GENERAL

Introduction

Fulton Financial Corporation, a Pennsylvania business corporation and registered financial holding company, was organized pursuant to a plan of reorganization adopted by Fulton Bank and implemented on June 30, 1982. On that date, Fulton Bank became a wholly-owned subsidiary of Fulton Financial Corporation and the shareholders of Fulton Bank became shareholders of Fulton Financial Corporation. Since that time, Fulton Financial Corporation has acquired other banks and currently owns the following subsidiary banks: Fulton Bank, Delaware National Bank, Lebanon Valley Farmers Bank, FNB Bank, N.A., Hagerstown Trust Company, Lafayette Ambassador Bank, Swineford National Bank, The Bank (formerly The Bank of Gloucester County), The Peoples Bank of Elkton and Skylands Community Bank. In addition, Fulton Financial Corporation has the following direct, non-banking subsidiaries: Fulton Financial Realty Company (which owns or leases certain properties on which certain branch and operational facilities are located), Fulton Reinsurance Company, Ltd. (which reinsures credit life, health and accident insurance that is directly related to extensions of credit by subsidiary banks of Fulton Financial Corporation), Central Pennsylvania Financial Corp. (which owns, directly or indirectly, certain limited partnership interests, principally in low-moderate income and elderly housing projects), FFC Management, Inc. (which holds certain investment securities and corporate owned life insurance policies), Fulton Financial Advisors, National Association (which offers fiduciary and investment services), Fulton Insurance Services Group, Inc. (which operates an insurance agency selling life insurance and related insurance products), Dearden, Maguire, Weaver & Barrett, LLC (which is a registered investment advisor offering investment management and advisory services), Pennbanks Insurance Company (which is a reinsurance company), FFC Penn Square, Inc. (a holder of trust preferred securities) and Drovers Capital Trust 1 (an issuer of trust preferred securities).

On January 16, 2003, Fulton Financial Corporation entered into a merger agreement to acquire Premier Bancorp, Inc. (Premier), of Doylestown, Pennsylvania. Premier is a \$600 million financial holding company whose primary subsidiary is Premier Bank, which has seven community banking offices in Bucks, Northampton and Montgomery Counties, Pennsylvania.

Under the terms of the merger agreement, each of the approximately 3.5 million shares of Premier's common stock will be exchanged for 1.34 shares of Fulton Financial Corporation's common stock. In addition, each of the outstanding options (304,000 as of January 16, 2003) to acquire Premier's stock

Edgar Filing: FULTON FINANCIAL CORP - Form DEF 14A

will be converted to options to purchase Fulton Financial Corporation's stock. The acquisition is subject to approval by bank regulatory authorities and Premier's shareholders and is expected to be completed in the third quarter of 2003.

As a result of the acquisition, Premier will be merged into Fulton Financial Corporation and Premier Bank will become a wholly-owned subsidiary of Fulton Financial Corporation.

The meeting to which this Proxy Statement relates will be the twenty-first Annual Meeting of the shareholders of Fulton Financial Corporation.

Date, Time and Place of Meeting

The regular Annual Meeting of the shareholders of Fulton Financial Corporation will be held on Tuesday, April 15, 2003, at 12:00 noon, at the Hershey Lodge and Convention Center, West Chocolate Avenue and University Drive, Hershey, Pennsylvania.

Shareholders Entitled to Vote

Only those shareholders of record at the close of business on February 25, 2003 shall be entitled to receive notice of, and to vote at, the meeting.

2

Purpose of Meeting

The shareholders will be asked to consider and vote upon the following matters at the meeting: (i) to elect six directors for a term of three years; and (ii) to consider and vote upon such other business as may be properly brought before the meeting and any adjournment thereof.

Solicitation of Proxies

This Proxy Statement is furnished in connection with the solicitation of proxies, in the accompanying form, by the Board of Directors of Fulton Financial Corporation for use at the Annual Meeting of shareholders to be held at 12:00 noon on Tuesday, April 15, 2003, and any adjournments thereof.

The expense of soliciting proxies will be borne by Fulton Financial Corporation. In addition to the use of the mails, directors, officers and employees of Fulton Financial Corporation and its subsidiaries may, without additional compensation, solicit proxies personally or by telephone.

Revocability and Voting of Proxies

The execution and return of the enclosed proxy will not affect a shareholder's right to attend the meeting and to vote in person. Any proxy given pursuant to this solicitation may be revoked by delivering written notice of revocation to George R. Barr, Jr., Secretary of Fulton Financial Corporation, at any time before the proxy is voted at the meeting. Unless revoked, any proxy given pursuant to this solicitation will be voted at the meeting in accordance with the instructions thereon of the shareholder giving the proxy. In the absence of instructions, all proxies will be voted FOR the election of the six nominees identified in this Proxy Statement. Although the Board of Directors knows of no other business to be presented, in the event that any other matters are properly brought before the meeting, any proxy given pursuant to this solicitation will be voted in accordance with the recommendations of the Board of Directors of Fulton Financial Corporation.

Edgar Filing: FULTON FINANCIAL CORP - Form DEF 14A

Shares held for the account of shareholders who participate in the Dividend Reinvestment and Stock Purchase Plan and for the account of employees who participate in the Employee Stock Purchase Plan will be voted in accordance with the instructions of each shareholder as set forth in his or her proxy. If a shareholder who participates in these plans does not return a proxy, the shares held for the shareholder's account by the Plan Agent will not be voted.

Shares held for the account of employees of Fulton Financial Corporation and its subsidiaries who participate in the Fulton Financial Stock Fund of the Fulton Financial Corporation Profit Sharing Plan and Affiliate 401(k) Savings Plan will be voted by the Plan Trustee (Fulton Financial Advisors, National Association) in accordance with the instructions of each participant as set forth in the separate voting instruction sheet sent to the participant with respect to such shares. Shares held under the Fulton Financial Stock Fund with respect to which no voting instructions are received by the Plan Trustee will be voted by the Plan Trustee FOR the election of the six nominees identified in the Proxy Statement.

Voting of Shares and Principal Holders Thereof

At the close of business on February 25, 2003, which is the record date for determination of shareholders entitled to receive notice of, and to vote at, the meeting and any adjournment thereof, Fulton Financial Corporation had outstanding 100,753,048 shares of common stock. There is no other class of stock outstanding. As of the record date, 2,720,108 shares of Fulton Financial Corporation common stock were held by Fulton Financial Advisors, National Association, a subsidiary of Fulton Financial Corporation, as sole fiduciary. The shares held by Fulton Financial Advisors, National Association as sole fiduciary represent in the aggregate approximately 2.69 percent of the total shares outstanding and will be voted FOR the election of the six nominees identified in this Proxy Statement.

3

A majority of the outstanding common stock present in person or by proxy constitutes a quorum for the conduct of business. The judge of election will treat shares of Fulton Financial Corporation common stock represented by a properly signed and returned proxy as present at the Annual Meeting for purposes of determining a quorum, without regard to whether the proxy is marked as casting a vote or abstaining. Likewise, the judge of election will treat shares of common stock represented by "broker non-votes" (i.e., shares of common stock held in record name by brokers or nominees as to which (i) instructions have not been received from the beneficial owners or persons entitled to vote, (ii) the broker or nominee does not have discretionary voting power under applicable rules of the National Association of Securities Dealers, Inc. or the instrument under which it serves in such capacity, and (iii) the record holder has indicated on the proxy or otherwise notified Fulton Financial Corporation that it does not have authority to vote such shares on that matter) as present for purposes of determining a quorum.

Each share is entitled to one vote on all matters submitted to a vote of the shareholders. A majority of the votes cast at a meeting at which a quorum is present is required in order to approve any matter submitted to a vote of the shareholders, except in cases where the vote of a greater number of shares is required by law or under the Articles of Incorporation or Bylaws. In the case of the election of directors, the six candidates receiving the highest number of votes cast at the Annual Meeting shall be elected to the Board of Directors. Abstentions and broker non-votes will be counted as shares that are outstanding, but will not be counted or voted in favor of the election of directors.

Edgar Filing: FULTON FINANCIAL CORP - Form DEF 14A

To the knowledge of Fulton Financial Corporation, no person owned of record or beneficially on the record date more than five percent of the outstanding common stock of Fulton Financial Corporation.

Shareholder Proposals

Shareholder proposals intended to be presented at the 2004 Annual Meeting must be received at the executive offices of Fulton Financial Corporation at One Penn Square, Lancaster, Pennsylvania not later than November 4, 2003, in order to be included in the proxy statement and proxy form to be prepared by Fulton Financial Corporation in connection with the 2004 Annual Meeting. A shareholder may not submit more than one proposal, and the proposal, including any accompanying supporting statement, may not exceed 500 words.

In order to be eligible to submit a proposal, a shareholder must have continuously held at least \$2,000 in market value of Fulton Financial Corporation common stock for at least one year before the date the proposal is submitted. The shareholder must continue to hold that stock through the date of the 2004 Annual Meeting.

Any shareholder submitting a shareholder proposal to Fulton Financial Corporation must also provide Fulton Financial Corporation with a written statement verifying ownership of stock and confirming the shareholder's intention to continue to hold the stock through the date of the 2004 Annual Meeting. The shareholder, or a qualified representative, must attend the 2004 Annual Meeting to present the proposal.

Recommendation of the Board of Directors

The Board of Directors recommends that the shareholders vote FOR the election of the six nominees identified in this Proxy Statement.

INFORMATION CONCERNING DIRECTORS AND EXECUTIVE OFFICERS

General Information

The Bylaws of Fulton Financial Corporation provide that the Board of Directors shall consist of not less than two nor more than thirty-five persons and that the directors shall be classified with respect to the time they shall severally hold office by dividing them into three classes, each consisting as nearly as possible of one-third of the number of the whole Board of Directors. The Bylaws further provide that the directors of each class shall be elected for a term of three years, so that the term of office of one class of directors shall expire at the Annual

4

Meeting each year. The Bylaws provide that the number of directors in each class of directors shall be determined by the Board of Directors.

A majority of the Board of Directors may increase the number of directors between meetings of the shareholders. Any vacancy occurring in the Board of Directors, whether due to an increase in the number of directors, resignation, retirement, death or any other reason, may be filled by appointment by the remaining directors. Any director who is appointed to fill a vacancy shall hold office until the next Annual Meeting of the shareholders and until a successor is elected and shall have qualified. There is a mandatory retirement provision in the Bylaws, which states that the office of a director shall be considered vacant at the Annual Meeting of shareholders next following the

Edgar Filing: FULTON FINANCIAL CORP - Form DEF 14A

director's attaining the age of 70 years.

The Board of Directors has fixed the number of directors at twenty-two. There are sixteen continuing directors whose terms of office will expire at either the 2004 Annual Meeting or the 2005 Annual Meeting. The Board of Directors proposes to nominate the following six persons for election to the Board of Directors for the term specified below:

For a Term of Three Years - Class of 2006

Jeffrey G. Albertson	Eugene H. Gardner
Craig A. Dally	Clyde W. Horst
Rufus A. Fulton, Jr.	R. Scott Smith, Jr.

Each of the above nominees is presently a director of Fulton Financial Corporation. In addition, except for Directors Fulton and Smith, each nominee currently serves on one bank subsidiary board of directors and will continue to serve on such board as follows: Directors Gardner and Horst - Fulton Bank; Director Albertson - The Bank; and Director Dally - Lafayette Ambassador Bank.

In the event that any of the foregoing nominees is unable to accept nomination or election, any proxy given pursuant to this solicitation will be voted in favor of such other persons as the Board of Directors of Fulton Financial Corporation may recommend. However, the Board of Directors has no reason to believe that any of its nominees will be unable to accept nomination or to serve as a director if elected.

Section 3 of Article II of the Bylaws of Fulton Financial Corporation requires that nominations, other than those made by or on behalf of the existing management of Fulton Financial Corporation, must be made in writing and must be delivered or mailed to the Chief Executive Officer of Fulton Financial Corporation not less than 14 days nor more than 50 days prior to the date of the Annual Meeting; provided, however, that if less than 21 days' notice of the meeting is given to the shareholders, such nominations must be mailed or delivered to the Chief Executive Officer of Fulton Financial Corporation not later than the close of business on the seventh day following the day on which notice of the meeting was mailed. The required notice must set forth the name, age, residence address and principal occupation of each nominee. The chairman of the meeting is required to determine whether nominations have been made in accordance with the requirements of the Bylaws and, if he determines that a nomination is defective, the nomination and any votes cast for the nominee shall be disregarded.

Executive Committee Report on Executive Compensation

Compensation for executive officers of Fulton Financial Corporation is determined by the Board of Directors after receiving recommendations from the Executive Committee based upon external salary comparisons and individual performance. In making recommendations to the Board of Directors regarding the appropriate levels of executive officer compensation for 2002, the Executive Committee first considered the executive management tiers and corresponding base salary ranges which had been developed in 2001 by Peter R. Johnson & Company, a consultant on executive compensation. Fulton Financial Corporation's executive compensation program is based, to a significant degree, on peer group information, because the Board of Directors believes that the Corporation must offer competitive salaries in order to attract and retain qualified executive officers.

In making recommendations to the Board of Directors regarding the appropriate levels of executive officer compensation for 2002, the Executive Committee also considered the individual performance factors described in this paragraph. With regard to the compensation paid to executive officers other than the Chief Executive Officer, the Executive Committee considered information provided by the Chief Executive Officer as to each executive officer's level of individual performance, contribution to the organization, and salary history during the past five years. With regard to the compensation paid to the Chief Executive Officer, the Executive Committee considered his performance level, the results of management decisions made by him, and the earnings of Fulton Financial Corporation during the previous year. The Executive Committee did not assign a particular weight to any of the foregoing individual performance factors, nor did it establish specific target levels for individual performance or corporate earnings. The compensation recommendations of the Executive Committee were based on its overall subjective assessment of the value of the services provided by each executive officer to Fulton Financial Corporation, after giving careful consideration to the peer group compensation information described above and the individual performance factors discussed in this paragraph.

The peer group of bank holding companies used by the Executive Committee for purposes of making a comparative analysis of executive compensation for 2002 included all of the same bank holding companies that are incorporated in the peer group established to compare shareholder returns, as indicated in the

Edgar Filing: FULTON FINANCIAL CORP - Form DEF 14A

Performance Graph included in this Proxy Statement. The peer group includes bank holding companies that are comparable to Fulton Financial Corporation in terms of asset size, although they are not necessarily comparable in terms of financial performance.

Pursuant to an Incentive Stock Option Plan approved by the Board of Directors and the shareholders in 1996, Fulton Financial Corporation is authorized to award incentive stock options and non-qualified stock options to key employees of Fulton Financial Corporation and its subsidiaries. These stock options enable the recipients to purchase Fulton Financial Corporation common stock at the prices designated in the awarded options. The number of options available for grant in any calendar year is determined based on the performance of Fulton Financial Corporation measured in terms of total shareholder return relative to a peer group, determined at the sole discretion of those members of the Executive Committee who are not eligible to receive options under the Incentive Stock Option Plan, for the immediately preceding five year period. The awards of stock options made to the executive officers of Fulton Financial Corporation during 2002 were determined by the Board of Directors based on the recommendations of the Executive Committee. In making such recommendations, the Executive Committee considered the number of shares to be optioned and the profitability of Fulton Financial Corporation, as well as information provided by the Chief Executive Officer concerning the level of individual performance and contribution to the organization of each of the other executive officers. The Executive Committee used the same criteria in determining the number of options to be awarded to the Chief Executive Officer. The Executive Committee did not establish specific target levels for individual performance or corporate profitability. The Committee believes, however, that awards of stock

14

options and bonuses are an appropriate means of compensating executive officers based on the performance of Fulton Financial Corporation.

Severance Agreements and Survivors' Benefits

Fulton Financial Corporation has entered into severance agreements with Messrs. Fulton, Smith, Ashby and Nugent (the "Executives"). Under the terms of those agreements, certain limited severance benefits are payable in the event that an Executive is discharged or resigns following, and for reasons relating to, a change in control of Fulton Financial Corporation. Specifically, in the event of such a discharge or resignation, the Executive would be entitled to receive from Fulton Financial Corporation an annual benefit consisting of his then effective base salary, certain fringe benefits in lieu of coverage under employee benefit plans and a supplemental retirement benefit in lieu of his continuing participation in the Fulton Financial Corporation Employee Retirement Plan. Such benefits would be payable, in the case of Mr. Fulton, for a period of five years and, in the cases of Messrs. Smith, Ashby and Nugent, for a period of three years, beginning on the date of the Executive's discharge or resignation and continuing until (i) he elects to terminate benefits in order to accept employment with another financial services institution; (ii) the end of the year

Edgar Filing: FULTON FINANCIAL CORP - Form DEF 14A

in which he attains the age of 65; or (iii) he dies, whichever first occurs.

Officers of Fulton Financial Corporation and certain of its bank subsidiaries as of April 1, 1992, who had been employed by the Corporation for at least five years as of that date, are eligible to participate in a survivors' benefit program. This program provides the employee's spouse, in the event of the employee's death prior to retirement, with an annual income equal to the lesser of \$25,000 or 25 percent of the employee's final annual salary. This benefit is paid from the date of death until the employee's 65th birthday with a minimum of ten annual payments. Messrs. Fulton, Smith and Ashby participate in this program.

Compensation Committee Interlocks and Insider Participation

The functions of the Executive Committee of the Board of Directors of Fulton Financial Corporation include, among other things, consideration of compensation for executive officers of Fulton Financial Corporation and presentation of salary recommendations to the Board of Directors for approval. Members of the Executive Committee are Samuel H. Jones, Jr., Chair, Carolyn R. Holleran, Vice Chair, and Messrs. Bowman, Fulton, Garner, Leshner and Raub. In 2002, Mr. Fulton was Chairman and Chief Executive Officer of Fulton Financial Corporation. Mr. Fulton does not participate in discussions as to his own compensation. There are no interlocking relationships, as defined in regulations of the SEC, involving members of the Executive Committee. The Executive Committee met three times during 2002.

Other Board Committees

Members of the Audit Committee are Patrick J. Freer, Chair, James K. Sperry, Vice Chair, and Messrs. Chubb, Clark, Hodges, Raub and Shirk. Three current directors that serve on the audit committee will be retiring as of the 2003 Annual Meeting in accordance with the Corporation's mandatory retirement policy. They are Harold D. Chubb, William H. Clark, Jr., and James K. Sperry. At the annual reorganization meeting of the Corporation at least one additional qualifying director will be appointed to the Committee. All members of the Audit Committee are deemed to be independent under the current applicable rules of the National Association of Security Dealers' ("NASD") listing standards. The Audit Committee met eight times during the year. The Audit Committee is governed by a formal charter, which was adopted in 2000, and is attached as Exhibit B. The functions of the Audit Committee include the following: performing all duties assigned by the Board of Directors; reviewing with management and independent public accountants the basis for the reports issued by Fulton Financial Corporation pursuant to federal and state regulatory requirements; meeting with the independent public accountants to review the scope of audit services, significant accounting changes, audit conclusions regarding significant accounting estimates, assessments as to the adequacy of internal controls and the resolution of any reportable conditions or weakness, and compliance with laws and regulations; overseeing the internal audit function; reviewing regulatory examination reports and management's responses thereto; and reviewing periodic reports from the loan review function.

The Corporation is closely monitoring the regulations that have been proposed by the Securities and Exchange Commission to implement the provisions of the Sarbanes-Oxley Act of 2002 (the "Act"), as well as the proposed NASDAQ rules relating to corporate governance. The Corporation is in compliance with those regulations of the Act that are currently in effect, and intends to take the necessary actions to comply with the other regulations of the Act by the applicable effective dates, including amending the Audit Committee charter that is attached as Exhibit B.

Members of the Trust Committee are Clyde W. Horst, Chair, Joseph J. Mowad, M.D., Vice Chair, Mrs. Holleran and Messrs. Dally, Fichthorn, Gardner, Hess, Jones and Stewart. Edgar Filing: FULTON FINANCIAL CORP - Form DEF 14A

Financial Advisors, National Association, a subsidiary of Fulton Financial Corporation, and overseeing all trust, investment, insurance and related financial services which Fulton Financial Corporation performs, directly or indirectly through an affiliate.

Members of the Human Resources Committee are Mary Ann Russell, Chair, Donald W. Leshner, Jr., Vice Chair, and Messrs. Albertson, Bowman, Garner, Henry and Stoudt. Mr. Fulton serves as an ex-officio member of this Committee. The Committee met eight times during the year to review benefit and salary administration programs (except for executive officers of Fulton Financial Corporation) and other human resources matters affecting Fulton Financial Corporation and its subsidiaries.

17

There were eight meetings plus one special meeting of the Board of Directors of Fulton Financial Corporation and twenty-seven meetings of committees of the Board of Directors of Fulton Financial Corporation during 2002. No director attended fewer than 75% of the aggregate number of meetings of the Board of Directors and of the board committees on which he or she served.

Compensation of Directors

Each member of the Board of Directors of Fulton Financial Corporation is paid an annual fee of \$10,000 for his or her services as a director, except that no fee is paid to any director who is also a salaried officer of Fulton Financial Corporation or one of its subsidiary banks. In addition, directors are paid a fee of \$400 for each Board of Directors meeting attended. Certain directors have elected to participate in the Fulton Financial Corporation Deferred Compensation Plan, under which a director may elect not to receive the normal director's fees when earned, but instead, to receive them, together with interest, in a lump sum or in installments over a period of up to twenty (20) years following retirement.

Transactions with Directors and Executive Officers

Some of the directors and executive officers of Fulton Financial Corporation and the companies with which they are associated were customers of, and had banking transactions with Fulton Financial Corporation bank subsidiaries during 2002. All loans and commitments to lend made to such persons and to the companies with which they are associated were made in the ordinary course of bank business, on substantially the same terms (including interest rates, collateral and repayment terms) as those prevailing at the time for comparable transactions with other persons, and did not involve more than a normal risk of collectibility or present other unfavorable features. It is anticipated that similar transactions will be entered into in the future.

Some of the directors of Fulton Financial Corporation are members of law firms which provided legal services to Fulton Financial Corporation or its subsidiaries in 2002 and prior years. The law firm of Albertson Ward, Woodbury, New Jersey, has provided legal services to The Bank, a subsidiary of Fulton Financial Corporation, for many years. In 2002, Albertson Ward was paid \$152,588.00 in fees for such services, which constituted more than five percent (5%) of its gross revenues. Director Jeffrey G. Albertson is a partner in this firm. The law firm of Barley, Snyder, Senft & Cohen, LLC, Lancaster, Pennsylvania, provided legal services to Fulton Financial Corporation and its subsidiaries in 2002. Director John O. Shirk is a partner in this law firm. The law firm of Henry & Beaver, LLP, Lebanon, Pennsylvania, provided legal services to Lebanon Valley Farmers Bank in 2002. Director Charles V. Henry, III is a partner in this law firm. The law firm of Pierce & Dally, LLP, Nazareth,

Edgar Filing: FULTON FINANCIAL CORP - Form DEF 14A

Pennsylvania, provided legal services to Lafayette Ambassador Bank in 2002. In 2002, Pierce & Dally was paid \$63,099.00 in fees for such services, which constituted more than five percent (5%) of its gross revenues. Director Craig A. Dally is a partner in this law firm. In each case, the law firm is expected to continue to provide legal services to Fulton Financial Corporation or its subsidiaries in the future.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires the directors and executive officers of Fulton Financial Corporation to file with the Securities and Exchange Commission initial reports of ownership and reports of change in ownership of common stock and other equity securities of Fulton Financial Corporation. To the knowledge of Fulton Financial Corporation, all Section 16(a) filing requirements applicable to its directors and executive officers have been complied with, except in the following cases: with respect to Robert D. Garner, the

18

report of 2,734 shares of Fulton Financial Corporation stock received by his spouse effective July 1, 2001, in exchange for 1,458 shares of Drovers Bancshares Corporation ("Drovers"), following Drovers' merger with Fulton Financial Corporation on July 1, 2001, was filed on September 25, 2002; in the case of Donald W. Leshner, Jr., the report of a purchase of 51 shares of Fulton Financial Corporation stock on October 7, 2002 was filed on October 10, 2002; and in the case of Donald M. Bowman, the report of a purchase of 34 shares of Fulton Financial Corporation stock on September 16, 2002 was filed on October 2, 2002.

In Mr. Garner's case, the failure to file a timely report was inadvertent and occurred as a result of the stock transfer agent not properly identifying the shares for Section 16 reporting. For Messrs. Leshner and Bowman, the failure to file a timely report was inadvertent and occurred as a result of the recently changed two business day reporting requirement included in the Sarbanes-Oxley Act of 2002. In each case, the error was promptly corrected after discovery of the reporting obligation.

RELATIONSHIP WITH INDEPENDENT PUBLIC ACCOUNTANTS

For the year ended December 31, 2002, Fulton Financial Corporation engaged KPMG LLP, independent certified public accountants, to audit the Corporation's financial statements.

On June 18, 2002 Fulton Financial Corporation dismissed its independent accountants, Arthur Andersen LLP ("Andersen") and appointed KPMG, LLP ("KPMG") as its new independent accountants, each effective that day. On April 16, 2002, Fulton Financial Corporation had announced that it had decided not to renew the engagement of Andersen and would be seeking proposals from independent accountants to audit Fulton Financial Corporation's financial statements for the fiscal year ending December 31, 2002. Andersen continued to provide services to Fulton Financial Corporation following the announcement that its engagement would not be renewed. The decision to engage KPMG was approved by the Board of Directors upon the recommendation of the Corporation's Audit Committee. Andersen's report on Fulton Financial Corporation's 2001 financial statements was dated January, 2002, in conjunction with the filing of its Annual Report on Form 10-K for the year ended December 31, 2001.

During Fulton Financial Corporation's two fiscal years ended December 31, 2001 and 2000, and the subsequent interim period through June 18, 2002, there

Edgar Filing: FULTON FINANCIAL CORP - Form DEF 14A

were no disagreements between the Corporation and Andersen on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to Andersen's satisfaction, would have caused it to make reference to the subject matter of the disagreement in connection with its reports.

None of the reportable events described under Item 304(a)(1)(v) of Regulation S-K occurred during the Corporation's two fiscal years ended December 31, 2001 and 2000 and the subsequent interim period through June 18, 2002.

The audit reports of Andersen on the consolidated financial statements of Fulton Financial Corporation and subsidiaries as of and for the fiscal years ended December 31, 2001 and 2000 did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principles.

On June 24, 2002, Fulton Financial Corporation filed a Form 8-K with the Securities and Exchange Commission reporting these events. Attached as an exhibit to that Form 8-K was a letter from Andersen indicating that Fulton Financial Corporation had provided Andersen with a copy of the foregoing disclosures, and stating that it had found no basis for disagreement with such statements.

19

During the years ended December 31, 2001 and 2000 and the subsequent interim period through the date of the Form 8-K, neither Fulton Financial Corporation nor anyone on its behalf consulted KPMG regarding any of the matters or reportable events listed in Items 304(a)(2)(i) and (ii) of Regulation S-K.

The appointment of KPMG for the current year will be reviewed in the second quarter of 2003. Representatives of KPMG are expected to be present at the 2003 Annual Meeting with the opportunity to make a statement and to be available to respond to appropriate questions.

Audit Fees

KPMG billed Fulton Financial Corporation \$235,000 in 2002 for professional services rendered for the audit of the Corporation's annual financial statements and reviews of the financial statements included in the Corporation's Forms 10-Q filed with the Securities and Exchange Commission.

Financial Information Systems Design and Implementation Fees

KPMG did not provide any professional services in 2002 for Fulton Financial Corporation related to design or implementation of financial information systems.

All Other Fees

KPMG billed Fulton Financial Corporation a total of \$69,870 in 2002 for all other fees. These fees were primarily for the preparation and review of federal and state income tax returns for Fulton Financial Corporation and its subsidiaries.

The Audit Committee of the Board of Directors of Fulton Financial Corporation has carefully considered whether the provision of the non-audit services described above which were performed by KPMG in 2002 would be incompatible with maintaining the independence of KPMG in performing its audit services and has determined that, in its judgment, the independence of the

Edgar Filing: FULTON FINANCIAL CORP - Form DEF 14A

auditor has not been compromised.

The Audit Committee has stated that, based on its review and discussion of the audited 2002 financial statements of Fulton Financial Corporation with management and the Corporation's auditor, KPMG, it recommended to the Board of Directors that the financial statements be included in the Annual Report on Form 10-K for filing with the Securities and Exchange Commission. A copy of the report of the Audit Committee of its findings that resulted from its financial reporting oversight responsibilities is attached as Exhibit A.

ADDITIONAL INFORMATION

A copy of the Annual Report of Fulton Financial Corporation on Form 10-K as filed with the Securities and Exchange Commission, including financial statements and financial statement schedules, is available without charge to shareholders upon written request addressed to Corporate Secretary, Fulton Financial Corporation, P.O. Box 4887, Lancaster, Pennsylvania 17604.

20

Only one proxy statement is being delivered to multiple security holders sharing an address unless the Corporation has received contrary instructions from one or more of the security holders. The Corporation will promptly deliver, upon written or oral request, a separate copy of the proxy statement to a security holder at a shared address to which a single copy of the document was delivered. Such a request should be made to the Corporate Secretary, Fulton Financial Corporation, P.O. Box 4887, Lancaster, Pennsylvania 17604, (717) 291-2411. Requests to receive a separate mailing for future proxy statements should be made orally or in writing to the Corporate Secretary at the foregoing address or phone number.

The Board of Directors of Fulton Financial Corporation knows of no matters other than those discussed in this Proxy Statement which will be presented at the 2003 Annual Meeting. However, if any other matters are properly brought before the meeting, any proxy given pursuant to this solicitation will be voted in accordance with the recommendations of the Board of Directors of Fulton Financial Corporation.

EXHIBIT B

Fulton Financial Corporation's Audit Committee Charter

PURPOSE

The primary function of the Audit Committee is to assist the Board of Directors ("Board") in fulfilling its oversight role in regard to the internal control structure, accounting policies, and the overall financial reporting processes of Fulton Financial Corporation (FFC) and its affiliates.

MEMBERSHIP

The Audit Committee shall consist of a minimum of five outside directors of FFC who are considered independent. Independence would be considered impaired under the following scenarios:

- . The director is or has been an employee of FFC or its subsidiaries during the prior three years.
- . The director accepts any compensation from FFC or any of its subsidiaries in excess of \$60,000 during the previous fiscal year, other than compensation for board service, benefits under a tax-qualified retirement plan, or non-discretionary compensation.
- . The director is a partner in, or a controlling shareholder or an executive officer of, any for-profit business organization to which FFC or any of its subsidiaries made, or from which FFC or any of its subsidiaries received, payments (other than those arising solely from investments in FFC's securities) that exceed 5% of FFC's or the business organization's consolidated gross revenues for that year, or

Edgar Filing: FULTON FINANCIAL CORP - Form DEF 14A

\$200,000, whichever is more, in any of the past three years.

- . The director is an immediate family member of an individual who has been an executive officer of FFC or its subsidiaries during the past three years. (Family member is defined as a person's spouse, parent, child, sibling, mother-in-law, father-in-law, sister-in-law, brother-in-law or anyone who resides in such person's house.)
- . The director is employed as an executive of another company where any of the executives of FFC or its subsidiaries serve on that company's compensation committee.

A director satisfying any of the above impairment conditions may, however, serve if the FFC Board determines membership on the Audit Committee is required by the best interests of FFC and its stockholders and the relationship does not interfere with the director's exercise of independent judgment, considering the materiality of the relationship with FFC and its subsidiaries or to the director. Only one director whose independence is considered impaired may be appointed to the Audit Committee. This director may not be a current employee or an immediate family member of a current employee.

All members of the Audit Committee must be able to read and understand fundamental financial statements (including a company's balance sheet, income statement and cash flow statement) or become able to do so within a reasonable period of time. At least one member shall have accounting or related financial management experience that results in the individual's financial sophistication, including being or having been a chief executive officer, chief financial officer, or other senior officer with financial oversight responsibilities.

23

The Chief Financial Officer and the Chief Auditor of FFC shall be permanent invitees for all meetings. Other officers of FFC and its subsidiaries shall attend meetings by invitation for specific presentations only.

MEETINGS

Regular meetings of the Audit Committee shall be scheduled for the months of January, March, April, June, July, September, October and December. Meetings may be rescheduled or cancelled at the discretion of the Audit Committee Chair. Under no circumstances shall meetings be held less than four times annually.

consulting engagement to be performed by the IPA and be advised of any other study undertaken at the request of management that is beyond the scope of the audit engagement letter;
