined in the 1940 Act. A majority of the outstanding shares of the Fund as defined in the 1940 Act means the following vote of the common stock and the preferred stock voting together as a single class: (i) 67% of the shares represented at a meeting at which more than 50% of the outstanding shares are represented; or (ii) more than 50% of the outstanding

Edgar Filing: DNP SELECT INCOME FUND INC - Form DEF 14A

shares. At meetings held on January 26, 2000, February 23, 2001, February 22, 2002, February 21, 2003, February 20, 2004, February 18, 2005 and February 24, 2006, the Board of Directors of the Fund, including all of the directors of the Fund who were not interested persons of the Fund or the Adviser, in the case of the Advisory Agreement, or Phoenix Investment Partners, in the case of the Service Agreement, in attendance at the meeting voting separately as a class, voted to continue the Advisory Agreement and the Service Agreement for an additional one-year term. Accordingly, the term of these agreements currently extends to April 30, 2007.

The Advisory Agreement may be terminated without penalty on 60 days' written notice by any party thereto or by a vote of the shareholders of the Fund and would terminate automatically if it were assigned by any party. If the Advisory Agreement were terminated, shareholder approval would be required to enter into a new agreement. The Service Agreement may be terminated without penalty on 60 days' written notice by any party thereto and would terminate automatically if it were assigned by any party unless a majority of the Fund's board of directors, including a majority of the directors who are not interested persons of the Fund or Phoenix Investment Partners, approves continuation of the Service Agreement.

THE ADMINISTRATOR. J.J.B. Hilliard, W.L. Lyons, Inc. serves as the Fund's administrator (the "Administrator") under an administration agreement (the "Administration Agreement") dated May 1, 1998. The Administrator (together with its predecessors) has been engaged in the investment business as a securities broker-dealer and

14

investment adviser since 1854. It also serves as administrator and investment adviser to Hilliard-Lyons Government Fund, Inc., a money market mutual fund, and as investment adviser to Senbanc Fund, an open-end mutual fund. The Administrator is a wholly-owned subsidiary of The PNC Financial Services Group, Inc. Its principal address is Hilliard Lyons Center, Louisville, Kentucky 40202.

Under the terms of the Administration Agreement, the Administrator provides all management and administrative services required in connection with the operation of the Fund not required to be provided by the Adviser pursuant to the Advisory Agreement, as well as the necessary office facilities, equipment and personnel to perform such services. For its services the Administrator receives from the Fund a quarterly fee at annual rates of 0.25 of 1% of the Fund's average weekly net assets up to \$100 million, 0.20 of 1% of the Fund's average weekly net assets from \$100 million to \$1.0 billion, 0.10 of 1% of average weekly net assets in excess of \$1.0 billion. For purposes of calculating the administrative fee, the Fund's net assets are defined as the sum of (i) the aggregate net asset value of the Fund's common stock, (ii) the aggregate liquidation preference of the Fund's preferred stock and (iii) the aggregate proceeds of commercial paper issued by the Fund. The total administrative fee paid by the Fund to the Administrator for 2005 was \$3,704,273.

The Administration Agreement provides that the Administrator shall not be liable to the Fund or its shareholders for any loss suffered as a consequence of any act or omission of the Administrator in connection with the agreement except by reason of its willful misfeasance, bad faith or gross negligence in the performance of its duties or by reason of reckless disregard of its obligations under the agreement.

At a meeting held on October 17, 1997, the board of directors of the Fund, including all of the directors who were not interested persons of the Fund or the Administrator in attendance at the meeting voting separately as a class, approved the Administration Agreement for a two-year term beginning on May 1,

Edgar Filing: DNP SELECT INCOME FUND INC - Form DEF 14A

1998 and ending on April 30, 2000, contingent on approval of the Advisory Agreement by the shareholders of the Fund (which approval was granted at the annual meeting held on April 29, 1998). Unless earlier terminated as described below, the Administration Agreement may be continued from year to year, if approved annually (i) by a majority of the directors of the Fund who are not interested persons of the Fund or the Administrator and (ii) by either the board of directors of the Fund or the holders of a majority of the outstanding shares of the Fund as defined in the 1940 Act. The Administration Agreement may be terminated without penalty on 60 days' written notice by any party thereto or by a vote of the shareholders of the Fund. At meetings held on January 26, 2000, February 23, 2001, February 22, 2002, February 21, 2003, February 20, 2004, February 18, 2005 and February 24, 2006, the Board of Directors of the Fund, including all of the directors of the Fund who were not interested persons of the Fund or the Administrator in attendance at the meeting voting separately as a class, voted to continue the Administration Agreement for an additional one-year term. Accordingly, the term of this agreement currently extends to April 30, 2007.

PORTFOLIO TRANSACTIONS. The Adviser has discretion to select brokers and dealers to execute portfolio transactions initiated by the Adviser and to select the markets in which such transactions are to be executed. In executing portfolio transactions and selecting brokers or dealers, the primary responsibility of the Adviser is to seek the best combination of net price and execution for the Fund. The Fund ordinarily purchases securities in the primary markets, and in assessing the best net price and execution available to the Fund, the Adviser considers all factors it deems relevant, including the breadth of the market in the security, the price of the security, the financial condition and execution capability of the broker or dealer and the reasonableness of the commission, if any (for the specific transaction and on a continuing basis).

15

In selecting brokers or dealers to execute particular transactions and in evaluating the best net price and execution available, the Adviser is authorized to consider "brokerage and research services" (as those terms are defined in Section 28(e) of the Securities Exchange Act of 1934 (the "1934 Act")), statistical quotations, specifically the quotations necessary to determine the Fund's net asset value, and other information provided to the Fund and/or the Adviser (or their affiliates). The Adviser is also authorized to cause the Fund to pay to a broker or dealer who provides such brokerage and research services a commission for executing a portfolio transaction which is in excess of the amount of commission another broker or dealer would have charged for effecting that transaction. The Adviser must determine in good faith, however, that such commission was reasonable in relation to the value of the brokerage and research services provided, viewed in terms of that particular transaction or in terms of all the accounts over which the Adviser exercises investment discretion. The Adviser does not engage brokers whose commissions it believes to be unreasonable in relation to services provided. It is possible that certain of the services received by the Adviser attributable to a particular transaction will benefit one or more other accounts for which investment discretion is exercised by the Adviser.

The Advisory Agreement requires the Adviser to provide fair and equitable treatment to the Fund in the selection of portfolio investments and the allocation of investment opportunities between the Fund and the Adviser's other investment management clients, but does not obligate the Adviser to give the Fund exclusive or preferential treatment. It is likely that from time to time the Adviser may make similar investment decisions for the Fund and its other clients. In some cases, the simultaneous purchase or sale of the same security by the Fund and another client of the Adviser could have a detrimental effect on

Edgar Filing: DNP SELECT INCOME FUND INC - Form DEF 14A

the price or volume of the security to be purchased or sold, as far as the Fund is concerned. In other cases, coordination with transactions for other clients and the ability to participate in volume transactions could benefit the Fund.

Although the Fund purchases securities for investment income or capital appreciation, or both, and not for short-term trading profits, it may dispose of securities without regard to the time they have been held when such action appears advisable to the Adviser.

During 2005, the Fund paid brokerage commissions aggregating \$799,719 in connection with its portfolio transactions, not including the gross underwriting spread on securities purchased in underwritten public offerings or the spread in over-the-counter transactions with firms acting as principal.

SHAREHOLDERS. The following table shows shares of common stock of the Fund as to which each director, and all directors and officers of the Fund as a group, had or shared power over voting or disposition at December 31, 2005. The directors and officers of the Fund owned no shares of the Fund's remarketed preferred stock. Shares are held with sole power over voting and disposition except as noted. The shares of common stock held by each of the persons listed below and by all directors and officers as a group represented less than 1% of the outstanding common stock.

	SHARES OF COMMON STOCK

Connie K. Duckworth (1)	10,000
Robert J. Genetski	10,000
Francis E. Jeffries (2)	37,775

Christian H. Poindexter (1)	10,000

Carl F. Pollard	40,000
David J. Vitale	5,250
Directors and officers as a group (14 persons) (1)(2) ...	198,078

 (1) Ms. Duckworth, Ms. Lampton and Mr. Poindexter had shared power to vote and/or dispose of 10,000, 51,200 and 10,000, respectively, of the shares listed. The directors and officers had shared power to vote and/or dispose of 84,966, in the aggregate, of the shares listed as owned by the directors and officers as a group.

(2) Mr. Jeffries, Ms. Lampton and Mr. Vitale disclaim beneficial ownership of 9,205, 51,200 and 4,250, respectively, of the shares listed. The directors and officers disclaim beneficial ownership of 78,421 in the aggregate, of the shares listed as owned by the directors and officers as a group.

At March 27, 2006, no person was known by the Fund to own beneficially 5% or more of the outstanding shares of the Fund (as determined in accordance with Rule 13d-3 under the 1934 Act).

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE. Section 16(a) of the 1934 Act requires the Fund's officers and directors, and persons who own more than 10% of a registered class of the Fund's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission and the New York Stock Exchange. Officers, directors and greater than 10% shareholders are required by Securities and Exchange Commission regulations

Edgar Filing: DNP SELECT INCOME FUND INC - Form DEF 14A

to furnish the Fund with copies of all Section 16(a) forms they file. Based solely on a review of the copies of Section 16(a) forms furnished to the Fund, or written representations that no Forms 5 were required, the Fund believes that during 2005 all Section 16(a) filing requirements applicable to its officers, directors and greater than 10% beneficial owners were complied with, except that the Adviser was one day late in filing a Form 3 for George R. Aylward, a director of the Adviser.

REPORT OF THE AUDIT COMMITTEE. The audit committee is composed of four directors and acts under a written charter that was originally adopted by the board of directors on April 25, 2000 and was most recently amended on August 25, 2005. A copy of the charter is attached as Exhibit B to this proxy statement. A copy of the charter is also available on the Fund's website at www.dnpselectincome.com and in print to any shareholder who requests it. Each of the members of the audit committee is independent as defined in the listing standards of the New York Stock Exchange. In connection with the audit of the Fund's 2005 audited financial statements, the audit committee: (1) reviewed and discussed the Fund's 2005 audited financial statements with management, (2) discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as modified or supplemented, (3) received and reviewed the written disclosures and the letter from the independent registered public accounting firm required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as modified or supplemented, and (4) discussed with the independent registered public accounting firm its independence from the Fund and its management. Based on the foregoing reviews and discussions, the audit committee recommended to the board of directors that the Fund's audited financial statements be included in the Fund's Annual Report to Shareholders for filing with the Securities and Exchange Commission.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM. The 1940 Act requires that the Fund's independent registered public accounting firm be selected by the vote, cast in person, of a majority of the members of the board of directors who are not interested persons of the Fund. In addition, the listing standards of the New York Stock Exchange vest the audit committee, in its capacity as a committee of the board of directors, with responsibility for the appointment, compensation, retention and oversight of the work of the Fund's independent registered public accounting firm. In accordance with the foregoing provisions, the firm of Ernst & Young LLP ("Ernst & Young"), which has served as the Fund's independent public accountants since June 12, 2002, has been selected as independent registered public accounting firm of the Fund to perform the audit of the financial books and records of the Fund for the year ending December 31, 2006. A representative of Ernst & Young is expected to be present at the meeting of shareholders and will be available to respond to appropriate questions and have an opportunity to make a statement if the representative so desires.

AUDIT AND NON-AUDIT FEES. The following table sets forth the aggregate audit and non-audit fees billed to the Fund for each of the last two fiscal years for professional services rendered by the Fund's principal accountant.

Edgar Filing: DNP SELECT INCOME FUND INC - Form DEF 14A

	FISCAL YEAR ENDED DECEMBER 31, 2005	FISCAL YEAR ENDED DECEMBER 31, 2004
	-----	-----
Audit Fees (1)	\$71,600	\$60,000
Audit-Related Fees (2) (6)	24,400	23,000
Tax Fees (3) (6)	73,700	74,000
All Other Fees (4) (6)	0	0
Aggregate Non-Audit Fees (5) (6) ...	98,100	97,000

-
- (1) Audit Fees are fees billed for professional services rendered by the Fund's principal accountant for the audit of the Fund's annual financial statements and for services that are normally provided by the accountant in connection with statutory and regulatory filings or engagements.

 - (2) Audit-Related Fees are fees billed for assurance and related services by the Fund's principal accountant that are reasonably related to the performance of the audit of the Fund's financial statements and are not reported under the caption "Audit Fees." In both years shown in the table, such services consisted of performance of quarterly agreed-upon procedures relating to the Fund's preferred stock and commercial paper.

 - (3) Tax Fees are fees billed for professional services rendered by the Fund's principal accountant for tax compliance, tax advice and tax planning. In the year ended December 31, 2004, such services consisted of preparation of the Fund's annual federal and state income tax returns and excise tax returns (for a fee of \$12,000) and one extraordinary item: consulting work regarding the tax treatment of contingent payment debt and trust preferred instruments (for a fee of \$62,000). In the year ended December 31, 2005, such services consisted of preparation of the Fund's annual federal and state income tax returns and excise tax returns (for a fee of \$12,700) and three extraordinary items: consultation regarding an application for an IRS private letter ruling (for a fee of \$26,000) and consulting work regarding the tax treatment of contingent payment debt and trust preferred instruments (for a fee of \$35,000).

 - (4) All Other Fees are fees billed for products and services provided by the Fund's principal accountant, other than the services reported under the captions "Audit Fees," "Audit-Related Fees" and "Tax Fees."

 - (5) Aggregate Non-Audit Fees are fees billed by the Fund's accountant for services rendered to the Fund, the

18

Adviser and any entity controlling, controlled by or under common control with the Adviser that provides ongoing services to the Fund. During both years shown in the table, no portion of such fees related to services rendered by the Fund's accountant to the Adviser or to any entity controlling, controlled by or under common control with the Adviser that provides ongoing services to the Fund.

- (6) No portion of these fees was approved by the audit committee after the beginning of the engagement pursuant to the waiver of the pre-approval requirement for certain de minimis non-audit services described in Section 10A of the 1934 Act and applicable regulations.

PRE-APPROVAL OF AUDIT AND NON-AUDIT SERVICES. Each engagement of the Fund's independent registered public accounting firm to render audit or

Edgar Filing: DNP SELECT INCOME FUND INC - Form DEF 14A

non-audit services to the Fund is either (i) pre-approved by the Fund's audit committee or the chairman of the audit committee, to whom the committee has delegated the authority to grant such pre-approvals between scheduled meetings of the committee, or (ii) entered into pursuant to pre-approval policies and procedures established by the audit committee. A copy of the audit committee's pre-approval policies and procedures is attached as Exhibit C to this proxy statement. The Fund's audit committee is also required to pre-approve its accountant's engagements for non-audit services rendered to the Adviser and any entity controlling, controlled by or under common control with the Adviser that provides ongoing services to the Fund, if the engagement relates directly to the operations and financial reporting of the Fund. In deciding whether to grant pre-approval for such non-audit services, the audit committee or the chairman of the audit committee, as the case may be, considers whether the provision of such non-audit services is compatible with maintaining the independence of the Fund's accountants.

NOMINATION OF DIRECTORS. The nominating/corporate governance committee is composed of three directors and acts under a written charter that was adopted by the board of directors on February 21, 2003 and most recently amended on February 24, 2006. A copy of the charter is available on the Fund's website at www.dnpselectincome.com. None of the members of the nominating/corporate governance committee are "interested persons" of the Fund as defined in section 2(a)(19) of the 1940 Act. In identifying potential director nominees, the nominating/corporate governance committee considers candidates recommended by one or more of the following sources: the Fund's current directors, the Fund's officers, the Fund's shareholders and any other source the committee deems appropriate. The committee may, but is not required to, retain a third-party search firm at the Fund's expense to identify potential candidates. Shareholders wishing to recommend candidates to the nominating/corporate governance committee should submit such recommendations to the Secretary of the Fund, who will forward the recommendations to the committee for consideration. In evaluating potential director nominees, including nominees recommended by shareholders, the nominating/corporate governance committee considers such qualifications and skills as it deems relevant but does not have any specific minimum qualifications that must be met by a nominee. The committee considers, among other things:

- o whether the candidate will qualify as a director who is not an "interested person" of the Fund;
- o the absence of any real or apparent conflict of interest that would interfere with the candidate's ability to act in the best interests of the Fund and its shareholders;
- o the contribution that the candidate can make to the board of directors by virtue of his or her education, business experience and financial expertise;
- o the interplay of the candidate's skills and experience with the skills and experience of other board members;

19

- o whether the candidate is willing to commit the time necessary to attend meetings and fulfill the responsibilities of a director; and

SHAREHOLDER COMMUNICATIONS WITH THE BOARD OF DIRECTORS. The board of directors has adopted the following procedures for shareholders to send communications to the board of directors. Shareholders may mail written communications to the full board, to committees of the board or to specified individual directors in care of the Secretary of the Fund, 55 East Monroe Street, Suite 3600, Chicago, Illinois 60603. All shareholder communications received by the Secretary will be forwarded promptly to the full board, the relevant board committee or the specified individual directors, as applicable, except that the Secretary may, in good faith, determine that a shareholder communication should not be so forwarded if it does not reasonably relate to the Fund or its operations, management, activities, policies, service providers, board, officers, shareholders or other matters relating to an investment in the Fund or is purely ministerial in nature. Each of the Fund's directors is encouraged to attend the annual meeting of shareholders. All of the Fund's directors attended the May 23, 2005 annual meeting of shareholders.

SHAREHOLDER PROPOSALS. Any shareholder proposal to be considered for inclusion in the Fund's proxy statement and form of proxy for the 2007 annual meeting of shareholders should be received by the Secretary of the Fund no later than December 7, 2006. Under the circumstances described in, and upon compliance with, Rule 14a-4(c) under the 1934 Act, the Fund may solicit proxies in connection with the 2007 annual meeting which confer discretionary authority to vote on any shareholder proposals of which the Secretary of the Fund does not receive notice by February 17, 2007.

SOLICITATION OF PROXIES. Proxies will be solicited by mail. Proxies may be solicited by Fund personnel personally or by telephone, telegraph or mail, but such persons will not be specially compensated for such services. The Fund will inquire of any record holder known to be a broker, dealer, bank or other nominee as to whether other persons are the beneficial owners of shares held of record by such persons. If so, the Fund will supply additional copies of solicitation materials for forwarding to beneficial owners, and will make reimbursement for reasonable out-of-pocket costs. In addition, the Fund may hire a proxy solicitor to assist the Fund in the solicitation of proxies at a fee of approximately \$20,000, plus out-of-pocket expenses.

GENERAL. A list of shareholders entitled to be present and vote at the annual meeting will be available at the offices of the Fund, 55 East Monroe Street, Suite 3600, Chicago, Illinois 60603, for inspection by any shareholder during regular business hours for ten days prior to the date of the meeting.

Failure of a quorum to be present at the annual meeting will necessitate adjournment and will give rise to additional expense.

ALL STOCKHOLDERS ARE REQUESTED TO SIGN, DATE AND MAIL PROXIES PROMPTLY IN THE RETURN ENVELOPE PROVIDED.

21

of common stock, \$.001 par value per share ("common stock"), and of 100,000,000 shares of preferred stock, \$.001 par value per share ("preferred stock"). Five thousand shares of preferred stock have been further designated as shares of Remarketed Preferred Stock, as set forth in Article Fourteenth.

The preferences, conversion and other rights, voting powers, restrictions, limitations as to dividends, qualifications, and terms and conditions of redemption, of the common stock and the preferred stock (other than the Remarketed Preferred Stock, the preferences, conversion and other rights, voting

Edgar Filing: DNP SELECT INCOME FUND INC - Form DEF 14A

powers, restrictions, limitations as to dividends, qualifications, and terms and conditions of redemption of which are set forth in Article Fourteenth) are as follows:

A. COMMON STOCK

1. DIVIDENDS. Subject to law and to the preferences of the preferred stock, the holders of the common stock shall be entitled to receive dividends at such time and in such amounts as may be determined by the board of directors.

2. VOTING. Except as provided by law and in or pursuant to this Article Fourth, the holders of the common stock shall have one vote for each share on each matter submitted to a vote of the stockholders of the Corporation.

3. LIQUIDATION. In the event of any liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary, after payment or provision for payment of the debts and other liabilities of the Corporation and the preferential amounts to which the holders of the preferred stock shall be entitled upon liquidation, the holders of the common stock shall be entitled to share in the remaining assets of the Corporation according to their respective interests.

B. PREFERRED STOCK

1. AUTHORITY OF THE BOARD OF DIRECTORS TO ISSUE IN SERIES. The preferred stock may be issued from time to time in one or more series. All shares of any one series of preferred stock shall be identical except as to the respective dates of their issue, the dates from which dividends on shares of the series issued on different dates shall cumulate, dividend rates, dividend periods and dividend payment dates. Subject to the charter, authority is expressly granted to the board of directors to authorize the issue of one or more series of preferred stock, and to fix by resolution or resolutions providing for the issue of each such series the preferences, conversion or other rights, voting powers, restrictions, limitations as to dividends, qualifications, and terms and conditions of redemptions, of such series, to the full extent now or hereafter permitted by law, including but not limited to the following:

a. The number of shares of such series, which may subsequently be increased (except as otherwise provided by the resolution or resolutions of the board of directors providing for the issue of such series) or decreased (to a number not less than the number of shares then outstanding) by resolution or resolutions of the board of directors, and the distinctive designation of the series;

b. The rates or amounts, the periods, and the times of payment, of dividends on shares of such series;

22

c. The voting powers, if any, of the holders of such series in addition to the voting powers provided by law and in this Article Fourth;

d. The terms and conditions, if any, upon which the shares

Edgar Filing: DNP SELECT INCOME FUND INC - Form DEF 14A

of such series shall be convertible into or exchangeable for shares of any other series, class or classes, or any other securities, to the full extent now or hereafter permitted by law;

e. The time or times during which, the price or prices at which, and the terms and conditions on which, the shares of such series may be redeemed by the Corporation;

f. The terms of any sinking fund to be applied to the purchase or redemption, or both, of shares of such series, and the terms and amount of any sinking fund payments and the manner of their application; and

g. The amount which the holders of each series shall be entitled to receive in the event of any voluntary or involuntary liquidation, dissolution or winding up of the Corporation.

Except as stated above in this part 1, all shares of preferred stock shall be identical. All shares of preferred stock, regardless of series, shall be of equal rank, and there shall be no priority of one series over any other series in any payment of dividends nor upon any distribution of assets.

2. DIVIDENDS. The holders of preferred stock of each series shall be entitled to receive, when and as declared by the board of directors, cumulative cash dividends at the rates or amounts, for the periods, and at the times, determined as, or in the manner, specified for such series by the board of directors as authorized in the preceding part 1.

No dividends shall be paid or declared or set apart for payment on any share of preferred stock of any series for any dividend period unless at or prior to such time all dividends accumulated on all shares of preferred stock then outstanding shall have been declared through the most recently ended dividend period of the respective shares, and terminating on the same and any earlier date shall have been paid or declared and set apart for payment.

3. VOTING. At any meeting of stockholders of the Corporation at which directors are to be elected, the holders of preferred stock of all series, voting separately as a single class, shall be entitled to elect two members of the board of directors, and the holders of common stock, voting separately as a single class, shall be entitled to elect the balance of the members of the board of directors.

If at any time dividends on any outstanding preferred stock of any series shall be unpaid in an amount equal to two full years' dividends, the number of directors constituting the board of directors shall automatically be increased by the smallest number that, when added to the number of directors then constituting the board of directors, shall constitute a majority of such increased number, including the two directors elected by the holders of preferred stock pursuant to the preceding paragraph; and at a special meeting of stockholders which shall be called and held as soon as practicable, and at all subsequent meetings at which directors are to be elected, the holders of preferred stock of all series, voting separately as a single class, shall be entitled to elect the smallest number of additional directors of the Corporation who will

Edgar Filing: DNP SELECT INCOME FUND INC - Form DEF 14A

constitute a majority of the total number of directors of the Corporation so increased. The terms of office of the persons who are directors at the time of that election shall continue. If the Corporation thereafter shall pay, or declare and set apart for payment, in full all dividends payable on all outstanding shares of preferred stock of all series for all past dividend periods, the voting rights stated in the preceding sentence shall cease, and the terms of office of all of the directors elected by the holders of preferred stock (but not of the directors elected by the holders of common stock) shall terminate automatically. A special meeting of stockholders shall be called and held as soon thereafter as practicable for the election of two directors by the holders of the preferred stock, as provided in the preceding paragraph; and at such meeting, and at all subsequent meetings of stockholders at which directors are to be elected, the holders of shares of preferred stock and of common stock shall have the right to elect the members of the board of directors as stated in the preceding paragraph, subject to the revesting of the rights of the holders of the preferred stock as provided in the first sentence of this paragraph in the event of any subsequent arrearage in the payment of two full years' dividends on the shares of preferred stock of any series.

Any vacancy in the office of any director elected by the holders of shares of preferred stock may be filled by the remaining directors (or director) so elected or, if not so filled, by the holders of shares of preferred stock of all series, voting separately as a single class, at any meeting of stockholders for the election of directors held thereafter. A director elected by the holders of preferred stock or of common stock may be removed with or without cause, but only by action taken by the holders of at least 75% of the shares of preferred stock or of common stock, respectively, then entitled to vote in an election to fill that directorship.

Except to the extent stated otherwise in this Article Fourth, the provisions of Article Sixth shall apply to this Article Fourth.

4. LIQUIDATION. In the event of any liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary, the holders of preferred stock of each series shall be entitled to receive only such amount or amounts, including accumulated and unpaid dividends, as shall have been fixed by the charter or by the resolution or resolutions of the board of directors providing for the issue of such series. If, upon any such liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary, the assets of the Corporation available for distribution among the holders of all outstanding shares of preferred stock of all series should be insufficient to permit the payment in full to such holders of the amounts to which they are entitled, then such available assets shall be distributed among the holders of shares of preferred stock ratably in any such distribution of assets according to the respective amounts that would be payable on all such shares if all amounts thereon were paid in full. A consolidation or merger of the Corporation with or into one or more other corporations or a sale, lease or exchange of all or substantially all of the assets of the Corporation shall not be deemed to be a voluntary or involuntary liquidation, dissolution or winding up, within the meaning of this Article Fourth.

C. ALL STOCK

1. SALE OF SHARES. The board of directors may authorize the sale and issuance from time to time of shares of stock, whether now or hereafter authorized, for such consideration as the board of directors considers advisable, but not less than par value, subject to such limitations as may be set forth in the charter of the Corporation, the bylaws, the General

Edgar Filing: DNP SELECT INCOME FUND INC - Form DEF 14A

Laws of the State of Maryland, the Investment Company Act of 1940, and other applicable laws.

24

2. FRACTIONAL SHARES. Except as may be provided otherwise by the board of directors in authorizing the issuance of a series of preferred stock, stock may be issued in fractions of whole shares, to which attach pro rata all of the rights of whole shares, including the right of voting and of receipt of dividends, except that there shall be no right of receipt of a certificate representing any fraction of a whole share.

3. NO PREEMPTIVE RIGHTS. No holder of shares of the Corporation, whether now or hereafter authorized, shall be entitled as of right to acquire from the Corporation any shares of the Corporation, whether now or hereafter authorized.

FIFTH. BYLAWS. The board of directors is authorized to adopt, alter and repeal the bylaws of the Corporation, except to the extent that the bylaws provide otherwise.

SIXTH. BOARD OF DIRECTORS.

1. The total number of directors constituting the board of directors of the Corporation shall be three, which number may be increased from time to time in accordance with the bylaws of the Corporation but shall not be less than three. No decrease in the number of directors shall have the effect of shortening the term of any director then in office.

2. Beginning with the first annual meeting of shareholders held after the initial public offering of the shares of the Corporation ("the initial annual meeting"), the board of directors shall be divided into three classes: class I, class II, and class III. The terms of office of the classes of directors elected at the initial annual meeting shall expire at the times of the annual meetings of the stockholders as follows--class I in 1988, class II in 1989, and class III in 1990--or thereafter in each case when their respective successors are elected and qualified. At each subsequent annual election, the directors chosen to succeed those whose terms are expiring shall be identified as being of the same class as the directors whom they succeed, and shall be elected for a term expiring at the time of the third succeeding annual meeting of stockholders, or thereafter in each case when their respective successors are elected and qualified. The number of directorships shall be apportioned among the classes so as to maintain the classes as nearly equal in number as possible.

3. Any vacancy occurring in the board of directors may be filled by a majority of the directors in office. A new directorship resulting from an increase in the number of directors shall be construed not to be a vacancy. Any director elected to fill a vacancy shall be in the same class and have the same remaining term as that of the predecessor.

4. A director may be removed with or without cause, but only by action of the shareholders taken by the holders of at least 75% of the shares then entitled to vote in an election of directors.

5. A majority of the total number of directors fixed in the bylaws shall be required to constitute a quorum at meetings of the board of directors.

SEVENTH. MAJORITY VOTES OF STOCKHOLDERS. Notwithstanding any provision of the laws of the State of Maryland requiring approval by the stockholders of any action by the affirmative vote of a greater proportion than a majority of the votes entitled to be cast on the matter, any such action may be taken or

Edgar Filing: DNP SELECT INCOME FUND INC - Form DEF 14A

authorized upon the concurrence of a majority of the number of votes entitled to be cast thereon.

25

EIGHTH. INDEMNIFICATION. Each person who is or was a director or officer of the Corporation, and each person who serves or served at the request of the Corporation as a director or officer of another enterprise, shall be indemnified by the Corporation in accordance with, and to the fullest extent authorized by, the Maryland General Corporation Law as it may be in effect from time to time, provided that this section shall not protect any director or officer of the Corporation against any liability to the Corporation or to its shareholders to which he would otherwise be subject by reason of willful misfeasance, bad faith, gross negligence or reckless disregard of the duties involved in the conduct of his office; and provided further that this Article Eighth shall not apply as to any action, suit or proceeding brought by or on behalf of a director or officer without prior approval of the board of directors.

NINTH. LIABILITY OF DIRECTORS AND OFFICERS. The directors and officers of the Corporation shall not be liable to the Corporation or to any of its stockholders or creditors because of any action taken by them in good faith, and in taking any such action the directors and officers shall be fully protected in relying in good faith upon the books of account of the Corporation or statements or reports prepared by any of its officials or employees or by others who they believe in good faith are qualified to make such statements or reports; provided that this sentence shall not protect any director or officer of the Corporation against any liability to the Corporation or to its stockholders to which he would otherwise be subject by reason of willful misfeasance, bad faith, gross negligence or reckless disregard of the duties involved in the conduct of his office.

TENTH. MERGER, SALE OF ASSETS, LIQUIDATION. Notwithstanding any other provisions of the charter of the Corporation, a favorable vote of the holders of at least 75% of the shares of the Corporation then entitled to be voted on the matter shall be required to approve, adopt or authorize (i) a merger or consolidation of the Corporation with any other corporation, (ii) a sale of all or substantially all of the assets of the Corporation (other than in the regular course of its investment activities), or (iii) a liquidation or dissolution of the Corporation, unless such action has previously been approved, adopted or authorized by the affirmative vote of two-thirds of the total number of directors fixed in accordance with the bylaws.

ELEVENTH. CONVERSION TO OPEN-END COMPANY. Notwithstanding any other provisions of the charter of the Corporation, at any time prior to January 1, 1992, a favorable vote of the holders of at least 75% of the shares of the Corporation entitled to be voted on the matter shall be required to approve, adopt or authorize an amendment to the charter of the Corporation that makes the common stock a redeemable security (as that term is defined in the Investment Company Act of 1940), unless such action has previously been approved, adopted or authorized by the affirmative vote of two-thirds of the total number of directors fixed in accordance with the bylaws.

TWELFTH. AMENDMENT OF CHARTER. The Corporation reserves the right to amend, alter, change or repeal any provision contained in its charter, in the manner now or hereafter prescribed by statute, and any rights conferred upon the stockholders are granted subject to this reservation. Notwithstanding any other provisions of the charter of the Corporation or the bylaws of the Corporation (and notwithstanding the fact that a lesser percentage may be specified by law or the charter or bylaws of the Corporation), the amendment or repeal of Article Sixth, Seventh, Eighth, Ninth, Tenth, Eleventh or Twelfth of the charter of the Corporation shall require the affirmative vote of the holders of at least 75% of

Edgar Filing: DNP SELECT INCOME FUND INC - Form DEF 14A

the shares then entitled to be voted on the matter.

THIRTEENTH. LIMITATION OF LIABILITY. To the fullest extent permitted by Maryland statutory or decisional law, as amended or interpreted, no director or officer of the Corporation shall be personally liable to the Corporation

26

or to its stockholders for money damages; provided, however, that this Article Thirteenth shall not protect any director or officer of the Corporation against any liability to the Corporation or to its stockholders to which he or she would otherwise be subject by reason of willful misfeasance, bad faith, gross negligence, or reckless disregard of the duties involved in the conduct of his or her office. No amendment of the charter of the Corporation or repeal of any of its provisions shall limit or eliminate the benefits provided to directors and officers under this provision in connection with any act or omission that occurred prior to such amendment or repeal.

FOURTEENTH. REMARKETED PREFERRED STOCK. The number of shares, preferences, conversion and other rights, voting powers, restrictions, limitations as to dividends, qualifications, and terms and conditions of redemption, of the Remarketed Preferred Stock, Series A; Remarketed Preferred Stock, Series B; Remarketed Preferred Stock, Series C; Remarketed Preferred Stock, Series D; and Remarketed Preferred Stock, Series E are as set forth in this Article Fourteenth:

(b) Dividends on shares of RP shall accumulate from their Date of Original Issue and will be payable, when, as and if declared by the Board of Directors, on each Dividend Payment Date.

(c) Each declared dividend, including each Right, shall be payable on the applicable Dividend Payment Date to the Holder or Holders of such shares of RP as set forth in paragraph 3(a). Dividends on any share in arrears for any past Dividend Payment Date may be declared and paid at any time, without reference to any regular Dividend Payment Date, to the Holder of such share on a date not exceeding five Business Days preceding the payment date thereof, as may be fixed by the Board of Directors. Any dividend payment made on any share of RP shall first be credited against the earliest dividends accumulated but unpaid (whether or not earned) with respect to such share.

(d) Neither Holders nor Beneficial Owners of shares of RP shall be entitled to any dividends on the shares of RP, whether payable in cash, property or stock, in excess of full cumulative dividends (including Rights) thereon. (g) No later than by 12:00 noon, New York City time, on each Dividend Payment Date, the Corporation shall deposit in same-day funds with the Paying Agent the full amount of any dividend declared and payable on such Dividend Payment Date on any share of RP. For the purposes of the foregoing, payment in New York Clearing House (next-day) funds at any time on any Business Day shall be considered equivalent to payment in same-day funds on the next Business Day at the same time, and any payment made after 12:00 noon, New York City time, on any Business Day shall be considered to have been made instead in the form of funds before 12:00 noon, New York City time, on the next Business Day.

(h) The Applicable Dividend Rate for each Dividend Period commencing during a Non-Payment Period shall be equal to the Non-Payment Period Rate.

(i) Except during a Non-Payment Period, by 1:00 p.m. on the Tender Date at the end of the Initial Dividend Period and by 1:00 p.m. on the Tender Date at the end of each subsequent Dividend Period, the Beneficial Owner of a share of RP may elect to tender such share or to hold such share for the next Dividend Period. If the Beneficial Owner of such share of RP fails to elect to tender or hold such share by 1:00 p.m. on such Tender Date, such Beneficial Owner shall continue to hold such share at the Applicable Dividend Rate

determined in

38

such Remarketing for the next Dividend Period; provided that, if there is no Remarketing Agent, the Remarketing Agent does not conduct a Remarketing or the Remarketing Agent is unable to remarket in such Remarketing all shares of RP tendered to it at a price of \$100,000 per share, then such Beneficial Owner shall hold such share for the next Dividend Period and the Applicable Dividend Rate therefor shall be the Maximum Dividend Rate.

(j) In the event of a change in law altering the Minimum Holding Period, the Board of Directors may increase or decrease the period of time between Dividend Payment Dates so as to adjust uniformly the number of days in any Dividend Period commencing after the date of such change in law to equal or exceed the then current Minimum Holding Period; provided that, the number of days for any Dividend Period as so adjusted shall not exceed 98 and shall be evenly divisible by seven (except as required from time to time by adjustments in the remarketing schedule as provided herein). Upon any such adjustment by the Board of Directors, the Corporation shall notify the Remarketing Agent and the Paying Agent, and the Paying Agent shall in turn notify the Securities Depository, of such adjustment; provided that, during a Non-Payment Period, the Corporation also shall notify the Beneficial Owners of shares of RP directly of such adjustment.

(k) Each dividend shall consist of (i) cash at the Applicable Dividend Rate and (ii) a right (a "Right") to receive cash (as determined below). Each Right shall thereafter be independent of the share or shares of RP on which the dividend was paid. The Corporation shall cause to be maintained a record of each Right received by the respective Holders. The Corporation shall not be required to recognize any transfer of a Right. If all or any part of the cash dividends on the shares of RP during any fiscal year does not qualify for the Dividends-Received Deduction ("Nonqualifying Distributions") because (i) the Corporation does not have income for such fiscal year eligible for the Dividends-Received Deduction at least equal to the dividends paid on the RP and the Other RP for such year, or (ii) the Corporation does not properly designate dividends on the RP as being eligible for the Dividends-Received Deduction, the applicable Rights shall entitle the holders thereof ("Right Holders") to additional cash (as set forth below), and the Corporation will, within 270 days after the end of such fiscal year, provide notice thereof to the Paying Agent. The Paying Agent will mail a copy of such notice to each Right Holder at the address set forth for such Right Holder in the records of the Paying Agent as promptly as practicable after its receipt of such notice from the Corporation. The Corporation will within 30 days after such notice is given to the Paying Agent pay to the Paying Agent (who will then distribute to Right Holders), out of funds legally available therefor, cash in satisfaction of the applicable Rights in an amount specified below with respect to all Nonqualifying Distributions made during such fiscal year.

Cash payable pursuant to a Right shall be paid to the Right Holder thereof in an amount which, when taken together with the aggregate Nonqualifying Distributions paid to such Right Holder during any fiscal year, would cause such Right Holder's net yield in dollars (after Federal income tax consequences) from the aggregate of both the Nonqualifying Distributions and the cash receivable pursuant to such Right to be equal to the net yield in dollars (after Federal income tax consequences) which would have been received by such Right Holder if the amount of the aggregate Nonqualifying Distributions would have qualified for the Dividends-Received Deduction in the hands of such Right Holder. Such cash receivable on such Right shall be calculated without consideration being given to the time value of money and using the applicable maximum marginal corporate

Edgar Filing: DNP SELECT INCOME FUND INC - Form DEF 14A

Federal tax rate in effect at the time such Right was declared.

The Corporation may estimate the amount payable in respect of any Right and pay all or any portion of such estimated amount prior to the end of the fiscal year in which such Right was declared.

39

If, for any fiscal year, all cash dividends paid at the Applicable Dividend Rate on the shares of RP are eligible in full for the Dividends-Received Deduction, then the amount payable to holders of Rights applicable to that year shall be zero.

4. REDEMPTION. Shares of RP shall be redeemable by the Corporation as provided below:

(a) To the extent permitted under the Investment Company Act and Maryland law, the Corporation at its option, upon giving a Notice of Redemption, may redeem shares of RP, in whole or in part, on the next succeeding scheduled Dividend Payment Date, out of funds legally available therefor, at a redemption price equal to \$100,000 per share plus an amount equal to cash dividends thereon (whether or not earned or declared) accumulated but unpaid to the date fixed for redemption.

(b) The Corporation shall redeem, out of funds legally available therefor, at a redemption price of \$100,000 per share plus an amount equal to cash dividends thereon (whether or not earned or declared) accumulated but unpaid to the date of redemption, shares of RP to the extent permitted under the Investment Company Act and Maryland law, on a date fixed by the Board of Directors, if the Corporation fails to maintain either Preferred Stock Basic Maintenance Amount or the Investment Company Act Preferred Stock Asset Coverage and such failure is not cured on or before the Preferred Stock Basic Maintenance Cure Date or the Investment Company Act Cure Date (herein referred to as the "Cure Date"), as the case may be. The number of shares to be redeemed shall be equal to the lesser of (i) the minimum number of shares of RP the redemption of which, if deemed to have occurred immediately prior to the opening of business on the Cure Date, together with all shares of other Preferred Stock subject to redemption or retirement, would result in the satisfaction of the relevant Preferred Stock Basic Maintenance Amount or the Investment Company Act Preferred Stock Asset Coverage, as the case may be, on such Cure Date (provided that, if there is no such minimum number of shares the redemption of which would have such result, all shares of RP then outstanding shall be redeemed), and (ii) the maximum number of shares of RP that can be redeemed out of funds expected to be legally available therefor on such redemption date. In determining the number of shares of RP required to be redeemed in accordance with the foregoing, the Corporation shall allocate the amount required to achieve the relevant Preferred Stock Basic Maintenance Amount or the Investment Company Act Preferred Stock Asset Coverage, as the case may be, pro rata among the RP and the Other Preferred Stock. The Corporation shall effect such redemption not later than 41 days after such Cure Date, except that if the Corporation does not have funds legally available for the redemption of all of the required number of shares of RP which are subject to mandatory redemption or the Corporation otherwise is unable to effect such redemption on or prior to such Cure Date, the Corporation shall redeem those shares of RP which it was unable to redeem on the earliest practicable date on which it is able to effect such redemption.

(c) Subject to paragraph 4(d) of this Part I, if fewer than all the outstanding shares of RP are to be redeemed pursuant to this paragraph 4, the number of shares of RP so to be redeemed shall be a whole number of shares and shall be determined by the Board of Directors, and the Corporation shall give a

Edgar Filing: DNP SELECT INCOME FUND INC - Form DEF 14A

Notice of Redemption as provided in paragraph 4(e) of this Part I. Unless certificates representing shares of RP are held by Holders other than the Securities Depository or its nominee, the Securities Depository, upon receipt of such notice, shall determine by lot the number of shares of RP to be redeemed from the account of each Agent Member (which may include an Agent Member holding shares for its own account, including the Remarketing Agent) and notify the Paying Agent of such determination. The Paying Agent, upon receipt of such notice, shall in turn determine by lot the number of shares of RP to be redeemed from the accounts of the Beneficial Owners of the shares of RP whose Agent Members have been selected by the Securities Depository and give notice of such determination

40

to the Remarketing Agent. In doing so, the Paying Agent may determine that shares of RP shall be redeemed from the accounts of some Beneficial Owners, which may include the Remarketing Agent, without shares of RP being redeemed from the accounts of other Beneficial Owners.

(d) Notwithstanding paragraph 4(c) of this Part I, if certificates representing shares of RP are held by Holders other than the Securities Depository or its nominee, then the number of shares of RP to be redeemed shall be determined by the Board of Directors and the shares to be redeemed shall be selected by the Corporation by lot.

(e) Any Notice of Redemption shall be given by the Corporation to the Paying Agent, the Securities Depository (and any other Holder) and the Remarketing Agent, by telephone, not later than 3:00 p.m., New York City time (and later confirmed in writing) on (A) in the case of optional redemption pursuant to paragraph 4(a) of this Part I (i) the Settlement Date in the case of a partial redemption of the shares of RP, (ii) the Tender Date in the case of a redemption in whole of the shares of RP or (iii) during a Non-Payment Period, the later of the Dividend Payment Date and the seventh day, in each case prior to the earliest date upon which any such redemption shall occur and (B) in the case of mandatory redemption pursuant to paragraph 4(b) of this Part I, on the fifth Business Day prior to the redemption date. In the case of a partial redemption of the shares of RP, the Paying Agent shall use reasonable efforts to provide telephonic notice to each Beneficial Owner of shares of RP called for redemption not later than the close of business on the Business Day on which the Paying Agent determines the shares to be redeemed, as described in paragraph 4(c) if this Part I (or, during a Non-Payment Period, not later than the close of business on the Business Day immediately following the day on which the Paying Agent receives a Notice of Redemption from the Corporation). In the case of a redemption in whole of the shares of RP, the Paying Agent shall use reasonable efforts to provide telephonic notice to each Beneficial Owner not later than the close of business on the Business Day immediately following the day on which it receives a Notice of Redemption from the Corporation. In any case described in clause (i) or (iii) of the first sentence of this paragraph 4(e), such telephonic notice shall be confirmed promptly in writing not later than the close of business on the third Business Day preceding the redemption date by notice sent by the Paying Agent to each Beneficial Owner of shares of RP called for redemption, the Remarketing Agent and the Securities Depository.

(f) Every Notice of Redemption and other redemption notice shall state: (i) the redemption date; (ii) the number of shares of RP to be redeemed; (iii) the redemption price; (iv) that dividends on the shares of RP to be redeemed shall cease to accumulate as of such redemption date; and (v) the provision pursuant to which such shares are being redeemed. In addition, notice of redemption given to a Beneficial Owner shall state the CUSIP number, if any, of the shares of RP to be redeemed and the manner in which the Beneficial Owners

of such shares may obtain payment of the redemption price. No defect in the Notice of Redemption or other redemption notice or in the transmittal or the mailing thereof shall affect the validity of the redemption proceedings, except as required by applicable law. The Paying Agent shall use its reasonable efforts to cause the publication of a redemption notice in an Authorized Newspaper within two Business Days of the date of the Notice of Redemption, but failure so to publish such notification shall not affect the validity or effectiveness of any such redemption proceedings. Shares of RP the Beneficial Owners of which shall have been given Notice of Redemption shall not be subject to transfer outside a Remarketing.

(g) On any redemption date, the Corporation shall deposit, irrevocably in trust, in same-day funds, with the Paying Agent, by 12:00 noon, New York City time, the price to be paid on such redemption date of any shares of RP plus an amount equal to cash dividends thereon accumulated but unpaid to such redemption

41

date (whether or not earned or declared). For the purposes of the foregoing, payment in New York Clearing House (next-day) funds at any time on any Business Day shall be considered equivalent to payment in same-day funds on the next Business Day at the same time, and any payment made after 12:00 noon, New York City time, on any Business Day shall be considered to have been made instead in the same form of funds before 12:00 noon, New York City time, on the next Business Day.

(h) In connection with any redemption, upon the giving of a Notice of Redemption and the deposit of the funds necessary for such redemption with the Paying Agent in accordance with this paragraph 4, all rights of the Holders of shares of RP so called for redemption shall cease and terminate, except the right of the Holders thereof to receive the redemption price thereof, inclusive of an amount equal to cash dividends (whether or not earned or declared) accumulated but unpaid to the redemption date but without any interest or other additional amount (except as provided in paragraph 3(h) or 3(k) of this Part I), and such shares shall no longer be deemed outstanding for any purpose. The Corporation shall be entitled to receive from the Paying Agent, promptly after the date fixed for redemption, any cash deposited with the Paying Agent as aforesaid in excess of the sum of (i) the aggregate redemption price of the shares of RP called for redemption on such date and (ii) all other amounts to which Holders of shares of RP called for redemption may be entitled. Any funds so deposited with the Paying Agent which are unclaimed at the end of ninety days from such redemption date shall, to the extent permitted by law, be repaid to the Corporation, after which time the Holders of shares of RP so called for redemption shall look only to the Corporation for payment of the redemption price and all other amounts to which they may be entitled. The Corporation shall be entitled to receive, from time to time after the date fixed for redemption, any interest on the funds so deposited.

(i) To the extent that any redemption for which Notice of Redemption has been given is not made by reason of the absence of legally available funds therefor, such redemption shall be made as soon as practicable to the extent such funds become available. Failure to redeem shares of RP shall be deemed to exist at any time after the date specified for redemption in a Notice of Redemption when the Corporation shall have failed, for any reason whatsoever, to deposit funds with the Paying Agent pursuant to paragraph 4(g) of this Part I with respect to any shares for which such Notice of Redemption has been given. Notwithstanding the fact that the Corporation shall not have redeemed shares of RP for which a Notice of Redemption has been given, dividends may be declared and paid on shares of RP and shall include those shares of RP for which a Notice

Edgar Filing: DNP SELECT INCOME FUND INC - Form DEF 14A

of Redemption has been given.

(j) Notwithstanding the foregoing, (i) no share of RP may be redeemed pursuant to paragraph 4(a) of this Part I unless the full amount of accumulated but unpaid cash dividends to the date fixed for redemption for each such share of RP called for redemption shall have been declared, and (ii) no share of RP may be redeemed unless all outstanding shares of RP are simultaneously redeemed, nor may any shares of RP be purchased or otherwise acquired by the Corporation except in accordance with a purchase offer made on substantially equivalent terms by the Corporation for all outstanding shares of RP, unless, in each such instance, cash dividends on all outstanding shares of RP through the end of their most recently ended Dividend Period (or, if such transaction is on a Dividend Payment Date, through the Dividend Period ending on the day prior to such Dividend Payment Date) shall have been paid or declared and sufficient funds for the payment thereof deposited with the Payment Agent.

(k) Except as set forth in this paragraph 4 with respect to redemptions and subject to paragraph 4(j) hereof, nothing contained herein shall limit any legal right of the Corporation or any affiliate to purchase or

42

otherwise acquire any share of RP at any price. Any shares of RP which have been redeemed, purchased or otherwise acquired by the Corporation or any affiliate thereof may be resold. In lieu of redeeming shares called for redemption, the Corporation shall have the right to arrange for other purchasers to purchase from Beneficial Owners all shares of RP to be redeemed pursuant to this paragraph 4 by their paying to such Beneficial Owners on or before the close of business on the redemption date an amount equal to not less than the redemption price payable by the Corporation on the redemption of such shares, and the obligation of the Corporation to pay such redemption price shall be satisfied and discharged to the extent such payment is so made by such purchasers.

(l) Notwithstanding any of the foregoing provisions of this paragraph 4, the Remarketing Agent may, in its sole discretion modify the procedures set forth above with respect to notification of redemption, provided that, any such modification does not adversely affect any Holder or Beneficial Owner of shares of RP.

5. LIQUIDATION. (a) Upon a liquidation, dissolution or winding up of the affairs of the Corporation, whether voluntary or involuntary, the Holders shall be entitled, whether from capital or surplus, before any assets of the Corporation shall be distributed among or paid over to holders of Common Stock or any other class or series of stock of the Corporation junior to the RP as to liquidation payments, to be paid the amount of \$100,000 per share of RP, plus an amount equal to all accumulated but unpaid dividends thereon (whether or not earned or declared) to and including the date of final distribution. After any such payment, the Holders shall not be entitled to any further participation in any distribution of assets of the Corporation.

(b) If, upon any such liquidation, dissolution or winding up of the Corporation, the assets of the Corporation shall be insufficient to make such full payments to the Holders and the holders of any Preferred Stock ranking as to liquidation, dissolution or winding up on a parity with the RP, then such assets shall be distributed among the Holders and such parity holders ratably in accordance with the respective amounts which would be payable on such shares of RP and any other such Preferred Stock if all amounts thereon were paid in full.

(c) Neither the consolidation nor the merger of the Corporation with or into any corporation or corporations nor a reorganization of the Corporation

Edgar Filing: DNP SELECT INCOME FUND INC - Form DEF 14A

alone nor the sale or transfer by the Corporation of all or substantially all of its assets shall be deemed to be a dissolution or liquidation of the Corporation.

6. VOTING RIGHTS. (a) GENERAL. Each Holder of shares of RP shall be entitled to one vote for each share held on each matter submitted to a vote of stockholders of the Corporation and, except as otherwise provided in the Investment Company Act, the Charter or the Bylaws or as described below, the holders of shares of Preferred Stock, including RP, and of shares of Common Stock shall vote together as one class. Prior to the issuance of any RP, the Board of Directors by resolution shall designate two existing directors representing holders of Preferred Stock. At the first meeting of stockholders for which the record date is a date on which shares of Preferred Stock are outstanding, the holders of Preferred Stock entitled to vote at such meeting shall have the right as a class, to the exclusion of the holders of the common stock, to elect two directors of the Corporation who shall serve for the unexpired terms of the directors originally designated by the Board of Directors as directors representing holders of Preferred Stock; except that, if such meeting is an annual meeting of stockholders at which the term of one of such designated directors expires, the director so elected to succeed the designated director shall be elected for a term expiring at the time of the third succeeding annual meeting of stockholders, or thereafter when his successor is elected and qualified. Thereafter, the holders of Preferred Stock shall have the right as a class, to the exclusion of the holders of the common stock, to elect directors to succeed either of the directors representing

43

the Preferred Stock whose terms are expiring or whose seats on the Board of Directors are vacant. Subject to paragraph 6(b) hereof, the holders of a majority of the shares of Common Stock shall elect the balance of the directors.

(b) RIGHT TO ELECT MAJORITY OF BOARD OF DIRECTORS. During any period in which any one or more of the conditions described below shall exist (such period being referred to herein as a "Voting Period"), the number of directors constituting the Board of Directors shall be automatically increased by the smallest number that, when added to the number of directors then constituting the Board of Directors, shall (together with the two directors elected by the holders of Preferred Stock, including RP, pursuant to paragraph 6(a)) constitute a majority of such increased number, and the holders of a majority of Preferred Stock, including RP, shall be entitled, voting as a single class on a one-vote-per-share basis (to the exclusion of the holders of all other securities and classes of capital stock of the Corporation), to elect the smallest number of additional directors of the Corporation that shall constitute a majority of the total number of directors of the Corporation so increased. A Voting Period shall commence if at the close of business on any Dividend Payment Date accumulated dividends (whether or not earned or declared, and whether or not funds are then legally available in an amount sufficient therefor) on the outstanding shares of RP equal to at least two full years' dividends shall be due and unpaid and sufficient cash or specified securities shall not have been deposited with the Paying Agent for the payment of such accumulated dividends. Upon the termination of a Voting Period, the voting rights described in this paragraph 6(b) shall cease, subject always, however, to the revesting of such voting rights in the holders of Preferred Stock, including RP, upon the further occurrence of any of the events described in this paragraph 6(b).

(c) VOTING PROCEDURES.

(i) As soon as practicable after the accrual of any right of the holders of Preferred Stock, including RP, to elect a majority of directors, the

Edgar Filing: DNP SELECT INCOME FUND INC - Form DEF 14A

Corporation shall notify the Paying Agent and Paying Agent shall call a special meeting of the holders of Preferred Stock, including RP, and shall mail a notice of such special meeting to such holders not less than 10 nor more than 20 days after the date of mailing of such notice. If the Corporation fails to send such notice to the Paying Agent or if the Paying Agent does not call such a special meeting, it may be called by any holder of Preferred Stock, including RP, on like notice. The record date for determining the holders of Preferred Stock, including RP, entitled to notice of and to vote at such special meeting shall be the close of business on the fifth Business Day preceding the day on which such notice is mailed. At any such special meeting and at each meeting held during a Voting Period, the holders of Preferred Stock, including RP, voting together as a class (to the exclusion of the holders of all other securities and classes of capital stock of the Corporation), shall be entitled to elect the number of directors prescribed in paragraph 6(b) above on a one-vote-per-share basis. At any such meeting or adjournment thereof in the absence of a quorum, a majority of the holders of Preferred Stock, including RP, present in person or by proxy, shall have the power to adjourn the meeting without notice, other than an announcement at the meeting, until a quorum is present; provided, however, that no such meeting may be adjourned to a date more than 120 days from the original record date without notice.

(ii) For purposes of determining any rights of the Holders to vote on any matter, whether such right is created by this Article Fourteenth, by statute or otherwise, no Holder shall be entitled to vote and no share of RP shall be deemed to be "outstanding" for the purpose of voting or determining the number of shares required to constitute a quorum, if, prior to or concurrently with the time of determination of shares entitled to vote or shares deemed outstanding for quorum purposes, as the case may be, sufficient funds for the redemption

44

of such shares have been deposited in trust with the Paying Agent for that purpose and the requisite Notice of Redemption with respect to such shares shall have been given as provided in paragraph 4 of this Part I. No share of RP held by the Corporation or any affiliate of the Corporation shall have any voting rights or be deemed to be outstanding for voting purposes.

(iii) The terms of office of all persons who are directors of the Corporation at the time of a special meeting of holders of Preferred Stock, including RP, to elect directors shall continue, notwithstanding the election at such meeting by such holders of the number of directors that they are entitled to elect, and the persons so elected by such holders, together with the incumbent directors elected by the holders of the Common Stock, shall constitute the duly elected directors of the Corporation.

(iv) Simultaneously with the expiration of a Voting Period, the terms of office of the additional directors elected by the holders of Preferred Stock, including RP, shall terminate, the incumbent directors who shall have been elected by the holders of the Common Stock (or by the Board of Directors at a time which was not during a Voting Period) and the two incumbent directors the holders of Preferred Stock, including RP, have the right to elect in any event shall constitute the directors of the Corporation and the voting rights of such holders to elect additional directors shall cease.

(v) The directors elected by the holders of Preferred Stock, including RP, shall (subject to the provisions of any applicable law) be subject to removal only by the vote of the holders of a majority of the shares of Preferred Stock, including RP, outstanding. Any vacancy on the Board of Directors occurring by reason of such removal or otherwise may be filled only by

Edgar Filing: DNP SELECT INCOME FUND INC - Form DEF 14A

vote of the holders of at least a majority of shares of Preferred Stock, including RP, outstanding, and if not so filled such vacancy shall (subject to the provisions of any applicable law) be filled by a majority of the remaining directors (or the remaining director) who were elected by such holders. Any other vacancy on the Board of Directors during a Voting Period shall be filled by a vote of the holder or holders of Common Stock.

(d) RIGHT TO VOTE ON CERTAIN OTHER MATTERS. So long as any shares of RP are outstanding, the Corporation shall not, subject to the requirements of the Investment Company Act and Maryland law, without the affirmative vote or consent of the holders of at least two-thirds of the votes of the shares of RP outstanding at the time, given in person or by proxy, either in writing or at a meeting (voting separately as one class): (a) authorize, create or issue, or increase the authorized or issued amount, of any class or series of stock ranking prior to the RP with respect to payment of dividends or the distribution of assets on liquidation, or (b) amend, alter or repeal the provisions of the Charter including this Article Fourteenth, whether by merger, consolidation or otherwise, so as to materially and adversely affect any right, preference, privileges or voting power of such shares of RP or the Holders thereof; provided that, any increase in the amount of the authorized RP or the creation and issuance of other series of Preferred Stock, or any increase in the amount of authorized shares of such series or of any other series of remarketed preferred stock, in each case ranking on a parity with or junior to the RP, will not be deemed to materially and adversely affect such rights, preferences, privileges or voting powers unless such issuance would cause the Corporation not to satisfy the Investment Company Act Preferred Stock Asset Coverage or either Preferred Stock Basic Maintenance Amount. Unless a higher percentage is provided for under the Charter, the affirmative vote of the holders of a majority of the outstanding shares of Preferred Stock including RP, voting together as a single class, will be required to approve any plan of reorganization adversely affecting such shares or any action requiring a vote of security holders under Section 13(a) of the Investment Company Act. For purposes of the foregoing, "majority of the outstanding Preferred Stock" shall mean (i) 67% or more

45

of the shares of Preferred Stock present at a meeting, if the holders of more than 50% of such shares are present or represented by proxy or (ii) more than 50% of such shares, whichever is less. The class vote of holders of shares of Preferred Stock, including RP, described above will in each case be in addition to a separate vote of the requisite percentage of shares of Common Stock and shares of Preferred Stock, including RP, necessary to authorize the action in question.

The foregoing voting provisions shall not apply if, at or prior to the time when the act with respect to which such vote would otherwise be required shall be effected, all outstanding shares of RP shall have been redeemed or called for redemption and sufficient funds shall have been deposited in trust to effect such redemption.

(e) EXCLUSIVE REMEDY. Unless otherwise required by law, the Holders of shares of RP shall not have any relative rights or preferences or other special rights other than those specifically set forth herein. The Holders of shares of RP shall have no preemptive rights. In the event that the Corporation fails to pay any dividends on the shares of RP, the exclusive remedy of the Holders shall be the right to vote for directors pursuant to the provisions of this paragraph 6. In no event shall the Holders of shares of RP have any right to sue for, or bring a proceeding with respect to, such dividends or redemptions or damages for the failure to receive the same.

Edgar Filing: DNP SELECT INCOME FUND INC - Form DEF 14A

(f) VOTING BY SERIES. In addition to any vote of the requisite percentage of shares of Common Stock and shares of Preferred Stock, including RP, otherwise necessary to authorize any proposed action under the Charter or the Investment Company Act, on any matter on which the Preferred Stock has the right to vote as a class, the approval of the holders of a majority of the outstanding shares of any series of Preferred Stock, including any series of RP, voting separately as a series, shall be necessary to approve such proposed action if such series would be affected by the proposed action in a manner materially different from any other series.

7. INVESTMENT COMPANY ACT PREFERRED STOCK ASSET COVERAGE. The Corporation shall maintain, as of the last Business Day of each month in which any share of RP is outstanding, the Investment Company Act Preferred Stock Asset Coverage.

8. PREFERRED STOCK BASIC MAINTENANCE COVERAGE.

(a) The Fund shall maintain, on each Valuation Date, (i) if Moody's is then rating the RP, Moody's Eligible Assets having an aggregate Moody's Discounted Value at least equal to the Moody's Preferred Stock Basic Maintenance Amount, (ii) if S&P is then rating the RP, S&P Eligible Assets having an aggregate S&P Discounted Value at least equal to the S&P Preferred Stock Basic Maintenance Amount and (iii) if any Substitute Rating Agency is then rating the RP, Substitute Rating Agency Eligible Assets having an aggregate Substitute Rating Agency Discounted Value at least equal to the Substituted Rating Agency Preferred Stock Basic Maintenance Amount, in each case applicable to each such Substitute Rating Agency.

(b) On or before 5:00 p.m., New York City time, on the third Business Day after each Valuation Date, the Corporation shall complete and deliver to the Remarketing Agent and the Paying Agent a Preferred Stock Basic Maintenance Report, which will be deemed to have been delivered to the Remarketing Agent and the Paying Agent if the Remarketing Agent and the Paying Agent receive a copy or telecopy, telex or other electronic transcription thereof and on the same day the Corporation mails to the Remarketing Agent and the Paying Agent for delivery on the next Business Day the full Preferred Stock Basic Maintenance Report. A failure by the Corporation to deliver a Preferred Stock Basic Maintenance Report under this paragraph 8(b) without the prior

46

consent of the Remarketing Agent and the Paying Agent shall be deemed to be delivery of a Preferred Stock Basic Maintenance Report indicating the Discounted Value for all assets of the Corporation is less than the Preferred Stock Basic Maintenance Amount, as of the relevant Valuation Date.

(c) Within ten Business Days after the date of delivery to the Remarketing Agent and the Paying Agent of a Preferred Stock Basic Maintenance Report in accordance with paragraph 8(b) above relating to a Annual Valuation Date, the Independent Accountant will confirm in writing to the Remarketing Agent and the Paying Agent (i) the mathematical accuracy of the calculations reflected in such Report, (ii) that, in such Report, the Corporation determined in accordance with this Article Fourteenth the assets of the Corporation which constitute Eligible Assets at such Annual Valuation Date, (iii) that, in such Report, the Corporation determined in accordance with this Article Fourteenth whether the Corporation had, at such Annual Valuation Date, Eligible Assets of an aggregate Discounted Value at least equal to the Preferred Stock Basic Maintenance Amount, (iv) with respect to the S&P rating on portfolio securities of the Corporation, issuer name, issue size and coupon rate listed in such Report, that information has been traced and agrees with the information listed

Edgar Filing: DNP SELECT INCOME FUND INC - Form DEF 14A

by Bloomberg, L.P. or an alternative reputable source (in the event such information does not agree or such information is not listed by Bloomberg, L.P. or an alternative reputable source, the Independent Accountant will inquire of S&P what such information is, and provide a listing in their letter of such differences, if any), (v) with respect to the Moody's ratings on portfolio securities of the Corporation, issuer name, issue size and coupon rate listed in such Report, that information has been traced and agrees with the information listed by Bloomberg, L.P. or an alternative reputable source (in the event such information does not agree or such information is not listed by Bloomberg, L.P. or an alternative reputable source, the Independent Accountant will inquire of Moody's what such information is, and provide a listing in their letter of such differences, if any), (vi) with respect to any Substitute Rating Agency's ratings on portfolio securities of the Corporation, issuer name, issue size and coupon rate listed in such Report, that information has been traced and agrees with the information listed by Bloomberg, L.P. or an alternative reputable source (in the event such information does not agree or such information is not listed by Bloomberg, L.P. or an alternative reputable source, the Independent Accountant will inquire of such Substitute Rating Agency what such information is, and provide a listing in their letter of such differences, if any) and (vii) with respect to the bid or mean price (or such alternative permissible factor used in calculating the Market Value) provided by the custodian of the Corporation's assets to the Corporation for purposes of valuing securities in the Corporation's portfolio, the Independent Accountant has traced the price used in such Report to the bid or mean price listed in the Corporation's accounting records as of such date and verified that such information agrees (in the event such information does not agree, the Independent Accountant will provide a listing in its letter of such differences) (such confirmation is herein called the "Accountant's Confirmation"). If any Accountant's Confirmation delivered pursuant to this paragraph 8(c) shows that an error was made in the Preferred Stock Basic Maintenance Report for a Annual Valuation Date, or shows that a lower aggregate Discounted Value for the aggregate of all Eligible Assets of the Corporation was determined by the Independent Accountant, the calculation or determination made by such Independent Accountant shall be final and conclusive and shall be binding on the Corporation, and the Corporation shall accordingly amend the Preferred Stock Basic Maintenance Report to the Remarketing Agent and Paying Agent promptly following receipt by the Remarketing Agent and the Paying Agent of such Accountant's Confirmation.

9. RESTRICTIONS ON CERTAIN DISTRIBUTIONS. For so long as any share of RP is outstanding, the Corporation shall not declare, pay or set apart for payment any dividend or other distribution (other than a dividend or distribution paid in shares of, or options, warrants or rights to subscribe for or purchase, Common Stock or other stock, if any, ranking junior to the shares of RP as to dividends or upon liquidation) in respect of the Common

Stock or any other stock of the Corporation ranking junior to or on a parity with the shares of RP as to dividends or upon liquidation, or call for redemption, redeem, purchase or otherwise acquire for consideration any shares of the Common Stock or any other such junior stock (except by conversion into or exchange for stock of the Corporation ranking junior to the shares of RP as to dividends and upon liquidation) or any other such parity stock (except by conversion into or exchange for stock of the Corporation ranking junior to or on a parity with the shares of RP as to dividends and upon liquidation), unless (A) immediately after such transaction, the Preferred Stock Basic Maintenance Amount and the Investment Company Act Preferred Stock Asset Coverage would be achieved, (B) full cumulative dividends on shares of RP and shares of Other Preferred Stock due on or prior to the date of the transaction have been declared and paid or shall have been declared and sufficient funds for the payment thereof

Edgar Filing: DNP SELECT INCOME FUND INC - Form DEF 14A

deposited with the Paying Agent, (C) any Right required to be paid under paragraph 3(k) of this Part I on or before the date of such declaration or payment has been paid and (D) the Corporation has redeemed the full number of shares of RP required to be redeemed by any provision for mandatory redemption contained herein.

10. NOTICE. All notices or communications, unless otherwise specified in the Bylaws of the Corporation or this Article Fourteenth, shall be sufficiently given if in writing and delivered in person or mailed by first-class mail, postage prepaid. Notice shall be deemed given on the earlier of the date received or the date seven days after which such notice is mailed.

11. CERTAIN RATING AGENCY REQUIREMENTS AND RESTRICTIONS.

(a) For so long as any shares of RP are outstanding and Moody's is then rating the RP, the Fund will perform all actions required by the Moody's Guidelines and will not engage in any transactions proscribed by restrictions set forth in the Moody's Guidelines, unless it has received written confirmation from Moody's that such noncompliance would not adversely affect the rating then assigned by Moody's to the RP.

(b) For so long as any shares of RP are outstanding and S&P is then rating the RP, the Fund will perform all actions required by the S&P Guidelines and will not engage in any transactions proscribed by restrictions set forth in the S&P Guidelines, unless it has received written confirmation from S&P that such noncompliance would not adversely affect the rating then assigned by S&P to the RP.

(c) For so long as any shares of RP are outstanding and any Substitute Rating Agency is then rating the RP, the Fund will perform all actions required by the Substituted Rating Agency Guidelines relating to such Substitute Rating Agency and will not engage in any transactions proscribed by restrictions set forth in the Substituted Rating Agency Guidelines relating to such Substitute Rating Agency, unless it has received written confirmation from such Substituted Rating Agency that such noncompliance would not adversely affect the rating then assigned by such Substituted Rating Agency to the RP.

48

PART II.

REMARKETING PROCEDURES

1. REMARKETING SCHEDULE. Each Remarketing shall take place over a three-day period consisting of the Tender Date, the Dividend Reset Date and the Settlement Date. Such dates or the method of establishing such dates shall be determined by the Board of Directors from time to time.

2. PROCEDURE FOR TENDERING. (a) Each share of RP is subject to Tender and Dividend Reset only at the end of each Dividend Period and may be tendered in a Remarketing only on the Tender Date immediately prior to the end of the current Dividend Period. By 12:00 noon, New York City time, on each such Tender Date, the Remarketing Agent shall, after canvassing the market and considering prevailing market conditions at the time for shares of RP and similar securities, provide Beneficial Owners non-binding indications of Applicable Dividend Rates for the next Dividend Period. The actual Applicable Dividend Rate for such Dividend Period may be greater than or less than the rate per annum indicated in such non-binding indications (but not greater than the applicable Maximum Dividend Rate). By 1:00 p.m., New York City time, on such Tender Date, each Beneficial Owner of shares of RP must notify the Remarketing Agent of its

Edgar Filing: DNP SELECT INCOME FUND INC - Form DEF 14A

desire, on a share-by-share basis, either to tender such share of RP at a price of \$100,000 per share or to continue to hold such share of RP for the next Dividend Period. Any notice given to the Remarketing Agent to tender or hold shares for a particular Dividend Period shall be irrevocable and shall not be conditioned upon the level at which the Applicable Dividend Rate is established. Any such notice may not be waived by the Remarketing Agent, except that prior to 4:00 p.m., New York City time, on the Dividend Reset Date, the Remarketing Agent may, in its sole discretion (i) at the request of a Beneficial Owner that has tendered one or more shares to the Remarketing Agent, contingently waive such Beneficial Owner's tender and thereby enable such Beneficial Owner to continue to hold the share or shares for the next Dividend Period as agreed to by such Beneficial Owner and the Remarketing Agent at such time, so long as such tendering Beneficial Owner has indicated to the Remarketing Agent that it would accept the new Applicable Dividend Rate for such Dividend Period, such waiver to be contingent upon the Remarketing Agent's ability to remarket all shares of RP tendered in such Remarketing, and (ii) at the request of a Beneficial Owner that has elected to hold one or more of its shares of RP, waive such Beneficial Owner's election with respect thereto.

(b) The right of each Beneficial Owner to tender shares of RP in a Remarketing therefor shall be limited to the extent that (i) the Remarketing Agent conducts a Remarketing pursuant to the terms of the Remarketing Agreement, (ii) shares tendered have not been called for redemption and (iii) the Remarketing Agent is able to find a purchaser or purchasers for tendered shares of RP at an Applicable Dividend Rate for the next Dividend Period that is not in excess of the Maximum Dividend Rate.

3. DETERMINATION OF APPLICABLE DIVIDEND RATES. (a) Between 1:00 p.m., New York City time, on each Tender Date and 4:00 p.m., New York City time, on the succeeding Dividend Reset Date, the Remarketing Agent shall determine the Applicable Dividend Rate to the nearest one-thousandth (0.001) of one percent per annum for the next Dividend Period. The Applicable Dividend Rate for such Dividend Period, except as otherwise required herein, shall be the rate per annum which the Remarketing Agent determines, in its sole judgment, to be the lowest rate, giving effect to such allocation, that will enable it to remarket on behalf of the Beneficial Owners thereof all shares of RP tendered to it at a price of \$100,000 per share.

49

(b) If no Applicable Dividend Rate shall have been established on a Dividend Reset Date in a Remarketing for the next Dividend Period for any reason (other than because there is no Remarketing Agent or the Remarketing Agent is not required to conduct a Remarketing pursuant to the terms of the Remarketing Agreement), then the Remarketing Agent, except during a Non-Payment Period, in its sole discretion, shall, after taking into account market conditions as reflected in the prevailing yields of fixed and variable rate taxable and tax-exempt debt securities and the prevailing dividend yields of fixed and variable rate preferred stock, if necessary, determine the Applicable Dividend Rate that would be the initial dividend rate fixed in an offering on such Dividend Reset Date, assuming in each case a comparable dividend period, issuer and security. If there is no Remarketing because there is no Remarketing Agent or the Remarketing Agent is not required to conduct a Remarketing pursuant to the Remarketing Agreement, then, except during a Non-Payment Period, the Applicable Dividend Rate for each subsequent Dividend Period for which no Remarketing takes place because of the foregoing shall be the applicable Maximum Dividend Rate.

(c) In determining such Applicable Dividend Rate, the Remarketing Agent shall, after taking into account market conditions as reflected in the

Edgar Filing: DNP SELECT INCOME FUND INC - Form DEF 14A

prevailing yields of fixed and variable rate taxable and tax-exempt debt securities and the prevailing dividend yields of fixed and variable rate preferred stock, in providing non-binding indications of the Applicable Dividend Rate to Beneficial Owners and potential purchasers of shares of RP, (i) consider the number of shares of RP tendered and the number of shares of RP potential purchasers are willing to purchase and (ii) contact by telephone or otherwise current and potential Beneficial Owners of shares of RP and ascertain the dividend rates at which they would be willing to hold shares of RP.

(d) The Applicable Dividend Rate shall be determined as aforesaid by the Remarketing Agent in its sole discretion (except as otherwise provided in this Article Fourteenth with respect to Applicable Dividend Rates that shall be the Non-Payment Period Rate and Maximum Dividend Rate) and shall be conclusive and binding on Holders and Beneficial Owners.

(f) Except during a Non-Payment Period, the Applicable Dividend Rate for any Dividend Period shall not be more than the applicable Maximum Dividend Rate.

4. ALLOCATION OF SHARES; FAILURE TO REMARKET AT \$100,000 PER SHARE. (a) If the Remarketing Agent is unable to remarket by 4:00 p.m., New York City time, on any Dividend Reset Date all shares of RP tendered to it in the related Remarketing at a price of \$100,000 per share (i) each Beneficial Owner that tendered shares of RP for sale shall sell a number of shares of RP on a pro rata basis, to the extent practicable, or by lot, as determined by the Remarketing Agent in its sole discretion based on the number of orders to purchase shares of RP in such Remarketing; and (ii) the Applicable Dividend Rate for the next Dividend Period shall be the Maximum Dividend Rate.

(b) If the allocation procedures described above would result in the sale of a fraction of a share of RP, the Remarketing Agent shall, in its sole discretion, round up or down the number of shares of RP sold by each Beneficial Owner on such Dividend Reset Date so that each share sold by a Beneficial Owner shall be a whole share of RP and the total number of shares sold equals the total number of shares bought on such Dividend Reset Date.

5. NOTIFICATION OF RESULTS; SETTLEMENT. (a) By telephone at approximately 4:30 p.m., New York City time, on each Dividend Reset Date the Remarketing Agent shall advise each Beneficial Owner of tendered shares and

50

each purchaser thereof (or the Agent Member thereof) (i) of the number of shares such Beneficial Owner or purchaser is to sell or purchase and (ii) to give instructions to its Agent Member to deliver such shares against payment therefor or to pay the purchase price against delivery as appropriate. The Remarketing Agent will also advise each Beneficial Owner or purchaser that is to continue to hold, or to purchase, shares for the Dividend Periods beginning on the Business Day following such Dividend Reset Date of the Applicable Dividend Rate for such Dividend Period.

(b) In accordance with the Securities Depository's normal procedures, on the Settlement Date, the transactions described above with respect to each share of RP shall be executed through the Securities Depository, if the Securities Depository or its nominee holds or is to hold the certificates relating to the shares to be purchased, and the accounts of the respective Agent Members of the Securities Depository shall be debited and credited and shares delivered by book entry as necessary to effect the purchases and sales of shares of RP. Purchasers of shares of RP shall make payment to the Paying Agent in same-day funds against delivery to other purchasers or their nominees of one or

Edgar Filing: DNP SELECT INCOME FUND INC - Form DEF 14A

more certificates representing shares of RP, or, if the Securities Depository or its nominee holds or is to hold the certificates relating to the shares to be purchased, through their Agent Members in same-day funds to the Securities Depository against delivery through their Agent Members by book entry of shares of RP or as otherwise required by the Securities Depository. The Securities Depository shall make payment in accordance with its normal procedures.

(c) If any Beneficial Owner selling shares of RP in a Remarketing fails to deliver such shares, the Agent Member of such selling Beneficial Owner and of any other person that was to have purchased shares of RP in such Remarketing may deliver to any such other person a number of whole shares of RP that is less than the number of shares that otherwise was to be purchased by such person. In such event, the number of shares of RP to be so delivered shall be determined by such Agent Member. Delivery of such lesser number of shares of RP shall constitute good delivery.

(d) The Remarketing Agent, the Paying Agent and the Securities Depository each will use its reasonable commercial efforts to meet the timing requirements set forth in paragraphs (a) and (b) above; provided that, in the event that there is a delay in the occurrence of any delivery or other event connected with a Remarketing, the Remarketing Agent, the Paying Agent and the Securities Depository each will use its reasonable commercial efforts to accommodate such delay in furtherance of the Remarketing.

(e) Notwithstanding any of the foregoing provisions of this paragraph 5, the Remarketing Agent may, in its sole discretion, modify the settlement procedures set forth above with respect to settlement, provided any such modification does not adversely affect the Beneficial Owners or the Holders of RP or the Corporation.

6. PURCHASE OF SHARES OF RP BY REMARKETING AGENT. The Remarketing Agent may purchase for its own account shares of RP in a Remarketing, provided that it purchases all tendered (or deemed tendered) shares of RP not sold in such Remarketing to other purchasers and that the Applicable Dividend Rate established in such Remarketing is no higher than the Applicable Dividend Rate that would have been established if the Remarketing Agent had not purchased such shares. Except as provided in the previous sentence, the Remarketing Agent shall not be obligated to purchase any shares of RP that would otherwise remain unsold in a Remarketing. If the Remarketing Agent owns any shares of RP subject to a Remarketing immediately prior to a Remarketing and if all other shares subject to such Remarketing and tendered for sale by other Beneficial Owners of shares of RP have been sold in such Remarketing, then the Remarketing Agent may sell such number of its shares in such

51

Remarketing as there are outstanding orders to purchase that have not been filled by such shares tendered for sale by other Beneficial Owners. Neither the Corporation, the Paying Agent nor the Remarketing Agent shall be obligated in any case to provide funds to make payment to a Beneficial Owner upon such Beneficial Owner's tender of its shares of RP in a Remarketing.

7. APPLICABLE DIVIDEND RATE DURING A NON-PAYMENT PERIOD. So long as a Non-Payment Period shall continue, paragraphs 1, 2, 3, 4, 5, and 6 of this Part II shall not be applicable to any of the shares of RP and the shares of RP shall not be subject to Tender and Dividend Reset.

8. TRANSFERS. In the case of any transfer of any shares of RP other than pursuant to a Remarketing, the transferor shall ensure that an Agent Member advises the Remarketing Agent of such transfer. The Agent Member shall be

Edgar Filing: DNP SELECT INCOME FUND INC - Form DEF 14A

authorized and instructed to disclose to the Remarketing Agent and/or the Paying Agent such information with respect to the transferee as the Remarketing Agent or Paying Agent shall request.

9. MISCELLANEOUS. To the extent permitted by applicable law, the Board of Directors of the Corporation may interpret or adjust the provisions hereof to resolve any inconsistency or ambiguity, remedy any formal defect or make any other change or modification which does not adversely affect the rights of Holders or Beneficial Owners of shares of RP and if such inconsistency or ambiguity reflects an incorrect provision hereof then the Board of Directors may authorize the filing of a Certificate of Amendment or a Certificate of Correction, as the case may be.

10. SECURITIES DEPOSITORY; STOCK CERTIFICATES. (a) If there is a Securities Depository, one certificate for all of the shares of RP shall be issued to the Securities Depository and registered in the name of the Securities Depository or its nominee. Such certificate shall bear a legend to the effect that such certificate is issued subject to the provisions contained in this Article Fourteenth. Unless the Corporation shall have elected, during a Non-Payment Period, to waive this requirement, the Corporation will also issue stop-transfer instructions to the Paying Agent for the shares of RP. Except as provided in paragraph (b) below, the Securities Depository or its nominee will be the Holder, and no Beneficial Owner shall receive certificates representing its ownership interest in such shares.

(b) If the Applicable Dividend Rate applicable to all shares of RP shall be the Non-Payment Period Rate or there is no Securities Depository, the Corporation may at its option issue one or more new certificates with respect to such shares (without the legend referred to in paragraph 10(a) of this Part II) registered in the names of the Beneficial Owners or their nominees and rescind the stop-transfer instruction referred to in paragraph 10(a) of this Part II with respect to such shares.

SECOND: The amendment to and restatement of the charter of the Corporation as hereinabove set forth have been duly advised by the board of directors of the Corporation and approved by the stockholders of the Corporation as required by law.

AUDIT COMMITTEE

AUDIT AND NON-AUDIT SERVICES PRE-APPROVAL POLICY
(AS ADOPTED ON FEBRUARY 23, 2006)

I. STATEMENT OF PRINCIPLES

Under the Sarbanes-Oxley Act of 2002 (the "Act"), the Audit Committee of the Board of Directors is responsible for the appointment, compensation and oversight of the work of the independent auditor. As part of this responsibility, the Audit Committee is required to pre-approve the audit and non-audit services performed by the independent auditor in order to assure that they do not impair the auditor's independence from the Fund. To implement these provisions of the Act, the Securities and Exchange Commission (the "SEC") has issued rules specifying the types of services that an independent auditor may not provide to its audit client, as well as the Audit Committee's administration of the engagement of the independent auditor. Accordingly, the Audit Committee has adopted, and the Board of Directors has ratified, the Audit and Non-Audit Services Pre-Approval Policy (this "Policy"), which sets forth the procedures and the conditions pursuant to which services proposed to be performed by the independent auditor may be pre-approved.

The SEC's rules establish two different approaches to pre-approving services, which the SEC considers to be equally valid. Proposed services either: may be pre-approved without consideration of specific case-by-case services by the Audit Committee ("general pre-approval"); or require the specific pre-approval of the Audit Committee ("specific pre-approval"). The Audit Committee believes that the combination of these two approaches in this Policy will result in an effective and efficient procedure to pre-approve services performed by the independent auditor. As set forth in this Policy, unless a type of service has received general pre-approval, it will require specific pre-approval by the Audit Committee if it is to be provided by the independent auditor. Any proposed services exceeding pre-approved cost levels or budgeted amounts will also require specific pre-approval by the Audit Committee.

For both types of pre-approval, the Audit Committee will consider whether such services are consistent with the SEC's rules on auditor independence. The Audit Committee will also consider whether the independent auditor is best positioned to provide the most effective and efficient service, for reasons such as its familiarity with the Fund's business, people, culture, accounting systems, risk profile and other factors, and whether the service might enhance the Fund's ability to manage or control risk or improve audit quality. All such factors will be considered as a whole, and no one factor should necessarily be determinative.

Edgar Filing: DNP SELECT INCOME FUND INC - Form DEF 14A

Under the SEC's rules, the Audit Committee must pre-approve non-audit services provided not only to the Fund but also to the Fund's investment adviser and other affiliated entities that provide ongoing services to the Fund if the independent accountant's services to those affiliated entities have a direct impact on the Fund's operations or financial reporting.

59

The Audit Committee is also mindful of the relationship between fees for audit and non-audit services in deciding whether to pre-approve any such services and may determine, for each fiscal year, the appropriate ratio between the total amount of fees for audit, audit-related and tax services (including any audit-related or tax service fees for affiliates that are subject to pre-approval) and the total amount of fees for certain permissible non-audit services classified as "all other" services (including any such services for affiliates that are subject to pre-approval).

The appendices to this Policy describe the audit, audit-related, tax and "all other" services that have the general pre-approval of the Audit Committee. The term of any general pre-approval is 12 months from the date of pre-approval, unless the Audit Committee considers a different period and states otherwise. The Audit Committee will annually review and pre-approve the services that may be provided by the independent auditor without obtaining specific pre-approval from the Audit Committee. The Audit Committee will add or subtract to the list of general pre-approved services from time to time, based on subsequent determinations.

The purpose of this Policy is to set forth the procedures by which the Audit Committee intends to fulfill its responsibilities. It does not delegate the Audit Committee's responsibilities to pre-approve services performed by the independent auditor to management.

The independent auditor has reviewed this Policy and believes that implementation of this Policy will not adversely affect the auditor's independence.

II. DELEGATION

As provided in the Act and the SEC's rules, the Audit Committee may delegate either type of pre-approval authority to one or more of its members who are not "interested persons" under the Investment Company Act of 1940. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting. In accordance with the foregoing provisions, the Audit Committee has delegated pre-approval to its Chairman, Carl F. Pollard, and to any successor Chairman who is not an "interested person."

III. AUDIT SERVICES

The annual audit services engagement terms and fees will be subject to the specific pre-approval of the Audit Committee. Audit services include the annual financial statement audit and other procedures required to be performed by the independent auditor to be able to form an opinion on the Fund's financial statements. These other procedures include information systems and procedural reviews and testing performed in order to understand and place reliance on the systems of internal control, and consultations relating to the audit. The Audit Committee will monitor the audit services engagement as necessary, but no less than on a semiannual basis, and will also approve, if necessary, any changes in terms, conditions and fees resulting from changes in audit scope, Fund structure or other items.

Edgar Filing: DNP SELECT INCOME FUND INC - Form DEF 14A

In addition to the annual audit services engagement approved by the Audit Committee, the Audit Committee may grant general pre-approval to other audit services, which are those services that only the independent auditor reasonably can provide. Other audit services may include statutory audits and services associated with SEC registration statements (on Forms N-1A, N-2, N-3, N-4, etc.), periodic reports and other documents filed with the SEC or other documents issued in connection with securities offerings.

60

The Audit Committee has pre-approved the audit services in Appendix A. All other audit services not listed in Appendix A must be specifically pre-approved by the Audit Committee.

IV. AUDIT-RELATED SERVICES

Audit-related services are assurance and related services that are reasonably related to the performance of the audit or review of the Fund's financial statements or that are traditionally performed by the independent auditor. Because the Audit Committee believes that the provision of audit-related services does not impair the independence of the auditor and is consistent with the SEC's rules on auditor independence, the Audit Committee may grant general pre-approval to audit-related services. Audit-related services include, among others, accounting consultations related to accounting, financial reporting or disclosure matters not classified as "audit services"; assistance with understanding and implementing new accounting and financial reporting guidance from rulemaking authorities; agreed-upon or expanded audit procedures related to accounting and/or billing records required to respond to or comply with financial, accounting or regulatory reporting matters; and assistance with internal control reporting requirements under form N-SAR.

The Audit Committee has pre-approved the audit-related services in Appendix B. All other audit-related services not listed in Appendix B must be specifically pre-approved by the Audit Committee.

V. TAX SERVICES

The Audit Committee believes that the independent auditor can provide tax services to the Fund such as tax compliance, tax planning and tax advice without impairing the auditor's independence, and the SEC has stated that the independent auditor may provide such services. Hence, the Audit Committee believes it may grant general pre-approval to those tax services that have historically been provided by the auditor, that the Audit Committee has reviewed and believes would not impair the independence of the auditor, and that are consistent with the SEC's rules on auditor independence. The Audit Committee will not permit the retention of the independent auditor in connection with a transaction initially recommended by the independent auditor, the sole business purpose of which may be tax avoidance and the tax treatment of which may not be supported in the Internal Revenue Code and related regulations. The Audit Committee will consult with the Fund's Administrator or outside counsel to determine that the tax planning and reporting positions are consistent with this Policy.

Pursuant to the preceding paragraph, the Audit Committee has pre-approved the tax services in Appendix C. All tax services involving large and complex transactions not listed in Appendix C must be specifically pre-approved by the Audit Committee, including: tax services proposed to be provided by the independent auditor to any executive officer or director of the Fund, in his or her individual capacity, where such services are paid for by the Fund.

Edgar Filing: DNP SELECT INCOME FUND INC - Form DEF 14A

VI. ALL OTHER SERVICES

The Audit Committee believes, based on the SEC's rules prohibiting the independent auditor from providing specific non-audit services, that other types of non-audit services are permitted. Accordingly, the Audit Committee believes it may grant general pre-approval to those permissible non-audit services classified as all other services that it believes are routine and recurring services, would not impair the independence of the auditor and are consistent with the SEC's rules on auditor independence.

61

The Audit Committee has pre-approved the "all other" services in Appendix D. Permissible "all other" services not listed in Appendix D must be specifically pre-approved by the Audit Committee.

A list of the SEC's prohibited non-audit services is attached to this Policy as Appendix E. The SEC's rules and relevant guidance should be consulted to determine the precise definitions of these services and the applicability of exceptions to certain of the prohibitions.

VII. PRE-APPROVAL FEE LEVELS OR BUDGETED AMOUNTS

Pre-approval fee levels or budgeted amounts for all services to be provided by the independent auditor will be established annually by the Audit Committee. (Note that separate amounts may be specified for services to the Fund and for services to other affiliated entities that are subject to pre-approval.) Any proposed services exceeding these levels or amounts will require specific pre-approval by the Audit Committee. The Audit Committee is mindful of the overall relationship of fees for audit and non-audit services in determining whether to pre-approve any such services. For each fiscal year, the Audit Committee may determine the appropriate ratio between the total amount of fees for audit, audit-related and tax services for the Fund (including any audit-related or tax services fees for affiliates that are subject to pre-approval), and the total amount of fees for services classified as "all other" services (including any such services for affiliates that are subject to pre-approval).

VIII. PROCEDURES

All requests or applications for services to be provided by the independent auditor that do not require specific approval by the Audit Committee will be submitted to the Fund's Administrator and must include a detailed description of the services to be rendered. The Administrator will determine whether such services are included within the list of services that have received the general pre-approval of the Audit Committee. The Audit Committee will be informed on a timely basis of any such services rendered by the independent auditor.

Requests or applications to provide services that require specific approval by the Audit Committee will be submitted to the Audit Committee by both the independent auditor and the Fund's Administrator, and must include a joint statement as to whether, in their view, the request or application is consistent with the SEC's rules on auditor independence.

The Audit Committee has designated the Fund's Administrator to monitor the performance of all services provided by the independent auditor and to determine whether such services are in compliance with this Policy. The Administrator will report to the Audit Committee on a periodic basis on the results of its

Edgar Filing: DNP SELECT INCOME FUND INC - Form DEF 14A

monitoring. Both the Administrator and any member of management will immediately report to the Chairman of the Audit Committee any breach of this Policy that comes to their attention.

IX. ADDITIONAL REQUIREMENTS

The Audit Committee has determined to take additional measures on an annual basis to meet its responsibility to oversee the work of the independent auditor and to assure the auditor's independence from the Fund, such as reviewing a formal written statement from the independent auditor delineating all relationships between the independent auditor and the Fund, consistent with Independence Standards Board Standard No. 1, and discussing with the independent auditor its methods and procedures for ensuring independence.
