The Named Executive Officer is entitled to receive certain dividend equivalent amounts on the shares underlying the options as follows: as of November 11, 1999, an amount equal to the dividends that would have been paid since that date on 20% of the shares underlying such options; each anniversary thereafter (through November 11, 2003), an additional 20% of such shares enjoy dividend equivalent rights as though such shares were outstanding as of November 11th of that year.

Employment Agreements

Daniel J. Kelly. Mr. Kelly entered into an employment contract with the Company on December 29, 2000. Mr. Kelly's contract is effective until December 31, 2002, and is automatically extended for one additional year beginning each January 1 thereafter unless Mr. Kelly or the Company has then elected to terminate the contract. Mr. Kelly's contract provides for a minimum annual base salary at the rate of \$200,000, which may be increased from time to time by the Board of Directors, and for the potential to receive annual bonuses.

If Mr. Kelly's employment contract is terminated without cause within 12

## Edgar Filing: KONOVER PROPERTY TRUST INC - Form DEF 14A

months from the date of a change in control of the Company (as described below), then Mr. Kelly will be entitled to forgiveness of any outstanding loans made to him by the Company and Mr. Kelly will receive a cash amount equal to the sum of the following: (1) his then-current base salary and then-current benefits for 24 months (or 12 months if such termination occurs after December 31, 2003); (2) two times the amount of his last paid bonus; and (3) the amount of 12 months of the then-current employee contribution toward COBRA continuation coverage. Additionally, all of Mr. Kelly's shares of restricted stock, stock options and other long-term incentives would vest immediately upon a change of control.

For purposes for Mr. Kelly's employment contract, "change in control" generally means any sale, merger, consolidation, or any other business combination or reorganization in which a third party (other than Prometheus) becomes the beneficial owner of more than 50% (on a fully diluted basis) of the Company's common stock or voting power or any sale or other disposition of all or substantially all of the assets of Company.

8

Christopher G. Gavrelis. Mr. Gavrelis entered into an employment contract with the Company on December 15, 1995. Mr. Gavrelis' contract, as amended, is effective until February 28, 2003, and is automatically extended for one additional year beginning each March 1 thereafter unless Mr. Gavrelis or the Company has then elected to terminate the contract. Mr. Gavrelis' contract provides for a minimum annual base salary at the rate of \$193,128, which may be increased from time to time by the Board of Directors, and for the potential to receive annual bonuses. If Mr. Gavrelis dies or becomes permanently disabled during the term of his contract, the Company is required to pay his heirs an amount equal to two times his then effective annual salary plus a pro rata portion of the bonus applicable to the year in which such death or permanent disability occurs.

If Mr. Gavrelis' employment contract is terminated without cause or Mr. Gavrelis elects to terminate his contract within three months from the date of a change of control, then Mr. Gavrelis will receive a cash amount equal to the sum of the following: (1) the greater of the total amount of unpaid base salary for the then-unexpired portion of the term of his contract or the amount of one year's base salary; and (2) a pro rata portion of the bonus applicable to the year in which such termination occurs. Additionally, all of Mr. Gavrelis' shares of restricted stock, stock options and other long-term incentives would vest immediately upon a change of control.

For purposes of Mr. Gavrelis' employment contract, "change in control" generally means any acquisition by any third party of more than 50% of the Company's common stock or voting power or the date on which the Company's stockholders approve the sale of all or substantially all of the Company's assets or a merger or consolidation resulting in a change in ownership of 50% or more of the Company's common stock or voting power.

Suzanne Levin Rice. Ms. Rice entered into an employment contract with the Company on April 1, 1999. Ms. Rice's contract is effective until February 28, 2002, and is automatically extended for three additional years beginning on each expiration date thereafter unless Ms. Rice or the Company has then elected to terminate the contract upon the expiration of the then-existing term. Ms. Rice's contract provides for a minimum annual base salary at the rate of \$130,000, which may be increased from time to time by the Board of Directors, a guaranteed annual bonus of \$166,667 for each of the 12-month periods ending on the last day of February 2000, 2001 and 2002, and for the potential to receive additional discretionary annual bonuses. In addition, Ms. Rice is entitled to a percentage of certain development, leasing and management fees earned by the

## Edgar Filing: KONOVER PROPERTY TRUST INC - Form DEF 14A

Company during the term of her employment contract. If Ms. Rice dies or becomes permanently disabled during the term of her contract, the Company is required to pay her heirs an amount equal to two times her then effective annual base salary, plus any remaining unpaid guaranteed bonus amounts plus a pro rata portion of the discretionary bonus applicable to the year in which such death or permanent disability occurs.

If Ms. Rice's employment contract is terminated without cause, then Ms. Rice will receive a cash amount equal to the sum of the following: (1) the greater of the total amount of unpaid base salary for the then-unexpired portion of the term of her contract or the amount of one year's base salary; and (2) the product of the number of years remaining in the contract times an amount equal to the average of the annual discretionary bonuses paid to Ms. Rice during the previous three years. Additionally, all of Ms. Rice's long-term incentives would vest immediately upon a change of control, as defined in the Company's various plans.

### Separation Agreements

C. Cammack Morton. C. Cammack Morton resigned as an officer and director of the Company on March 6, 2001. In connection with his resignation, the Company and Mr. Morton entered into a Separation Agreement and General Release. Under the separation agreement, which was a complete settlement of Mr. Morton's rights under his former employment agreement, the Company paid Mr. Morton \$2.5 million in cash and released him from the non-compete restrictions in his employment agreement.

In addition, the parties agreed upon Mr. Morton's rights under various equity awards. Mr. Morton's equity awards fall into three categories: (i) 617,150 Repurchase Rights with exercise prices ranging from approximately \$.51 to \$.77 per share (the "deeply discounted Repurchase Rights"), (ii) 440,000 Repurchase

9

Rights issued in exchange for stock options, which rights have exercise prices significantly above the current market price for the Company's common stock (the "out-of-the-money Repurchase Rights") and (iii) 210,000 out-of-the-money stock options. Unlike the stock options, all Repurchase Rights are entitled to dividend equivalent payments.

Mr. Morton agreed that his 225,851 vested deeply discounted Repurchase Rights and 300,000 vested out-of-the-money Repurchase Rights would remain outstanding (and entitled to dividend equivalent rights) only until April 1, 2002. He also agreed to the immediate cancellation of the remaining 391,299 deeply discounted Repurchase Rights in exchange for an additional cash payment of \$900,000, of which the Company has already paid \$400,000 and will pay the remaining \$500,000 in January 2002. Mr. Morton also forfeited his interest in 140,000 out-of-the-money Repurchase Rights and 210,000 out-of-the-money stock options in exchange for \$35,000 in cash.

Patrick M. Miniutti. Patrick M. Miniutti's employment with the Company terminated on March 6, 2001, and he resigned from the Board of Directors on March 30, 2001. In complete settlement of all rights under his former employment agreement, Mr. Miniutti entered into a Separation and Settlement Agreement and General Release with the Company on March 30, 2001. Pursuant to the agreement, the Company paid a severance benefit to Mr. Miniutti consisting of \$1.5 million in cash (payable in five equal monthly installments) and the forgiveness of a \$125,000 loan. The Company also released Mr. Miniutti from the non-compete restrictions imposed by his employment agreement.

## Edgar Filing: KONOVER PROPERTY TRUST INC - Form DEF 14A

In addition, in exchange for the issuance of 259,545 shares of common stock (the "Settlement Shares"), Mr. Miniutti agreed to the immediate cancellation of all rights (including dividend equivalent rights) with respect to all equity awards granted by the Company. The shares are issuable upon the earlier of April 1, 2002, the sale of 50% or more of the Company's voting securities, the liquidation or winding-up of the Company or the payment by Mr. Miniutti of an amount equal to the Company's tax withholding obligations on the Settlement Shares. Under the agreement, Mr. Miniutti is entitled to dividend equivalent payments with respect to the Settlement Shares for any record date occurring after March 30, 2001 but before the issuance of the Settlement Shares.

### Compensation Committee Interlocks and Insider Participation

During 2000, the following individuals (none of whom was or had been an officer or employee of the Company) served on the Executive Compensation Committee: Messrs. Gildea (Chairman), Eberle and Ticotin. No member of the Executive Compensation Committee was or is an officer or employee of the Company.

### Compensation Committee Report

Executive Officer Compensation Policies. The goals of the Compensation Committee (the "Committee") with respect to the compensation of the Company's executive officers are to (i) provide a competitive total compensation package that enables the Company to attract and retain qualified executives, (ii) align the compensation of such executives with the Company's overall business strategies and (iii) provide each executive officer with a significant equity stake in the Company, which serves to align compensation with the interests of stockholders. To this end, the Committee determines executive compensation consistent with a philosophy of compensating executive officers based on their responsibilities and the Company's performance in attaining financial and non-financial objectives.

The primary components of the Company's executive compensation program are: (i) base salaries, (ii) performance-based annual bonuses, (iii) stock options and (iv) Restricted Stock. The more senior the position, the greater the compensation that varies with performance and the greater the portion that is in the form of options or Restricted Stock.

Base Salaries. Base salaries for the Company's Named Executive Officers, as well as changes in such salaries, are based upon recommendations of the Chief Executive Officer, taking into account such factors as competitive industry salaries; a subjective assessment of the nature of the position; the contribution and experience of the officer; and the length of the officer's service. The Chief Executive Officer makes recommendations to the Committee, which then approves or disapproves such recommendations.

10

Bonuses. Annual bonuses are determined by Company performance and individual performance. Performance targets ordinarily result in bonuses ranging from 5% to 60% of base salary, with maximum bonuses ranging from 10% to 70% of base salary for performance achievements greater than the targets. Most officers of the Company receive 100% of their bonus in the form of Restricted Stock with a three-year cliff vest. In consideration thereof, each officer receives shares of Restricted Stock equal to 150% of the value of the appropriate cash bonus.

Stock Options. The Company established an Employee Stock Incentive Plan (the "Stock Incentive Plan") in 1993 for the purpose of attracting and retaining the Company's executive officers and other employees. A maximum of 2,800,000 shares of Common Stock are issuable under the Stock Incentive Plan. The Stock

## Edgar Filing: KONOVER PROPERTY TRUST INC - Form DEF 14A

Incentive Plan allows for the grant of incentive and nonqualified options (within the meaning of the Internal Revenue Code) that are exercisable at a price equal to the closing price of the Common Stock on the New York Stock Exchange on the trading day immediately preceding the date of grant. All of the Company's executive officers are eligible to receive options to purchase shares of Common Stock granted under the Stock Incentive Plan. The Committee believes that stock option grants are a valuable motivating tool and provide a long-term incentive to management. The Committee also believes that issuing stock options to executives benefits the Company's stockholders by encouraging executives to own the Company's stock, thus aligning executive compensation with stockholder interests. In November 1998, certain holders exchanged 735,000 options for Repurchase Rights (with identical exercise prices and vesting schedules). The only economic effect of such change is the dividend equivalent right associated with the Repurchase Rights. See "--Restricted Stock and Repurchase Rights" below. In June 1999, 1,525,000 options were issued to the Company's senior management. These options vest five years from date of grant or, if earlier, upon the following schedule: 33% vest upon the Common Stock price reaching \$12, an additional 33% vest upon the Common Stock price reaching \$14 and the remaining 34% upon the Common Stock price reaching \$19, in each case, less dividends paid. The Named Executive Officer is entitled to receive certain dividend equivalent amounts on the shares underlying these options as follows: as of November 11, 1999, an amount equal to the dividends that would have been paid since that date on 20% of the shares underlying such options; each anniversary thereafter (through November 11, 2003), an additional 20% of such shares enjoy dividend equivalent rights as though such shares were outstanding as of November 11th of that year. These options issued under the Stock Incentive Plan have been or will be cancelled under the terms of the separation agreements with Messrs. Morton and Miniutti as described above at "Separation Agreements."

Restricted Stock and Repurchase Rights. The Company established a Restricted Stock plan (the "Restricted Plan") in 1996, reserving 350,000 shares of Common Stock for issuance thereunder, to give the Committee more flexibility in designing equity-based compensation arrangements to attract, motivate and retain executives and other key employees. Such equity-based compensation is designed to align more closely the financial interests of management with that of the stockholders. In 1997 and 1998, the Company reserved in the aggregate an additional 1,900,000 shares of Common Stock for issuance under the Restricted Plan. The Restricted Plan, which is administered by the Committee, provides for the grant of Restricted Stock awards to any new or existing employee of the Company, including executive officers. Awards under the Restricted Plan typically will be subject to various vesting schedules ranging from one to four years from the date of grant. The Restricted Plan permits the Committee to customize the vesting schedule by deferring the commencement date, lengthening the vesting period and/or conditioning vesting upon the achievement of specified performance goals. During 2000, the Company granted 658,020 shares of Restricted Stock to officers and other key employees.

In 1997, the Company supplemented the Restricted Plan so that officers would not have to sell their shares of Restricted Stock to meet their tax obligations incurred upon the vesting of such shares. The Restricted Plan as supplemented provides that Restricted Stock may be replaced by Repurchase Rights, which entitle the holder to purchase Restricted Stock at an exercise price equal to 10% of the value of a share on the date of grant of the Repurchase Right. The Repurchase Rights vest on the same schedule as the shares of Restricted Stock that they replaced. Under the supplemented Restricted Plan, holders of Repurchase Rights will also be entitled to cash payments equal to the value of the dividends that would have been paid on the shares underlying the

## Edgar Filing: KONOVER PROPERTY TRUST INC - Form DEF 14A

Repurchase Rights. The officers may exercise the Repurchase Rights at any time after vesting and within 15 years of the date of grant. For purposes of calculating the number of options and shares available for issuance under the Company's Restricted Plan, when Restricted Stock is exchanged for Repurchase Rights that have an exercise price equal to 10% of the stock price on the date of exchange, no adjustment is made to the number of outstanding shares of Restricted Stock under the Restricted Plan since the underlying number of shares does not change.

Chief Executive Officer's Compensation. C. Cammack Morton's compensation for 2000 as the Company's President and Chief Executive Officer consisted of an annual base salary, pursuant to his former employment agreement, of \$669,711 (\$339,711 of which was paid in the form of Restricted Stock, subject to one-year and three-year cliff vesting). Mr. Morton did not receive a bonus in 2000 as the performance targets for Mr. Morton and the Company were not met.

The Executive Compensation Committee respectively submits this report to the stockholders.

### Audit Committee Report

The Audit Committee currently consists of three members, each of whom satisfies the definition of independent director included in the New York Stock Exchange Listing Standards. During 2000, the Board adopted a written charter for the Audit Committee which was amended and restated on March 6, 2001. A copy of the Audit Committee charter is attached to this proxy statement as APPENDIX A. The Audit Committee met four times during calendar 2000.

The Audit Committee assists the Board in its oversight and monitoring of the Company's financial reporting process. The Audit Committee monitors (i) the adequacy of the Company's internal controls and financial reporting process and the reliability of its annual and quarterly financial statements and (ii) the independence and performance of the Company's independent public accountants and the work of its internal auditors. It also recommends to the Board the appointment of the independent public accountants.

The Audit Committee reviewed the Company's audited financial statements for calendar 2000 with management and Arthur Andersen LLP, the Company's independent public accountants, including a discussion of the quality, not just the acceptability, of the accounting principles and judgments. The Audit Committee also discussed quarterly results and financial reporting matters on a timely basis with management and Arthur Andersen. On a quarterly basis, the Audit Committee discussed with Arthur Andersen the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

The Audit Committee received the written disclosures and the letter from Arthur Andersen required by Independence Standards Board Standard No. 1 and discussed with Arthur Andersen their independence from management and the Company. The Audit Committee also considered whether providing non-audit services impacted Arthur Andersen's independence from an audit standpoint and concluded that their independence was not compromised.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board that the Company's audited financial statements be included in its Annual Report on Form 10-K for the year ended December 31, 2000 for filing with the Securities and Exchange Commission. The Audit Committee also recommended to the Board that the Company retain Arthur Andersen as the

Company's independent auditors for 2001.

The Audit Committee respectively submits this report to the stockholders.

### CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Prometheus Relationship. Prometheus Southeast Retail Trust, which is indirectly controlled by LFREI, acquired its 67% interest in the Company during 1998 pursuant to the stockholder-approved Stock Purchase Agreement with the Company.

Pursuant to a related Stockholders Agreement with Prometheus, the Company is obligated to take all actions necessary to cause the Board of Directors to consist of at least nine members, three of which are designated by Prometheus (the "Prometheus Nominees"). Two of the Prometheus Nominees are chosen at the sole discretion of Prometheus; the third is subject to the reasonable approval of the Company. Of the nine individuals nominated for election at the Annual Meeting, the Prometheus Nominees are Messrs. Ross, Ticotin and Zobler.

Mr. Ross is a Vice President of Finance of LFREI. Mr. Ticotin is a Principal and Executive Vice President of LFREI. Mr. Zobler is a Vice President of LFREI.

The number of Prometheus Nominees that Prometheus is entitled to nominate decreases as the value of its ownership interest in the Company decreases, as set forth below:

Investment Value	Number of Prometheus Nominees
\$50 million or more	Three or proportional one-third share of the Board if Board size over nine

## Edgar Filing: KONOVER PROPERTY TRUST INC - Form DEF 14A

\$25 million to \$50 million	Two or proportional two-ninths share of the Board if Board size over nine
\$10 million to \$25 million	One or proportional one-ninth share of the Board if Board size over nine
Less than \$10 million	None

The Company also entered into a Contingent Value Right Agreement, which provides that if Prometheus has not doubled its investment (through stock appreciation, dividends, or both) by January 1, 2004, the Company will pay Prometheus in cash or stock, an amount necessary to achieve such a return, subject to a maximum payment of 4,500,000 shares or the cash value thereof.

Transfer of E-Commerce Assets to truefinds.com. During 1999, the Company began selling apparel and other merchandise through its website "truefinds.com", and commenced other strategic e-commerce initiatives. Although the revenue from this start-up venture was nominal, the Company transferred its e-commerce operations to truefinds.com, Inc., a "preferred stock subsidiary" incorporated in Maryland, in December 1999 to reduce the risk that growth of the e-commerce business would jeopardize the Company's REIT status.

14

Truefinds.com, Inc. is a "preferred stock subsidiary" in which the Company owns 95% of the economic interest. For all of 2000, Employee Investors LLC, an affiliate of Mr. Morton, owned the remaining 5% economic interest. Employee Investors LLC also owned all of the voting stock of this venture. During 2000, the Company loaned truefinds.com, Inc. \$4.6 million and an interest rate of 10% per annum. The Company ceased funding the operations of truefinds.com in December 2000.

Following his resignation, Mr. Morton transferred his interest in truefinds to Konover Development & Management South Corporation, an affiliate of Mr. Konover.

Loans to Sunset KPT Investments, Inc. In order to satisfy income source tests imposed on REITs, the Company's interest in certain development land and a third-party management business is held through its 85% economic interest in Sunset KPT Investments, Inc. (formerly Wakefield Investment, Inc.). The remaining 15% economic interest in this subsidiary was owned by Messrs. Gavrelis, Morton, Miniutti and Neville. During 2000, Mr. Neville's interest was transferred to Mr. Morton. In 2001, Messrs. Morton and Miniutti transferred their interests in Sunset KPT Investments, Inc. to Konover Development and Management South Corporation, an affiliate of Mr. Konover.

The following table provides information about certain loans from the Company to Sunset KPT Investments, Inc. made during 2000:

RMC/Konover Property Trust, LLC	\$503,974	0%	Provide for operations of third-party management company.

Lease Guarantee Obligations. In 1998, the Company acquired Lake Point Centre, which had been developed by certain affiliates of Mr. Konover prior to its sale to the Company. The amount paid by the Company for the property was \$14.5 million; however, as a condition of the sale, the seller, an affiliate of Mr. Konover, is obligated to pay certain lease payments on unleased space at the center until March 2003. During 2000, affiliates of Mr. Konover paid \$330,979 pursuant to this obligation. As of May 2001, affiliates of Mr. Konover owed \$194,526 under this lease-guarantee obligation.

Payment of Deferred Purchase Price. In 1998, the Company entered into an agreement with affiliates of Mr. Konover to take over the management and leasing of certain properties. In consideration of the assignment of the management and leasing agreements to the Company, the Company agreed to pay \$1.1 million in 1999, \$1.4 million in 2000 and \$1.3 million in 2001. The final \$1.3 million payment was made in January 2001.

### INFORMATION REGARDING INDEPENDENT PUBLIC ACCOUNTANTS

The Board of Directors, upon the recommendation of the Audit Committee, appointed the accounting firm of Arthur Andersen LLP ("Arthur Andersen") to serve as independent auditors of the Company for the fiscal year ending December 31, 2000. Arthur Andersen has served as independent auditors of the Company since September 1997 and is considered by management of the Company to be well qualified.
