Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On March 15, 2016, TriNet Group, Inc. (the “Company”) issued a press release announcing that, despite extensive efforts, it was unable to file its Annual Report on Form 10-K for the year ended December 31, 2015 with the Securities and Exchange Commission prior to the extended filing date of March 15, 2016.

As is routine practice under the New York Stock Exchange rules when a listed company does not make a timely filing with the SEC, the NYSE notified the Company on March 16, 2016 that the Company is not in compliance with the NYSE’s continued listing requirements under the timely filing criteria outlined in Section 802.01E of the NYSE Listed Company Manual due to the delay in filing the Company’s Form 10-K.

In accordance with NYSE rules, the Company has contacted the NYSE to discuss the status of the Form 10-K and issued a press release on March 15, 2016 pertaining to the late filing (included as Exhibit 99.1 to this report).

The Company continues to work diligently to finalize the assessment of internal controls over financial reporting and to complete the audit of its financial statements as of and for the year ended December 31, 2015, and obtain the related attestation and audit opinion from its auditors. The Company currently expects to finalize its financial results and file its Form 10-K with the SEC as soon as practicable.

The NYSE notice provides that under NYSE rules, the Company has six months from the Form 10-K due date to file its Form 10-K with the SEC. The Company may regain compliance with the NYSE listing standards at any time prior to such date by filing the Form 10-K with the SEC. The NYSE notice also reserves the right of the NYSE to commence delisting proceedings at any time if the circumstances warrant.
