Item 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers.

On February 14, 2005, we entered into an agreement with The Sage Group, Inc., an international organization providing senior level strategic management services to the biotechnology and pharmaceutical sector, to retain the services of R. Douglas Hulse as our President and Chief Operating Officer. Mr. Hulse is an executive director of The Sage Group, Inc.

Mr. Hulse, a Phi Beta Kappa graduate of Princeton University with a cum laude degree in chemistry and the holder of S.M. Degrees in both management and Chemical Engineering from M.I.T., is an executive director of The Sage Group, Inc. He previously served as our Chief Operating Officer in 1996 and 1997. During his earlier tenure with us, Mr. Hulse was instrumental in the development of the liquid form of the experimental immunotherapeutic, Ampligen(R), and a plan for scaled up manufacturing production to meet potential commercial requirements. Mr. Hulse has planned, negotiated, and implemented various strategic alliances with North American, European and Asian partners during his career.

Mr. Hulse will devote approximately two to two and one half days per week to our business. His specific activities in his new positions will be mutually determined by him and our Chairman. We anticipate that the engagement will continue for a period of 18 months; however, it is terminable on 30 days written notice by either party.

For Mr. Hulse's services, The Sage Group will receive a monthly retainer of \$10,000 and a 10 year warrant to purchase 250,000 shares of our common stock at an exercise price equal to the closing price of our stock on February 14, 2005. The warrant will vest at the rate of 12,500 share per month with a final 25,000 shares vesting upon completion of the 18th month of the engagement. Vesting accelerates in the event of a merger or a purchase of a majority of our assets or equity. In addition, For each calendar year (or part thereof) during which the agreement is in effect, Sage will be entitled to an incentive bonus in an amount equal to 0.5% of the gross proceeds received by us during such year from any joint ventures or corporate partnering arrangements. After termination of the agreement, Sage will only be entitled to receive the incentive bonus based upon gross proceeds received by us during the two year period commencing on the termination of the agreement with respect to any joint ventures or corporate partnering arrangements entered into by us during the term of the agreement. Mr. Hulse is entitled to insurance commensurate with that provided to our other officers.

Dr. William Carter resigned as our President effective upon the execution of the Sage agreement. Dr. Carter remains our Chief Executive Officer and Chairman of our Board of Directors.
