Subject: Integration Update

Dear Colleagues,

Following a press release issued by PARIS RE yesterday, I would like to give you an update on recent developments in the planned integration of PartnerRe and PARIS RE.

As agreed when we originally negotiated this deal, once PartnerRe has majority ownership of PARIS RE, six of PARIS RE's board members will step down. These board members will be replaced by six of PartnerRe's own senior executives: Costas Miranthis (as Chairman of the Board), Albert Benchimol, Tad Walker, Emmanuel Clarke, Bill Babcock and myself. Together we will represent a majority of PARIS RE's board. This was formalized at an extraordinary general meeting of PARIS RE's shareholders held in Zug on August 11th.

While this is an important step in the process, it will not take effect until the closing of the block purchase, expected to take place in Q4. At that point, PartnerRe will have a majority representation on PARIS RE's board and strategic influence over the company.

Also at the EGM, shareholders agreed to reduce PARIS RE's share capital, so paving the way for the share capital repayment - effectively a return of capital to PARIS RE's shareholders prior to closing of the transactions. They also approved changes to two of the provisions of the company's Articles of Incorporation that will further ease the integration process.

As the transaction continues to progress and as integration planning intensifies, we will continue to keep you informed and I look forward to talking to you further at the next Group video conference on September 1.

Best regards

Bruno
