PROTECT THE VALUE OF YOUR INVESTMENT — VOTE 'FOR' THE AMALGAMATION AGREEMENT WITH AXIS CAPITAL

PartnerRe's Merger with AXIS Capital is the Most Compelling Opportunity to Create Superior Long-Term ValueEXOR's

Offer is Far Below an Appropriate Price and Presents Significant Risks for Shareholders

Dear PartnerRe Shareholder:

We urge you to protect the value of your investment in PartnerRe by voting '**FOR**' the value-enhancing amalgamation agreement with AXIS Capital using the **WHITE** proxy card today.

The combination with AXIS Capital – a highly complementary strategic partner – creates compelling value and continuity of interest for PartnerRe shareholders.

Merger with AXIS Capital: Significant Benefits to PartnerRe Shareholders

- ü *Outstanding strategic fit*
- ü *Stronger combined balance sheet*
- ü *Increased equity base*
- ü *Enhanced, more stable earnings*

Compelling Opportunity to Create Superior Value for You

Over the past several years, PartnerRe’s Board has taken proactive steps to best position the Company for the long term, including extensively evaluating all strategic alternatives. The resulting merger with AXIS Capital is the clear best path for PartnerRe investors.

While PartnerRe has a strong foundation to continue as a standalone company, the merger with AXIS Capital would create *an even stronger, world-leading reinsurance and insurance company with immense value potential gained through:*

- ü *Combined franchise strengths*
- ü *Significant capital efficiencies*
- ü *Highly achievable operational synergies*
- ü *Greater growth potential*

EXOR’s Inferior Offer Significantly Undervalues PartnerRe

In contrast, an uncertain and opportunistic offer from the Italian investment company EXOR to acquire PartnerRe at a price of \$137.50 per share is not in your best interest and is simply NOT a viable alternative.

EXOR's offer does not recognize the strength of PartnerRe and the value of its franchise and future prospects. To be clear: *this price does not pay you the full, intrinsic value of your investment. Do not be misled by EXOR's rhetoric – they are simply attempting to take over your company without adequately compensating you.*

It is important to remember that EXOR's unsolicited offer is not an actionable alternative to PartnerRe's combination with AXIS Capital on its current price and terms – **a vote against the AXIS Capital transaction is not a vote for a transaction with EXOR.** EXOR's acquisition of PartnerRe at the current price and terms will NOT be consummated just because PartnerRe shareholders fail to approve the merger with AXIS Capital. **In contrast, the merger with AXIS Capital represents a real opportunity available to shareholders now to create superior value for your shares.**
