Explanation of Responses:

On September 5, 2001, the Reporting Person entered into a Letter Agreement with the Issuer with respect to the Reporting Person's holding of 15.8% of the Issuer's capital securities (which are not registered under Section 12 of the Securities and Exchange Act of 1934) outstanding. The Reporting Person has agreed to exchange the Issuer's capital securities owned by the Reporting Person for 57,126,674 common shares of the Issuer. Completion of the transaction is subject to certain conditions including (i) 90% of the remaining capital security holders must agree, prior to the mailing of proxy solicitation materials by the Issuer to its shareholders, to exchange on the same terms as the Reporting Person (ii) the Issuer's lenders must consent under their syndicated bank loans to the exchange, (iii) the approval of the exchange by the holders of the common shares of the Issuer and (iv) any necessary regulatory approvals must be received. Assuming all holders of the Issuer's capital securities elect to exchange and all of the foregoing conditions are met, the Reporting Person would own 11.4% of the common shares of the Issuer.
