Benefiting from increased production and sales volume and higher realized prices, the Company recorded a total unaudited revenue of approximately RMB30.49 billion with a significant increase of 118.5% YOY.

In the first quarter of 2010, the Company and its partner made five new discoveries offshore China, among which, Penglai 9-1 is a sizable discovery. Meanwhile, the Company and its partner successfully drilled five appraisal wells.

Completion of this transaction is expected to take place in the first half of 2010 subject to, amongst others, necessary government and regulatory approvals of PRC.

---

During the period, the Company's capital expenditure fell 22.7% YOY to approximately RMB5.80 billion. Mr. Fu Chengyu, Chairman and Chief Executive Officer of the Company commented, "In the first quarter, the Company achieved strong production and revenue growth as well as encouraging exploration discoveries.
